## **ARTICLE 6 – POSTING AND FILLING OF VACANCIES OR NEW POSITIONS** (RPT, FPT)

- 6.1.1 When a vacancy occurs in the Regular Service for a bargaining unit position or a new regular position is created in the bargaining unit, it shall be advertised for at least ten (10) working days prior to the established closing date. Notices of vacancies shall be posted either electronically or on bulletin boards and, upon request, shall be provided in large-sized print or braille where the posting location has the capacity to do so. (FXT, SE)
- 6.1.2.1 Notwithstanding Article 6.1.1 above, the Employer may hire qualified candidates in rank order who previously applied for the same vacancy or new position provided that a competition was held during the previous fourteen (14) months following the conclusion of the competition and was within 125 kilometres of the work location of the previously posted position, and provided that the position has cleared surplus. The Employer in these circumstances is not required to post or advertise the vacancy or new position. Where the Employer uses this provision, it shall notify the Local Union President where the vacancy or new position exists, five (5) working days prior to filling the vacancy or new position. The five (5) working day period can be waived with mutual agreement by the parties. (FXT, SE)
- 6.1.2.2 Candidates that decline a job offer under Article 6.1.1 shall continue to retain their rank on the eligibility list for future vacancies or new positions filled under Article 6.1.2.1. Where the Employer uses the provisions set out in Article 6.1.2.1, a candidate being offered a position may, at their option, decline the position and the position will be offered to the next highest ranked candidate. Once a position has been accepted by the candidate, the candidate will no longer be considered for future vacancies or new positions based on the original competition.
- The Employer shall establish an eligibility list of qualified candidates for each position based on the results of a competitive process. The Employer is not required to fill positions through Article 6.1.2.1 when exercising its discretion to fill a vacancy. The eligibility list shall only be shared with the respective Local Union President where the vacancy or new position exists when the Employer reaches back to a competition for the first time. (FXT, SE)
- 6.1.3 Effective April 26, 2022, notwithstanding that a position is advertised within a restricted area of search, any employee who works or resides outside the identified area of search may apply for the position. If they apply, they will be deemed to have waived entitlements to any relocation and related expenses, if any, pursuant to Employer policies or directives or Article 6.5 for restricted competitions, as a condition of gaining access to the competition process. For greater certainty, no claim can be made for any expenses incurred during the competition process arising from the decision to hire the employee into the position. (FXT, SE)

- 6.2 The notice of vacancy shall state, where applicable, the nature and title of position, salary, qualifications required, and the hours of work schedule as set out in Article UN2 (Hours of Work). Where a position is posted within the Ontario Public Service, the internal notice of vacancy shall also state the work location where the position currently exists, that the position is represented by the Union and the particular bargaining unit which contains the position. (FXT)
- 6.3 In filling a vacancy, the Employer shall give primary consideration to qualifications and ability to perform the required duties. Where qualifications and ability are relatively equal, seniority shall be the deciding factor. (FXT, SE)
- 6.4 An applicant who is invited to attend an interview within the Regular service shall be granted time off with no loss of pay and with no loss of credits to attend the interview, provided that the time off does not unduly interfere with operating requirements. (FXT, SE)
- 6.5 Relocation expenses shall be paid in accordance with the provisions of the Employer's policy.
- 6.6.1.1 With the agreement of the Union, the employee and the Employer, an employee shall be assigned to a vacancy where:
- (a) the vacant position is identical to the position occupied by the employee, and
  - (b) the vacant position is in the same ministry as the position occupied by the employee, and the provisions of Articles 6.1.1, 6.2, 6.3, 6.4 and 6.5 shall not apply.

- 10.3.8 Relocation expenses incurred by employees who trade jobs will not be reimbursed by the Employer.
- 10.3.9 In the event more than one (1) employee meets the criteria to trade jobs with another employee, the Employer will choose the best qualified employee for the job to be traded. Where the qualifications and skills of two (2) or more employees are relatively equal, seniority will be the deciding factor, subject to Article 10.3.5 above.
- 10.3.10 Employees cannot trade jobs unless both of their managers approve of the trade.
- 10.3.11 Job trading is voluntary. Provided an employee has not been matched with another employee's job, the employee may withdraw at any time.

- 14.2 When travel is by public carrier, except municipally operated transit systems, time will be credited from one (1) hour before the scheduled time of departure of the carrier until one (1) hour after the actual arrival of the carrier at the destination.
- 14.3 When travel is by automobile and the employee travels directly from their home or place of employment, time will be credited from the assigned hour of departure until the employee reaches their destination and from the assigned hour of departure from the destination until the employee reaches their home or place of employment.
- 14.4 When sleeping accommodation is provided, the hours between eleven (11:00) p.m. and the regular starting time of the employee shall not be credited.
- 14.5 When an employee is required to travel on their regular day off or a holiday listed in Article 47 (Holidays), the employee shall be credited with a minimum of four (4) hours.
- 14.6 All travelling time shall be paid at the employee's basic hourly rate or, where mutually agreed, by compensating leave.

## **ARTICLE 15 – NON-PYRAMIDING OF PREMIUM PAYMENTS**

## **ARTICLE 16 – LOCAL AND MINISTRY NEGOTIATIONS**

(FXT, SE, FPT, RPT)

- 16.1 It is agreed that all ministries may enter into local and ministry employee relations negotiations such that are appropriate as not being excluded by the provisions of the *Crown Employees Collective Bargaining Act, 1993*. Such negotiations shall not be subject to the mediation and arbitration procedures under the *Act*, provided however, that nothing shall preclude a grievance alleging a violation of the Collective Agreement, as provided in the said *Act*.
- 16.2 The ministry Employee Relations Committee (ERC) shall be co-chaired by a member of the ministry's Senior Management Group.
- 16.3 The Union may forward to the Deputy Minister matters which are not resolved at the ministry ERC, and the Deputy Minister shall respond in writing to the matters raised within twenty-one (21) days of receipt by the Deputy Minister of the unresolved item.
- 16.4 A Central Employee Relations Committee (CERC) shall be established consisting of equal numbers of up to four (4) members from each party. ## **ARTICLE 17 – JOINT CONSULTATION COMMITTEE**

(FPT, RPT)

Deleted January 26, 2022

## **ARTICLE 18 – SENIORITY (LENGTH OF CONTINUOUS SERVICE)**

(FXT, RPT)

18.1.1 An employee's length of continuous service will accumulate upon completion of a probationary period of not more than nine (9) months and shall commence:

- (a) from the date of appointment to the Regular Service for those employees with no prior service in the Ontario Public Service; or
- (b) for service accumulated before October 30, 2015, from the date established by adding the actual number of full-time weeks worked by a full-time fixed-term employee during their full-time employment back to the first break in employment which is greater than thirteen (13) weeks; or

For service accumulated on or after October 30, 2015 up to January 25, 2022, full-time fixed-term employees shall be entitled to have their service counted towards the accumulation of seniority, based upon 1725.5 straight-time hours or 1,904 straight-time hours, as appropriate, counting as equivalent to one year's service, or pro-rated to the equivalent of less than one year as appropriate; or

For service accumulated on or after January 26, 2022, fixed-term employees shall be entitled to have their service counted towards the accumulation of seniority, based upon 1725.5 straight-time hours or 1,904 straight-time hours, as appropriate, counting as equivalent to one year's service, or pro-rated to the equivalent of less than one year as appropriate; or

- (c) for a Regular part-time employee, from January 1, 1984 or from the date on which the employee commenced a period of unbroken, part-time employment in the public service, immediately prior to appointment to a regular part-time position in the Regular Service, whichever is later; or (FPT)
- (d) effective January 1, 1984, from the date established by adding the actual number of full-time weeks worked by a full-time seasonal employee during their full-time employment back to the first break in employment which is greater than thirteen (13) weeks.

“Unbroken service” is that which is not interrupted by separation from the public service; “full-time” is continuous employment as set out in the hours of work schedules for the appropriate classifications; and “part-time” is continuous employment in accordance with the hours of work specified in Article 58.1 (Hours of Work).

Effective December 20, 1990, any leaves of absence granted under Article 31.9 (Fixed-Term Employees – Pregnancy and Parental Leave) and Article 32.19 (Seasonal Employees – Pregnancy and Parental Leave) shall be included in the calculation of length of continuous service.

18.1.2 An employee's probationary period may be extended up to a total of twelve (12) months by mutual agreement between the employee, the Union and the Employer.

18.2 Notwithstanding Article 18.1, where a Regular part-time employee within the meaning of the Collective Agreement becomes a full-time regular employee of the Collective Agreement, any service as a Regular part-time employee which forms part of their unbroken service in the Regular Service shall be calculated according to the following formula:

$$\frac{\text{Weekly Hours of Work as a Regular Part-time employee}}{\text{Full-time hours of work for class(weekly)}} \times \text{Years of Continuous Service as a Part-time Regular employee}$$

Changes in the employee's weekly hours of work shall be taken into account.

Example:

- Weekly hours of work as a Regular part-time employee  
= 6 years at 20 hours per week, and 2.5 years at 16 hours per week
- Full-time hours of work for class (weekly) = 40  
(Schedule 4)
- Seniority (Length of Continuous Service) on becoming a full-time regular employee  
=  $\frac{(20 \times 6 \text{ years})}{40} + \frac{(16 \times 2.5 \text{ years})}{40}$   
= 3 years + 1 year = 4 years

(FPT)

18.3 Where an employee has been released in accordance with Article 20 (Employment Stability) and rehired within two (2) years, the period of absence shall not be computed in determining the length of continuous service. However, periods of continuous service before and after such absence shall be considered continuous and are included in determining the length of continuous service.

18.4 Continuous service shall be deemed to have terminated if:

- (a) an employee resigns or retires; or
- (b) an employee is dismissed unless such dismissal is reversed through the grievance procedure; or
- (c) an employee is absent without leave in excess of ten (10) consecutive working days; or
- (d) an employee is released in accordance with Article 20 (Employment Stability) and remains released for more than two (2) years.

18.5 An OPS-wide seniority list and seniority lists for each ministry, including the employees' names, employee ID number, date of continuous service, ministry, classification, position title and location shall be maintained and provided to OPSEU/SEFPO on a quarterly basis. In addition, the ministry seniority list shall be provided to the MERC Co-Chair upon request to the Employee Relations Division but in no case shall such requests be made more than once per month.

## **ARTICLE 19 – MULTIPLE LAY-OFFS** (FPT, RPT)

19.1 Where a reorganization, closure, transfer, or the divestment, relocation or contracting-out of an operation in whole or in part will result in thirty (30) or more surplus employees in a ministry,

- (a) affected employees shall receive six (6) months' notice of lay-off or pay in lieu thereof as provided in Article 20.2 (Notice and Pay in Lieu), and
- (b) the President of the Union shall be notified of the reorganization, closure, transfer, or the divestment, relocation or contracting-out prior to notification to affected employees, and
- (c) the Ministry Employee Relations Committee (MERC) shall consult on issues related to lay-off, displacement and recall.

### 19.2 JOINT EMPLOYMENT STABILITY SUBCOMMITTEE (JESS)

19.2.1 There shall be a subcommittee of the Central Employee Relations Committee (CERC), which shall be known as the Joint Employment Stability Subcommittee of the CERC. It shall be composed, at any one time, of three (3) representatives appointed by each party. At meetings of the subcommittee, one (1) representative from each party from the particular ministry where the issue arose shall be invited to make representations before the subcommittee.

19.2.2 The mandate of the subcommittee shall include the consideration of issues arising out of decisions by the Employer which may affect the continued employment of fifty (50) or more employees within a ministry. Notwithstanding the role of the MERCs, in such circumstances, either party may table the matter for consideration by the subcommittee, or the subcommittee may make any recommendation that seems appropriate in the circumstances. Such consideration shall be concluded in a timely fashion with disclosure as circumstances warrant.

## **ARTICLE 20 – EMPLOYMENT STABILITY**

### 20.1 PREAMBLE

20.1.1 Where a lay-off may occur for any reason, the identification of a surplus employee in an administrative district or unit, institution or other such work area and the subsequent redeployment, displacement, lay-off or recall shall be in accordance with seniority subject to the conditions set out in this article.

#### 20.1.2.1 SURPLUS NOTICE ALERT

Where one or more positions in an administrative district or unit, institution or other such work area will be declared surplus, all employees in the work unit will be provided with a written Surplus Notice Alert not less than six (6) working days prior to the issuance of any notice of layoff and which shall not be included in the notice period in Article 20.2. The Surplus Notice Alert will describe the work unit, the job functions to be reduced and the number of positions to be reduced.

#### 20.1.2.2 The Surplus Notice Alert will also:

- (a) Offer the employees, whose positions are specifically identified for surplussing, to exit the OPS with one of the options outlined in Article 20.1.2.3, if they plan to exit the OPS and not seek a targeted direct assignment under Article 20.3 or a displacement under Article 20.4.
- (b) Invite all employees working in the affected job functions to volunteer to exit the OPS with one of the options outlined in Article 20.1.2.3. Volunteers to exit the OPS will be approved on the basis of seniority up to the numbers required. Volunteers not approved may register under Article 20.7.

