BY AND BETWEEN

SOBEYS CAPITAL INCORPORATED
(*Safeway Operations*), a body corporate carrying on business in the Cities or Townsites of Brooks, Calgary, Camrose, Canmore, Edmonton, Fort McMurray, Grande Prairie, Hinton, Lethbridge, Lloydminster, Medicine Hat, Red Deer, and Wetaskiwin, covered under separate Certifications, but combined under one (1) Agreement; hereinafter referred to as "the Employer"

AND

UNITED FOOD AND COMMERCIAL WORKERS CANADA UNION, LOCAL NO. 401, hereinafter referred to as "the Union"

WHEREAS: The Employer and the Union desire to establish and maintain conditions which will promote a harmonious relationship between the Employer and the employees covered by the terms of this Agreement and desire to provide methods of fair and amicable adjustment of disputes which may arise between them.

NOW THEREFORE: The Employer and the Union mutually agree as follows:

Article 1 – Bargaining Agency

- 1.1 (a) The Employer recognizes the Union as the sole agency for the purpose of Collective Bargaining for all employees coming under the provisions of this Agreement employed in the stores owned and/or operated by the Employer in an area within twenty-five (25) miles of the City or Town limits, except those in the meat sections (excluding Lloydminster), Pharmacy Managers, Pharmacists, Pharmacy Interns, Health Care Consultants, Location Managers, and Store Supervisors (as per Letter of Understanding). Calgary Only: Those employed in in-store bakeries (Production Only).
- (b) ***Any employee appointed to the position of First Assistant Manager or Second Assistant Manager on or after the Sunday following ratification (August 16th, 2020) will be excluded from the provisions of this Agreement.***
- (c) ***Any existing employee in any position noted in paragraph (b) above may elect to become excluded from the Collective Agreement within one (1) year from the date of ratification (August 10th, 2020) by presenting a letter to the Employer with a copy to the Union. During a thirteen (13) week trial period***

the employee may revert to their former bargaining unit position without penalty.

- (d) It is understood that any article in the Agreement that references employees in positions that are or will be excluded applies to only those employees who remain covered by the provisions of this Agreement and not to those employees who are or will become excluded under Article 1.1.***
- (e) The Employer will institute a non-binding “Expression of Interest” (EOI) process for opportunities to work in the excluded positions listed above. If no suitable internal candidate is identified for the position, then the Employer will advise of the opportunity and review submitted EOIs prior to hiring externally.***

1.2 The Employer and the Union shall meet prior to any contemplated new store openings (which are outside the twenty-five (25) mile limit of the City limits and are not covered by a current Collective Agreement) to discuss the contemplated condition of employment at said location. If the Employer and the Union reach an agreement on wages, hours, working conditions, and term of a proposed Collective Agreement, then the Employer will sign a document granting voluntary recognition to the Union and a Collective Agreement containing the agreed-upon terms will be signed between the Employer and the Union forthwith, covering all employees of the Employer at said location, save and except meat sections, Pharmacy Managers, Assistant Pharmacy Managers, Pharmacists, Pharmacy Interns, Location Managers, and Store Supervisors (as per Letter of Understanding).

Article 2 – Union Establishment

2.1 The Employer agrees to retain in its employ within the bargaining units, as outlined in Article 1 of this Agreement, only members of the Union in good standing. The Employer shall be free to hire new employees who are not members of the Union, provided said non-members, whether part-time or full-time employees, shall be eligible for membership in the Union and shall make application within ten (10) days after employment and become members within thirty (30) days.

2.2 Form Letter

The Employer agrees to provide each new employee at the time of employment with a form letter, outlining to the employee his/her responsibilities in regard to Union membership and outlining the provisions of Article 5.4 of this Agreement; and to provide the Union, in writing, with the name and address of each employee to whom the letter was presented along with the employee's date of hire. The Union shall bear the expense of printing the letter, the contents of which to be such that it is acceptable to the Employer. The Employer further agrees to provide the Union, once a month, with a list containing the names of all employees who have terminated their employment during the previous month.

Article 3 – Deduction of Union Dues

3.1 The Employer agrees to deduct from the wages of each employee, upon proper authorization from the employee affected such initiation fees, assessments and Union dues as are authorized by the Union. The Union agrees that should they propose a dues structure that cannot be administered by the Employer, the parties will meet to

discuss a resolve. The Employer further agrees, automatically, to deduct Union dues and initiation fees from the wages of all new employees. Monies deducted during any month shall be forwarded by the Employer to the President of the Union not later than the fifteenth (15th) day of the following month, and accompanied by a written statement of the names of the employees for whom the deductions were made and the amount of each deduction. Dues check-offs are to be submitted on a four (4) or five (5) week accounting period.

The above dues and initiation fees shall be submitted electronically in a manner acceptable to both parties.

- 3.2 The Employer agrees to have the membership application forms, dues, and initiation fee deduction forms signed by the employees at the time of hiring.
- 3.3 The Employer agrees to list Union dues deductions of the employees on the T-4 Income Tax form for all employees in the Bargaining Unit.
- 3.4 The Union will give the Employer four (4) weeks' notice prior to changing the amount of dues to be deducted.

(e) Overtime – Rest Periods

If an employee is requested to work more than one (1) hour but no more than two (2) hours overtime continuously with the regular shift, **they** will be given a fifteen (15) minute paid rest period. The break will be taken before the commencement of the overtime.

If an employee is required to work more than two (2) hours overtime, **they** will be granted an optional half (1/2) hour unpaid meal period in addition to the above mentioned rest period.

- (f) (Southern Alberta Only) - Full-time employees working on their day off shall be compensated at double (2X) their regular hourly rate.

4.3 General Holidays

- (a) The following days shall be paid General Holidays:

that City or Municipality shall be affected by the requirements of this article.

Provided ***the employee*** works ***their*** regular scheduled full work day before and after the holiday, unless absent due to bona fide illness or accident, employees regularly working full-time shall receive eight (8) hours pay for each such holiday.

- (b) The hours of work for employees in a week when a General Holiday occurs and as are recognized, as referred to in Article 4.3 (a), shall be reduced by eight (8) hours for each holiday so recognized. It is clearly understood that the Employer will be under no restrictions regarding days off, shift schedule and days of store operation during such weeks.

All time worked in excess of the reduced basic work week shall be compensated for at the rate of time and one half (1 ½ X).

- (c) Pay for Work on a Holiday

Employees required to work on a holiday shall be compensated at the rate of double (2X) their regular hourly rate for each hour worked. The Employer will schedule all employees (including Assistant Managers, Produce Managers, Bakery Managers, and Head Cashiers) to work on General Holidays on a fair rotational basis. Each store will maintain an updated record of employees who are scheduled to work in each scheduling group, for each General Holiday, for each calendar year. The record will be made available to the Union by request.

- (d) Consistent with the scheduling practices of the division, the following shall serve as a guide to the interpretation and application, of the provisions of Article 4 of the Collective Agreement.

When a full-time employee does work on the holiday, they shall receive as compensation that week:

- (i) All part-time employees who have worked an average of at least thirty (30) hours or more per week in the four (4) weeks preceding the week in which a General Holiday occurs, shall receive eight (8) hours pay at his/her regular hourly rate for each holiday observed under this Agreement.
- (ii) All part-time employees who have worked an average of at least eighteen (18) hours in the preceding four (4) weeks shall receive six (6) hours pay at his/her regular hourly rate for each holiday observed under this Agreement.
- (iii) All part-time employees who have worked an average of less than eighteen (18) hours in the preceding four (4) weeks shall receive the average number of hours they have worked on the day of the holiday in the preceding four (4) weeks.

In calculating the foregoing averages, all hours worked by a part-time employee to a maximum of forty (40) hours per week will be used in calculating the General Holiday pay entitlement.

Where the Employer or the Union are aware that the taking of vacation has reduced the General Holiday pay benefit of a part-time employee, the Employer will adjust the calculation to exclude the period of vacation from the four (4) week average.

Part-time employees working in a week in which a holiday falls shall receive equal treatment with full-time employees in respect to receiving overtime pay for

those hours worked in excess of the reduced work week.

(b) Part-Time Employees Working During a General Holiday Week

- (b) An employee working a daily shift of more than five (5) hours, but less than seven (7) hours, will have two (2) paid rest periods of fifteen (15) minutes each.
- (c) An employee working a shift of seven (7) or more hours will have two (2) rest periods not to exceed

fifteen (15) minutes each and one (1) meal period without pay.

- (e) Should an employee be unable to take a scheduled rest period, they will be compensated for the missed rest period at the applicable straight time or overtime rate.
- (f) For employees in the Front End department (Cashiers, Customer Service and Courtesy Clerks) where the Employer is scheduling their meal and rest periods, and the employee is not able to receive their breaks within the above defined time(s) due to business demands, the employee shall be compensated at the applicable straight time or overtime rate.
- (g) It is understood that the compensation contemplated in Article 4.5 (e) and (f) will not be pyramided.
- (h) Meal periods will be no more than sixty (60) minutes in length. Upon mutual agreement an employee's meal break may be less than sixty (60) minutes in duration. It is understood and agreed that all matters of eligibility, coverage and benefits shall be as set out in the plan and as determined by the carrier.

