1. DEFINITIONS

1.01 Positions

- (a) Permanent positions are posted positions for regularly scheduled ongoing work.
- (b) Temporary and seasonal positions are positions that exist due to the absence of a Regular Employee, augmentation of the workforce, and for seasonal work for periods of up to six (6) months. Temporary and seasonal positions of two (2) months or greater shall be posted. Temporary positions may be filled by Regular Employees or Auxiliary Employees. Seasonal positions may be filled by Regular Part-Time or Auxiliary Employees. Part-Time Employees may also fill temporary and seasonal positions, on the understanding that overlap of scheduled work may require them to give up their part-time posting in order to do so.

1.02 Regular Employee - means a regular full-time employee and a regular part-time employee

- a) Regular Full-Time Employee - an employee who holds a posted permanent full-time position and who has successfully completed the probationary period for a regular employee.
- b) Regular Part-Time Employee - an employee who works less than the full-time hours, holds a posted permanent part-time position for regularly scheduled work averaging at least 15 hours per week in a twelve (12) month period, and who has successfully completed the required probationary period for a part-time employee.

Regular Part-Time Employees shall have the option to fill seasonal vacancies and return to their regular positions at the end of the term. Regular Employees who fill temporary vacancies remain as Regular Employees.

1.03 Part-Time Employee - an employee who holds a posting for a permanent position which does not involve regularly scheduled work in each pay period in the year or does not average at least 15 hours per week.

1.04 Probationary Employee - an employee who is serving a probationary period as defined in Article 14.03.

1.05 Auxiliary Employee

(a) An Auxiliary Employee is one who is hired to work for an absent Regular Employee or to augment the workforce, or to perform seasonal work for periods up to six (6) months. Auxiliary employees may be extended for up to three (3) months with mutual agreement.

(b) Auxiliary Employees shall be paid ninety (90%) percent of the rates prescribed in the Wage Schedule during the first 480 hours worked. Thereafter, the Wage Schedule shall apply. Once the 480 hours have been consecutively served, employees rehired for the same job within one year of the last day worked shall be paid at the regular rate for the classification.

1.06 Pay In Lieu of Benefits

Regular Part-Time, Part-Time, Auxiliary employees shall be paid 15% percent more than their basic hourly rate in lieu of:

- Statutory Holidays - Article 20
- Annual Vacation - Article 21
- Sick Leave - Article 22
- Bereavement Leave - Article 23.07
- Employee Benefits - Article 29.01-29.02

For Regular Part-Time employees, this percentage will increase based on their continuous years of employment in a Regular Part-Time classification as follows:

Continuous Years of Employment	Pay In Lieu %
After 4 years	16%
After 11 years	17%
After 18 years	18%
After 25 years	19%

Such increases will be effective on the anniversary date of the employee starting in the Regular Part-Time classification. In the event that an employee gives up their Regular Part-Time position and becomes a Part-Time or Auxiliary employee, they will revert back to 15%.

- (b) Auxiliary Employees working over 600 hours in each of two (2) consecutive calendar years shall accrue seniority for posted vacancies in accordance with Article 15.06.

- (b) All other employees shall be on probation for the first 480 hours worked, or two (2) years, whichever comes first. Should a part-time employee not work for the Employer for a period of six months their employment shall be deemed to be terminated.
- (c) While on probation employees shall be paid at 90% of the rates prescribed in the applicable wage schedule. Once the probationary period has been served employees rehired for the same job within one year of the last day worked shall be paid at the regular rate for the classification.

- (b) Except as provided in Article 23.04, seniority shall continue to accrue to employees absent from work because of sickness, Long Term Disability, compensable accident, or leave approved by the Employer.
- (c) Regular Employees who become Part-time Employees as a result of a lay-off shall retain their original seniority dates.
- (d) (1) Part-Time and Auxiliary Employees holding seniority as defined in Section 15.06, who work seasonally and who do not work through any subsequent season when work was available to them, shall lose their seniority.
- (2) Such employees who do not work at least 500 hours in the next and in each ensuing year that such work was available to them, shall lose such seniority. Work is 'available' for this purpose if the employee was not ill and did not have a scheduling conflict in terms of other work for the City, at the time the work was offered.
- (3) Circumstances may arise where an employee who would have worked the 600 hours (or the 500 hours as the case may be) under normal circumstances is unable to do so as a result of illness of the employee or illness on the part of an immediate family member for whom the employee is the sole care giver. Where such illness is confirmed to the employer's satisfaction by a medical doctor's certificate, the employee will be considered as having obtained or retained (as the case may be) their priority status.

