- 2.02 The Employer agrees that new Employees in the bargaining unit shall be given a copy of the Collective Agreement. Any steward who is on duty at the same ambulance (station) location at the time shall be allowed thirty (30) minutes to familiarize any new Employee with the local Union structure. However, should the Employer decide to conduct a group orientation of new Employees, the Union shall be allowed thirty (30) minutes for such familiarization with the local Union structure. Such time for familiarization shall be subject to the operational needs of the Employer, and to be clear, each new Employee will only be entitled to one or the other of the familiarization periods described above.

**ARTICLE 3 – MANAGEMENT RIGHTS**

- 3.01 The Union acknowledges that it is the exclusive function of the Employer to:
- (a) Maintain order and efficiency;

  - (c) Make, enforce and alter, from time to time, rules, regulations, policies and procedures to be observed by the Employees provided the Union is provided with a copy of such new rules, regulations and policies prior to implementation. The Employer will endeavor where possible to provide the Union with sufficient time to review prior to implementation.

- (d) Operate and manage its operations in accordance with its commitments, responsibilities and legislative requirements; decide on the number of Employees needed in any classification; determine the location of its operations; relocate its Employees to any such location in accordance with the terms of the collective agreement; decide on the method, process and means of operation.
- 3.02 Without limiting the generality of the foregoing provisions, the Employer agrees that the exercise of any of the above rights shall be in a manner that is fair, reasonable and consistent with the terms of this Agreement.

The parties confirm that in the event of a dismissal or suspension that stands after the Employer has rendered its decision at Step Two of the grievance procedure and the Union forwards the grievance to arbitration, the parties will process the grievance without any undue delay.

Such grievance may be settled by:

(a) Confirming the Employer's action in discharging or suspending the employee;

(b) Reinstating the employee without loss of seniority and with full compensation for time lost; or

- 13.01 Any adverse report, letter of reprimand, or notice of suspension which is not rescinded by way of the grievance or arbitration procedure herein, will be removed from the record of an Employee eighteen (18) months following the receipt by the Employee provided that the Employee's record has been discipline-free of identical or similar infractions for such period. Employees shall receive a copy of any and all documentation, which conveys the Employer's actions that are considered to be counseling or disciplinary at the time of issuance.
- 13.02 Each Employee shall have reasonable access to his/her file, which is the property of the Employer for the purpose of reviewing its contents in the presence of an Employer representative. An Employee may request a copy of any document contained in the file and the Employer shall not unreasonably deny such a request.
- 13.03 Should the Employer become aware of circumstances that warrant an investigation the Employer shall first notify the Employee and the Employee may notify the Union at their own discretion. The Employer shall afford the Employee ample time to clarify details of any such circumstance with representation during meetings as outlined in the letter of understanding regarding investigations. The Employer shall come to a conclusion regarding its investigation no later than 6 months after becoming aware of such circumstances. Any actions taken by the Employer regarding the Employee shall be announced in writing to the Employee inside the six months noted above.
- 13.04 During any investigation the Employer shall not inflict any discipline or suspension on any Member until such time as the Employer has concluded the investigation. If prior to the conclusion of an investigation the Employer reasonably needs to remove an Employee from the workplace then they shall do so without any loss, monetary or otherwise and this shall not be considered disciplinary.

## **ARTICLE 14 – SENIORITY**

- 14 .01 A full-time Employee shall be on probation until the Employee has been in the employment of the Employer for one hundred (100) days and has completed six hundred (600) regular hours on the road. A part-time Employee shall be on probation until the Employee has completed six hundred (600) regular hours on the road. At the Employer's discretion, this probationary period may be extended, by mutual agreement with the Union, up to an additional six hundred (600) regular hours, with the provision of written notice to the employee and the Union. It is understood that a probationer has no seniority for the purpose of this Agreement. An Employee obtains seniority, equal to his/her length of service, upon completing his/her probationary period. An Employee may be released during the probationary period for failure to perform to the satisfaction of the Employer in the position and such release of an Employee during the

probationary period shall not be the subject of a grievance or arbitration notwithstanding any statutory provision.