A part-time employee, who had qualified for benefit coverage on March 17th, 1993, or earlier and subsequently voluntarily restricts their hours and thereby fails to maintain an average of thirty-two (32) hours per week for thirteen (13) consecutive weeks, shall cease to be eligible for the foregoing benefits. - (g) The Employer will provide the Union with a letter, setting out benefits for regular part-time employees who are eligible.

An employee working full-time with another employer shall not be eligible to receive the Employer's Health and Welfare benefits.

(i) Part-Time Health and Welfare Trust

The Employer agrees to have a Health and Welfare Trust Fund for all part-time employees who do not qualify for the existing Employer Group Insurance benefits. The Employer shall make contributions to the fund as follows:

- i. Maintained at the current level twenty-five (\$0.25) cents for the first (1st) contract year (August 2020-August 2021);*
- ii. Effective August 15th, 2021, a temporary adjustment for Years 2, 3, and 4 (August 2021-August 2024) of the contract to ten (\$0.10) cents.*
- iii. Effective August 11th, 2024, returned to twenty-five (\$0.25) cents for the final year of the contract.*

These temporary adjustments are subject to the trust fund being able to maintain the pre-ratification level of benefits and in the event that this is not possible, the contribution levels shall revert to twenty-five (\$0.25) cents. The Trustees retain discretion to improve benefit levels.

Contributions are for all part-time hours worked and paid in the bargaining unit for the same hours that are paid for each hour that the Employer pays dental contributions as per Article 8.10. The Employer shall appoint two (2) trustees and the Union shall appoint two (2) trustees. A Plan Text shall also be established by the trustees within a further sixty (60) days unless a longer period is mutually agreed by the trustees. The trustees may hire consultants that may be deemed appropriate for the finalization of these documents, and/or administration of the fund. The purpose of the Trust Fund shall be to establish the health and welfare benefits for part-time employees who do not qualify for the existing Employer Group Insurance benefits as decided by the trustees. The trustees shall have the

authority to decide which benefits shall be implemented, consistent with the financial ability of the Trust Fund to provide for those benefits.

Effective March 15th, 2015, the temporary diversion of contributions from the Part-Time Health and Welfare Trust Fund to the UFCW Local 401 Dental Plan shall cease.

8.3 Sick Leave

Full-time employees shall accumulate credits at the rate of four (4) hours for each calendar month of employment, up to a maximum of two hundred eight (208) hours.

The amount of sick time credit accumulated shall be indicated on the employee's pay stub.

For new employees, credits shall commence to accumulate from the date of full-time employment, but can only be applied after completion of a three (3) month full-time employment eligibility period.

A regular full-time employee, having accumulated sick leave credits and also is reduced to part-time by the Employer, will be paid sick leave to the extent of such accumulation for actual time off the job, due to illness, not covered by Weekly Indemnity.

An employee, who retires on pension, is permanently laid off or is totally disabled due to occupational accident, shall be paid any unused accumulated sick leave credits.

The Employer may require the employee to provide a doctor's certificate, verifying any absence due to disability.

Employees shall notify the Employer (Manager or next highest personnel available in the store) in case of absence, informing them of reason for absence, approximate length of absence and where they can be contacted relative to their absence.

The Employer shall apply any accumulated sick leave to absences due to sickness not covered by Insured Weekly Indemnity benefits (or similar benefits) and may supplement Weekly Indemnity benefits (or similar benefits) with unused sick leave credits in an amount equal to but not to exceed the employee's normal earnings. Payment of benefits under Weekly Indemnity shall be subject to the acceptance of the claim by the insurance company.

Employees found abusing the provision shall be disciplined by the Employer. In such cases the Employer may discontinue or reduce the benefit of the employee, or terminate the services of the employee.

8.4 Workers' Compensation

Full-time employees, qualified for compensation from the Workers' Compensation Board (W.C.B.) shall, in addition to the amount received from the Workers' Compensation Board, be paid monies to a maximum of the employee's regular contract rate, for the first three (3) days and to a maximum of seventy-five (75%) percent thereafter, if the Workers' Compensation Board does not pay seventy-five (75%) percent of the employee's regular contract wage. Such period to be for a maximum of thirteen (13) weeks from the date of the accident.

8.5 **Employee Accommodation**

The Employer and the Union endorse the principles contained in the Alberta Human Rights Act, which includes a prohibition of discrimination based on disability. The Employer further acknowledges its Duty to Accommodate and the role of the Union in the accommodation process, where appropriate.

- (a) When an employee is unable to perform their regular job due to occupational or non-occupational accident or illness or requires accommodation due to a disability, the Employer and the Union agree to work together to find suitable alternate work for the employee within the bargaining unit, consistent with the duty to accommodate.***

- (b) Further to the above, the parties agree to the following steps:***
 - (i) Hold Joint Labour Management meetings as required to discuss the administration of modified work.***

 - (ii) When there is a meeting with the WCB Case Manager, Safeway Operations' Integrated Health Management Abilities Specialist, and the employee where modified work and/or return to work programs are being discussed, the employee shall have the right to the presence of a Union Steward and/or Union Representative if the Union Representative is readily available.***

(iii) The Employer agrees to a process of sending an email to the Store Manager, to be forwarded by the Store Manager to the employee and the employee's immediate Supervisor. The Union will be copied on the emails. The emails will outline the following:

(1) Employee's name, department, and store number.

(2) The estimated time period for the modified work.

(3) The restrictions (physical and time).

(c) The Employer will give the Union ninety (90) days' notice of its intention to terminate an employee for absence due to illness or injury. A copy of the notice will be mailed to the employee's last known address.

(d) All parties are committed to maintaining the privacy of employees seeking accommodation to the greatest extent possible.

(e) An employee who returns to work after absence due to illness or injury must be returned to their job without loss of seniority when capable of performing their duties.

8.6 Weekly Indemnity

It is understood and agreed between the Employer and the Union that Weekly Indemnity (W.I.) payments to entitled employees shall be the responsibility of the Employer. If

payment of valid claims is not made by the insurance company within two (2) weeks from the time the Employer receives the completed application, the Employer shall then pay to the claiming employee an amount equal to his/her entitlement. Similarly, when payments are stopped by the carrier while the employee's entitlement continues, the employee shall be able to claim the amount of his/her entitlement from the Employer.

Payments made by the Employer for claims later found to be invalid or payments made by the Employer which are later paid by the carrier, shall be returnable to the Employer.

8.7 Long Term Disability Insurance Plan

The Employer shall bear the cost of a Long Term Disability Plan (L.T.D.) for those employees regularly working full-time. The benefit period commences on the first (1st) day immediately following the exhaustion of Weekly Indemnity and Employment Insurance benefits.

Benefits are payable to the earliest attainment of age sixty-five (65), death, recovery, or attainment of that age at which the employee may retire on an unreduced pension or the equivalent of an unreduced pension through a supplemental payment available from any private pension plan to which the Employer contributes.

The total disability income is equal to fifty (50%) percent of base weekly earnings at the date of disability, up to a maximum of one thousand (\$1,000.00) dollars per month. All disabilities occurring July 1st, 1997, or later, the maximum monthly Long Term Disability benefit will be increased to twelve hundred (\$1,200.00) dollars per month. For all disabilities occurring on or after April 1st, 1998, the amount

will be increased to fourteen hundred (\$1,400.00) dollars per month. For all disabilities occurring on or after March 16th, 2008, the amount will be increased to eighteen hundred (\$1,800.00) dollars per month. For all disabilities occurring on or after June 10th, 2011, the amount will be increased to two thousand (\$2,000.00) dollars per month.

The total disability income is inclusive of any disability payments, including lump sum payments from Government sponsored plans. Government sponsored plans include Workers' Compensation, Canada Pension Plan, Quebec Pension Plan, or any other group disability plan or income replacement program, the cost of which the Employer is or may be required to contribute by law or Collective Agreement. The amount of any payment received from the Canada Pension Plan or the Quebec Pension Plan is to be frozen at the commencement of disability so that subsequent increases in CPP/QPP will not further reduce benefit payments under the Long Term Disability Income Plan.

It is understood and agreed that all matters of eligibility, coverage and benefits shall be as set out in the plan and as determined by the carrier.

8.8 Medical Reports

The Employer agrees to pay the full cost for the report required by the Employer for Weekly Indemnity benefits to a maximum of fifty (\$50.00) dollars. The employee shall submit a **receipt** to the Employer. The Employer will pay the reimbursement described above to a maximum of three (3) reports related to a specific claim.

8.9 Physical Examinations

Where the Employer requires an employee to take a physical examination, the doctor's fee for such examination shall be paid for by the Employer. Except prior to commencement of employment and the first four (4) weeks of employment, such examination shall be taken during the employee's working hours without loss of pay to the employee.

8.10 United Food and Commercial Workers' Dental Care Plan

- (a) Effective March 15th, 2015, it is agreed that all employers party to this Agreement shall make a direct contribution to the Plan of forty-three (\$0.43) cents per hour for regular hours paid, sick pay (not including Weekly Indemnity), vacations, and General Holidays, to the maximum of the basic work week as indicated above.