For clarity, the test of whether or not such an employee, working under normal circumstances, would have achieved 600 (or 500 hours as the case may be) is whether or not they have had to be replaced by another employee or employees for a sufficient number of hours to meet these thresholds.

16.02 Role of Seniority in Lay-offs

- (a) Both parties recognize that job security shall increase in proportion to length of service. However, if the Employer lays off a senior employee and they desire to bump, they shall notify the Employer within ten (10) calendar days of receiving their notice of their first, second and third choices of positions that they wish to bump and are qualified to fill. Notwithstanding the above, if the Employer provides more than ten (10) calendar days' notice of lay-off pursuant to Article 16.06, the employee's decision and notice to the employer may be postponed until no less than ten (10) calendar days prior to the actual lay-off occurring. Such employee may bump any employee with less seniority provided they are qualified to perform the duties of the less senior employee.

An employee shall not be required to bump an employee with fewer hours of work than the laid-off employee held.

Any employee displaced by the exercise of another employee's bumping rights may similarly look to bump.

If the Employer lays off a senior employee, notice will be posted on each work area bulletin board within one (1) day advising of the lay-off and listing all positions of less seniority which may be affected because of the lay-off.

All bumped employees will be given a maximum of five calendar days from the date of notification to notify the Employer of their first, second and third choices of positions they are qualified to fill. The Employer will then exercise their rights to determine whether the employee is qualified for the selected positions. Each employee, on a seniority basis, will then meet with the Employer and the Union and they will be notified at that time of which position of their choice they will be moving to.

Forms will be utilized by the Employer and the affected employees for completion of this process. A failure by the employee to turn in the form shall be a deemed election not to bump but to instead go to the recall list.

- (b) If a regular full-time employee has no full-time position to bump into, such employee shall, providing the scheduling of hours of work will accommodate and the employee is qualified, be allowed to bump 2 regular part-time and/or part-time positions to attain, as near as possible, full hours of work in a day. Such employee shall retain all benefits of the Collective Agreement and as enumerated in Article 29, providing the employee is working 75% or more of the full-time hours.
- (c) Employees who bump another employee shall be entitled to a five (5) day orientation period. The orientation will be to cover job specific information.

16.03 Bumping Upward

An employee may bump upwards if they currently possess the knowledge, ability, skills and qualifications to satisfactorily perform the duties in question.

16.04 Recall Procedure

- (a) Employees with recall rights shall be recalled in the order of their seniority provided they are qualified to perform the available work. Employees laid off or who bump into a reduced hours position will be eligible for extra available hours up to their pre lay-off hours where their qualifications and seniority allow. Extra hours will be across all departments provided the employee is qualified.
- (b) If a regular full-time employee can bump into only one regular part-time position or one part-time position, the employee shall be considered to still be on recall.
- (c) If an employee is laid off and if that employee's position is re-instituted within the recall period as defined in Article 14.04 (a) (3), the employee shall be returned to the re-instituted position.

16.05 No New Employees

New employees shall not be hired to perform work for which employees on lay-off are qualified to perform, unless such employees refuse or are unavailable for recall.

16.06 Advance Notice of Lay-off

Unless legislation is more favourable to the employees, the Employer shall notify regular employees who are to be laid off 10 working days prior to the effective date of lay-off. If the employee has not had the opportunity to work the days as provided in this article, they shall be paid for the days for which work was not made available.

16.07 Recall for Temporary Absence

- (a) When a regular employee is on lay-off and where it is known that another regular employee is going to be temporarily absent for a full week or longer, then the laid off employee shall be offered the opportunity to perform the work of the absent employee, provided that:
- (1) There is a requirement to replace the absent worker, as decided by the Employer.
 - (2) The laid off worker has the qualifications to perform the duties of the absent worker.
 - (3) The laid off worker has not indicated a preference not to be recalled for the certain type of work that is available.
- (b) The laid off worker has the right to refuse the offer of work.
- (c) The Employer will make an attempt to contact the laid off worker by telephone, on each occasion where a temporary vacancy of a full week or longer requires filling, in order to offer the available work. If the laid off worker cannot be contacted, the Employer may rely on another substitution process.