#### 20.1.2.3 Volunteers under Article 20.1.2.2 must respond to the Employer in writing within five (5) working days of the issuance of the Surplus Notice Alert. The response must indicate which one of the following options the employee selects:

- (a) Pay in lieu option under 20.2.1.3 in which case no other provisions under Article 20.2 shall apply; or
- (b) Immediate retirement if eligible for a permanent pension factor (90, 60/20, Age 65) under the OPSEU Pension Plan; or
- (c) Pension Bridging pursuant to paragraph 2 of Appendix 9 (Employment Stability), if eligible, to the employee's first permanent unreduced pension factor (90, 60/20, Age 65), under the OPSEU Pension Plan

For clarity, termination payments under Article 53 and 78, and enhanced severance under paragraph 4(b) of Appendix 9 (Employment Stability), where eligible, apply to options (a) through (c).

#### 20.1.2.4 The Employer will respond in writing within five (5) days of receipt of an employee's request. An employee's last day at work will be five (5) days from receipt of the Employer's acceptance, or such other period as the employee and the Employer shall agree.

#### 20.1.2.5 For clarity, if an employee does not exit under Article 20.1.2.2, it will not affect or preclude their entitlement to any option if the employee subsequently receives a notice of layoff.

### 20.1.3 ELIGIBILITY FOR EMPLOYMENT INSURANCE

The parties agree that all employees who accept a pay-in-lieu option under Article 20.2 are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly the Employer agrees to take all necessary steps to attempt to ensure that Human Resources and Skills Development Canada recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered “workforce reduction processes” under the *Employment Insurance Act*.

### 20.1.4 EMPLOYEE PORTFOLIO

20.1.4.1 An Employee Portfolio will be deemed to include the qualifications and knowledge as identified in the employee’s current position description for the purposes of Article 20.3 (Targeted Direct Assignment), 20.4 (Displacement) and 20.8 (Temporary Vacancies) and Appendix 66 (Transition and Reskilling MOA) unless otherwise modified by the employee.

20.1.4.2 All new employees must complete an Employee Portfolio within their probationary period. The Employee Portfolio will be provided in electronic format, such that it can be edited by the employee. The Employee Portfolio will be placed on the employee’s personnel file, or stored on an electronic system accessible by the employee and Employer.

Notwithstanding the above, the Employer shall require any employee that it has reasonable grounds to believe may be declared surplus to complete an Employee Portfolio within six (6) days.

20.1.4.3 Where an electronic system is not yet available to an employee, they may advise the Employer in writing at any time of their desire to update the employee portion of an Employee Portfolio to reflect the acquisition of new or improved skills, knowledge and abilities, and/or change the geographic parameters. Such changes shall be implemented within three (3) working days of the Employer receiving the updated employee portion of the Employee Portfolio. Where an electronic system is implemented and available to an employee, they may directly access and edit their employee portfolio.

20.1.4.4 Once an employee has completed an employee portfolio and submitted it to the Employer, it shall remain on file or on an electronic system and will be considered to be current. It is the responsibility of the employee to update their portfolio to reflect the acquisition of new or improved skills, knowledge and abilities.

## 20.2 NOTICE AND PAY IN LIEU

- 20.2.1.1 Employees whose positions have been specifically identified for surplussing in accordance with Article 20.1.2.2 (a) and who do not choose to exit the OPS, and where no volunteer has been identified in accordance with Article 20.1.2.2 (b) shall receive notice of layoff following the expiry of the period set out in Article 20.1.2.1. Following receipt of notice, the employee shall advise the Employer, in writing, within a ten (10) working day period, of their decision either:
- (a) to exercise rights under Article 20.2; or
  - (b) to remain employed during the six-month notice period for possible redeployment pursuant to Article 20.3; or
  - (c) to remain employed during the six-month notice period for possible redeployment pursuant to Article 20.3, and to exercise rights under Article 20.4 (Displacement).
- 20.2.1.2 An employee who fails to provide their written decision as required by Article 20.2.1.1 above shall be deemed to have decided to remain employed during the notice period.
- 20.2.1.3 An employee identified as surplus shall receive six (6) months' notice of lay-off or, with mutual consent, an employee may resign and receive equivalent pay in lieu of notice. Pay in lieu for the balance of the notice period shall only be granted where the Employer determines that operational requirements permit an employee's exit from the workplace prior to the expiration of six (6) months' notice.
- 20.2.1.4 Pay-in-lieu options under this agreement, where the Employer determines that operational requirements will be met, means either:
- (a) A lump sum of six months' pay, plus severance as provided for in Article 53 or 78 and enhanced severance under Paragraph 4 of Appendix 9, if eligible, payable as soon as possible, in which case all salary and benefit entitlements which would have accrued to the employee from the last day worked to the layoff date are forfeited; or
  - (b) Continuance of salary plus benefits (except STSP and LTIP) commencing on the surplus date for the duration of the notice period, plus severance as provided for in Article 53 or 78, and enhanced severance under Paragraph 4 of Appendix 9, if eligible, paid out at the layoff date.
- 20.2.1.5 Where an employee accepts a pay-in-lieu option pursuant to this Article, the employee's last day at work shall be five (5) working days after the employee advises or is deemed to advise the Employer of the acceptance of a pay-in-lieu option, or such other period as the employee and the Employer shall agree.
- 20.2.1.6 When an employee is to receive a notice of layoff, the Employer will notify the union of the time and place of the Surplus Notice Alert and notice of layoff meeting.
- 20.2.2.1 Notwithstanding 20.2.1.3 the notice period will begin when the employee receives official written notice. Copies of all such notices shall be provided to the Employer and to the Union.

- 20.2.2.2 For clarification, where there is a hiatus in the notice period under this article, all redeployment activities, except as set out in Articles 20.2.2.8 and 20.8.6, cease during the hiatus.

#### IMPACT OF LEAVES OF ABSENCE AND TEMPORARY ASSIGNMENTS

- 20.2.2.3 Where the employee's position is declared surplus while the employee is away on a sick leave (Short Term Sickness Plan (STSP), Long Term Income Protection (LTIP) or Workers Safety Insurance Board (WSIB) claim), the ministry shall notify the employee that their position has been declared surplus and that, when the employee returns to full-time work, the surplus notice shall be issued.
- 20.2.2.4 Where the employee's position is declared surplus while the employee is away on a leave of absence, the ministry shall notify the employee that their position has been declared surplus and inform the employee of the option to:
- (a) return early from the leave of absence and receive the surplus notice at that time; or
  - (b) return at the end of the leave and receive the surplus notice at that time.
- 20.2.2.5 Where an employee's position is declared surplus while the employee is on a temporary assignment or secondment, the home ministry shall have the option of:
- (a) returning the employee to their home position and issuing the surplus notice at that time; or
  - (b) giving the employee their surplus notice and allowing the employee to remain on temporary assignment until directly assigned into a permanent vacancy or the temporary assignment ends, whichever occurs first.

#### TREATMENT OF SURPLUS NOTICES ISSUED BEFORE LEAVE OF ABSENCE OR TEMPORARY ASSIGNMENT

- 20.2.2.6 (a) Where the employee's position is declared surplus before a LTIP or WSIB sick leave of absence begins, the employee's notice shall be put on hiatus for the duration of the leave. When the employee is able to return to work, the balance of the notice period shall continue.
- (b) Where the employee's position is declared surplus before a STSP leave of absence, the employee's notice shall be put on hiatus if from the beginning of the STSP leave the medical evidence (e.g. stroke) indicates that the leave will be greater than one (1) month. Where the employee is on a sick leave and is expected to return to work within one (1) month (e.g. cold or flu), the surplus notice is not placed on hiatus. However, if after one (1) month on STSP the employee's prognosis for returning to work remains uncertain, the surplus notice is put on hiatus at that point until the employee is able to return to work.

If the employee displaces or is directly assigned to a new position before going on STSP/LTIP/WSIB, the accepting ministry must honour the leave of absence.

- 20.2.2.7 Where the employee's position is declared surplus before a leave of absence begins, the employee may choose to:
- (a) accept a hiatus in the surplus notice period during the leave of absence, (when the employee returns from the leave of absence the balance of the notice period shall continue); or
  - (b) decline a hiatus in the surplus period during the leave of absence; or
  - (c) return early from the leave of absence, (when the employee returns from the leave of absence the balance of the notice period shall continue).

If the employee displaces or is directly assigned to a new position before going on the leave of absence, the accepting ministry must honour the leave of absence.

- 20.2.2.8 Where the employee's position is declared surplus before the beginning of a temporary assignment or secondment within the OPS (and before the employee is eligible for a targeted direct assignment into a temporary assignment under the Agreement), the employee's surplus notice is put on hiatus, however the employee may continue to identify and be considered for vacancies under Article 20.3. This provision only applies where the temporary assignment or secondment is filled competitively.

- 20.2.3 Where an employee accepts pay in lieu of notice pursuant to this article, any further entitlements under this Collective Agreement are forfeited save and except any rights under Article 53 or 78 (Termination Payments) or paragraph 4 (b) of Appendix 9 (Employment Stability). The employee will be eligible to apply for restricted competitions from the last day of work until twenty-four (24) months from the date on which lay-off would otherwise have occurred. Such an employee shall keep their Designated Human Resources Contact informed of any change of address and/or telephone numbers and/or home e-mail (if any). Such changes must be sent in writing or electronically.

Notwithstanding Article 18.3, where an employee applies for any competition within twenty-four (24) months from the date the lay-off would otherwise have occurred, the employee's continuous service before the absence shall be considered in determining the length of continuous service for the sole purpose of any determination made by the Employer under Article 6.3 (Posting and Filling of Vacancies or New Positions).

- 20.2.4 Where an employee accepts pay in lieu of notice and is re-appointed to a position in the Ontario Public Service prior to the originally projected lay-off date, the employee will repay to the ministry a sum of money equal to the amount paid for the period between the date of re-appointment and the original projected lay-off date. In addition, the employee will repay to the ministry all monies received under paragraph 4 of Appendix 9 (Employment Stability). The employee's continuous service date, for all purposes except Article 53 or 78 (Termination Payments), shall be deemed to include both service up to the last day of active work and the accumulation of service after the date of re-appointment. The new service date for purposes of termination pay shall be the date on which the employee recommences work.

- 20.2.5 Where an employee who accepts a pay in lieu of notice is re-appointed to a position in the Ontario Public Service after the originally projected lay-off date, and prior to the expiration of a further twenty-four (24) months, the employee will repay to the ministry all monies received under paragraph 4 of Appendix 9 (Employment Stability). The employee's continuous service

date for all purposes except Article 53 or 78 (Termination Payments), shall be deemed to include both service up to the last day of active work and the accumulation of service after the date of re-appointment. The new service date for purposes of termination pay shall be the date on which the employee recommences work.

## 20.3 TARGETED DIRECT ASSIGNMENT

20.3.1.1 An employee who has received notice of lay-off in accordance with this article shall be assigned to a position that becomes vacant in their ministry or in another ministry during their notice period provided that:

- (a) the employee applies for and indicates on their application for the vacancy that they have received notice of layoff and are eligible for a targeted direct assignment; and
- (b) the employee meets the entry level qualifications for the position; and
- (c) the vacancy is either:
  - (i) in the same classification, or in the same class series within a range of two classifications below the employee's current home position; or
  - (ii) in the same classification of a position that the employee previously held either on a full-time basis or where the employee performed the full range of job duties on a temporary basis for at least twelve (12) months; and
- (d) there is no other person who meets the entry level qualifications for the position, who has a greater length of continuous service and who is eligible for assignment to the vacancy pursuant to Article 20.3 or there is no other person who is qualified to perform the required duties, who has a greater length of continuous service and who is eligible for assignment to the vacancy pursuant to Article 20.6 (Recall). Where two or more employees with the same continuous service are matched to the same targeted direct assignment and one of the employees' surplussed positions is in the same Ministry where the vacancy is, the employee will be assigned to the vacancy.

20.3.1.2 Where an employee eligible for a targeted direct assignment is in a position that is listed in Appendix 50 (Job Trades) and the employee applies for the same position in the same classification, the employee shall be deemed to be qualified for the position and shall be assigned provided there is no other person who is qualified to perform the required duties, who has a greater length of continuous service and who is eligible for assignment to the vacancy either pursuant to Article 20.3 or Article 20.6 (Recall).

20.3.2 It is understood that the employee may apply for a position outside of the forty (40) kilometre radius of their headquarters and that relocation expenses will not be paid.

20.3.3 Where an employee eligible for a targeted direct assignment applies for a vacancy, the Employer shall advise the employee within ten (10) working days of the competition's closing date as defined in the job posting whether they will be directly assigned to the position. The employee shall be required to inform the Designated Human Resource Contact in writing within five (5) full working days of receiving notification of a targeted direct assignment whether the assignment will be accepted.

If an employee is deemed to have not met the entry level qualifications for a targeted direct assignment, the employee may contact their designated Human Resource contact for further assistance and feedback.

20.3.4 If, in accordance with Article 20.3.1 or 20.3.2 an employee is offered an assignment, refusal of the job offer will result in lay-off at the end of the notice period.

20.3.5 If an employee is assigned into a lower-paying position through targeted direct assignment, the employee will continue to be paid the salary of their former position and is entitled to salary progression to the maximum salary of their former position for the term of the Collective Agreement. Any revision of the maximum salary of the former position that takes effect during the term of the Collective Agreement in which an employee starts the new assignment will be deemed to be the red-circled maximum salary.