Notwithstanding the foregoing, should during the term of this Agreement the Real Canadian Superstore fail to match the total contribution rate (i.e. annualized contribution rate) then the Employer shall be entitled to reduce their contribution to the Plan in accordance with the Employer's overpayment.

The Employer agrees to maintain dental contributions for those bakery apprentices who attend apprenticeship courses required by the Government provided those employees return to the Employer following the completion of their course.

- (b) The Plan will be controlled by a Board of Trustees to be made up of an equal number of representatives from the Union and Management.

- (c) Contributions made for hours, as described above, in any month or agreed upon period, shall be forwarded by the Employer to the Union not later than three (3) weeks following the close of the Employer's accounting period, whether it is on a monthly or a four (4) or five (5) week basis, accompanied by a statement of the names of the employees and contributions made on their behalf.

Article 9 – Pension

9.1 The Employer agrees to participate in and contribute to the Canadian Commercial Workers' Industry Pension Plan.

- (a) Effective **July 1st, 2015**, the Employer agrees to contribute to the Canadian Commercial Workers Industry Pension Plan one dollar **forty-five** (\$1.45) cents per hour for all hours worked or paid by the Employer to its employees in the bargaining unit including any overtime hours worked in a week (to the maximum of the basic work week), vacation, **Statutory** Holidays, sick days (not including Weekly Indemnity, LTD or other similar indemnifications), jury duty, and any paid leave of absence required under the terms of the Collective Agreement.

Contributions are required for each hour overtime is worked and paid to the extent the cumulative hours worked and paid do not exceed the basic workweek.

The maximum number of hours for which contributions are to be made in a week is the maximum number of hours of the basic workweek for a full-time employee.

Effective January 1st, 2020, no contributions of any kind can be accepted by CCWIPP for employees age seventy-one (71) or older; or employees under age seventy-one (71) in receipt of a pension benefit from CCWIPP regardless of their retirement date.

In addition, effective July 1st, 2015, employees will make contributions based on the number of years of continuous service in the Plan as follows:

<u>Period of Continuous Service</u>	<u>Employee Contribution Rate</u>
Less than 2 years	\$0.00 per hour
*2 years but less than 8 years	\$0.22 per hour
8 or more years	\$0.40 per hour

***Employee contributions are to commence the earlier of:**

- the first (1st) day of the month following completion of two (2) years of continuous service with one or more Participating Employer; or,**
- January 1st of the year following two (2) consecutive calendar years if, in each of these calendar years, an employee has either completed or at least three hundred fifty (350) hours of employment with one (1) or more Participating Employer; or, earned at least thirty-five (35%) percent of the Year's Maximum Pensionable Earnings with one (1) or more Participating Employer.**

- (b) The Employer agrees to maintain pension contributions for those bakery apprentices who attend apprenticeship courses required by the Government provided those employees return to the Employer following the completion of their course.
- (c) The above rates of contribution shall be in addition to any obligation which the Employer may have to the Canadian Commercial Workers Industry Pension Plan in respect to **their** "initial past service liability" to provide past service benefits.
- (d) Contributions, along with a list of employees for whom they have been made, the amount of the weekly contribution for each employee, and the number of hours worked or paid according to the above, shall be forwarded by the Employer within the twenty-one (21) days after the close of the Employer's four (4) or five (5) week accounting period. The Employer agrees to pay interest on the rate established by the Trustees on all contributions not remitted as stipulated above.
- (e) Contributions paid with respect to part-time vacation pay shall be remitted on an annual basis within one (1) calendar month of part-time employees receiving their vacation pay. It is understood that contributions paid with respect to part-time vacation pay shall only be made on behalf of employees who are in the employ of the Employer as of the date vacation pay is paid.

Contributions paid with respect to part-time vacation pay shall be based on the percentage of vacation pay paid under the applicable Collective Bargaining Agreement (e.g. **four** (4%) **percent**, **six** (6%) **percent**, etc.) of the hours worked in the previous year multiplied

by the cents per hour contribution rate on the above effective date as indicated in **Article 9.1** (a) (e.g. an employee having worked or been paid for one thousand (1,000) hours in the previous year and who was entitled to four (4%) percent vacation pay would be entitled to receive an additional forty (40) hours credit into his/her previous yearly total. The C.C.W.I.P.P. administrator would credit said part-time employee with forty (40) additional hours and receive forty (40X) times the applicable contribution rate from the Employer. Therefore, for the previous year, the employee, in this example, would be credited with a total of one thousand forty (1,040) hours.

- (f) It is agreed that, with respect to employees who were active members of the Employer plan as of the effective date of the Canadian Commercial Workers Industry Pension Plan, they shall be governed by the terms and conditions of the Employer's Retirement Plan.

- (f) There will be a training period of two hundred (200) hours of actual work within an eight (8) week period to decide:
 - (i) If the employee wants the work, and
 - (ii) If the employee can perform the work.

(Such determination to be subject to the grievance procedure).

If the employee wishes to opt out of the program during the training period, **they** may do so at any time. If, prior

to the expiration of the training program, the Employer claims that the employee is clearly incapable of performing the duties, the Employer shall consult with the Union and the matter shall be investigated to establish that a fair opportunity has been extended to the employee and that the employee will not be able to perform the duties by the end of the training period.

General Clerks shall not be able to exercise their seniority in claiming these hours, as they are hours made available for the purpose of training and evaluation.

If either (a) or (b) above are negative, the employee would return to his/her former Clerk Cashier status.

An employee transferring from Clerk Cashier to General Clerk will have their rate established as per Article 11.6 (h).

11.8 Transfer of Courtesy Clerks

Courtesy Clerks may make a written application for transfer to another classification in their store. An employee's request for transfer shall be considered, based upon available openings in their store.

Applicants will receive consideration based on their seniority providing they have performed their job in the Courtesy Clerk classification in a satisfactory manner and providing they have demonstrated the capability to acquire the abilities to perform satisfactorily in the new classification after a reasonable period of training.

Prior to and during this reasonable period of training, the applicant must meet a fair and reasonable standard as established by the Employer.

If after a reasonable period of training (not exceeding two hundred (200) hours) the Courtesy Clerk is not performing the duties of the job satisfactorily, **they** shall be returned to the Courtesy Clerk classification with full seniority.

When Courtesy Clerks are transferred to the General Clerk or Clerk Cashier classification, their rate of pay shall be increased to the next higher rate of pay in their new classification and they shall be credited with the corresponding number of career hours to that new rate of pay.

11.9 Layoffs/Reduction of Hours (Full-Time)

Unless merit, fitness, and ability of the employee are greater than that of the other employee regularly working full-time, seniority shall govern in cases of lay off, reduction to part-time employment, and rehire.

If, due to new major competition that significantly impacts the hours of work in a store or stores, full-time employees face a reduction to part-time or layoff, the following options will be made available to such full-time employees in an effort to maintain full-time status:

- (a) The employee may choose to work six (6) days at their current rate; or
- (b) The employee may choose to work as many “bought hours” in their scheduling group at the top rate of the new job (or the equivalent rate in the new Cashier

classification) as is necessary to maintain full-time status.

Full-time employees reduced to part-time, shall be offered available work in accordance with the preceding paragraph. The foregoing provisions do not apply to employees hired to work on relief staff or replace employees who are absent due to vacations, sickness, accident, or other leaves of absence.

A full-time employee, who is laid off or reduced to part-time, shall have the right to exercise their seniority over the most junior full-time employee in another classification. Following counselling and an explanation of the options available by the Employer, an employee who exercises this right shall have a maximum of two hundred (200) hours to demonstrate their competence in the new classification.

An employee who exercises his/her seniority, pursuant to the preceding paragraph, will be restricted to one **(1)** opportunity to do the job outside his/her classification in a competent manner.

No full-time employee shall have his/her hours reduced when a part-time employee is working hours in the store that could be worked by the full-time employee; in which event, the part-time employee shall have their hours reduced. No full-time employees shall have his/her hours reduced where junior full-time employees are working hours in the bargaining unit that could be worked by the senior employee; in which event, the junior employee will have his/her hours reduced.

- (c) Full-time employees laid off in accordance with the above provision by the Employer shall be recalled to work in order of seniority provided:
 - (i) No more than nine (9) months have elapsed since the last day worked by the employee;
 - (ii) The employee reports for duty within twenty-four (24) hours from the time of recall, unless the laid-off employee is employed elsewhere at the time of recall; and in such cases the recalled employee shall be given seven (7) days to report for duty;
 - (iii) The employee is capable of performing the work;
 - (iv) The Employer will send the recall notice by registered mail to the employee's last address on file with the Employer and will send a copy to the Union office, and,
 - (v) Contained in (i) and (ii) above, respectively, shall be extended if, upon recall, an employee is unable to report due to illness or accident. Any extension granted shall be only for the duration of the illness or incapacity from accident, and the Employer may require the employee to provide written confirmation from a doctor of such illness or accident.

Full-time employees, rehired within six (6) months of their lay off shall retain their previous length of service for the purpose of this article and the Article 6 – Vacation.

11.10 Part-Time Employees (Layoffs of General Clerks and Clerk Cashiers)

Following the fourth (4th) consecutive week in which a General Clerk or Clerk Cashier is not scheduled any hours in their own classification, they will have the option at that time of accepting a complete lay off or exercising their seniority as described below pursuant to Article 12.6.