16.08 Recall to Pre-Layoff Position

Employees who are temporarily or permanently laid off and choose to bump shall have the option of returning to their pre-layoff position at the end of the temporary layoff or if their pre-layoff position becomes vacant for less than full time hours at their discretion. In addition, in the event that the City determines that the employee's performance is unsatisfactory, they may return the employee to their previously held position. In such cases, the employee's seniority will be restored, and will be deemed to have accrued during their appointment. All other employees who were promoted or transferred as a result of the appointment shall also be returned to their former position(s).
- c) Any employee who is appointed to an exempt position under this LOU will be permitted to retain their banked OT and banked vacation hours from previous years (subject to collective agreement rules), to be available in the event that they return to their previous position. In the event that they remain in the exempt position following the 12 month period they will be paid out for these hours. Their current and future year's (if applicable) vacation balance and pay will move with them to their exempt position at the time of their appointment.
- d) The application of this LOU will be solely at the discretion of management. If this LOU applies to an appointment to an exempt position, this will be stated in the employee's letter of hire for the exempt position.
- e) This LOU and its application is a non-grievable agreement.

SECTION “B”**Covering Issues of Public Works and Office and Technical Departments to be filed with the Collective Bargaining Agreement between the City of Port Alberni and CUPE Local 118 for the period January 1, 2019 to December 31, 2023****1. Public Works Department – Hours of Work – Street Sweeper; Assignment of Employees due to Absences or Equipment Breakdowns; Job Equipment Training; Assignment of Overtime under Article 19.06**

The parties hereby agree as follows:

i) Hours of Work – Street Sweeper

Hours of work for the classification of Street Sweeper shall be by mutual agreement of the parties.

ii) Assignment of Employees Due to Absences or Equipment Breakdowns

(a) Immediately preceding a work day or during a work day, the Employer may:

(1) assign any available employee competent to fill the vacancy to a classification which is vacant due to the absence of another employee who has not reported to work, or

(2) reassign employees due to equipment breakdown or project shutdown.

(b) In accordance with Section 24.04 it is understood that where such assignment or reassignment occurs, assigned or reassigned employees shall receive their regular rate of pay or the rate for the classification to which they are assigned, whichever is greater.

(c) The Employer reserves the right to determine whether an absent employee needs to be replaced temporarily. In filling an employee's absence exceeding one shift in length, the Employer may select any qualified employee. However, where another more senior qualified employee has requested to fill the absent employee's position and the request is denied, the employee's seniority shall be recognized through payment of the applicable rate for the position, if higher.

(d) Upon equipment or project shutdown, the Employer may reassign affected employees to any position within their work crew, which does not involve displacement of another member of that crew, or to an alternate position with an equal or higher pay rate than the employee's regular rate.

(e) Public Works work crews are defined as:

- | | |
|-----------------|------------------|
| (1) Solid Waste | (4) Streets |
| (2) Sewer | (5) Construction |
| (3) Water | (6) Shops |

If the employee is not reassigned within their work crew, or is not reassigned to a position with an equal or higher rate of pay which does not involve displacing another employee, then, at the request of the affected employee, the Employer shall reorganize employees in accordance with seniority subject to acceptable competence and experience levels.

iii) Job Equipment Training

- (a) The Employer shall inaugurate and maintain a system of “on the job” equipment training so that every Public Works Department outside employee shall have the opportunity to receive training and qualify for promotion or transfer in the event of a vacancy arising. Accordingly, employees shall be allowed to learn the work of higher or equal positions for temporary periods, without affecting the salary or pay of the employees concerned.
- (b) Such arrangements shall be made with the approval of a supervisor and shall be conducted so as not to adversely affect the job function or general safety. Opportunities for training shall be allocated according to the seniority provisions of this Agreement.

iv) Assignment of Overtime under Article 19.06

- (a) Employees in the Public Works Department are assigned to one of the following crews:
- | | |
|-----------------|------------------|
| (1) Solid Waste | (4) Streets |
| (2) Sewer | (5) Construction |
| (3) Water | (6) Shops |
- (b) When assigning overtime under Article 19.06 each crew shall be deemed to be a separate classification.
- (c) For the purposes of sanding, snow and ice removal only, overtime will be offered firstly to the operator normally assigned to the responding piece of equipment and secondly to qualified employees of the construction crew in the order of seniority.