#### 20.4 DISPLACEMENT

20.4.1.1 An employee who has completed their probationary period, who has received notice of layoff pursuant to Article 20.2 (Notice and Pay in Lieu), who has elected for displacement, and who has not been assigned to a targeted direct assignment by the beginning of the sixth month of the surplus notice period, in accordance with the criteria of Article 20.3 (Targeted Direct Assignment) to another position shall have the right to displace an employee who shall be identified by the Employer in the following manner as set out in Articles 20.4.1.2 to 20.4.1.10. To be eligible to displace, the employee must advise in writing as per Article 20.2.1.1 by submitting the Displacement Election Form which indicates the employee elects to exercise their right to displacement pursuant to Article 20.4.

20.4.1.2 The Employer will identify the employee with the least seniority in the same classification and the same ministry as the employee's surplus position. If such employee has less seniority than the surplus employee, the employee with less seniority shall be displaced by the surplus employee provided that:

(a) such employee's headquarters is located within a forty (40) kilometre radius of the headquarters of the surplus employee; and

(b) the surplus employee is qualified to perform the work of the identified employee.

20.4.1.3 If the surplus employee is not qualified to perform the work of the least senior employee identified under Article 20.4.1.2 above, the Employer will continue to identify, in reverse order of seniority, employees in the same classification and in the same ministry until a less senior employee is found within forty (40) kilometres of the surplus employee's headquarters whose work the surplus employee is qualified to perform.

20.4.1.4 Failing displacement under Article 20.4.1.2 or 20.4.1.3 above, the Employer will identify, in reverse order of seniority, employees in the classes in the same class series in descending order until an employee with less seniority is found in the same ministry within forty (40) kilometres of the surplus employee's headquarters. The identified employee shall be displaced by the surplus employee provided the identified employee is qualified to perform the work.

- 20.4.1.5 Failing displacement under Articles 20.4.1.2 or 20.4.1.3 or 20.4.1.4 above, the Employer will review other classes which the employee held either on a full-time basis, or who performed the full range of job duties on a temporary basis for at least twelve (12) months in the same ministry within forty (40) kilometres of the surplus employee's headquarters. The Employer will identify, in reverse order of seniority, a less senior employee in the class with the maximum salary closest to but not greater than the maximum salary of the surplus employee's current classification. The identified employee shall be displaced by the surplus employee provided the identified employee is qualified to perform the work.
- 20.4.1.6 Failing displacement under Articles 20.4.1.2, 20.4.1.3, 20.4.1.4 or 20.4.1.5 above, if the employee requests, the Employer will repeat the steps specified in Articles 20.4.1.2, 20.4.1.3, 20.4.1.4 and 20.4.1.5 with respect to positions beyond a forty (40) kilometre radius of their headquarters. No relocation expenses will be paid.
- 20.4.1.7 Failing displacement under Article 20.4.1.2, 20.4.1.3, 20.4.1.4, 20.4.1.5 or 20.4.1.6 above, the Employer will identify, in reverse order of seniority, a less senior employee who is:
- (a) in another ministry; and
  - (b) whose headquarters is within a forty (40) kilometre radius of the displacing employee's headquarters; and
  - (c) whose position the displacing employee previously held either on a full-time basis, or who performed the full range of job duties on a temporary basis for at least twelve (12) months in that ministry; and
  - (d) if the employee previously held more than one position in that ministry, the position with a maximum salary closest to but not greater than the maximum salary of the displacing employee's current classification.
- The identified employee shall be displaced provided the displacing employee is qualified to perform the work.
- 20.4.1.8 Upon the completion of five (5) months following commencement of the notice period, the Employer will advise the surplus employee of the position into which they are eligible to displace.
- 20.4.1.9 The surplus employee must indicate in writing to the Employer their intention to displace the employee identified pursuant to Articles 20.4.1.2, 20.4.1.3, 20.4.1.4, 20.4.1.5, 20.4.1.6, or 20.4.1.7 above, as applicable. Written intention to displace must be received by the Designated Human Resource Contact no later than one (1) week following the date the surplus employee received advice that they were eligible to displace an employee pursuant to Article 20.4.1.8 above.
- 20.4.1.10 An employee who does not indicate in writing to the Employer their intention to displace within the time period stipulated by Article 20.4.1.9 above shall be deemed to have given up their right to displace and opted for redeployment under Article 20.3 (Targeted Direct Assignment).

- 20.4.2 The first employee who is displaced by an employee exercising their right to displace under Article 20.4.1 will have displacement rights. The employee displaced by the first displaced employee will also have displacement rights but the employee they subsequently displace will not have any such right.
- 20.4.3 An employee who is displaced by an employee who exercises their displacement right under Article 20.4 shall receive notice of lay-off or salary continuance, at the Employer's discretion. The displaced employee's notice period or salary continuance shall be for a six (6) month period.
- 20.4.4 Article 7.4 (Pay Administration) shall not apply where an employee displaces a less senior employee pursuant to Articles 20.4.1.4, 20.4.1.5, 20.4.1.6 or 20.4.1.7 above, save and except that Article 7.4 (Pay Administration) shall apply for the balance of the employee's notice period only.
- 20.4.5 Except as provided in Article 20.4, employees who are displaced will have full access to the provisions of Article 20.
- 20.5 TUTION REIMBURSEMENT
- 20.5.1 On production of receipts from an approved educational program within twelve (12) months of layoff, an employee shall be reimbursed for tuition fees up to a maximum of three thousand dollars (\$3,000.00).
- 20.5.2 Where an employee takes a program or course with the approval of the Employer, for the purpose of upgrading their employment-related skills, the Employer shall defray all or part of the tuition in accordance with the Employer's normal policy.
- 20.5.3.1 The provisions of Article 20.5.3 shall only apply where an employee's position has been identified for surplussing in connection with the transfer of bargaining unit work/functions such that either Appendix 14 (Successor Rights) or Appendix 9/18 applies, and only where Article 20.6 applies to such employees. Article 20.5.1 shall not apply to employees to which Article 20.5.3 applies.
- 20.5.3.2 On production of receipts from an approved educational program within twelve (12) months of layoff, an employee may be reimbursed for tuition fees up to a maximum of fifteen thousand dollars (\$15,000.00). In the alternative, on production of an invoice from an approved educational program within twelve (12) months of layoff, the invoice for tuition fees will be paid directly to the institution up to a maximum of fifteen thousand dollars (\$15,000.00). The Employer shall ensure such funds are advanced in a timely manner so that registration can be assured, and that such requests are not unreasonably denied.
- 20.5.3.3 The parties will confirm the period of length of any such education/retraining program, but agree that in no case will it extend beyond twelve (12) months from the date of approval from the Employer. This education/training time period shall not be counted for the purposes of the twenty-four (24) month recall period (Article 20.6.5(e)), and thereby can extend the recall period from twenty-four (24) months to up to thirty-six (36) months.

- 20.5.3.4 In the event the Employer makes an offer(s) to recall the employee at any point during education/retraining period, the employee may:
- (i) elect to return to accept the offer and begin work before the completion of any remaining education/retraining period; or
  - (ii) elect to reject the recall offer because there is still time remaining in the education/retraining period and the employee wishes to complete the education/retraining. In this case, 20.6.5(d) (forfeit of recall rights if fail to accept appointment to position) shall not apply.

#### CAREER TRANSITION ALLOWANCE

- 20.5.4.1 If the employee does not elect to access the enhanced education/training entitlements set out above in 20.5.3.2, upon the expiry of the twenty-four (24) month recall period and exit from the Ontario Public Service, the employee will receive a career transition allowance of \$15,000.00.

#### 20.6 RECALL

- 20.6.1 A person who has been laid off is entitled to be assigned to a position that becomes vacant within twenty-four (24) months after their lay-off provided that:

- (a) they identify in writing to the Designated Human Resources Contact on or before the closing date of the competition, the vacant position they should be recalled to under this Article; and
- (b) the vacant position is in the same classification and ministry as their former position; and
- (c) they are qualified to perform the required duties; and
- (d) there is no other person who is qualified to perform the required duties, who has a greater length of continuous service and who is eligible for assignment to the vacancy either pursuant to Article 20.6 or Article 20.3 (Targeted Direct Assignment).

- 20.6.2 Where a person who has been laid off is re-appointed under Article 20.6, they shall be re-appointed at a rate within the position's salary range equivalent to the rate at which they were paid immediately prior to lay-off.

- 20.6.3 Employees who are laid off and subject to recall shall keep the Designated Human Resources Contact informed of any change of address and/or telephone numbers, and/or home email (if any). Such changes must be sent in writing or electronically.

- 20.6.4 Where a person who has been laid off is re-appointed to a position under Article 20.6, the Employer shall serve written notice of such re- appointment to the person to the last address filed with the Employer. Written notice of re-appointment shall be sent by certified mail or another means whereby receipt of such notice is confirmed by the deliverer. Laid off employees re-appointed under Article 20.6 must accept the notice of recall and report for duty within the time limits stipulated below:

- (a) the employee must accept the recall, in writing, within seven (7) days of receipt of written notice;
- (b) an employee accepting recall shall report for duty within two (2) weeks of receiving written notice thereof, or on such other date specified in the notice.

20.6.5 A person shall lose their rights to recall pursuant to Article 20.6 upon the earlier of:

- (a) the date they take termination pay pursuant to Article 53 or 78 (Termination Payments) of this Agreement; or
- (b) the date they do not attend a recall interview when requested by the Employer; or
- (c) having accepted an appointment in accordance with Article 20.6.1, they fail to report for duty on the date specified in Article 20.6.4(b); or
- (d) the date they do not accept an appointment in accordance with Article 20.6.1; or
- (e) twenty-four (24) months after the date of their lay-off.

20.6.6 A laid off employee who applies for a vacancy advertised in accordance with Article 6 (Posting and Filling of Vacancies or New Positions) and who is subsequently appointed to that position shall lose their rights to recall pursuant to Article 20.6.

## 20.7 VOLUNTARY EXIT OPTION

20.7.1 Subject to the conditions outlined in Article 20.7, an employee who has not received notice of lay-off may offer to be declared surplus and give up their job for possible redeployment of an employee who has received notice of lay-off provided the position meets the criteria set out in Article 20.3. No relocation expenses will be paid.

20.7.2 An employee shall advise the Designated Human Resources Contact, in writing, of their desire to make an offer referred to in Article 20.7.1.

20.7.3 The position of an employee making an offer under Article 20.7.1 will be considered to be a vacancy for the targeted direct assignment of a surplus employee pursuant to Article 20.3 (Targeted Direct Assignment), provided the Employer determines the position will continue to be filled. All other considerations being equal, a surplus employee will be matched to the position of the voluntary exit option employee over assignment to a vacancy.

20.7.4 A non-surplus employee's offer to be declared surplus will not be acted upon by the Employer until such time as a surplus employee is assigned to their position in accordance with Article 20.3 (Targeted Direct Assignment).

20.7.5 For purposes of Article 20.7, a surplus employee will be assigned to the non-surplus employee's position only if they apply for and indicate on their application for the Voluntary Exit Option opportunity that they have received notice of layoff and are eligible for a targeted direct assignment, and provided they are able to perform the normal requirements of the position without training.

20.7.6 Voluntary Exit Option and Absence Due to Illness/Injury

- (a) Where a non-surplus employee is absent on STSP and has applied for the voluntary exit option under Article 20.7 or wishes to apply for it, the employee's job will be considered for matching to a surplus employee throughout the period of absence. The volunteer's employment and STSP benefits will be terminated and they will be eligible for voluntary exit payments on the date when a surplus employee has reported for duty after being assigned to the volunteer's job.
- (b) Where a non-surplus employee has applied or wishes to apply for the voluntary exit option and is absent on LTIP or WSIB, their application shall be considered "inactive" until such time as the employee is able to return to work. A voluntary exit job will not be considered for matching to a surplus employee while its incumbent is absent on LTIP or WSIB.

20.7.7 Voluntary Exit Option and Absence Due to Leave of Absence

Where a non-surplus employee is away on an approved leave of absence other than due to illness/injury, the employee may apply for the voluntary exit option. The employee's job will be considered for matching to a surplus employee while on an approved leave. If a surplus employee is assigned to the volunteer's job, the volunteer's employment and leave of absence will be terminated on the date the surplus employee reports for duty and the volunteer will be eligible for voluntary exit payments.

20.7.8 Voluntary Exit Option and Absence Due to Temporary Assignment

Where a non-surplus employee is on a temporary assignment, the employee may apply for the voluntary exit option. The volunteer's home job will be considered for matching to a surplus employee while on the temporary assignment. If a surplus employee is assigned to the volunteer's job while they are on a temporary assignment, the manager of that temporary assignment will decide whether the volunteer will exit immediately or complete the temporary assignment before exiting with voluntary exit payments.

20.7.9 Notwithstanding anything in any other provision of Article 20, the rights specified in Article 20.7 shall be exercised before any displacement or redeployment rights.

20.7.10 A person who has offered to be declared surplus pursuant to Article 20.7 will, if otherwise qualified, be entitled to the provisions of Paragraph 4 of Appendix 9 (Employment Stability). If more than one surplus employee is deemed qualified for the targeted direct assignment to a single volunteer's position, the most senior surplus employee will take over the volunteer's job.