14.02 Seniority, as referred to in this Agreement, shall mean the length of continuous service with the Employer for full-time Employees in the bargaining unit and hours worked in the bargaining unit for part-time Employees, plus, in both cases, deemed credit for unbroken service in the bargaining unit in Simcoe County. The application of seniority shall be used for the purposes of layoff, recall job postings, vacation scheduling and service for purposes of wage progression and vacation entitlement. Severance pay entitlement varies with the individual and will be applicable on a case-by-case basis.

- (a)
  1. Part-time seniority hours will be calculated by pay period and not by calendar month. Only regular hours worked up to and including eighty (80) hours per pay period will be used towards calculating seniority.
  2. When an Employee's status is changing from regular part-time to permanent full-time, their regular part-time hours calculated as described above, will form a total, and that total will be divided by one hundred and seventy-five (175), equating to full-time months or parts thereof for the purposes of their permanent full-time seniority. This number will include two (2) decimal places.
  3. The first posted seniority list after an Employee has changed from part-time to full-time reflecting where an Employee's placement is shall indicate the months and parts thereof expressed to two (2) decimal places.
  4. In the event that Employees have the same seniority as calculated in paragraph 3, consideration will be given to Employee's original date of hire to break a tie. In the event that Employees have the same seniority (to two (2) decimal places) and same original date of hire a lottery will be held to determine placement on the seniority list.

Part-time Employees shall not lose seniority hours when they have accepted a temporary full-time position and the eighty (80) hours per pay period calculation will be utilized.

- (b) An Employee whose status changes from full-time to part-time shall receive credit for seniority. It shall be converted from years or part thereof to hours on the basis of one (1) year being equivalent to two thousand and eighty (2080) hours, with one (1) month equivalent to one hundred and seventy-five (175) hours.

Separate seniority lists shall be established for full-time and part-time Employees covered by this Agreement who have completed their probationary period. A copy of the seniority lists subject to the agreement of the parties will be provided to the local Union President

within fifteen (15) calendar days after the issuance of the arbitrator's award/execution of the agreement and revised lists will be provided semi-annually in January and July. The seniority lists to be published shall show number of completed months for full-time Employees and hours worked for part-time respectively. The lists will be posted by the Employer at each work location and remain posted for a period of thirty (30) calendar days. If an Employee does not challenge the position of his/her or another name on the applicable seniority list within thirty (30) calendar days from the date the lists were posted or within ten (10) calendar days from the date s/he returns to work having been off when the list was posted, then s/he shall be deemed to have proper seniority standing. If no challenge to the list is filed in writing to the Employer within this period, the applicable list shall be deemed to be correct for all purposes.

14.03 Seniority shall accumulate in the following circumstances only:

- (a) When actually at work for the Employer.
- (b) When off work due to layoff, seniority shall continue to accumulate for a period of time equal to twenty-four (24) months.
- (c) When off work due to sickness, or accident for a period of time equal to twenty-four (24) months.

In November of each calendar year the Employer will post the periods and cycles for the following calendar year.

In the event that a person does not answer their phone at their one primary contact number, provided to scheduling, the shift will be offered to the next eligible person.

An unanswered call will be counted as a shift offered. An Employee shall normally have a minimum of twelve (12) hours off between scheduled shifts.

### **31.01 Full-Time Scheduling**

The Employer shall post the work schedule covering a twenty-eight (28) day cycle and the schedule shall be posted a minimum of twenty-eight (28) days in advance of its commencement. An operational online schedule that is

accessible and updated will satisfy the forgoing requirement. Upon request each Employee will receive a master/perpetual work schedule for the year.

In each twenty-eight (28) day cycle, part-time Employees are required to be available for a minimum of Seven (7) non-conflicting day or night shifts. Peak shifts starting prior to 1400hrs shall be considered in day shift availability.

