RE: OVERTIME CALL-IN PROCESS – OPERATIONS AND PARKS

The Employer and the Union shall work together to establish an Operations and Parks Overtime Call-in List ("Call-in List") for 2022.

The Call-In List shall be posted in work areas accessible to all employees. The Call-in List shall be organized by department and/or work area, as mutually agreed by the Union and the Employer.

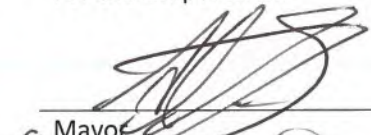

Call-in Lists shall be updated by the Employer every afternoon, following a call in and as leaves/sick time are taken.

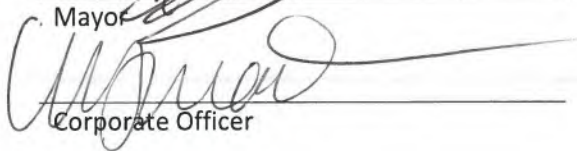

The Departmental Call-in Lists shall operate in the following way:

1. The overtime call-in process will be applicable to all scheduled and emergency overtime, with the exception of Utilities and Waste Water Treatment Plant standby employees who will be called first in cases of emergency work as stipulated in Article 25.13.
2. Overtime will first be offered to the department crew that normally does the work (subject to paragraph 1 above).
3. The duty foreperson will use the Call-in List to assign overtime required when an employee is called to work without having been notified prior to the end of the employee's previous shift.
4. Employees must be capable of performing the work required.
5. Within that department crew, the overtime will be offered on a rotational basis. The employees shall be called starting from the top of the Call-in List and moving down to the next person, as needed. When an employee accepts an offer of overtime, their name shall be moved to the bottom of the Call-in List. If an employee fails to answer the phone or accept an offer of overtime, their name shall be moved to the bottom of the Call-in List.
6. Employees who wish to be called in will provide a contact phone number to the Employer. It is the responsibility of the employee to update the number as required.

7. Employees who are on vacation or lieu time off are eligible for call in, but employees who are sick on the same day as call out or are absent due to WorkSafe, disability or any other approved leave are not eligible for call in and will be moved to the bottom of the Call-in List. If none of the eligible employees are available, the Employer may call any North Cowichan employee that is capable of performing the work.
8. Employees who are assigned stand-by duties will be called prior to those on the Call-in List.
9. If any employee is called in error and completes overtime, they will be skipped for their next rotation. The employee who would have been scheduled next for call in will remain next to be called but will not be eligible for compensation. If the Union feels that an employee was called in for overtime out of turn for any reason other than a bona fide error, it shall bring the matter to the Employer's attention at the next scheduled Labour Relations Committee Meeting for further discussion.
10. This LOU shall be in effect for one (1) year from the date of signing and shall be subject to review by both parties at that time. The LOU may be extended by mutual agreement between the parties, subject to any negotiated modifications.
11. This LOU may be terminated by either party by providing thirty (30) days' written notice of termination to the other party.

AND, the Employer, the Union and [REDACTED] wish to enter into an arrangement that is in accordance with this Secondment;

THE PARTIES AGREE to the following conditions on a without prejudice or precedent basis:

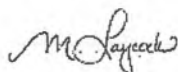

1. [REDACTED] shall be on a one (1) year Secondment effective February 7, 2022. This Letter of Understanding shall expire February 28, 2023 or when [REDACTED] no longer holds the position of President of CUPE Local 358, whichever should occur first. 9. [REDACTED] shall continue to accrue sick leave during the Secondment, and any sick time used by [REDACTED] during the Secondment shall be reported to the Employer in the pay period it is used so it can be accurately accounted for and reflected in the appropriate pay period.