## 20.8 TEMPORARY VACANCIES

20.8.1 Surplus employees shall be eligible for assignment into temporary assignments of at least six (6) months in their own ministry that are posted for recruitment in accordance with Article 8 in the last two (2) months of their notice provided that:

- (a) the employee applies for and indicates on their application for the vacancy that they have received notice of layoff and are eligible for a temporary assignment; and
- (b) the employee meets the entry level qualifications for the position.

Such assignments are meant to provide additional employment opportunities for surplus employees prior to lay-off. Where more than one surplus employee matches the temporary assignment, the employee with greater seniority shall be offered the temporary assignment. It is understood that such assignment of a surplus employee to a temporary vacancy has priority over Article 8 (Temporary Assignments).

20.8.2 A surplus employee shall retain their status in the Regular Service and current salary entitlements while placed in a temporary assignment. Placement in a temporary assignment will not constitute a promotion for pay purposes. Subject to Article 20.8.1, for placement into temporary assignments, the employer shall use the same criteria and rules as for assignment into vacancies under Article 20.3 (Targeted Direct Assignment).

20.8.3 An offer of a temporary assignment to a surplus employee must be in writing and must specify the duration of the temporary assignment. The surplus employee shall have five (5) working days in which to accept or reject the offer of a temporary assignment.

20.8.4 The original temporary assignment may be extended by a maximum of three (3) months.

20.8.5 When a temporary assignment takes place, the employee shall not be unreasonably denied the opportunity to complete any portion of training already underway. Surplus employees who refuse a temporary assignment shall continue to be considered for assignment into permanent vacancies for the duration of their surplus notice period, but not for further temporary assignments.

20.8.6 Where an employee accepts a temporary assignment or secondment under Article 20.8, it shall be considered to be a hiatus in their notice period under Article 20.2 for the duration of their temporary assignment and all redeployment activities shall cease. Notwithstanding this hiatus, the employee may continue to identify and be considered for vacancies under Article 20.3. At the end of the temporary assignment or secondment, the balance of the notice period, as well as all redeployment activities, shall resume.

## 20.9 ATTRITION

20.9.1 It is understood that attrition can be used effectively as a redeployment strategy. The Employer agrees that, wherever possible, it will utilize attrition as a means of reducing the workforce.

20.10 VOLUNTARY LEAVES

20.10.1 In the spirit of co-operative attempts to create training and employment opportunities, the parties agree to the following full-time unpaid leaves, which will be advertised widely to employees and granted subject to local operating requirements:

- (a) Extended Educational Leave: The Employer agrees to provide extended education leave, without accumulation of credits, for periods of a minimum of one (1) school year;
- (b) Family Leave: An employee at their option shall be entitled to a leave of absence, without accumulation of credits, of up to one (1) year for care of a dependent person.

20.11 CAREER TRANSITION SUPPORT

20.11.1 Surplus employees who do not take pay in lieu under Article 20.2.1.3 will be provided with transition support which shall include skills assessment, counselling and job search skills.

20.11.2 Time spent by the surplus employee in activities outlined in Article 20.11 shall be with pay and no loss of credits.

20.12 PROBATIONARY EMPLOYEES

20.12.1 The Employer will extend to probationary employees the benefit of the employment stability provisions found in this article, as follows:

- (a) The probationary employee's "seniority" shall be calculated from the first day of their probationary period, including any service which is credited to the employee pursuant to Article 31A.13.1 (fixed-term Employees).
- (b) For the purposes of the application of Articles 20.2 (Notice and Pay in Lieu), 20.3 (Targeted Direct Assignment), 20.6 (Recall) and 20.7 (Voluntary Exit Option) to probationary employees, the probationary employee's "continuous service" and "period of employment" shall be deemed to have commenced with their most recent actual period of employment.
- (c) The provisions of Article 20.4 (Displacement) shall not be applied to probationary employees nor shall they have the benefit of any rights arising pursuant to Article 20.4.

20.12.2 Nothing in Article 20.12 shall be deemed to be a recognition of "seniority" or "continuous service" in probationary employees as those terms appear in Article 18 (Seniority).

20.13 TECHNOLOGICAL CHANGE

20.13.1 Where it is necessary to release an employee who has completed their probationary period, because of the introduction of technological change in equipment or methods of operation, at least three (3) months' notice in advance of the change shall be given to the employee affected and to the Union. For greater certainty, it is understood that such notice shall not operate so as to extend any other notice to be given under this Agreement, and it may run concurrently with any such other notice.

- 20.13.2 The matter will then be referred to the MERC to discuss and to attempt to resolve the problem with relation to the reallocation and retraining of the affected employees with a view to minimizing the effects of the Employer action required to be taken. The committee may refer to the CERC items that have been discussed at this level but remain unresolved.
- 20.14 CONTINUANCE OF INSURED BENEFITS
- 20.14.1 Except as provided in Article 20.14, all benefits coverage under the Collective Agreement (Employee Benefits for Full-Time and Regular Part-Time Employees) will cease at the end of the month in which the employee is laid off or resigns, save and except coverage as provided under Article 36.3 or 64.3 (Insured Benefits Plans) and Article 40.5 or 68.7 (Dental Plan).
- 20.14.2 An employee who, pursuant to Article 20, is laid off or resigns and receives pay in lieu of notice may continue benefits coverage at their own expense, except for coverage under Article 44 (Short Term Sickness Plan) and Article 42 (Long Term Income Protection), for a period of twelve (12) months following lay-off or resignation by arranging to pay the full premiums, in advance, on a quarterly basis.
- 20.14.3 Failure by the employee to pay the premiums as specified in Article 20.14.2 will disentitle the employee to any further benefits under Article 20.14.
- 20.15 JOB REGISTRY SYSTEM
- 20.15.1 The parties agree that an OPS-wide job registry system shall be developed by the Employer and shared with the CERC, to track all funded vacancies in the Regular Service as approved to be filled by the Employer. Such vacancies shall be reported by ministries to the Employer for inclusion in the registry. Names of surplus employees shall be reported by ministries to the Employer and the Union once an employee is given written notice of lay-off. Monitoring of the job registry and targeted direct assignment results will be reported to Management Board of Cabinet and CERC by the Employer on a quarterly basis.
- 20.15.2 The parties agree that there will be a registry system for reporting the posted temporary vacancies that are approved to be filled and may be required to meet the Employer's Article 20.8 (Temporary Vacancies) obligations. Such reporting of ministry vacancies will be reported to the union through the JESS.
- 20.15.3 The Employer will maintain an electronic site of available vacancies and provide access to employees with Article 20 rights. The employees on recall shall be notified of any changes to the website address.
- 20.16 MONITORING AND REPORTING
- 20.16.1 There shall be central monitoring and reporting of vacancies with respect to the job registry and targeted direct assignment processes in accordance with Article 20.15 (Job Registry System).
- 20.16.2 The Employer agrees to share job registry and redeployment data with the CERC in a sortable format.

20.16.3 The JESS may establish standards and norms governing the review of qualifications and assessment of surplus employees.

20.17 GENERAL

20.17.1 It is understood that when it is necessary to assign a surplus employee to a vacant position in accordance with Article 20.3 (Targeted Direct Assignment) or a temporary position in accordance with Article 20.8 (Temporary Assignment) or recall a laid off employee in accordance with Article 20.6 (Recall), the provisions of Article 6 (Posting and Filling of Vacancies or New Positions) except as modified to give effect to Article 20.3, 20.8 and 20.6 shall not apply.

20.17.2 For purposes of Article 20, lay-off means the same as release per Section 39 of the *Public Service of Ontario Act, 2006*, S.O. 2006, c. 35, Sched. A., as amended.

20.18 PAYMENT OF MONIES

20.18.1 The Employer shall endeavour to phase in lump sum and severance payments over two (2) calendar years, if the employee so requests and if legislation permits.

20.18.2 Lump sum and severance payments shall be paid within six (6) weeks of the last day of work, unless the employee advises of their Article 20.18.1 request, prior to the last day of work.

**ARTICLE 21 – DISCIPLINE AND DISMISSAL**

(FXT, SE, FPT, RPT)

21.1 It is understood that the right of the Employer to discipline or dismiss employees shall be for just cause. The Employer's right to discipline or dismiss is subject to the right of an employee to grieve such action.

21.2 For greater certainty, it is understood that nothing in Article 21.1 confers on a probationary employee any right to grieve or arbitrate their dismissal.

**ARTICLE 22 – GRIEVANCE PROCEDURE**

(FXT, SE, ST, FPT, RPT, GO)

22.1 It is the intent of this Agreement to adjust as quickly as possible any complaints or differences between the parties arising from the interpretation, application, administration or alleged contravention of this Agreement, including any question as to whether a matter is arbitrable.

22.1.1 If an employee has a complaint, the employee shall meet, where practical, and discuss it with the employee's immediate supervisor in order to give the immediate supervisor an opportunity of adjusting the complaint.

## FORMAL RESOLUTION STAGE

- 22.2 If the complaint or difference is not resolved at the local level an employee may file a grievance, in writing, through the Union, with their manager within thirty (30) days after the circumstances giving rise to the complaint have occurred or have come or ought reasonably to have come to the attention of the employee, who will in turn forward the grievance to the designated management representative.

The ministry will advise the Union corporately when the senior human resources representative for the ministry changes.
- 22.6 REFERRAL TO ARBITRATION
- 22.6.1 If the grievor is not satisfied with the decision of the designated management representative or if they do not receive the decision within the specified time, the grievor may apply, through the Union, to the Grievance Settlement Board (GSB) for a hearing of the grievance within fifteen (15) days of the date they received the decision or within fifteen (15) days of the specified time limit for receiving the decision.
- 22.7 LAY-OFF

- 22.10.2 Every employee covered by this Collective Agreement has a right to be free from:

- 22.10.3.3 Where a complaint under Article 22.10 is made against an employee's supervisor, or any person with supervisory responsibilities at a higher level over the employee, any oral complaint which is expressed in Article 22 to be presented to the supervisor may be presented directly to the senior human resources representative or their designee, specifically assigned to deal with complaints or grievances under this provision. It is agreed that the designee assigned will not be a person who is the subject of the complaint giving rise to the grievance.
- 22.10.4 Where it appears to the GSB that an employee who is a grievor under Article 22.10 has made a complaint under the *Ontario Human Rights Code* relating to the conduct which is the subject of the grievance, the GSB may, as it sees fit, adjourn the grievance, stay the grievance, or dismiss the grievance.
- 22.10.5 An employee who makes a complaint under Article 22.10 may be accompanied and represented by a Union representative at the time of the discussion of the complaint, at each stage of the grievance procedure, and in the course of any investigation established by the Employer under any staff relations policy.
- 22.11 GROUP GRIEVANCE
- 22.11.1 In the event that more than one (1) employee is directly affected by one specific incident or circumstance and such employees would be entitled to grieve, a group grievance shall be presented in writing by the Union signed by such employees to the Director, Centre for Employee Relations at the Formal Resolution Stage, within the time limits as specified in Article 22.2. Any grievances being referred to the JSSC, must be forwarded to the Employer representatives of the Committee, no later than one (1) month after the Employer's response at the Formal Resolution Stage. The JSSC may decide on any grievance referred to it. Where the parties at the JSSC concur, their decision shall be binding on the parties and any affected employee. Where the parties at the JSSC do not concur, the matter shall remain unresolved unless and until concurrence is reached.

For purposes of this definition full-time means a minimum of thirty-six and one-quarter (36¼) or forty (40) hours per week, as applicable.

32.2.2 For the purposes of Article 32.2, same position is defined as the position in the same classification, in the same organizational or administrative unit and work location which the employee held prior to the seasonal break.

32.3 PROBATIONARY PERIOD

32.3.1 The probationary period for a seasonal employee shall be two (2) full periods of seasonal employment of at least eight (8) consecutive weeks each, worked in consecutive years in the same class series (e.g. Resource Technician 1 to 4) in the same ministry.

## 32.4 SENIORITY

32.4.1 A seasonal employee's seniority within a ministry will accumulate upon completion of their probationary period and shall include:

- (a) all hours worked as a seasonal employee at the straight-time rate;
- (b) periods of authorized paid leave in accordance with Article 32.16 (Attendance Credits and Sick Leave).

32.4.2.1 A seasonal employee will lose their seniority when the employee:

- (a) voluntarily terminates their employment,
- (b) is dismissed (unless such dismissal is reversed through the grievance procedure),

- (d) is unavailable for or declines an offer for re-employment as provided in Article 32.5 (Employment Stability), or
- (e) ceases to be in the employ of the ministry for a period of more than twelve (12) months.

32.4.2.2 Notwithstanding Article 32.4.2.1(d) and (e), a seasonal employee shall not lose their seniority, where the employee is unavailable for or declines an offer for re-employment for the reason that:

- (c) and the employee submits a certificate from a legally qualified medical practitioner verifying the anticipated or actual date of birth, or documentation establishing the date of placement of a child in the employee's home, as applicable.

32.4.2.3 Notwithstanding Article 32.4.2.1(d) and (e), a seasonal employee shall not lose their seniority where the employee is unavailable for or declines an offer of re-employment if the employee is injured or suffering an occupational disease and is receiving an award under the *Workplace Safety and Insurance Act*.

32.4.3 During the period the employee is on a leave described in Articles 32.4.2.2 (a) and (b) and 32.4.2.3 above, their seniority and benefits (as described in Article 32.8.4 (Seasonal Employee Benefits – General)) shall continue for the period of time the employee would otherwise have been recalled.