Each part-time Employee shall ensure their submitted availability includes four (4) weekend shifts in each twenty-eight (28) day cycle.

Part-time Employees that have sixty (60) hours of scheduled work in any given pay period will not be obligated to take any more shifts in that pay period.

Part-time Employees shall be scheduled in a manner that is fair, reasonable, and consistent with the terms of this agreement.

Prescheduled shifts will be distributed evenly beginning with the most senior employee until all prescheduled shifts are filled. For call-ins, the most senior employee based on availability with the fewest number of shifts is called first.

Notifications of Employer initiated changes to schedules greater than seventy-two (72) hours from the shift start time will be communicated to the Employee via their County email address by directing the Employee to check their web portal to view the specific change to their schedule. In addition to the above, when the Employer initiates schedule changes with less than seventy-two (72) hours of the shift start time, the Employee will be called and provided with the specifics regarding the change. If the Employee does not answer their phone, a message will be left providing the specifics regarding the change. Leaving a voice mail in this regard will be deemed sufficient notification. It is the responsibility of the Employee to ensure that accurate and up-to-date contact information is provided to the Employer.

This process will be done as soon as possible and no later than February 1<sup>st</sup> of the same calendar year. No Employee shall be offered vacation time until all staff senior to them have been offered the opportunity to request and commit to their vacation. This process will be a call out process similar to the one used for executing service wide rebids. As such, staff will make themselves available to be contacted or use a proxy for making the request and confirmation. Notice to the Employee of their approved vacation will be made as soon as possible within fourteen (14) days of the end of the vacation bid process. The above dates may be modified upon mutual agreement in years that the budget was not approved in time to facilitate the service rebid (full or partial) in the timelines specified above.

The Local Union agrees to provide Union executive Members to staff and run the vacation rebid process. The Employer agrees to pay for approved planning and execution time or to mutually agreed shift exchanges as required without incurring overtime. ### Letter of Understanding Union Stewards – Article 10.01

## LETTER OF UNDERSTANDING #1

Between

**The Corporation of the County of Simcoe**  
(Hereinafter referred to as the Employer)

and

**The OPSEU Local 303**  
(Hereinafter referred to as the Union)

Whereas it is agreed by the parties that this **Letter of Understanding** shall not result in an unintended layoff of any Employee and further that management rights will be maintained as **outlined below**. AND WHEREAS the Employer and the Union have mutually expressed concerns with the postings of vacated positions, new positions and the addressing of redeployment.

The Employer and the Union hereby establish a working document to address these issues as a replacement of the relevant articles in the Collective Agreement including those in Article 17 – Hiring, Promotions, Transfers & Staff Changes. Specifically: while in force this **Letter of Understanding** shall replace articles 17.01, 17.02, 17.04, 17.05, 17.06.

The Parties hereby agree as follows; either party may choose to dissolve this Letter of Understanding upon the provision of written notice, which will then be effective 90 calendar days from receipt of the notice. The current language of the Collective Agreement and its associated past practices will then apply.

1. Rebid Consideration

Each year at the conclusion of the County Council's approval of the Paramedic Services budget, and when possible, prior to the beginning of the next calendar year, the Local Union President (or Designee) and two (2) Union Officers will meet with the Employer to determine if planned changes to deployment require a service wide rebid.

For clarity, factors that will be considered in deciding which type of rebid to have will include staff displacement, such as but not limited to: Geographical displacement, 12 hour cars becoming 24 hour cars, significant changes in start time, significant changes in duties.