2. Office and Technical Department – Hours of Work – Custodial Guards

In recognition that there are no acknowledged rest periods afforded these employees, it is agreed that they shall be paid an additional ½ hour at their regular rate after five continuous hours of work.

This letter will terminate on expiration of the current Collective Agreement.

3. Office and Technical Department – Hours of Work – Storekeeper

The hours of work for the Storeskeeper shall be Monday to Friday from 6:30 a.m. to 4:00 p.m.

4. Watch Clerks – Hours of Work

- a) The normal average work week of these employees shall be 37.625 hours consisting of 2 day shifts of 11 worked hours each followed by 2 afternoon shifts of 10.5 worked hours each, over 4 consecutive days followed by 4 consecutive days off.
- b) The shifts lengths outlined above are exclusive of a 1-hour unpaid meal break to be taken at a time designated by the Employer.
- c) For the purposes of calculating overtime rates, for employees following the above schedule and receiving 4 consecutive days of rest, the first and second days off shall be deemed the first day of rest and the third and fourth days off shall be deemed the second day of rest.

5. Shift Schedule – One Bylaw Enforcement Officer Position

- a) The normal work week for this position will be Tuesday – Saturday. The normal work day will be 11:00am – 8:00pm.
- b) This position will follow a compressed work week schedule.
- c) This schedule may be subject to adjustment within the hours outlined above and a regular shift of 8:00am – 5:00pm, based on seasonal and operational requirements, and as agreed to by the Bylaw Services Manager and the Bylaw Enforcement Officer working this schedule.

SECTION “C”

Covering Issues of Parks and Building Maintenance and Office and Programs (Parks and Recreation) Departments to be filed with the Collective Bargaining Agreement between the City of Port Alberni and CUPE Local 118 for the period January 1, 2019 to December 31, 2023.

1. Term and Conditions Governing Part-Time Employment Within the Office and Programs (Parks and Recreation and Alberni Valley Museum) and Parks and Building Maintenance Departments

The following terms and conditions shall apply to Part-Time Employees within the Office and Programs (Parks and Recreation) and Parks and Building Maintenance Departments.

i) SCHEDULES

(a) Schedules for part-time staff shall be defined as the following:

- Instructor/Lifeguards
- Aquatic Centre Receptionist Assistants
- Program Assistants
- Echo Centre/Multiplex Receptionist Assistants
- Maintenance Assistants
- Parks Labourers (Seasonal)
- Summer Program Assistants

(b) This concept of schedules shall not apply to Program Instructors.

(c) Nothing in this Agreement shall constitute a “guarantee” of hours of work per day or per week. The schedules may fluctuate with changes of season, programs, participation levels, maintenance shutdown, etc.

ii) BIDDING ON VACANCIES

(a) Part-time staff, except for program instructors, shall be established into areas. The areas are defined in paragraph 1 (a) above. Part-Time Employees as defined in Article 1.03 are given service credits within their respective areas.

(b) Part-time postings covered by Section “C” will be awarded as follows (provided the employee has the required qualifications):

- i. The employee with the greatest seniority.
- ii. The employee who is currently part-time in the area of the postings (as defined in paragraph 1 (a) above) with the longest service (based on service date).
- iii. The employee who is currently part-time within any other area or department of the City of Port Alberni with the longest service (based on service date).
- iv. The auxiliary employee from within the area of the posting with the longest service (based on service date).

- v. The auxiliary employee from within any other area or department of the City of Port Alberni with the longest service (based on service date).

(Probationary employees may be given consideration after all other applicants have been considered)

- (c) In cases where two or more part-time applicants have the same date of hire as well as the required qualifications, preference shall be given to the employee having the greatest number of hours worked at that point in time.
- (d) In cases where a Part-Time Employee “gives up” one posting by successfully applying on a seasonal or temporary job posting, they will automatically revert to their former posting.

iii) CALL-IN OR SPARING HOURS

- (a) For sparing hours in cases of expected absences or additional work, Regular Part-Time Employees and Part-Time Employees will be called in, in order of length of service measured by the most recent date of hire.