- (a) The part-time General Clerk/Clerk Cashier will fit into the Courtesy Clerk seniority list in order of their seniority.
- (b) The employee who exercises this option will be classified as a Courtesy Clerk.
- (c) A part-time General Clerk/Clerk Cashier who exercises this option will receive the Courtesy Clerk rate of pay according to their career hours in their former classification.

e.g. A Clerk Cashier with fifteen hundred (1,500) hours experience as a Clerk Cashier will receive the fifteen hundred (1,500) hour rate of pay on the Courtesy Clerk scale.
- (d) An employee who has exercised their option to become a Courtesy Clerk shall be first in their store to be recalled to their former classification in their current store when there is an opening.
- (e) An employee who returns to their former classification pursuant to point (d) above will be reinstated to their previous career hours and rate of pay.

11.11 Courtesy Clerks

Where a part-time General Clerk or Clerk Cashier faces a reduction of four (4) hours or more in their normal weekly hours, and where seniority permits, they shall be allowed to perform Courtesy Clerk duties at their current rate or the top Courtesy Clerk rate, whichever is less. These employees may claim up to the corresponding number of hours lost from the most junior Courtesy Clerk. A General Clerk or Clerk Cashier who exercises the foregoing option must provide the Store Manager with written notice within seventy-two (72) hours of the schedule being posted.

The foregoing shall not limit a General Clerk in performing occasional Courtesy Clerk duties during the course of his/her normal weekly schedule.

11.12 Competitor's Opening

(a) When a competitor opens a new store and the weekly hours worked in a scheduling group in the affected store(s) of the Employer are reduced, part-time hours of work in a scheduling group will be reduced for Pre-March 17th, 1993 employees and Post-March 17th, 1993 employees, on a shared basis, in accordance with the following formula:

- (i) 50% from Post-March 17th, 1993 employees working scheduled base hours
- (ii) 50% from Pre-March 17th, 1993 employees working scheduled base hours

Until the Pre-March 17th, 1993 part-time employees are scheduled eighty (80%) percent of their base hours.

- (b) The Employer may reduce hours set out in point (a) above of this offer commencing the Sunday following the first week ending in which the affected store's weekly sales fall below the store's "**twenty** (20) week average" weekly sales figure.
- (c) When the hours of part-time employees increase in those stores previously affected by a competitor's opening, additional increases in the hours of work of part-time employees will be scheduled according to the following formula:
 - (i) 50% to Post-March 17th, 1993 employees
 - (ii) 50% to Pre-March 17th, 1993 employees

Until the Pre-March 17th, 1993 part-time employees are working one hundred (100%) percent of their base hours.

- (d) When a competitor's opening has resulted in a reduction in the weekly hours worked by an employee hired prior to March 17th, 1993, the Employer will, upon request of the employee and subject to acceptable solutions being found, transfer the employee so that they may increase their hours of work. The Union and the Employer will meet to discuss any application for transfer and determine a solution. Preference will be given to an employee hired prior to March 17th, 1993 who are working a weekly schedule of hours which is less than their base hours.

Applications for transfer as described above may be made for a period of one (1) week after the competitor's new store has been opened for two (2) months.

- (e) Hour reductions that occur within a specific scheduling group will be implemented in such a manner that no employee hired prior to March 17th, 1993 will be scheduled to work less than their base hours when other employees hired prior to March 17th, 1993 are working in excess of the base hours.

11.13 Store Closure

In stores receiving transferred sales in the case of a store closure, the additional hours of work that result will be fully dedicated to the senior employees hired prior to March 17th, 1993 from the closed store.

Additional weekly hours of work will be those that exceed those worked in the previous four (4) weeks of normal operation. Other employees hired prior to March 17th, 1993 who were working in the closed store will be transferred to a new home store in which they can exercise their seniority to work toward achieving their base hours.

When a part-time employee hired prior to March 17th, 1993 is transferred to another store, seniority will govern in the achievement of the employee's base hours.

Once all the employees hired prior to March 17th, 1993 have achieved their base average of weekly hours worked, the senior employees hired prior to March 17th, 1993 in the scheduling group will receive preference in the formula scheduling of additional new growth hours on a weekly basis.

11.14 Displaced Employees - Closing of Department

When a full-time employee with one (1) or more years service is displaced due to a department closing or a job becoming redundant and who has sufficient seniority to displace a junior employee, the Employer agrees to give training to said employee, for a position presently in existence within the bargaining unit. Said employee shall be given credit for their career hours to a maximum of seventy-five hundred one (7,501) hours in that classification. If the employee is successfully retrained within the similar period given a new employee (**two hundred** (200) hours), the employee may then exercise his/her seniority rights over junior, full-time employees within that classification. If the employee is successfully retrained within the period given, then the employee will progress through the acceleration period of the new classification. If said employee cannot satisfactorily be retrained in that position, the employee shall be afforded an opportunity, based on seniority, to work part-time in their former classification, if such classification is still in existence; otherwise, the employee shall be terminated with severance pay as below:

If an employee refuses part-time employment, **they** shall be considered to have terminated employment with the Employer. Any regular, full-time employee with one (1) or more years service, whose service is terminated by the Employer under this provision, shall receive one (1) weeks severance pay for each year of continuous, full-time service, up to a maximum of fifteen (15) weeks pay. This **article** does not apply to employees who accept other employment with the Employer outside the jurisdiction of this Agreement.

The Employer will attempt, to the best of his ability, to find a job within the bargaining unit for full-time employees with

less than one (1) years seniority and part-time employees. If it is not possible, services of said employees will be terminated.

11.15 Technological Changes

The Employer agrees to notify the Union at least three (3) months in advance of any technological change that may result in the displacement of employees.

Any full-time employee with one (1) or more years of service, displaced due to technological changes, shall be trained for any new positions created by the technological change, or retrained for a position presently in existence within the bargaining unit, providing they have sufficient seniority to displace a junior employee. Said employee shall be given credit for their career hours to a maximum of seventy-five hundred one (7,501) hours in that classification. If the employee is successfully retrained within the similar period given a new employee under Article 4.7 of this Agreement, the employee may then exercise his/her seniority rights over junior, full-time employees within that classification. If the employee is successfully retrained within the period given, then the employee will progress through the acceleration period of the new classification.

If said employee cannot satisfactorily be retrained in that position, **they** shall be afforded an opportunity, based on seniority, to work part-time in his/her former classification, if said classification is still in existence. Otherwise, **they** shall be terminated with severance pay, as below:

If an employee refuses part-time employment, **they** shall be considered to have terminated employment with the Employer. Any regular, full-time employee with one (1) or

more years service, whose employment is terminated by the Employer under this provision, shall receive one (1) weeks severance pay for each year of continuous full-time service, up to a maximum of fifteen (15) weeks pay.

This **article** does not apply to employees who accept other employment with the Employer outside the jurisdiction of this Agreement.

The Employer will attempt, to the best of his ability, to find a job within the bargaining unit for full-time employees with less than one (1) years seniority, and part-time employees. If it is not possible, service of said employees will be terminated.

This **article** is intended to assist employees affected by any technological change and, accordingly, any legislation enacted by the Alberta Provincial Government would not apply during the term of the Collective Agreement between the Employer and the Union, providing this **article** meets the minimum standards of such legislation.

Article 12 – Scheduling

The Employer reserves the right to schedule hours of store operations, employee hours of work, rest periods, meal periods, and overtime work, subject to the following provisions:

12.1 Definitions

In this Article:

“Base Hour Employee” means a part-time employee, with unbroken service, hired before March 17th, 1993.

“Base Hours” means an employee’s base hours, as calculated under the 1997 Collective Agreement.

“Unrestricted Part-time Employee” means a part-time employee who is available to work all shifts in their department a minimum of three (3) days per week, Monday to Friday, plus Saturday, Sunday, and General Holidays. (Employees hired before February 14th, 1987 have the opportunity to restrict themselves from Sundays).

Employees who restrict to a maximum number of hours in a week will be considered restricted employees.

A restricted employee must be available anytime on Sundays subject to Article 12.8. A restricted employee hired after March 12th, 2015 must be available anytime on Sundays and one (1) other shift during the week.

12.2 Scheduling Groups

- (a) General Clerks, including Produce and Grocery Clerks, Utility Clerks.
- (b) Clerk Cashiers, including File Maintenance*, Customer Service**, and Office Clerks.
- (c) Bakery Sales Clerks.
- (d) Health and Beauty Aid Clerks, Variety Clerks, and Cosmetic Clerks.
- (e) Pharmacy Assistants.
- (f) Pharmacy Technicians.

- (g) Floral Clerks.
- (h) Bakers (including apprentices), Production Assistants, Cake Decorators.
- (i) Courtesy Clerks.
- (j) Coffee Bar Clerks.
- (k) Meat Department (Meat Cutters and Meat Clerks) (Lloydminster).
- (l) Fish Department (Lloydminster).
- (m) Deli Department (Lloydminster).

Each of the designated classifications listed in Article 4.1(d) shall constitute an individual scheduling group.