Should the parties determine that a service wide rebid is required, then 3(I) of this Letter of Understanding will apply. In all years where a service wide rebid is not required a partial rebid, 3 (II) of this Letter of Understanding will apply. The effective date of either of these rebids processes will be the first day of a fourteen (14) day pay/schedule period as early in the calendar year as practicable. The Employer agrees that all deployment changes will ideally

occur on the same day as the rebid's "effective date". That date will be provided in the notifications associated with the rebid. Upon mutual agreement an augmentation that does not change existing schedules may be implemented without invoking a rebid throughout the year. Such an augmentation will be filled by the most senior qualified applicant. The only eligible applicants are full-time Employees seeking a classification change, a flex float or a part-time Employee. The Employer shall post these positions electronically for a period of fourteen (14) calendar days. Applications for such positions shall be made electronically within the fourteen (14) calendar day period referenced herein. With the understanding that such positions will need to be offered up in the next rebid.

## 2. Rebid Processes

- a) The local union agrees to staff and execute the rebid processes. The Employer agrees to pay, without incurring overtime, for reasonable planning and execution time or mutually agreed shift exchanges as required.
- b) A notification email will be sent out by the Employer advising which type of rebid will occur including the specifications and timelines for such a rebid.
- c) Employees participating in a Rebid process must provide their contact information or proxy information as outlined in the notification email.
- d) Employees will be contacted in order of seniority to select a position within their current classification in CSPS.
- e) Once an Employee has accepted a position they will not be able to change their selection.
- f) The Employer will provide the Union with a full list of available bid opportunities. Part-time and full-time seniority lists effective the last day of the pay period preceding the rebid, lists of staff working on the day(s) of the rebid, and any other information required to run the rebid effectively.
- g) If an Employee elects to change from full-time to part-time status they may do so during the rebid process. This status change from full-time to part-time will occur on the effective date of the rebid.
- h) Employee requests to change classification will be emailed to the Employer prior to the rebid process and shall not be unreasonably denied.
- i) If full-time openings remain after the full-time rebid has concluded, such positions will be offered by classification to qualified ACP or PCP part-time Employees by seniority, who have complied with the process requirements.

3. (I) Service Wide Rebid

Employees will be contacted in order of seniority and will have a maximum of fifteen (15) minutes to make a decision. Failure to respond within fifteen (15) minutes shall result in the Employee missing their opportunity by their seniority ranking. The rebid will continue until the missed Employee calls in and they will have their opportunity to bid at that time, based on the remaining positions. Should they fail to call they will be assigned a vacant position at the end of the process. Special consideration shall be extended to those on shift for CSPA during the rebid process.

3. (II) Partial Rebid

Partial rebids will have a minimum of a three (3) week notification period. The partial rebid list becomes final three (3) business days prior to the rebid. Employees may add or remove themselves from the rebid list up until (3) business days prior to the rebid. When an Employee chooses to participate in the partial rebid, their name will be added to the list of positions, which may become available in the rebid.

Voluntary Participation:

Employees who wish to participate and who provide contact information as outlined in the notification will be eligible to participate in the rebid where applicable.

Employees will be contacted in order of seniority and will have a maximum of fifteen (15) minutes to make a decision. Failure to respond within fifteen (15) minutes shall result in the Employee's removal from the rebid process and they will retain their current position. Special consideration shall be extended to those on shift for CSPA during the rebid process.

Mandatory participation:

Employees whose participation is mandatory that do not give contact information will be assigned a position.

Mandatory participation will include all Employees who have attained full-time status since the previous rebid and all Employees having significant changes to their employment conditions as a result of deployment changes.

Employees will be contacted in order of seniority and will have a maximum of fifteen (15) minutes to make a decision. Failure to respond within fifteen (15) minutes shall result in the Employee missing their opportunity by their seniority ranking. The rebid will continue until the missed Employee calls in and they will have their opportunity to bid at that time, based on the remaining positions. Should they fail to call they will be assigned a vacant position at the end of the process.

Special consideration shall be extended to those on shift for CSPA during the rebid process.