32.5 EMPLOYMENT STABILITY

32.5.1.1 Seasonal employees who have completed their probationary period shall only be offered employment in the same position in the following season on the basis of seniority.

32.5.1.2 If the same position is no longer available, the Employer may offer the employee another position within forty (40) kilometres.

32.5.2 Where the Employer reduces the number of seasonal employees prior to the expiry date of employment specified in the contracts of employment, seasonal employees in the same position shall be laid off in reverse order of seniority.

32.5.3 A seasonal employee is responsible for advising their ministry, in the manner established by their ministry, of their current phone number and address and is responsible for the accuracy and completeness of the information provided.

32.6 WAGES

32.6.1 The rate of the equivalent regular service classification shall apply. If there is no equivalent classification, the rate shall be set by the ministry and the Union shall have the right to negotiate the rate during the appropriate salary negotiations.

32.6.2 Seasonal employees shall be entitled to the same provisions regarding retroactivity of salary revisions as those agreed upon for the Bargaining Unit to which they correspond.

32.6.3 Seasonal employees shall be eligible, based upon merit, to progress through the salary range at the start of each period of seasonal employment in the same position in the same ministry after they have completed their probationary period.

32.7 OVERTIME

32.7.1 The overtime rate shall be one and one-half (1½) times the employee's basic hourly rate.

32.7.2 In Article 32.7, "overtime" means an authorized period of work calculated to the nearest half-hour and performed on a scheduled working day in addition to the regular working period or performed on a scheduled day(s) off.

32.7.3 Overtime shall be paid within two (2) months of the pay period within which the overtime was actually worked.

32.7.4 Employees who are in positions whose corresponding classifications are assigned to Schedule 6 shall not qualify for overtime on a normal working day. When required to work on a day off they shall receive equivalent time off.

32.7.5 Notwithstanding Article 32.7.4, seasonal employees who are in positions whose corresponding classifications are assigned to Schedule 6 and who are assigned to forest fire fighting or related duties shall be paid one and one-half (1½) times the employee's basic hourly rate, to be calculated on the basis of thirty-six and one-quarter (36¼) hours per week, for all such work after eight (8) hours in a twenty-four (24) hour period.

32.8 SEASONAL EMPLOYEE BENEFITS – GENERAL

32.8.1 Salary shall mean only those earnings from scheduled straight-time hours during the contract period.

32.8.2 Coverage for Basic Life, Supplementary Health and Hospital (including Vision Care and Hearing Aid benefits), and Dental Plan benefits shall commence on the first of the month coinciding with or immediately following two (2) months of continuous employment, except that on subsequent consecutive periods of seasonal employment which qualify the employee for these benefits, coverage shall commence on the first of the month coinciding with or immediately following the start of the period of employment.

32.8.3 All coverage under the Basic Life Insurance Plan, the Supplementary Health and Hospital Plan (including Vision Care and Hearing Aid benefits) and the Dental Plan will cease at the end of the month in which the contract of employment terminates, except that an employee may continue the coverage at their own expense during the periods between seasonal employment by arranging to pay the full premiums at least one (1) week in advance of the first of the month in which the coverage is to take effect. Failure by the employee to pay the full premiums as specified will disentitle the employee to any further benefits under Article 32.8.3. There is a thirty-one (31) day grace period following the month in which employment terminates during which the Basic Life insurance remains in force.

32.8.4 During leaves of absence without pay during periods of seasonal employment, employees may continue participating in Basic Life, Supplementary Health and Hospital (including Vision Care and Hearing Aid benefits), and the Dental Plan by arranging to pay full premiums at least one (1) week in advance of the first of the month in which coverage is to take effect.

32.8.5 Where the employee has a responsibility to pay premiums for benefits under this section, the premium shall be paid directly by the employee to the insurance carrier.

It is understood that while on hiatus, if a seasonal employee chooses to purchase benefits, the employee is still covered under the same benefits plan as per Article 32.8 and shall have the right to appeal benefits to the Joint Insurance Benefits Review Committee (JIBRC).

It is further understood that benefits will resume as per Article 32.8.2.

32.8.6 Notwithstanding Article 32.8.3, all benefits coverage under any of the provisions of this article shall cease at the end of the month in which a seasonal employee's employment terminates:

The premium of such policy shall be at the current rates of the insuring company. Application must be made within thirty-one (31) days of the date of termination of insurance. The Employer will advise terminating employees of this conversion privilege. The minimum amount that may be converted is two thousand dollars (\$2,000).
- The conversion options shall be:

70.2.2 The LTIP benefit to which an employee is entitled under Article 70.2.1 shall be reduced by the total of other disability or retirement benefits payable under any other plan toward which the Employer makes a contribution except for Workplace Safety and Insurance benefits paid for an unrelated disability, and such benefits are payable until the earliest of recovery, death or the end of the month in which the employee reaches age sixty-five (65).

70.2.3 The LTIP benefits commence after a qualification period of six (6) months from the date the employee becomes totally disabled, unless the employee elects to continue to use accumulated attendance credits on a day-to-day basis after the six (6) month period.

70.2.4 Total disability means the continuous inability as the result of illness, mental disorder, or injury of the insured employee to perform the essential duties of their normal occupation during the qualification period, and during the first twenty-four (24) months of the benefit period; and thereafter during the balance of the benefit period, the inability of the employee to perform the essential duties of any gainful occupation for which the employee is reasonably fitted by education, training or experience.

- 70.3 The Employer will continue to make pension contributions as well as the normal portion of premium payments for the Dental Plan and for Supplementary Health and Hospital on behalf of the employee while the employee receives or is qualified to receive LTIP benefits under the plan, unless the employee is supplementing a Workplace Safety and Insurance award. - “Rehabilitative employment” is a rehabilitative plan or program and means remunerative employment while not yet fully recovered, following directly after the period of total disability for which benefits were received. When considering rehabilitative plans and programs, LTIP will take into account the employee’s training, education and experience. If a person does not participate or cooperate in a rehabilitation plan or program that has been recommended or approved by the Carrier, the employee will no longer be entitled to benefits. The rehabilitative benefit will be the monthly LTIP benefit less fifty percent (50%) of rehabilitative employment earnings. The benefit will continue during the rehabilitative employment period up to but not more than twenty-four (24) months.

The parties agree that such matters will be heard within 60 days by the Claims Review Subcommittee as per paragraph 6 (a) of Appendix 4, unless the parties mutually agree otherwise.

DATA FILE ON UNION DUES

Mr. Terry Baxter, Chief Negotiator  
Ontario Public Service Employees Union  
100 Lesmill Road  
North York, Ontario  
M3B 3P8

#### **Re: Union Dues Data File**

Dear Mr. Baxter,

This letter will confirm the understanding reached regarding the provision of union dues data for all bargaining unit employees and replaces the previous Appendix 1 and Appendix 2. This letter describes the parties' administration of Union dues check-off for all bargaining unit employees.

The Employer shall provide the Union with a monthly data file on Union dues. The data file shall contain the following information fields:

Ministry, Employee Name, Employee ID Number, Employment Status (i.e., active, leave with pay, leave without pay, terminated), Continuous Service Date, LTIP Reason (i.e., pending, approved, rehabilitation, reoccurrence), Full/Part Time Indicator, Employee Class (i.e., Regular, fixed-term), Sex, Geographic Work Location, Benefit Base Salary, Job Classification Code, Title and Category/Module, Payrate Amount and Code, Scheduled Hours, Class Schedule, Job Dues/Fees Code, Total Dues Deducted, Total Earnings, Home Position Indicator, Union Group, Change Indicator, and Reason Code.

Currently SIN numbers are being used in the place of the Employee ID number. The parties agree that the SIN number will be replaced by the Employee ID number within one year of ratification, during which time the parties will coordinate their electronic databases to facilitate this change.

Yours truly,

**Re: Recognition Clause in Article 1 of Collective Agreement**

Dear Mr. Baxter:

The parties have agreed to incorporate the language of OIC 243/94, dated February 24, 1994, into the current collective agreement. The parties recognize that the addition of this language is a confirmation of the scope of the bargaining unit as it existed prior to the expiration of the collective agreement on December 31, 2004 and that it should not be interpreted as limiting or expanding the scope of the OPSEU bargaining unit outside of what existed on December 31, 2004.

The parties recognize that the language of Appendix 1 of OIC 243/94 is presented as originally drafted due to its historical context and may include outdated terminology that could be considered offensive.

This letter of understanding forms part of the collective agreement.

Elizabeth McKnight  
Director, OPSEU Negotiations

**Re: Use of Privately Owned Automobiles**

Dear Mr. Darrow,

This letter will confirm the decision of Management Board of Cabinet that the use of privately owned automobiles on the Employer's business is not a condition of employment.

MANAGEMENT BOARD OF CABINET

Senior Staff Relations Officer

Revised January 26, 2022  
JOINT INSURANCE BENEFITS REVIEW COMMITTEE

**Joint Insurance Benefits Review Committee**

**(1) Name of Committee**

The Committee shall be referred to as the Joint Insurance Benefits Review Committee.

**(2) Purpose of Committee**

The purpose of this Committee is to facilitate communications between the Employer and the OPSEU/SEFPO on the subject of Group Insurance, including Basic Life Insurance, Supplementary Life Insurance, Extended Health Insurance, Long Term Income Protection Insurance, and such other negotiated benefits as may, from time to time, be included in the Group Insurance Plan.

It is understood that the Group Insurance benefits to be provided to employees and the cost sharing arrangements between the Employer and its employees shall be as set out in any applicable collective agreement or arbitration award, and the matters for consideration by this Committee shall be only as set out in these terms of reference.

**(3) Composition of Committee**

The Committee shall be composed of up to four (4) members from the Union, and may also include an OPSEU/SEFPO staff representative, and an equal number of representatives from the Employer. At meetings of the Committee, each party may be accompanied by an Actuary to provide technical advice and counsel.

Of the four (4) members from OPSEU/SEFPO on the JIBRC, a maximum of two (2) members shall be from the Unified Bargaining Unit.

**(4) Duties of Committee**

The duties of the Committee shall consist of the following:

- (i) Development of the specifications for the public tendering of any negotiated benefits which may be included in the Group Insurance Plan (to cover the bargaining unit only);
- (ii) Determination of the manner in which the specifications will be made available for public tendering;
- (iii) Consideration and examination of all tenders submitted in response to the specifications for tender and preparation of a report thereon;
- (iv) Recommendation to the Government of Ontario on the selection of the insurance carrier or carriers to underwrite the Group Insurance Plans;

- (v) Review of the semi-annual financial reports on the Group Insurance Plan; and
- (vi) Review of contentious claims and recommendations thereon, when such claim problems have not been resolved through the existing administrative procedures.

The specifications for tender will describe the benefits to be provided, the cost sharing arrangement between the Employer and its employees, the past financial history of the insurance plans, the employee data, the format for the retention illustration for each coverage and the financial reporting requirements. Tenders shall be entertained by the Committee from any individual insurance carrier acting solely on its own behalf. This shall not preclude such carrier from arranging reinsurance as may be necessary.

The basis for recommendation of an insurance carrier(s) will include the ability of the carrier(s) to underwrite the plan, compliance of the carrier's quotation with the specifications for tender, the carrier's service capabilities and the expected long term net cost of the benefits to be provided.

## **(5) Experience Review**

The Committee will also meet every six (6) months to review the financial experience under these coverages. The specifications for tender will describe the information to be included in the semi-annual financial statements to be prepared by the insurance carrier(s). These statements will include paid premiums, paid claims, changes in reserve requirements for open and for unreported claims, incurred claims, the retention elements of commissions, taxes, administrative expenses, contingency reserve charges and interest credits on claim and other reserves. The insurance carrier(s) will also be required to report on the level and method of administering the Employer's and employees' deposit accounts.

The Committee shall request the insurance carrier(s) to provide such additional information for the Committee's consideration as may be required by either the Employer or the OPSEU/SEFPO.

If the Joint Insurance Benefits Review Committee fails to agree on a recommendation to the Government of Ontario on the selection of the insurance carrier(s) to underwrite the group insurance plan, the members of the said Committee nominated by the Employer and the OPSEU/SEFPO may each make a recommendation in writing to the Government of Ontario on the selection of the insurance carrier(s) supported by reasons for their respective recommendations.

It is understood that the Government at all times retains the right to select whatever carrier(s) (to underwrite the Group Insurance Plan) it may consider would best serve the "public interest" and, in so doing, is under no obligation to select a carrier(s) that may be recommended by the Joint Insurance Benefits Review Committee.

## **(6) Claims Review Subcommittee**

- (a) There shall be a subcommittee whose mandate is to review, and make decisions on, complaints or differences involving the denial of insured benefits under the Collective Agreement, when such issues have not been resolved through the existing administrative procedures, save and except a complaint or difference arising under Article 22.9.1 (Insured Benefits Grievance) of the Collective Agreement. The subcommittee shall be composed of two (2) representatives selected by the Employer, two (2) representatives selected by OPSEU/SEFPO, and an independent third party who is agreed to by both parties.