This shall apply only within each set of schedules as defined in paragraph 1.(a). If no one within that set of schedules is available to work, qualified employees from another set will be considered.

- (b) This call-in system shall not apply where short notice, (i.e. same day notice) is given of employee absences.

When filling a sparing request for a full-time shift for a block of time off, the whole block of hours must be filled by the same person. If the person with the most seniority cannot take the whole block of hours it goes to the next person. (A part-timer can drop their package of hours to work for a full-timer). If the list is exhausted and no-one can do the whole block of hours then the hours can be split in which case there is a return to the top of the seniority list to determine what days that person is available and then move down the list to the next person. (If an employee has already booked an important scheduled appointment, e.g. Doctor/Dentist, the employee could take the whole block and book appointment time off).

When filling a sparing request for a part-time shift for a block of time off, the employer will start at the top of the seniority list and offer the person all or part of the shift. These hours may be added to part-time hours, but they may not give up any of the hours that they are already scheduled to work, unless operationally it is required. A part time shift does not need to be kept whole the first time through the seniority list. (It is not acceptable to leave a shift of less than one hour unfilled).

iv) REQUEST FOR TIME OFF FOR VACATION

- (a) Employees posted to schedules are required to submit to their direct supervisor any requests they have for significant time off vacation in the ensuing year by April 1st each year.

- (b) In the case of swim lesson instructors, if the requested vacation period falls during a lesson set, another employee may be assigned to cover that full lesson set, even though the vacationing employee may not be away for the full lesson set. (The purpose of this is to ensure as much stability in the lesson instruction as possible to satisfy student and parent needs). However, on the vacationing employee's return, they will regain hours of work other than the lesson instruction hours.
 - (c) Vacations shall be scheduled to mutual convenience of the Employer and employees, subject to the requirements of the operation.
 - (d) Any conflicting requests from two or more employees shall be resolved on the basis of length of services.
 - (e) Summer seasonal staff are not eligible to take vacation time off, since, by definition, the operations require them to be at work throughout the summer season.
- v) **LOSS OF SENIORITY OR SERVICE CREDITS**
- (a) A Part-Time Employee shall lose service credits for the following reasons:
 - If they do not work for the Employer for six months.
 - If they are discharged and not reinstated.
 - If they fail to return from a leave of absence.
 - If they are terminated voluntarily or for other non-culpable reasons.
- vi) **BUMPING**
- Part-Time Employees may only look to bump if they have been bumped as a result of a Regular Full-Time or a Regular Part-Time Employee having been laid off and subsequently having bumped a Part-Time Employee. Bumping procedures will be as defined in Article 16 of the Collective Bargaining Agreement.

2. Parks and Building Maintenance Department – Labourer 2 (Parks) Payment of Certain Rates

The parties hereby agree as follows:

- i) Labourer 2 (Parks) Classification and the Payment of Certain Other Rates
 - (a) As a general rule, Labourer 2 (Parks) staff will be assigned to operate equipment before any temporary labourers are assigned to operate equipment.
 - (b) The current Formsetter/Finisher rate shall be paid for "brick setting" duties. Normally, this rate will be paid to only one person, but if a particular project is large enough, the supervising manager may appoint two people.

Specific tasks defining brick setting are as follows:

- (1) installing interlocking brick pavers, including all layout and finish cutting, fitting and trimming.
 - (2) ensuring that the brick base is properly prepared and the brick pattern layout is properly implemented.
 - (3) directing other employees in the preparation of the base and other tasks related to the brick setting projects.
- (c) Where the supervising manager assigns an employee to lay concrete blocks for the construction of buildings, the employee will be paid the Tradesman rate for the time so worked.
- (d) Where the supervising manager assigns an employee to do a formsetting/concrete finishing project, the employee will be paid the Formsetter/Finisher rate for the time so worked.
- (e) The Employer undertakes to inform employees of any anticipated rate changes at the start of the work day so that each employee understands at that point in time whether or not their work assignment for the day will involve a different rate from their regular rates.