*Relief for the Head File Maintenance classification may be provided from either the General Clerk or Clerk Cashier classification.

**Relief for Customer Service employees (Front End) may be provided from within the General Clerk or Clerk Cashier classification.

12.3 Scheduling

- (a) In the ordinary course of business, the order of scheduling employees within each scheduling group will be:
 - (i) Full-time employees to the extent of their basic workweek.

- (ii) Unrestricted part-time employees.
 - (iii) Restricted part-time employees.
- (b) Unrestricted base hour employees will be scheduled more hours than other part-time employees in their classification in their department, and no less than their base provided there are hours available in their classification in their department after the full-time employees have all been scheduled and the employee has indicated availability to work those hours.
- (c) Unrestricted part-time employees will be scheduled before restricted part-time employees (i.e. unrestricted part-time employees will be scheduled to work a minimum of one (1) more hour than restricted employees).
- (d) Subject to Articles 12.3 (a) through (c), unless fitness and ability are greater than other part-time employees in the classification and in the department, in scheduling part-time employees:
- (i) Preference in the available weekly hours of work shall be given to senior part-time employees within their classification and in their department, insofar as this is consistent with their availability and willingness to perform the work; and
 - (ii) Senior part-time employees within a classification and a department will be given the opportunity to work their hours for the week in a fewer number of days.

- (e) All full-time employees including Department Managers will, on a fair rotation basis, work evening shifts and no full-time employee will be required to work more than two (2) evenings per week, (after 6:30 p.m. for customer shopping convenience) except in cases of an emergency. It is understood that this shall not preclude employees from requesting that they be allowed to work additional evening shifts when the store is open for sales after 6:30 p.m. The intent of this language is to ensure employees are scheduled evening/closing shifts on a fair rotation basis provided it is practical for store operation. It is understood that this excludes Courtesy Clerks.

Where there are issues regarding fair rotation (including the scheduling of Department Managers), the Employer and Union agree to meet to discuss a solution.

Full-time employees who have a specific request for time off in the evenings shall inform the Employer in writing of the specific evenings that they are requesting. Full-time employees cannot request more than two (2) evenings per week. Subject to operational needs, requests will not be unreasonably denied.

- (f) There shall be an interval of not less than ten (10) hours between shifts for all employees. An employee who is not allowed ten (10) hour intervals between shifts shall be paid the rate of time and one half (1 ½ X) for time worked prior to the expiry of the ten (10) hour interval. The hours which an employee works prior to the expiry of the ten (10) hour interval will be included in determining the basic work day for the purpose of calculating overtime. (Example: An employee's shift

ends at 10:00 p.m. and they start the next day at 6:00 a.m. working through to 5:00 p.m. with an hour for lunch ten (10) worked. That employee is entitled to pay as follows: the first two (2) hours at time and one half (1 ½ X), the next six (6) hours at regular time and the last two (2) hours at time and one half (1 ½ X) because these hours exceed eight (8) in one (**1**) day).

- (g) The Employer may transfer an employee between scheduling groups to provide relief and additional help after all part-time employees within that scheduling group have been given the opportunity to work the available shifts up to the point of being scheduled overtime.
- (h) The Employer shall schedule all full-time employees two (2) consecutive days off (Saturday-Sunday) or (Sunday-Monday) once every four (4) weeks, and where practical, the schedule will provide for fair rotation of the above combinations.

Further, should an employee desire to have some other days off at the time **they** normally would be scheduled two (2) consecutive days off, as set out above, they shall advise the Employer, in writing, before the schedule for the week in question is posted, and if the same occurs, the employee will forfeit his/her two (2) consecutive days off in that four (4) week period.

Days off to be attached to vacations after giving the Employer thirty (30) days notice.

- (i) Employees shall not be scheduled to work more than seven (7) consecutive days unless otherwise mutually agreed to by Management and the employee.

Subject to the foregoing, where an employee has been scheduled to work more than seven (7) consecutive days and approaches Management to request that the schedule be changed, Management will change the schedule so the employee does not work more than seven (7) consecutive days. It is understood that the employee will make the request a minimum of seventy-two (72) hours prior to the eighth (8th) scheduled work day.

(j) R.T.O.'s (Request for Time Off)

Employees who have a specific request for time off shall inform the Employer in writing of the specific days that they are requesting by Wednesday prior to the schedule being posted. ***If the request is denied, the employee will be informed as soon as reasonably practical following the decision being made.***

(k) The Employer agrees **to** fully comply with any law requiring that employees be given time to vote.

(l) Express checkout duties will be rotated, unless otherwise mutually agreed. Further, no Clerk Cashier will be required to serve more than five (5) hours per day in such duties.

(m) New Business Stores

The Employer will have the flexibility to schedule pre-March 17th, 1993 and Post-March 17th, 1993 employees provided that Pre-March 17th, 1993 employees are scheduled to work a minimum of twenty-five (25%) percent of the hours in the new store.

(n) New Departments

The Employer will have the flexibility to schedule either Pre-March 17th, 1993 employees, Post-March 17th, 1993 employees or some combination of both in new departments.

(o) Canmore Only

Part-time employees may be offered seasonal full-time jobs in order of seniority until the full-time jobs that are required are filled. These employees may work a weekly full-time schedule for the period commencing the week in which Victoria Day falls and finishing the last Saturday in October. These employees will be returned to their previous part-time status no later than the Sunday following the last Saturday in October.

12.4 Restrictions and Availability Forms

Part-time employees will be required to declare their availability upon being hired.

Any part-time employee can change their availability up to four (4X) times per year by obtaining a new Availability Form from their Store Manager and submitting it prior to the following effective dates:

- (a) The first Sunday in September (with a two (2) week leeway before and after);
- (b) Three (3) other times in the calendar year.

Changes in availability must be submitted two (2) weeks prior to the Sunday of the week of the effective date of the change.

Part-time employees will be required to work according to their most recent declaration of availability. Employees cannot use a floating availability date to limit or further limit their availability between November 15th and the end of the year.

A part-time employee who fails to provide the Employer with a completed Availability Form prior to the above dates will be scheduled according to their previous Availability Form.

The Employer shall allow the Union to review and photocopy completed Availability Forms at store level upon request.

An unrestricted part-time employee must be available to work any shift scheduled in their department on the days required to work, as defined in Article 12.1. An unrestricted part-time employee, who is attending an accredited school of learning and is considered a full-time student, as defined by that school, shall be available to work any shift scheduled in their department while the store is open to the public, with the exception of their classroom hours on the days required to work as defined in Article 12.1.

An unrestricted part-time employee may occasionally request one (1) or two (2) specific days off in a week without a reduction in hours, provided that other hours are available and the employee is otherwise eligible to work those hours under the provisions of this Collective Agreement. Such employee may be required to work on days that they are

not normally available to maintain their hours. The Employer will have no obligation to grant a request for days off, or maintain the employee's hours, if the request is made after the schedule is posted.

12.5 Posting of Schedules

The Employer shall post the weekly work schedule for all employees not any later than Saturday noon (12:00 p.m.) to cover a two (2) week period. An employee's schedule may be changed without notice in the event of absence of other staff due to sickness or accident or in the event of emergencies such as fire, flood, breakdown of machinery, or other instances of force majeure. An employee whose schedule is changed by reason of the foregoing will be notified as soon as possible.

Employees' seniority dates (for the purpose of call-in to work) shall be placed on the weekly work schedule, beside their names. ***Employee availability will be listed on the schedule.***

In all other cases, at least two (2) days' notice of any change must be given or four (4) additional hours pay at the employee's applicable rate given in lieu of proper notice.

It shall be the Employer's responsibility to notify all employees affected by a change in their schedule.

There shall be a daily starting time for each employee. Daily hours of work for employees shall be consecutive with the exception of rest periods and meal periods. No split shifts shall be worked.

Schedules shall be written in a non-erasable format (i.e.: ink, computer generated or copy toner) and include employees' name, seniority date, and total weekly scheduled hours. ***The Employer will reasonably endeavor to make any changes to the posted schedule by the close of the store on the same day. The changes will be made in red ink.***

It is understood that the only changes to the schedule to be marked will be shift trades, shifts added, modified, or cancelled in advance.

12.6 Reduction of Hours

Subject to Articles 12.2 and 12.3, the Employer shall not reduce the weekly hours of an employee for the purpose of replacing such hours with another employee at a lower hourly rate of pay.

The Union agrees that the Employer shall have the right to determine the minimum number of employees it requires in each classification to provide service to the customers in its locations. Subject to Articles 12.2 and 12.3, the Employer agrees to minimize the reduction of weekly hours of work for senior part-time employees, wherever possible, when a downward adjustment of hours is implemented.

12.7 Maximum and Minimum Weekly Hours

Unrestricted part-time employees will be scheduled up to twenty-eight (28) hours a week. The Employer may exceed twenty-eight (28) hours a week provided junior employees in the same classification in the department who perform the same job and are available to perform the work have been given the opportunity to work up to twenty-eight (28) hours.

When an unrestricted part-time employee is scheduled to work, they will be scheduled for a minimum of twelve (12) hours in a week.

The above twelve (12) hour minimum only applies if, after the hours of full-time employees are scheduled, there are at least twelve (12) hours available in the week that can be worked by one person.