- (b) Appropriate impartial medical consultants shall be available to the subcommittee in an advisory capacity to provide information on the nature of specific illnesses or disabilities.
- (c) Membership on the subcommittee shall be for a one (1) year period, and is renewable at the discretion of the nominating party, or parties in the case of the renewal of the term of the independent third party.
- (d) Decisions of the subcommittee are final and binding.
- (e) The fees and expenses of the medical consultants referred to in clause (b), and the independent third party referred to in clause (a), shall be divided equally between the Employer and the Union.

CLASSIFICATION SYSTEM SUBCOMMITTEES**

This confirms the agreement reached by the parties during negotiations with respect to the classification system.

- (1) The Joint System Subcommittee (JSSC) of the CERC, consisting of three (3) persons appointed by each party, is continued for the duration of the collective agreement and the period of its operation, to:
  - (i) provide a forum for ongoing discussion between the parties regarding classification matters;
  - (ii) review and decide on all complaints or differences involving allegations of improper classification.
- (2) All decisions of the JSSC on disputes arising under paragraph 2(ii) shall be by vote of the members of the committee and any decision on which the parties' representatives concur shall be binding on the parties and any affected employees. Each party must, in any case where such a decision is made, be represented by an equal number of persons appointed by each party.
- (3) Union representatives of the JSSC shall be provided with reasonable travel time and leave with pay to attend meetings of the committee.

Signed this 13th day of September in Toronto, Ontario.

“the Union”**

**IN THE MATTER OF Article 22.12 and Appendix 7**

This will confirm certain understandings reached regarding the operation of the Joint System Subcommittee (JSSC).

It is acknowledged that there is a perception that the JSSC has not worked effectively. It is the desire of both parties that the JSSC be an effective consultation forum, and that classification matters be dealt with.

It is agreed that, within thirty (30) days of the date of ratification, the parties will appoint two senior persons from each side to examine the workings of the JSSC, and make recommendations to improve its operation.

The matters to be examined by the parties will include:

- (1) methods to ensure that members of the JSSC are empowered to make decisions on classification matters;
- (2) means to ensure the prompt disposition of classification disputes;
- (3) criteria by which the JSSC is to make decisions;
- (4) such other matters regarding classifications as the parties may agree upon. Signed this 25th day of June, 1999, in Toronto, Ontario.

Mr. Andrew Todd  
Chief Negotiator  
Ontario Public Service Employees Union

NORTH YORK, Ontario

Dear Mr. Todd:

**Re: Employment Stability**

The Government is aware that its restructuring initiatives over the next two fiscal years (1996/97, 1997/98) could have a significant effect on employees, some of whom have served for a lengthy period. Accordingly, commencing with the ratification of the collective agreement and ending on December 31, 2024 the Employer undertakes the following:

1. (a) The Employer will make reasonable efforts to ensure that, where there is a disposition or any other transfer of bargaining unit functions or jobs to the private or broader public sectors, employees in the bargaining unit are offered positions with the new employer on terms and conditions that are as close as possible to the then existing terms and conditions of employment of the employees in the bargaining unit, and, where less than the full complement of employees is offered positions, to ensure that offers are made on the basis of seniority. When an employee has been transferred to a new employer, the employee will be deemed to have resigned and no other provisions of the Unified Collective Agreement will apply except for Article 53 or 78 (Termination Pay).
- (b) Where the salary of the job offered by the new employer is less than eighty-five percent (85%) of the employee's current salary, or if the employee's service or seniority are not carried over to the new employer, the employee may decline the offer. In such a case, the employee may exercise the rights prescribed by Article 20 (Employment Stability) and/or paragraphs 2 to 5 of this Appendix. The employee must elect whether or not to accept employment with the new employer within three (3) days of receiving an offer. In default of election, the employee shall be deemed to have accepted the offer.
2. (a) Employees who have been declared surplus may continue to accrue pension credits for the period represented by their Article 53 or 78 termination payment subject to the appropriate contributions by the Employer and the employee. This arrangement meets the requirements of the OPSEU Pension Plan including compliance with legislation governing the OPSEU Pension Plan. This arrangement is contingent on Revenue Canada approval. This paragraph will not apply to employees described in paragraph 1 who are transferred to a new employer or, subject to 1(b), who decline a transfer to a new employer.

- (b) In the alternative, employees who have been declared surplus may take a pension bridging option as a leave of absence without pay but with the continued accrual of pension credits, if the sum of:
  - (i) the six (6) month notice period;
  - (ii) the number of weeks of paid leave of absence that the employee's termination payments can be converted into under the current provisions of Articles 53 or 78 (excluding attendance credits); plus
  - (iii) a maximum of two (2) years leave of absence without pay, but with continued accrual of pension credits,

would bring the employee to the next earliest date on which the employee could exercise an actuarially unreduced pension option under the OPSEU Pension Plan.

For any specific individual, the maximum amount of leave that can be taken for the pension bridging option shall be calculated as follows:

- (A1) determine the total amount of time from the date on which the employee receives the surplus notice that is needed for the individual to reach the next earliest of their actuarially unreduced pension options and, from that amount, subtract:
  - (i) the employee's six (6) month notice period; and
  - (ii) the number of weeks of paid leave of absence that the employee's termination payments can be converted into under the existing provisions of Article 53 or 78 (excluding attendance credits).
- (B1) the remainder to the extent that it is no more than two (2) years, shall be available as a leave of absence without pay but with continued accrual of pension credits. During the leave without pay, employees may choose to purchase all benefits coverage with the exception of the Short Term Sickness Plan and the Long Term Income Protection plan.

The leaves of absence shall commence before the conclusion of the employee's six (6) month notice period and shall be taken as follows:

- (A2) the unpaid leave of absence, the maximum of which is determined in accordance with (B1) above, shall be taken first. During this leave of absence, in lieu of the employee's pension contributions being made directly from the employee, the employee's right to enhanced severance under paragraph 4 of this letter shall be reduced by an equivalent amount, which the Employer shall pay into the pension plan and the Employer contributions shall also be paid into the pension plan;
- (B2) the leave of absence with pay equal to the employee's number of weeks of Article 53 or 78 termination payments shall be taken after the leave without pay in (A2) above. During this leave of absence the employee's pension contributions shall be deducted from the employee's bi-weekly payments;
- (C2) at the conclusion of the leave of absence with pay the employee shall return to complete whatever portion of the six (6) month notice period remains. For greater certainty, the requirement to return may be satisfied by the use of vacation credits. At the end of this period,

the employee:

- (i) shall retire;
- (ii) shall receive the enhanced severance, reduced by an amount equivalent to their pension contributions for the unpaid leave of absence; and
- (iii) shall be entitled to exercise their right to an actuarially unreduced pension.

This arrangement meets the requirements of the OPSEU Pension Plan including compliance with legislation governing the OPSEU Pension Plan. This arrangement is contingent on Revenue Canada approval.

This paragraph will not apply to employees described in paragraph 1 who are transferred to a new employer or, subject to 1(b), who decline a transfer to a new employer.

Surplus employees who choose any of these pension bridging options in (2) shall waive all rights to displacement, redeployment, pay in lieu and recall.

3. An employee who has reached Factor 80 on or before March 31, 1996, and did not retire within their Factor 80 window, shall, if declared surplus, be eligible to re-qualify under the Factor 80 program, provided the employee so elects in writing within thirty (30) days of receipt of notice of lay-off, and, where the employee so elects, the employee shall retire within the thirty (30) day period and all other rights under this agreement are forfeited, save and except Article 53 or 78 (Termination Pay). For the sake of clarity, it is agreed that an employee who is given an offer to accept employment with a new employer pursuant to paragraph 1, who is otherwise eligible to re-qualify under the Factor 80 program, shall be considered eligible to re-qualify as prescribed herein. The Plan Sponsors agree to take steps to amend the OPSEU Pension Plan in an expeditious manner to provide for the re-opening of the Factor 80 window for those employees described herein. This arrangement meets the requirements of the OPSEU Pension Plan including compliance with legislation governing the OPSEU Pension Plan. This arrangement is contingent on Revenue Canada approval.
4. (a) Receipt of surplus notice on or before December 31, 2005:

Employees who are laid off or who have resigned and received their pay in lieu of notice pursuant to Article 20A.2 (Notice and Pay in Lieu) will receive, in addition to their Article 53 or 78 termination payments, a further severance package of one (1) week's salary for every completed year of continuous service. This paragraph will not apply to employees who are eligible to retire and receive an actuarially unreduced pension or, as a result of the application of paragraph 2 (a), will become entitled to receive an actuarially unreduced pension. Employees who are entitled to the amounts specified in Article 20A.3 (Separation Allowance) shall receive the greater of those amounts or the amount specified in this paragraph. (For the sake of clarity, it is understood that a person who resigns pursuant to Article 20A.3 (Separation Allowance) shall be considered to be laid off for the purpose of this paragraph.) This paragraph will not apply to employees described in paragraph 1 who are transferred to a new employer or, subject to 1(b), who decline a transfer to a new employer.

- (b) Receipt of surplus on or after January 1, 2006:

Employees who are laid off or who have resigned and received their pay in lieu of notice pursuant to Article 20.2 (Notice and Pay in Lieu) will receive, in addition to their Article 53 or 78 termination payments, a further severance package of one (1) week's salary for every completed year of continuous

service. This paragraph will not apply to employees who are eligible to retire and receive an actuarially unreduced pension or, as a result of the application of paragraph 2 (a), will become entitled to receive an actuarially unreduced pension. This paragraph will not apply to employees described in paragraph 1 who are transferred to a new employer or, subject to 1(b), who decline a transfer to a new employer.

5. Where an operation or part thereof is being disposed of, and the Employer has determined that an opportunity for tendering or bidding is warranted, employees shall be given the opportunity to submit a tender or bid on the same basis as others.

Yours truly, Kevin Wilson

## Appendix – A

## Framework for Students Wage Rates

1. This framework will be submitted to the Joint System Sub-Committee for its use in developing a Student Job Evaluation System for all student positions to present to CERC for agreement in accordance with Appendix 12 of the Collective Agreement expiring on December 31, 2024.
2. The primary factors underpinning the Student Job Evaluation System are Complexity, Skills/Knowledge and Supervision.

The Employer shall be guided by the factors prescribed by the *Pay Equity Act* in the development of the job evaluation system and shall adhere to all legislative requirements.

The provisions will also recognize the different skills levels required and types of employment opportunities for students in their employment within the Ontario Public Service.

### LEVEL 1

Jobs under classification Level 1 will reflect work which is routine and limited in complexity. These jobs may require additional supervision (e.g., team lead) and do not require a special skill level.

### LEVEL 2

Jobs classified at Level 2 will involve work that is more varied and complex in nature. The jobs typically require knowledge from a related area of study and an increased level of skills. These jobs require limited supervision as students are required to work independently. If the job requires a license or certificate (e.g., first aid certificate, equipment operator's license/certificate), it is automatically assigned to classification level 2.

3. Rates for these two levels are:

January 1, 2022

Level 1	\$15.00
Level 2	\$15.85

In the event that there is a legislated increase to the minimum wage in Ontario and students at Level 1 have a minimum hourly rate of pay that falls below the minimum wage, students at Level 1 will receive the new hourly rate of pay.

Students at Level 2 rate of pay shall be adjusted to an amount that is \$0.85 greater than the new Level 1 Student rate of pay.

4. It is understood that the job evaluation system and accompanying pay rates are not arbitrable, pursuant to the *Crown Employees Collective Bargaining Act*.

**IN THE MATTER OF:**

**Successor Rights**

WHEREAS the Government of Ontario has amended the *Crown Employees Collective Bargaining Act, 1993* to restore Successor Rights for Ontario government employees and their Bargaining Agents;

THEREFORE the parties agree to the following terms:

**A) Sale of a Business**

- 1) The parties agree that if the Employer determines that there is a “sale of a business” as defined in the *Labour Relations Act, 1995*, section 69, this determination will trigger the application of this article.

  - i. Appendices 9 and 18 of the Collective Agreement will not apply;
  - ii. The obligations of the Employer to Ontario Public Service employees who are affected by the sale shall be modified as set out in Appendix “A”; and

## APPENDIX "A" – OBLIGATIONS OF THE EMPLOYER TO EMPLOYEES AFFECTED BY THE SALE

The Employer shall not be liable to any employees who are transferred to the successor employer for any payment of termination or severance pay, or any other entitlements or obligations under the Collective Agreement between the Employer and the Union. Notwithstanding the foregoing, the Employer shall provide such employees with payments, if any, in accordance with Article 53 or 78 accrued to employees with respect to employment up to the date of the transfer. Such payments under Articles 53 or 78 shall set off any future severance payments which may be owed by the successor employer to employees, in accordance with the *Employment Standards Act*.
- Affected employees who do not receive a job offer from the successor employer will be surplus as a result of the sale subject to the terms of the Collective Agreement between the Employer and the Union.
- The Employer will provide notice of the date of the sale to affected employees. Employees who choose to resign within nine (9) months after having received this notice but before receiving a job offer from the successor employer will forfeit all rights under the Collective Agreement between the Employer and the Union.

### Letter of Understanding

Ontario Public Service Employees Union

#### **Re: Fixed-Term Category of Employee**

Dear Mr. Gould,

The Parties agree that it is mutually beneficial to promote a workplace that provides work stability, opportunity and a commitment to deliver quality public services. With this in mind, it is in our common interest to address labour relations issues in a manner that places the emphasis on creative problem solving that leads to mutually beneficial solutions. Given that the use of a temporary workforce is an issue of importance to the union and the parties have recently worked together to improve opportunities for temporary workers in the OPS, it is in our mutual best interest to continue constructive dialogues on this matter.

