\*\* The Maintenance Engineer 3 (3<sup>rd</sup> class) classification shall be eliminated upon the retirement or termination of **the employees identified in separate Memorandum of Agreement attached to this Agreement**. New employees shall be hired into **Maintenance Engineer 1 or 2** as is required. Existing grandfathered employees with Class 4 or 5 can achieve Class 3 pay level upon writing and passing the appropriate examination for that level 3 classification (Boilers Branch).

9.02 **The Employer** agrees to pay the overtime rate of pay for an employee's overtime hours.

9.04 **The Employer** charges gratuities to its customers relating to the sale of food and beverage. Employees in the Banquets Department in those positions set out in **Article** 9.01 are entitled to a distribution of fifty-five (55%) percent of gratuities charged by **the Employer** to its customers in any given pay period based on the hours worked by those employees in that pay period as follows:

- (a) There shall be three (3) classifications of Banquet employees as follows:
  - (i) Classification 1 consists of Wait Staff Supervisor and Bartender Supervisors;
  - (ii) Classification 2 consists of Wait Staff #1, Wait Staff #2, Bartenders, **and** Linen Keepers;
  - (iii) Classification 3 consists of **an employee identified in separate Memorandum of Agreement attached.**
- (b)

- (c) For each pay period, **the Employer** will pay gratuities to its Banquet employees calculated as follows:
  - (i) Total hours worked by all employees in each of Classifications 1, 2, and 3 shall be multiplied by the points allocated for each of the classifications.
  - (ii) The total arrived at in **Article 9.04(c)(i)** shall be divided into fifty-five (55%) percent of the total gratuities charged to **the Employer** customers for that pay period. The result of this calculation shall be the value per point.
  - (iii) The value per point arrived at in **Article 9.04(c)(ii)** shall be multiplied by the points allocated for each classification, the result of which shall be further multiplied by the actual number of hours worked by each employee in Classification 1, 2, and 3, to determine the gratuity payable to each employee.
  - (iv) The following is an example of the calculation of gratuities payable to employees in the Banquets department:

Gratuities charged by **the Employer** in a pay period:

**twenty thousand** (\$20,000.00) **dollars**  
**fifty-five** (55%) **percent** of **twenty thousand**  
(\$20,000.00) **dollars** = **eleven thousand**  
(\$11,000.00) **dollars.**

<u>Classification</u>	<u>Total Hours Worked by all Employees</u>	<u>Points</u>	<u>Total Points</u>
1	500	10	5,000
2	3,200	8	25,600
3	160	11	<u>1,760</u>
			32,360

- $11,000 / 32,360 = .34$  (value per point)
- value per point per hour

Classification 1	$10 \times .34 = \$3.40/\text{hr}$
Classification 2	$8 \times .34 = \$2.72/\text{hr}$
Classification 3	$11 \times .34 = \$3.74/\text{hr}$

- Employees shall be paid their value per point per hour for each hour worked in the pay period.

## Letters of Understanding

### Letter of Understanding #1 – Offering Restricted Full-Time Employees Choice

***During the 2022 round of Collective Agreement negotiations, the Parties agreed to a different approach regarding employee declaration of their shift availability and the definition of full-time status. Historically, several employees, at the time of bargaining, had restricted their shift and yet were treated as though they were full-time status.***

***The Parties agree to the following:***

***Employees historically permitted to restrict their shift availability and maintain their full-time status will be invited to a meeting with the Union and Management. During such meeting, employees shall be offered a choice as to whether they opt for:***

- ***unrestricted availability***
- ***restricted availability***

***Once this declaration is made, the balance of the Collective Agreement shall apply to those employees on a go-forward basis.***

***The Union and Management agree to hold this meeting within two (2) months of the effective date of the Collective Agreement.***

***The Memorandum of Agreement is incorporated into the Collective Agreement. It shall remain in effect until the expiry of the Collective Agreement.***

**Letter of Understanding #2 – Moving to a Catalogue System for the Provision of Safety Footwear**

***The Union and EEC agree to convene a small working committee of two (2) EEC representatives and two (2) Union representatives. This committee will develop a catalogue system to replace the system of reimbursement/allowance for the provision of safety footwear for employees set out in Article 34.***

***EEC representatives will forward a vendor or list of vendors for which the EEC is prepared to engage in negotiations.***

***EEC representatives will forward a list of catalogue selections specific for each department for review and to solicit feedback.***

***This committee will then recommend the list and an effective date for the EEC and Union to consider. On the effective date and after that, the catalogue system will replace the reimbursement and allowance system in Article 34. Article 34 will reflect these changes and outcomes during the subsequent Collective Agreement negotiations.***

***Except for by mutual agreement between the Union and the Employer, the effective date for the catalogue system shall be no later than March 1<sup>st</sup>, 2023. However, if consensus on the catalogue system cannot be reached by this date Article 34.01 will govern for the term of the Collective Agreement.***