Restricted part-time employees will not be eligible for the twelve (12) hour minimum.

12.8 Sunday Work

- (a) Sunday shall be considered the first day of the employee's basic work week for all purposes of this Collective Agreement.
- (b) ***Subject to [Sunday work (c) below] all employees will be required to be available for Sunday work.***
- (c) ***Sunday work will be voluntary for employees whose hire date makes them eligible to restrict Sundays (hired on or before February 14th, 1987). These employees will have the opportunity to notify the Employer of any change to their availability for Sunday work four (4) times a year – January 1st, April 1st, July 1st and October 1st.***
- (d) ***Sunday work shall be rotated among those available.***
- (e) ***If sufficient employees are not available to work on Sundays, the Employer shall have the right to***

schedule hours according to “reverse seniority” provided the employee has the ability to perform the work required. For the purpose of scheduling available weekly hours of work, hours worked on Sunday shall be included in a part-time employees’ regular weekly schedule.

- (f) In addition, employees who have not restricted their Sunday availability may request Easter Sunday off. Such requests must be submitted in writing to the Store Manager four (4) weeks before Easter Sunday.

12.9 Sunday Premium

All employees who work on Sunday shall receive, in addition to their straight time hourly rate, a premium of one (\$1.00) dollar per hour for each hour worked on Sunday.

12.10 Call-Ins

In the event of a short notice absence of an employee or in the event an occasion arises where work beyond that which is scheduled is necessary and additional hours must be worked, the Employer will call-in part-time employees in the same classification in the department who perform the same job in accordance with the following:

- (a) In the event that an occasion arises where work beyond that which is scheduled is necessary, a base employee shall be entitled to work an additional shift if their current weekly schedule of hours allows them to do so without exceeding the basic work week as defined in Article 4 of this Collective Agreement.

- (b) Unrestricted part-time employees will normally be scheduled up to a maximum of twenty-eight (28) hours per week.

Notwithstanding the foregoing, part-time employees will be allowed to work a weekly schedule which exceeds twenty-eight (28) hours when they answer call-ins due to the absence of other staff.

Part-time employees in the same classification and department who perform the same job will be entitled to be called-in for extra shifts in order of seniority, provided that once a senior employee's scheduled weekly hours and call-in shifts worked exceed twenty-eight (28) hours for that week, then junior employees shall be entitled to call-in shifts on the foregoing basis.

In addition, part-time employees will be allowed to work a weekly schedule which exceeds twenty-eight (28) hours during busy periods; during a week in which a General Holiday occurs; and at times when other employees in the department are absent due to illness, accident, vacation, or other approved leaves of absence. Part-time employees hired after March 17th, 1993 will not, however, be allowed to work a weekly schedule which exceeds twenty-eight (28) hours, until all unrestricted base hour employees have been offered the extra hours up to the point of being scheduled overtime.

Further, the Employer may transfer an employee between scheduling groups to provide relief and additional help after all base hour and part-time employees hired after March 17th, 1993 within that scheduling group have been given the opportunity to

work the available shifts up to the point of being scheduled overtime.

- (c) An employee who does not want to receive call-in shifts can indicate this on their Availability Form. Such indication will waive their rights to receive call-ins under this article.
- (d) Subject to (a), (b), and (c) above, employees will be called in order of seniority.
- (e) All employees who are called-in shall have their additional hours posted on the schedule in red ink as call-in hours.
- (f) All employees called-in and who report for work, if required to work less than four (4) hours, shall receive four (4) hours pay at their regular hourly rate.

12.11 Night Stocking

- (a) An employee assigned to night stocking shall have the same starting time each shift for the calendar week except:
 - (i) In stores where night stocking is not in effect five (5) nights per week, there shall be not more than one (1) midnight shift with other shifts during the week, being either day or afternoon shifts. The midnight shift commences Sunday midnight only.
 - (ii) Where there is an issue of a junior part-time employee scheduled more hours on night stocking than a senior part-time employee who has not been scheduled night stocking, and there

are no other scheduling options available, the senior part-time employee who has not been assigned to night stocking for the week may be scheduled not more than one (1) midnight shift with other shifts during the week, being day or afternoon shifts.

- (b) Normal night stocking shall not exceed four (4) weeks over an eight (8) week period. Under unusual circumstances and by mutual agreement between Management, the employee, and the Union, the time limit set forth in this paragraph may be altered.
- (c) Night shift work shall be on a fair rotation of all staff working the area concerned with the exception of the Assistant Manager and one (1) other designated clerk.
- (d) The Employer will endeavour to schedule night crews on a consecutive day basis whenever possible.
- (e) When an employee is rotated from assigned day shift to a series of night stocking shifts, then the Saturday preceding their first midnight shift shall be designated as their regular day off for the week preceding the shift of night stocking work.
- (f) No clerk shall be required to work alone on the premises on the night shift.
- (g) The above shall be subject to emergencies in Article 12.5 or when employees, subject to the approval of Management and the Union, desire a modified shift.

Article 13 – Union's Recognition of Management's Rights

Bakery

In addition to those **articles** listed in the body of the Agreement, the following shall apply specifically to the Bakery section:

1. Rates for Relief Work

Employees temporarily relieving a Bakery Manager shall receive the minimum rate established by the Employer for such position for all time so employed.

2. Shift Work

(a) Notwithstanding the Employer's right to schedule employees employed in their in-store bakeries, the Employer agrees to maintain rotating bi-weekly schedules that ensure the shift work is shared in a manner that provides for all personnel, except Bakery Managers, to work the required shifts.

(b) Where practical, the Employer will endeavour to maintain regular starting times for first employees on shift. However, it is understood that the necessity of having sufficient product on the shelves for sale to the consumer shall be the sole determining factor relative to the foregoing.

No bakery employee will be compelled to work alone on Employer premises, except in cases of emergency.

(c) The present practice of the five (5) minute change time at the end of shift shall be continued.

- (d) All hours worked by a Bakery Production employee between 10:00 p.m. and 7:00 a.m. shall be considered as shift work and paid for at the applicable straight time or overtime rate plus two (\$2.00) dollars per hour shift premium for each full hour worked during this period.

In addition to the foregoing, any Bakery Production employee whose shift commences after 10:00 p.m. or on or before 5:00 a.m. shall be paid the shift premium for each full hour worked until 8:00 a.m. The foregoing premium will apply to all bakery employees in shipping stores.

3. Full-Time Position Filling

Notwithstanding the seniority provisions outlined in Article 11 of the Collective Agreement, Journeyman and third (3rd) year Apprentice Bakers will be given first consideration for full-time positions.

If a third (3rd) year Apprentice receives full-time by this article and does not complete the Journeyman certificate within the guidelines of the Apprenticeship Board, they shall be reduced to part-time and placed on the appropriate non-ticketed pay scale.

4. Scheduling of Journeyman/Apprentices and Non-Ticketed Bakers

Journeyman and third (3rd) year Apprentice Bakers will be scheduled prior to post ratification non-ticketed bakers (current non-ticketed Bakers are not affected).

5. Apprentice Bakers

The Employer agrees to work with Apprentice Bakers to provide exposure to a variety of tasks to aid them in the successful completion of their apprenticeship.

If an apprentice is unable to attain the hours in their store, the Employer will consider a request for a transfer to another store.

An apprentice who has made application to attend school shall notify the Employer at least sixty (60) days prior to the session. The Employer shall make it possible for apprentices to attend school in each twelve (12) month period of their apprenticeship. If the Employer is unable to allow an apprentice to attend a particular session due to operational requirements, the Employer will allow the apprentice to attend the next available session provided the apprentice has applied and given sixty (60) days notice to the Employer.

6. Bakery Production Assistant Clerks

Bakery Production Assistant Clerks shall only be scheduled to work when a Bakery Manager, Assistant Bakery Manager, Journeyman Baker, **third** (3rd) year Apprentice, or top rate non-ticketed baker are working unless the Production Assistant Clerk is only performing clean-up duties or duties in the Bakery Department associated with the Tim Horton's operation.

7. Movement between the Apprentice and Baker Classification

A pre-ratification (June 10th, 2011) employee who is currently an Apprentice who wishes to discontinue with the Apprenticeship program will be moved to the non-ticketed

Baker scale. They will retain their current rate of pay as an Apprentice and be placed off scale for **one thousand five hundred** (1500) hours. After completion of the **one thousand five hundred** (1500) hours, they will move to the next highest rate on the scale.

An employee, who is from another classification and begins the Apprenticeship program, will be placed at the first (1st) year Apprentice rate once they register for the program. It is understood that this could mean a reduction in their rate of pay.

8. Description of Duties (Bakery Classifications)

The duties of Cake Decorator and Bakery Production Assistant Clerks are generally accepted as follows:

In the event this provision is violated then all time during which meats are for sale and a member of the bargaining unit is not in attendance, will be computed at the Journeyman rate of pay and distributed equally amongst the members of the bargaining unit in the store in which the violation occurs. This penalty will not apply in the event that an employee is scheduled to work and fails to report and a replacement is not available, or if through illness or accident an employee on duty is unable to finish their scheduled shift.