The Parties also agree on the importance of retaining and promoting a skilled and adaptable workforce. It is therefore agreed that individual MERCs will work cooperatively to explore opportunities that will reduce the use of fixed-term workers or transition fixed-term employees to the Regular Service. This will be achieved through a regular review of fixed-term usage and meaningful discussion that is aimed at identifying prospects for reducing the size of the fixed-term workforce.

In such a case, the employee may exercise the rights prescribed by Article 20 (Employment Stability) and/or

paragraphs 2 to 5 of Appendix 9. The employee must elect whether or not to accept employment with the receiving employer within three (3) days of receiving an offer. In default of election, the employee shall be deemed to have accepted the offer.

6.7 The parties agree that the Employer's compliance with the provisions of Article 6.0 meets its obligations under Appendix 9 paragraphs 1, 4 and 5, for the transfers listed in Schedule B.

6.8 In the event that the Employer fails to secure a waiver of a probationary period, any employee who accepts a job offer and is dismissed by a receiving employer during a probation period, will be reinstated and treated in the same manner as if they had not accepted an offer. or
  - b) enhanced severance in accordance with paragraph 4 of Appendix 9  
and
- (ii) termination payments in accordance with Article 53 or 78.

**(b) Receipt of surplus notice on or after January 1, 2006**

- (i) pay in lieu of notice in accordance with Article 20.2  
and  
enhanced severance in accordance with paragraph 4 of Appendix 9  
and
- (ii) termination payments in accordance with Article 53 or 78

Upon receipt of surplus notice, employees who elected not to be included in the RFP will not be entitled to any other benefits or rights under the collective agreement or this agreement, effective the date they exit the OPS. Notwithstanding the generality of the foregoing, upon receipt of surplus notice, these employees will have no other rights under Article 20, except for Article 20.14, and Article 20.18. Employees electing in advance to not be included in the RFP

will also receive a sum equal to five hundred (\$500.00) for the purpose of obtaining resume writing and career transition services.

- 6C.3.1 For employees electing to be included in the RFP, the Employer shall include, in the RFP, the mandatory requirement that proponents must commit in their proposal to make job offers to the identified OPSEU regular employees for 100% of the positions, in the receiving employer's workplace, which are created as a result of the RFP.
- 6C.3.2 If less employees elect to be included in the RFP than the full complement of positions created, the proponent must make job offers to all employees electing to be included in the RFP.
- 6C.3.3 If more employees elect to be included in the RFP, in accordance with Article 6C.1, than the full complement of positions created by the RFP, the proponent must make job offers on the basis of seniority. Employees may decline job offers in descending order of seniority until the number of persons who have declined job offers is equal to the difference between the number of employees in the RFP and the number of positions created by the RFP. These employees will be entitled to all rights and entitlements in Article 6C.2.
- 6C.3.3.1 Other employees who decline job offers to the extent that the full complement of positions created cannot be filled, will be deemed to have resigned and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).
- 6C.3.4 Such job offers shall be at a salary of at least eighty-five percent (85%) of the respective employee's weekly salary at the time of the issuance of the RFP and shall recognize the service and seniority in the Ontario Public Service (OPS) of each employee for the purpose of qualification for vacation, benefits (except pension), layoff, job competition, severance and termination payments to the extent that they are provided in the proponent's workplace.
- 6C.3.5 Any payments made under article 53 or 78 of the Collective Agreement shall be set off against any calculation of severance pay under a collective agreement or term of employment with the receiving employer in respect of OPS service. Such payments under articles 53 and 78 may be set off against severance payments under the *Employment Standards Act* in accordance with that *Act*.
- 6C.4 The parties agree the Employer will not be required to undertake HRIF negotiations with, or to provide any additional incentive funds to the receiving Employer or to include any HR Factor as a rated requirement in the evaluation of proposals for the purpose of improving the job offers made by the receiving Employer.
- 6C.5 Employees included in the RFP and who do not accept a job offer under this provision, with the exception of employees covered by Article 6C.3.3, will be deemed to have resigned and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).
- 6C.6 Employees who accept a job offer in accordance with Article 6C.3.4 with a receiving employer will be deemed to have resigned effective the date they commence employment with the new employer, and no other provisions of the Collective Agreement will apply except for Article 53 or 78 (Termination Pay).
- 6C.7 The parties agree that the Employer's compliance with the provisions of Article 6C.0 meets it's

obligations under Appendix 9 paragraphs 1, 4 and 5 for the Schedule C transfers.

## **7.0 Schedule D Transfers (Transfers not Included in Schedule A, B and C)**

7.1 In respect to all other dispositions or transfers of bargaining unit jobs or functions involving transfers not included in Schedule A, B and C, occurring during the term of this Agreement, affected employees will be surplus as a result of the transfer or disposition subject to the terms of the collective agreement. The date of the issuance of the surplus notice will be determined by the Employer.

7.2 The parties agree that the employer's compliance with the provisions of Article 7.0 meets all obligations under Appendix 9 paragraphs 1,4 and 5 for the transfers not listed in Schedule A, B, or C.

## **8.0 Agreement and RFP Review**

8.1 All disputes arising out of Article 5.0, 6.0 or 6C.0 must be determined pursuant to Article 8.0. Any other grievances under this agreement will go through the dispute resolution process in Article 4.2

8.2 When the Employer releases a tender under Schedule A or C, the Employer agrees that OPSEU will be provided with a copy of the RFP that the Ministry has released. If OPSEU believes that the tender is not in compliance with either Article 5.0 or Article 6C.0 as appropriate, OPSEU may refer the matter to mediation/arbitration and the matter must be resolved fifteen (15) days prior to the closing of the tender.

8.3 When the employer signs a transfer agreement with a hospital, municipality or other employer in respect to transfers under Schedule B, the employer agrees that OPSEU will be provided with a copy of the transfer agreement that the employer has signed with the municipality, hospital or other receiving employer. If OPSEU believes that the transfer agreement is not in compliance with Article 6.0, OPSEU may refer the matter to mediation/arbitration within a seven (7) calendar day time period and the matter must be resolved within that time period.

## **8.4 Arbitration – Placement of a transfer on a schedule**

8.4.1 The Parties agree that the determination of the method and/or manner, and the quantity and timing of the transfer of any service to a service provider other than the Crown is at the discretion of the Employer and shall be deemed to be in accordance with Article 2.1 of the collective agreement.

8.4.2 The Parties agree that before the Employer places a transfer on Schedule D (Other Transfers), it will notify the Union of its intentions. If OPSEU disputes the placement of the transfer on Schedule D, then the following procedure will apply:

- (i) OPSEU will have seven calendar (7) days after being notified to grieve and fully resolve the placement of the transfer on Schedule D (Other Transfers);
- (ii) The sole criterion for placing a transfer of a function or work, from a specific program area, in Schedule D is whether, in the judgement of the Ministry based on operational

needs, a single receiving employer would create less than eleven (11) full-time bargaining unit related jobs. The jobs must be created in the single receiving employer's workplace, as a result of the transfer of the function or work, in the thirty (30) calendar day time period immediately following the transfer of the work. All of a receiving employer's worksites within a single municipality shall be considered one workplace in Article 8.4.2 ii.

- (iii) Where it is determined that the transfer should not have been placed on Schedule D, the employer can only be required to remove the transfer from Schedule D. The determination of which of the schedules (A, B, or C) the transfer will be moved to, will be made in accordance with paragraphs 8.4.1.

## **9.0 Remedy**

The parties agree that in the event of an alleged violation of this agreement that the issue(s) in dispute shall be resolved through binding arbitration as defined elsewhere in this agreement. The parties agree that Arbitrator(s) deciding grievances related to paragraphs 1, 4 and 5 of Appendix 9 filed prior to this agreement should consider in addition to any other considerations, the interpretations of the employer's obligations under paragraphs 1,4 and 5 Appendix 9 provided by this agreement.

## **10.0 Term**

The terms of this memorandum of agreement and the reasonable efforts obligations in Appendix 9 will continue until such time as the terms of the next collective agreement cease to apply.

## **11.0 Psychiatric Hospitals**

11.1 In order to ensure there are votes in appropriate circumstances and that OPSEU is on the ballot, the Employer will recommend to Cabinet that a regulation be passed by January 22, 1999 which will apply the *Public Sector Labour Relations Transition Act 1997* pursuant to S.10 of that *Act*, when all or a substantial part of the work of the psychiatric hospital is transferred from the Crown to a public hospital where the employees doing that work would fall within the scope of a preexisting bargaining unit at the receiving hospital. The regulation will specify the transfer date as the changeover date and the public hospital and the Crown as predecessor employers.

11.2 If the aforementioned regulation is not passed by January 22, 1999, or an agreed extension, then this agreement is voidable at the union's option.

Dated and signed at TORONTO, Ontario, this 20th day of January 1999.

**MEMORANDUM OF AGREEMENT**

**THE CROWN IN RIGHT OF ONTARIO  
(MANAGEMENT BOARD OF CABINET)**

and

**ONTARIO PUBLIC SERVICE EMPLOYEES UNION**

Preamble:

The Province of Ontario has introduced a Corporate Internship Program to support the goals of the *Human Resource Strategy for the Ontario Public Service(OPS)*.

Each year, based on the needs of the organization, the Ministry of Government Services (MGS) will review and identify key skill areas where recruitment should be focused. Positions will be assigned to a specific occupational group where there is an identified skill shortage.

The internship program will provide each successful candidate with structured work experiences and learning opportunities through rotational assignments.

The internship program is not intended to adversely affect promotional, training and developmental opportunities of employees in the OPSEU bargaining unit.

The parties hereby agree as follows:

1. This agreement is intended to facilitate the implementation of the Corporate Internship Program within the OPS.
2. For the duration of this agreement the Crown will recruit for the Ontario Internship Program in total, up to one hundred and fifty (150) (with no obligation to reach this number) post secondary graduates each fiscal year. The nature of the work performed in the individual rotational assignment will determine whether the intern falls within the scope of OPSEU, AMAPCEO or Management/Excluded.
3. Interns will be hired by MGS on fixed-term contracts for a period of up to two (2) years. Compensation will begin at the appropriate entry level rate for interns and reflect the developmental and training nature of the rotational assignments. However, where the selected candidate is in the Regular Service, they may be assigned on a temporary assignment basis for a period of up to two (2) years while continuing to retain their Regular employment status. Despite any other articles related to temporary assignments and/or pay administration in the collective agreement, compensation for the intern temporary assignment will begin at the appropriate entry level rate for interns and reflect the developmental and training nature of the rotational assignments.

4. As training opportunities, the internship appointments will not be considered as vacant or new positions which otherwise require posting in accordance with the collective agreement.
5. The Parties agree that Article 31A.15 of the Collective Agreement does not apply to the internship assignments or interns.
6. Interns will be entitled to apply to restricted competitions for twelve (12) months after the expiry of their final contract with the Ontario Internship Program. It is understood that the positions posted will have previously cleared surplus.
7. Each year, the Employer will advise OPSEU of the internship assignments that the Employer has identified as being excluded from the bargaining unit. Where new assignments are considered, the Employer will advise OPSEU in a timely manner.
8. The Employer agrees to report the total number of interns to the Central Employee Relations Committee (CERC) quarterly.
9. The Employer agrees to consult with OPSEU through the Central Employee Relations Committee on issues which arise through the operation of the Corporate Internship Program.
10. Internship assignments will not:
  1. Include the non-trivial work of an OPSEU employee in the work unit who has been designated surplus or an OPSEU position that has been abolished in a work unit within the preceding 24 months.
  2. Be in work units under pre-notice of layoff under Article 20. When a pre-notice occurs within the work unit, any intern in the work unit will be reassigned.
  3. Substitute for the recruitment of an OPSEU position.
  4. Adversely affect direct assignment/recall opportunities of employees in the bargaining unit.
- 11.1 Disputes that arise respecting this agreement and the exclusion of internship assignments shall be resolved by mediation/arbitration in an expeditious and informal manner without prejudice. The mediator/ arbitrator shall have all powers of an arbitrator under the *Crown Employees Collective Bargaining Act*.
- 11.2 The parties shall appoint a mediator / arbitrator from the following list:

Ken Petryshyn  
Randi Abramsky  
Deborah Leighton
- 11.2.1 If the parties are unable to settle the dispute in mediation, the mediator/ arbitrator shall endeavour to assist the parties to agree upon the material facts in dispute and then shall determine the dispute by arbitration.

- 11.2.2 When determining the dispute, the mediator/arbitrator may limit the nature and the extent of evidence and submissions and may impose such conditions that they consider appropriate.
- 11.2.3 The mediator/arbitrator shall be requested to make a decision within five days, but no later than ten (10) days after completing proceedings on the dispute submitted to arbitration.
- 11.3 The fees and expenses of the mediator/arbitrator shall be divided equally among the parties.
- 12. The term of this agreement shall continue from the date of signing until the expiry of the OPSEU Collective Agreement.

Signed at Toronto, Ontario this 24th day of January, 2013.