3. Flexible Hours of Work for Certain Employees in the Office and Programs (Parks and Recreation and Museum) Department

The parties hereby agree as follows:

Flexible Hours of Work

- i) Notwithstanding Article 17, a flexible hours of work arrangement is employed for Office and Program Department regular employee, Shelley Harding (Education Curator), where such an arrangement is mutually agreed upon by the Employer and employees. The employee working under this provision shall be entitled to hours off equivalent to hours worked in excess of the total regular working hours occurring within the quarter.
- ii) Any such excess of hours shall be totalled quarterly (January 1, April 1, July 1, October 1) and shall be taken off by the employee within the following quarter at a time mutually agreed upon by the Employer and the employee and the Union shall be notified.

4. Union Business – Payment of Wages, Benefits and Other Employment Expenses (Articles 23.02 and 23.11)

Whereas CUPE members are granted leave for Union business from time to time under Articles 23.02 and 23.11 of the Collective Bargaining Agreement;

Whereas Articles 23.02 and 23.11 state that such leave shall be paid at the employee's regular (posted) wage rate;

Whereas the Union has asked that where employees on leave in accordance with Articles 23.02 and 23.11 be paid at a higher rate than their regular (posted) wage rate if, at the time of the leave, they are scheduled to work or to have the opportunity to work in a higher rated position, they be paid at that higher rate;

And Whereas the Union, under the terms of Articles 23.02 and 23.11 reimburses the City for all wages, benefits and other expenses related to the leaves granted,

The parties hereto agree as follows:

That, notwithstanding the reference to “regular wages” in Articles 23.02 and 23.11, the City shall pay, and the Union shall reimburse the City for, employees on Union business leave at a higher rate of pay than their regular (posted) wage rates, provided that such employees were scheduled to work or scheduled to have the opportunity to work in a higher rated position during all or a portion of the leave period, whichever is applicable.

This provision shall not affect other leaves where the City pays the wages of employees on leave. In such cases, those employees shall continue to receive their regular (posted) wages.

5. Alberni Valley Multiplex Upper Lounge Concession Operation

The parties hereto agree as follows:

- 1 A service club or sports group will provide volunteers as required to assist the Concession Coordinator in the operation of the Upper Lounge and satellite concession services in the Weyerhaeuser Arena during all Junior A hockey games and special events in the facility. The volunteers will be paid an honorarium for their assistance.
- 2 Some or all of the satellite concession services may be contracted to the private sector under the direction of the Concession Coordinator.

6. Seasonal Position – Weekend Work

Notwithstanding Article 17.01 of the Collective Agreement, the City may post one of its Parks seasonal positions on the basis that weekly days off will be other than Saturday and Sunday. Weekly days off shall be adjacent.

7. Job Training and Overtime in Parks Operations

Job Training

- a) The Employer shall inaugurate and maintain a system of “on the job” equipment training so that every Parks Operations employee shall have the opportunity to receive training and qualify for promotion or transfer in the event of a vacancy arising. Accordingly, employees shall be allowed to learn the work of higher or equal positions for temporary periods without affecting the salary or pay of the employee concerned.

- b) Such arrangements shall be made with the approval of the supervisor and shall be conducted so as not to adversely affect the job function or general safety. Opportunities for training shall be allocated according to the seniority provisions of this agreement.

Overtime

Overtime opportunities will be offered to qualified Parks Operations employees in order of seniority, with the exception of overtime operating the following equipment:

- Tractor (624) – Overtime will be offered first to the posted Equipment Operator 2, then to the posted Equipment Operator 1, then by seniority to the rest of the qualified Parks Operations employees.
- Gang mower (633) - Overtime will be offered first to the posted Equipment Operator 1, then to the posted Equipment Operator 2, then by seniority to the rest of the qualified Parks Operations employees.

8. Work Schedule of One Recreation Programmer Position

The normal work week for one of the Recreation Programmer positions will be Tuesday – Saturday, with the normal hours of work being:

- Tuesday: 8:00am – 5:00pm
- Wednesday: 11:00am – 8:00pm
- Thursday: 8:00am – 5:00pm
- Friday: 11:00am – 8:00pm
- Saturday: 8:00am – 5:00pm

This position will follow a compressed work week schedule, and observe a Tuesday flex day.

9. Hours of Work - Recreation Programmers

Recreation Programmers will be moved to Group IV (as per Article 17.05).

Karen Freethy will continue with her Monday to Friday schedule, with Saturday/Sunday off.

The current LOU regarding the work schedule of the Recreation Programmer position will remain in effect for as long as the incumbent (Colton Buffie) is in that position.