 - (a) Notwithstanding Article 11.4 of the Collective Agreement, the Employer may designate the individuals who occupy the following classifications:

- Meat Manager
- Assistant Meat Manager
- Deli Manager
- Assistant Deli Manager
- Fish Department Manager
- Chinese Kitchen Manager

Each store will have only one **(1)** of each of these classifications.

The foregoing positions are full-time jobs with the exception of the Chinese Kitchen Manager, which may be part-time.

Employees who are demoted or who voluntarily step down from these classifications will be placed in the classification that they were promoted from at the rate corresponding to their career hours.

- (b) New employees hired into the Meat Cutter classification will be classified according to previous comparable experience. New employees hired into other classifications will be classified according to previous comparable Safeway experience as per Article 5.4.

4. Rates for Relief Work

When a part-time employee relieves a Meat Manager (Head Meat Cutter), Assistant Meat Manager (Assistant Head Meat Cutter), Deli Manager, Assistant Deli Manager, Fish Manager, and/or Chinese Kitchen Manager they shall be paid the applicable Manager rate.

An employee will be assigned to relieve the Meat Manager (Head Meat Cutter), and/or Deli Manager when the Meat Manager (Head Meat Cutter) and/or the Deli Manager is absent. In circumstances where relief pay is required, preference will be given to qualified home store employees and may include a Meat Clerk.

5. Meat, Deli, and Fish Clerks wishing to become a Meat Cutter Apprentice shall inform the Employer in writing and such employees shall be given first consideration for any such full-time apprentice vacancy on the basis of seniority of the employees who have so applied. It is understood that applicants from the full-time Meat, Deli, and Fish list will be given preference, by seniority, over part-time applicants. An employee commencing on the Meat Cutter Apprenticeship Program shall be given a trial period of up to four hundred eighty (480) hours of actual work and during such trial period shall retain his or her seniority as a Meat, Deli, or Fish Clerk only for purposes of transferring back during this period by reason of the employee being unsuitable for the job, or the employee wishes to transfer back of their own volition.

Seniority rights in the Meat, Deli, and Fish Clerk list shall also be retained during the apprenticeship period in the event the employee is affected by a lay-off for lack of work.

Upon demonstrated ability to perform the full scope of the job proportionate to their experience to no greater or lesser degree that would be required from any other apprentice, the employee shall be transferred after the trial period and placed on the appropriate seniority list as of the date of the

original transfer. Such employee who has achieved the top rate within their classification shall receive no less than sixty-five (65%) percent of the Journeyman Meat Cutter wage. An employee who has not achieved the top rate within their classification may be pro-rated provided that such pro-ration does not result in a reduction.

6. Inter-Department Transfers

In staffing new departments, the Employer shall first look to present employees before hiring new staff. Those employees who wish to be considered for new departments or who wish to transfer into another department shall inform the Human Resources Manager, in writing, with a copy to the Union. Employees who have applied to work in another department shall be listed and considered in order of their seniority with the Employer.

When an employee transfers from one **(1)** department to another, they will be given a trial period of two hundred (200) hours to demonstrate that they can perform the normal functions of the job in a competent manner. If the employee does not meet the requirements of the job, the employee will revert to his/her former position.

7. (a) Meat Clerks assigned to perform any cutting with a knife or power saw on meat or poultry, or to operate the meat grinder, shall be paid Meat Cutter rates, or such other rate as may be agreed to by the Employer and the Union. The foregoing shall not apply when such work is performed while serving a customer and a Meat Cutter is not available.
- (b) Meat Clerks in the Delicatessen operations shall be permitted to use knives and operate slicing machines

in and for such Delicatessen operations at their regular rate of pay.

(c) Meat Clerks shall not be required to lift in excess of thirty-five (35 lbs) pounds at any one time during the performance of their duties.

8. Subject to Letter of Understanding #1 in the UFCW 401 Meat Agreement, the Employer will continue the Employer Bonus Plan for Deli Managers and Meat Managers. It is understood that the terms and conditions of the Employer Bonus Plan are at the discretion of the Employer.

9. Meat Department Managers' Compensation Plan

This letter will confirm our agreement that effective December 15th, 2013, for the purposes of administering Article 5.4 – Credit for Previous Experience in the Fort McMurray, Grande Prairie, Canmore, Lloydminster, Camrose, and Fort Saskatchewan stores only, the Employer shall use the language listed here.

Credit for Previous Experience

- (a) New employees will be classified according to previous comparable experience. New employees having previous comparable experience may be paid at a lower scale of wages than their claimed experience calls for, but not less than the minimum rate established by this Contract, for a probationary period as defined in Article 4.7 from the date of employment; provided that, if the employees' services are retained and their experience is accepted as comparable, then after the probationary period they shall receive any difference between the probationary rate paid and the rate for which their experience qualifies them. It is further understood that the rate paid retroactively shall not apply for the first ten (10) working days. New employees shall receive written notification showing any credit granted for previous experience.

Credit for previous experience shall not be recognized by the Employer if the employee has been out of the industry for five (5) years, unless the Employer agrees to do so.

Then no consideration will be given to any disagreement pertaining to credit for previous experience if presented later than sixty (60) days from the date of employment.

This Agreement will be in effect until **August 9th, 2025**.

12. The Employer agrees to meet with the Union upon request to address issues pertaining to employee access to ***Employee Self Service*** or its replacements.

13. Vacation Payment

(a) Although Article 6.1 of the Collective Agreement contemplates that full-time employees receive a paid vacation after they have completed a full year of service, the Employer permits full-time employees to take paid vacation during their first (***1st***) year of service. As a result of this practice, some full-time employees who take annual vacation prior to their vacation anniversary date have a negative balance in their vacation account. In order to eliminate that negative balance, an employee must work until their anniversary date.

(b) When an employee quits or is terminated and has a negative balance in their vacation account, the employee does not have the ability to earn any additional weeks of paid vacation after their termination which may leave a negative balance in their vacation account which leads to a “vacation pay overpayment”.

(c) If at the time the employee quits or is terminated the Employer believes a vacation pay overpayment has occurred, it shall be entitled to deduct the overpayment from the employee's final pay cheque.

(d) When the Employer deducts a vacation pay overpayment from an employee's final pay cheque, it will send the employee a letter, with a copy to the

Union, explaining the overpayment and providing supporting documentation.

- (e) Any legal or equitable claim for wrongful set off is subject to the grievance and arbitration process.
- (f) If a full-time employee is being reduced to part-time, the Employer agrees that at the time the full-time employee is identified as potentially being reduced to part-time, the Employer will provide them with a statement including their vacation anniversary date and their current vacation account balance and explain to them that any future vacation that has already been booked may or will cause an overpayment situation and the employee at their option shall have the opportunity to proceed with their vacation or cancel the vacation and work for that period. If the employee decides to proceed with their vacation, the Employer will be entitled to deduct the resulting vacation pay overpayment from the employee's future part-time vacation earnings.
- (g) In an effort to ensure that full-time employees understand the vacation pay entitlements in relation to taking vacation, the Employer agrees, within thirty (30) days of ratification, to provide all current full-time employees with a statement confirming their vacation anniversary date and the current status of their vacation account along with a copy of this Letter of Understanding. The Employer also agrees that each time an employee is hired to full-time, promoted to full-time or is reinstated to full-time, it will provide that employee with a status change letter which sets out their vacation anniversary date and advises them that if they take vacation before this date, and then

terminate their employment, they will be in an overpayment situation.

14. In Northern Alberta (Red Deer North), full-time Produce Clerks hired and promoted prior to June 10th, 2011 shall not be scheduled to perform Grocery Clerk work unless mutually agreed to by the employee and the Employer.

15. Demotion

The Employer will provide reasonable coaching and counselling on job expectations and requirements for an employee appointed to a position listed in Article 4.1(d), prior to that employee being demoted for poor performance. The Employer will advise the employee that they can, if requested, have a Shop Steward or Union Representative present for the above mentioned coaching or counselling.

16. Phased in Retirement

Notwithstanding anything to the contrary contained in the Collective Agreements, the parties agree on a trial basis for the life of the current Collective Agreements to the following terms and conditions for a “Phased-in Retirement” Option.

- 1. Only full-time active employees aged sixty (60) years or older will be eligible for this option.***
- 2. Eligible employees may request to participate in this option and their requests will be granted provided it will not interfere with the efficient operation of the business. Requests will not be unreasonably denied.***

- 3. Employees can only elect for this option once in their career. An employee will only be able to revert to regular full-time status as a result of a life-changing event (i.e. divorce, separation, death/illness of a partner).**
- 4. Successful applicants will have their basic work week reduced by eight (8) hours each week. In weeks with (a) General Holiday(s), further reductions in the basic work will be as set out in Article 4.3(b) of the Retail Collective Agreement.**
- 5. These employees will continue to be eligible for Long Term Disability as set out in Article 8.7 of the Collective Agreement.**
- 6. These employees will be eligible for the full-time life insurance benefit as set out in the Employer's Group Life Insurance plan.**
- 7. Sick leave credits shall accumulate at the rate of three point two (3.2) hours per month as set out in Article 8.3 of the Collective Agreement.**
- 8. Vacation weeks will be paid at a rate of two (2%) percent of previous year's gross earnings or the basic work as defined in (4.) above, whichever is greater.**
- 9. Employees will be required to pay a premium of thirty-five (\$35.00) dollars per pay period to maintain the above mentioned benefits. The premium will be reassessed annually and the employees and the Union will be provided with**

sixty (60) days' notice of any change to the premium amount.