4. Assignment of Temporary Vacancies

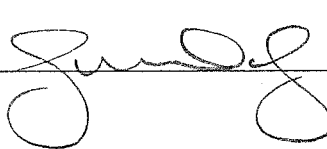

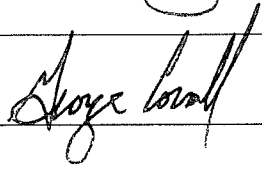

Once the rebid had been completed, all temporary vacancies will be posted. Vacancies remaining, or those that occur throughout the year, which are reasonably anticipated to be greater than sixty (60) days shall be filled by the most senior eligible Employee who accepts the assignment. The Employer shall post these assignments electronically for a period of fourteen (14) calendar days. Applications for such assignments shall be made electronically within the fourteen (14) calendar day period referenced herein, and shall occupy the temporary assignment as soon as practicable until the full-time Employee returns to that position or until the effective date of the next rebid whichever comes first. Permanent full time Employees can only accept one temporary spot per calendar year.

5. Permanent Vacancies

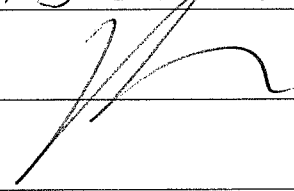

Once the rebid is completed all permanent vacancies that arise throughout the year will be filled by the most senior qualified applicant. The only eligible applicants are full-time Employees seeking a classification change, a flex float or a part-time Employee. The Employer shall post these positions electronically for a period of fourteen (14) calendar days. Applications for such positions shall be made electronically within the fourteen (14) calendar day period referenced herein. The successful applicant understands that they will fill the vacated position at the Employer's earliest opportunity following acceptance and will remain in that position until the next rebid at which time that position shall be included in the list of available bid opportunities.

(Hereinafter referred to as the Employer)

and

**The Ontario Public Service Employees Union  
And its Local 303**

WHEREAS the Employer wishes to outline the specifics regarding the Incident Response Unit (IRU) both parties agree as follows:

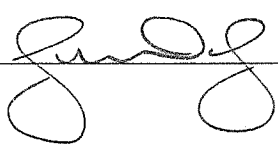

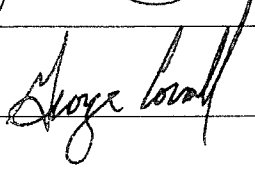

1. The IRU will consist of Advance Care Paramedics and Primary Care Paramedics who are provided with training in various incident response specialty skill sets that may include Chemical, Biological, Radiological, Nuclear, Explosive CBRNE and/or Tactical paramedic care.
2. Should any issues arise with respect to the IRU, both Parties agree to bring forward the concerns for discussion.
3. In filling vacancies or where additions to the IRU team may be required, the Employer will determine the selection process and will advise the Union prior to any fundamental changes being implemented to the current process, where applicable.
4. The County agrees to pay an annual stipend to all active members of the IRU of 1.75% of their current base salary. This stipend shall be paid out on the last full pay period in December of each year. Base salary is an employee's current base hourly wage rate multiplied by their scheduled base hours for the year. The parties agree that if an employee is on an extended leave of absence, the stipend may be prorated.
5. If the Employer wishes to modify or reduce the size of the IRU the Employer will notify the Union with lead time that facilitates staff reassignment which may occur through a rebid. 8. Any issues regarding Decertification, Deactivation or Reclassification will be as per the Collective Agreement.
9. Notwithstanding any awards, agreements or language in the Collective Agreement, IRU members may be required to attend training on regularly scheduled days off at straight time. In facilitating this, the Employer acknowledges that IRU members are entitled to 28 days' notice of a change in schedule. Further, the Employer agrees that in any given 28 day period no member of the IRU will be required to work more than the 168 hours regularly required. This means that IRU members may have to accept schedule changes and hours of work changes to facilitate this mandatory training.
10. It is understood that IRU members may receive uniform allotment and personal equipment that varies from those outlined in the Collective Agreement. The Union executive shall be notified of any variances from the standard uniform issue.
11. Unless otherwise specified in this LOU, members of the IRU will retain all of the rights and entitlements as outlined in the Collective Agreement.