10. The option will be made available for enrollment for all eligible employees aged fifty-five (55) and over, starting on December 1st, 2020 with an implementation date of January 3rd, 2021.

11. The parties agree to meet upon request, but not more than annually to review the program and consider any changes that may be required.

17. Creating New Classifications

Employees may be hired or selected on the basis of their qualifications, skills, and abilities as determined by Management for positions that require a particular skill or knowledge base not currently in place in our store offering. The Employer shall offer to all current employees the opportunity to be considered for any new classifications prior to hiring outside of the bargaining unit. Current employees will be canvassed through a notice that will be posted bargaining unit wide for a minimum of ten (10) days. In the event an employee believes that ***they*** should have been considered for a position outlined above, the Employer agrees to meet with the employee and the Union to discuss the employee's qualifications.

Pursuant to Article 5.2 of the Collective Agreement, the Employer and the Union will meet to negotiate wage rates and conditions for these positions.

The Employer agrees to notify the Union, in writing, of the persons selected by the Employer indicating the store number and the department.

18. Blacking Out of Vacation Planners

As per our discussions in negotiations, the Employer wishes to confirm the following:

- (a) No Safeway Operations Retail Stores will have vacation planners posted with weeks “blacked out” or “blocked off”.
- (b) Upon request, employees will be given a reason as to why their request for vacation has been denied.
- (c) Employees will be able to request their vacation anytime in the year as per the Collective Bargaining Agreement guidelines.
- (d) Any stores that have vacation planners currently posted with “blacked out” periods will immediately remove such planners and employees may apply for those “blacked out” weeks in order of seniority – full-time then part-time, as long as they have the vacation weeks left. Such requests will be taken into consideration and will not be unreasonably denied.
- (e) Stores that grant vacation time during such weeks will do so as outlined above.
- (f) Human Resources shall investigate any complaints about vacation planners and address concerns as soon as possible.

19. **Anti-Fatigue Mats**

The parties recognize the need for effective anti-fatigue mats to be placed at the check-stands, customer

service, and appropriate production stations. When the Union or an employee raises an issue within a store regarding the supply of anti-fatigue mats, the Employer agrees to meet with the Union to discuss and resolve the issue.

20. Trained Spotter

The Employer agrees to provide a trained spotter at all times when cash is exposed to the public other than customer transactions and cash movements to and from tills of less than one hundred (\$100.00) dollars.

21. Faith Observance

Employees will have the option to request unpaid time off to observe holy days generally recognized by followers of their sincerely-held religious beliefs. The employee may be requested to provide confirmation of their membership by a cleric or religious official. All requests for time off for the upcoming calendar year shall be made by January 31st each year. The Employer will make the final determination based on existing conditions and notify the affected employees by February 28th. The Employer will consider the request by balancing the importance of recognizing the employee's religious beliefs with the needs of the business. Requests will not be unreasonably denied.

22. National Indigenous Peoples' Day

Employees may request unpaid time off to participate in the National Indigenous People's Day each year. Requests for that day off shall be made by January 31st each year. The Employer will make the final

determination based on existing conditions and notify the affected employees by February 28th. Depending on the number of requests and the anticipated needs of the business, approval may be given by seniority. Requests will not be unreasonably denied.

23. Possible Store Closure Bumping Process - Calgary and Edmonton

This process will be used on a trial basis for the next Calgary or Edmonton store closure and suspend the application of the store closure provisions in each of the Collective Agreements that are inconsistent with the processes described below.

The parties agree that following the completion of the first (1st) use of this process, there will be a good faith meeting between the Employer and the Union to review the process and whether it will continue to be used for future store closures.

Notice and timelines

The Employer agrees to give as much notice of store closure as possible balancing: (i) the need for the process described below to happen in an orderly fashion; (ii) allow employees enough time for informed decisions; and (iii) to minimize the operational and commercial impact of an announcement of store closure.

The Employer will provide four (4) months' notice of a store closure. In the event the Employer cannot do so, it will meet with the Union to explain why.

The provision of notice will commence a “hiring freeze” period with the understanding that job vacancies that cannot be filled through the movement of employees from the closing store may still be filled through external hiring. For greater clarity, the Employer is under no obligation to move employees from a closing store in advance of the closure date, if it would result in a negative operational impact to the closing store. No requested move will be unreasonably denied.

Employees will be provided the options below in writing and will be given a minimum of thirty (30) days to exercise the initial options that apply to them. The Union and Employer will meet within fourteen (14) days of receiving the employees’ options to discuss placements and resolve anomalies.

Full-Time

- 1. Full-time employees from closed location(s) replace the least senior full-time employee within their classification within the city-wide bargaining unit.***
- 2. The least senior employee within the classification will have three options;***
 - (a) Displace the least senior full-time employee in another classification within the city-wide bargaining unit and CBA for which they can perform the duties in a competent manner. A full-time employee who changed classifications as a result of store closure, shall be added to the Request for Full-Time***

Employment list (Article 11.3) and given priority over part-time employees on the list, otherwise the provisions of Article 11.3 will apply to these employees.

(b) Go to part-time in their current classification. They will be given an opportunity to express a preference for up to five (5) locations. There will be no guarantee that the preferences can be accommodated, other than the Employer will agree to allow up to one (1) request per non-closing store to be granted by seniority. An employee who moved to full-time status as a result of store closure, shall be added to the Request for Full-Time Employment list (Article 11.3 – Retail) and given priority over part-time employees on the list, otherwise the provisions of Article 11.3 will apply to these employees.

(c) The Employer agrees to pay severance pay on store closing of one (1) week's pay, up to two (2) years, and one (1) week per year over two (2) years, up to a maximum of twenty (20) weeks' pay for full-time employees.

3. If full-time employee can't maintain a full-time position in any classification by seniority or inability to perform the work required in a competent manner, then they are offered a choice of part-time in their own classification or [severance as per CBA]. A competent manner is defined as demonstrated ability to perform the full scope of the job proportionate to their experience to no greater or lesser degree than would be required from any other employee.

- (a) An employee who exercises this option shall have the right to a maximum of two hundred (200) hours to demonstrate their competence in the new classification. The applicant must meet a fair and reasonable standard as established by the Employer.**
- (b) If an employee is not meeting the fair and reasonable standard, the Union, the employee and the Employer will meet to review the Employer's concerns.**

Part-Time

- 1. Part-time employees from closed location(s) will be placed at another location in their classification. They will be given an opportunity to express a preference for up to five (5) locations. There will be no guarantee that the preferences can be accommodated, other than the Employer will agree to allowing up to one (1) request per non-closing store to be granted by seniority.**
- 2. The following will last until thirty (30) days past the end of the previously mentioned "freeze period". No grievances shall be filed for impact on the receiving store's schedule for a part-time employee being transferred in. No grievances will be filed for loss of hours for the employee transferred into the preferred store.**
- 3. Part-time employee in closure store can also choose to work out notice and be terminated at store closure.**

24. Abbotsfield Pharmacy

Notwithstanding anything to the contrary contained in the Collective Agreement, the Employer will employ a General Clerk to work at the Abbotsfield Pharmacy who will perform cash office, variety, grocery, and file maintenance duties as required at the Abbotsfield Pharmacy.

It is understood this employee will be a member of the Edmonton Bargaining Unit and enjoy the same rights and protections under the Collective Agreement.

The Employer will agree to post an “Expression of Interest” for this job at all stores in the Edmonton Bargaining Unit within thirty (30) days of the ratification (August 10th, 2020) of this Collective Agreement and for successive vacancies. Preference for filling this position will be given to an internal candidate who meets the requirements of the position prior to hiring an external candidate.

25. Closure of Stores Outside of Calgary and Edmonton

In the event of a store closure in a bargaining unit outside of Calgary or Edmonton, employees will be given the opportunity to express an interest in transferring to a vacancy in another bargaining unit. The terms of this transfer request will be governed by Article 11.6(a) and (b) of the Retail Collective Agreement.

Eligible employees in these bargaining units with more than one (1) store will exercise the right to bump into

the remaining store in their bargaining unit by seniority prior to using this transfer process.

Employees will be permitted to express an interest in transfers to more than one (1) bargaining units, but not specific stores. Employees making this election will be given a period of four (4) months from the announcement date of the store closure to accept a transfer opportunity. If an employee declines a transfer opportunity, they will be removed from this list. If a transfer opportunity does not come up within the four (4) month period or the employee had declined a transfer, the employee may exercise their Collective Agreement rights with respect to store closure, which will include severance pay for eligible employees. If an employee accepts a transfer, they will not receive any severance pay they may be eligible for related to the store closure. No transfer requests will be unreasonably denied.

The parties agree that following the completion of the first (1st) use of this process, there will be a good faith meeting between the Employer and the Union to review the process and whether it will continue to be used for future store closures.

26. Conversion of a Store to FreshCo

The parties have agreed to the following in the event a Safeway store is converted to FreshCo.