("OPSEU")**

WHEREAS the parties agree that all members of the public in Ontario should have equal opportunity in consideration of employment;

AND WHEREAS the parties agree to identify and remove barriers to equal opportunity with the Ontario Public Service ("OPS");

AND WHEREAS the parties recognize that women, aboriginal persons, persons with disabilities, visible minorities and francophones may face barriers to employment in Ontario ("the Five Community Groups");

AND WHEREAS the parties agree that access to competition by members of the Five Community Groups should be strengthened;

AND WHEREAS the parties have completed a one-year pilot project to enhance access to competition for the members of the Five Community Groups;

AND WHEREAS a purpose of these measures, is through recruitment, to reflect in the OPS the increasing diversity of the population of Ontario while recognizing the employer's commitment to the principle of merit;

THEREFORE, the parties agree as follows:

2. The ERIP is triggered where 5 or more full-time permanent vacancies are posted for a specific OPSEU bargaining unit job ("the Multiple Vacancy Opportunity").
3. OPSEU will be provided with advance notice of each Multiple Vacancy Opportunity. Once OPSEU has received such notice, and within 5 working days of receipt of such notification, OPSEU will identify to the Employer which, if any, of the five Community Groups should be omitted from ERIP.

7. The MGS Administrator will receive the advice and opinion of the OPSEU Co-ordinator, as described in paragraph 7 above, and will consider, in good faith, those opinions and advice. This term in no way limits the job duties or responsibilities of the OPSEU Co-ordinator, which are within OPSEU's discretion but are not subject to the terms of this agreement.
8. Whenever there is a Multiple Vacancy Opportunity, the MGS Administrator will advise the OPSEU Co-ordinator of the initiatives taken, if any, under the ERIP and, following job competitions for Multiple Vacancy Opportunities, will provide the OPSEU Co-ordinator with the names of the successful candidates within one week of the award of each position within the Multiple Vacancy Opportunity.
9. The parties agree to discuss broad issues relating to the application of this Agreement at the Central Employee Relations Committee.
10. This Memorandum expires on the expiry of the Collective Agreement.

INNOVATION FUND

May 5, 2002

Ms Leah Casselman  
President  
OPSEU

Dear Ms Casselman:

**Re: Innovation Fund**

It is widely recognized that fostering a climate of innovation within an organization contributes to organizational health and can make for more rewarding careers for employees. In addition, employee experience is a significant resource for promoting better business solutions that respond to public need.

In recognition of this, I can confirm our advice during negotiations that the Employer will establish a program to foster innovation across the Ontario Public Service and to support, recognize and reward the effort of employees in the development of innovative solutions to the wide variety of operational issues and problems facing the OPS. To support the program, the employer will establish a fund to reward employees for matters such as:

- a) the initiation, development and/or implementation of innovative workplace solutions that are of significant value to the Ontario Public Service;
- b) the creation and advancement of workplace procedures and best practices that are of significant value to the Ontario Public Service;
- c) other innovative developments of a similar nature.

As part of the program, a system of cash awards will be set up for this purpose, and it is understood that these will be available to employees throughout the OPS, including OPSEU-represented employees. It is agreed that the Employer will review the criteria for distributing the awards to OPSEU-represented employees with the Central Employee Relations Committee (CERC), prior to implementation.

Yours truly,

Kevin Wilson

It is understood that resolutions reached at these meetings shall respect the rights and entitlements contained in the collective agreement.

### Duties Of The Committee

The committee shall discuss issues as submitted by the parties in sufficient time to allow for proper preparation in advance of the meeting.

Items may be raised at the meeting itself but only for the purpose of being scheduled for discussion at a subsequent meeting, unless otherwise agreed to by the parties.

The committee shall discuss issues that have been referred from the workplace level that have been discussed at that level but have not been resolved.

The parties agree that the MERCs will examine issues related to Training and Development as they apply to the Ministry.

The parties agree that MERCs may review available statistics related to workplace violence that may arise from the nature of the workplace, the type of work, or the conditions of work.

If concerns regarding workload remain unresolved after discussing it with the employee's manager and after discussions at the appropriate LERC, the union may raise it at the MERC. The MERCs, as a part of their mandate, will monitor and attempt to resolve specific workload issues.

The MERCs may discuss how the ministries can better utilize lateral transfers, job trades and conversions to fill vacancies within the ministries. Notwithstanding this, health reassignment will always be the first priority.

Where service delivery crosses more than one ministry, the affected MERCs will form a working group to resolve workload issues.

The committee may refer to the CERC items that have been discussed at this level but remain unresolved.

The committee will establish a timeframe within which to respond to an agenda issue discussed at a meeting. In determining a timeframe the parties shall consider the complexity of the issue and allow sufficient time to investigate and respond. In the event that the parties cannot determine a timeframe, a response must be given within thirty (30) working days from the date of the meeting at which the issue was discussed.

An agenda as developed by the Co-Chairs shall be circulated to the members of the committee at least three (3) working days in advance of the date of the meeting.

At the conclusion of the meeting the Co-Chairs shall ensure that draft minutes of the meeting are prepared and circulated to the members of the committee within ten (10) working days from the date of the meeting. These minutes shall be signed by the Co-Chairs who authorize them for distribution. The signed minutes will be posted on the Ministry's intranet and on the Union's website.

## **Composition**

There shall be at least four (4) meetings per calendar year.

Other meetings may be scheduled with the agreement of the Co-Chairs.

## **Time Off**

Union members of the committee shall have the time spent traveling to scheduled meetings, and the time spent at the joint meetings of the committee with no loss of regular pay, seniority and credits.

(hereinafter referred to as “the Employer”)**

**– and –**

**ONTARIO PUBLIC SERVICE EMPLOYEES UNION  
(hereinafter referred to as “the Union”)**

**Re: Flexible Part-time staff**

WHEREAS:

The parties recognize that the majority of irregularly scheduled staff employed by the Ministry of Attorney General are not Regular part-time employees (RPT) as defined in the Collective Agreement, and,

The parties recognize and value the service and contribution of staff, and,

The parties have a mutual interest in maintaining flexible part-time (FPT) regular positions in order to better attract and retain skilled, trained and experienced employees, and,

The parties have engaged in joint efforts to facilitate the establishment of this new flexible, part-time model which confers regular status and overall, the key stakeholders including managers, employees and the Ministry Employee Relations Committee, are supportive of the initiative,

NOW THEREFORE, without prejudice or precedent to any other matter, the parties agree to the following:

**1. APPLICATION**

This Memorandum of Agreement (hereinafter referred to as the “Agreement”) applies to irregularly scheduled regular staff (hereinafter referred to as “employees”) employed by the Court Services Division of the Ministry of the Attorney General. These employees include Court Clerks, Court Registrars, Court Monitors, Court Reporters, Court Service Officers, Court Service Specialists, Court Interpreters, Court and Client Representatives and Court and Client Representatives – Records Management.

**2. PRINCIPLES**

The parties agree that:

- a) Employees will be assigned work as follows:

- i) The employer recognizes that the primary work of staff will be in accordance with an employee's job specifications.
  - ii) In accordance with Article 2 of the Collective Agreement recognizing management's right to assign work, the employer will assign work to staff that supports the overall administration of the courts. This work will be both inside and outside the courtroom as needed. Such assignment of work will have no adverse impact on full-time regular staff.
- b) Subject only to the specific provisions in the Collective Agreement, the Ministry may continue to hire and use fixed-term employees in the courts as required in accordance with operational need. The parties further agree that the contents of this Memorandum are not in any way intended to alter the commitments in the Collective Agreement with respect to the reduction of the fixed-term workforce. Further, the Employer agrees that the contents of this Memorandum are not intended to result in increased usage of fixed-term employees nor to reduce the work of regular employees.

### **3. HOURS CATEGORIES AND ASSOCIATED PAYMENT PROVISIONS**

- a) Flexible Part-time (FPT) employees shall be assigned to one of two minimum annual hours categories as follows:

Category 1: a minimum of 1096 hours per annum (42 hours bi-weekly);  
Category 2: a minimum of 1500 hours per annum (57.5 hours bi-weekly);

- b) The employer maintains the right to schedule employees beyond the minimum hours for category 1 and 2 above.
- c) For each annual hours category, each FPT employee will receive consistent bi-weekly pay based on the minimum bi-weekly hours for their category. In addition, all hours worked up to 36¼ hours per week will be paid at the regular hourly rate and shall be counted as hours worked towards the accrual of minimum category hours. For clarity, the minimum category hours shall be counted on a bi-weekly basis to determine whether they meet or exceed the minimum bi-weekly hours for the respective category.
- d) All authorized hours worked by flexible part-time employees in excess of 36¼ hours per week will be paid at the time and one half (1 ½ ) rate within two months of the pay period within which the overtime was actually worked.
- e) Employees will be able to identify up to eight (8) Non-Working Days per calendar year on which they shall not be scheduled to work. Employees shall provide a written request to their manager thirty (30) days in advance of the date being requested. An employee may submit a request less than thirty (30) days in advance of the date requested. Managers may approve requests for Non-Working Days subject to operational needs and such requests shall not be unreasonably denied.

The scheduling of Non-Working Days will be subject to the Employer having the flexibility to schedule employees to meet or exceed their bi-weekly minimum hours.

Notwithstanding this, if, due to operational circumstances, the employee is required to work on an approved Non-Working Day, the employee shall be paid a minimum of four (4) hours of pay at one and one-half (1½) time their basic hourly rate.

- f) Where an employee reports for work at their scheduled starting time and work is not available, or the work is less than two (2) hours, the employee shall receive two (2) hours' credit towards their annual assigned hours.

This shall not apply where the employee has been notified, at least two (2) hours prior to their scheduled starting time, not to report for work.

Where the employee has been directed by the Employer to return to work on the same day after the completion of their scheduled shift and the employee has left the workplace, the employee shall receive credit in accordance with Article UN 9.

## Letter of Understanding

Mr. Terry Baxter, Chief Negotiator  
Ontario Public Service Employees Union  
100 Lesmill Road  
North York, Ontario  
M3B 3P8

### Re: Classification System

Dear Mr. Baxter,

This will confirm certain understandings reached during collective bargaining regarding the classification system.

Both parties recognize that the current classification system is outdated and requires revision. Previous attempts to design a new system have been unsuccessful, and it is recognized that any such undertaking, because of its size and complexity, must be addressed with a large measure of care, deliberation and commitment.

Both parties recognize that the OPS Pay Equity Plan must be maintained, and that all work should be valued on the basis of skill, effort, responsibility and working conditions.

With these principles in mind, the parties agree to the following:

### Development and Testing

1. As soon as possible and not less than four months after ratification, the Employer shall retain a consultant to advise and assist in developing a work plan for the design, development and implementation of a gender-neutral new classification system for each bargaining unit, and develop two pay equity plans, one for each bargaining unit. Provided that the Union agrees to abide by the Employer's procurement rules, the Union shall be entitled to have input into the selection of the Consultant. The parties shall attempt to come to consensus regarding the selection of the Consultant, failing which the Employer shall make the selection.

### Joint Working Group (JWG)

2. Within one month of ratification, the parties will establish a Joint Working Group, consisting of three (3) persons appointed by each party, to:
  - a. Provide input and recommendations into the design of the job evaluation systems (JES) and workplan;
  - b. Review and identify job classes with a view to the definition of job class in the *Pay Equity Act*.

The JWG shall make every effort to complete this work within four months of ratification;

- c. Identify benchmark jobs and develop a testing process with the Consultant;
  - d. Review and provide input into job descriptions for the benchmark jobs prepared by the Employer;
  - e. Review and test the systems recommended by the Consultant;
  - f. Provide input into the customization of the systems based on the testing results;
  - g. Assess methods of ensuring pay equity compliance, including a pay equity maintenance process.
3. It is understood that the joint working group shall not deal with any salary issues.
  4. The parties shall attempt to reach consensus on the final design of the JES, and will make every effort to complete the development and testing of the new systems within eight months of hiring the consultant.
  5. The parties may agree to use a facilitator to assist the Joint Working Group in identifying, reviewing and addressing various issues.
  6. Should the parties not reach consensus, either party may proceed with whatever steps are required to ensure compliance with the *Pay Equity Act*.
  7. The Employer agrees to release two (2) employees in the bargaining unit for a period of up to twelve (12) months, with no loss of regular pay or credits, for the purpose of participation on the Joint Working Group. This period may be extended by mutual consent.

### **Job Information Gathering and Job Evaluation**

8. After testing and customization of the systems, the Employer will prepare generic job descriptions from input gathered from a sample group of incumbents in benchmark job classes, to cover the work of each job class, and shall initiate the evaluation of jobs and job classes based on the new systems.
9. The Employer undertakes to make every effort to complete the development and evaluation of generic job descriptions for all job classes in the two bargaining units within the term of the Collective Agreement.
10. The parties shall first address pay equity requirements, and shall then proceed to discuss the application of the JES to all job classes in the two bargaining units.

### **General**

11. The following Pay Administration rule pertains only to employees moving from the current job classification system into the new job evaluation/ classification system
  - An employee whose current salary is above the maximum of the new salary range for their position shall maintain their current salary until the maximum of the new salary range exceeds

their salary, at which time the employee is entitled to salary progression. For clarity the employee will not be entitled to receive across the board increases, if any, while their salary is above the new maximum of the new salary range.

12. Nothing in this agreement should be interpreted as management waiving its rights to manage the classification system. Similarly, nothing in this agreement should be interpreted as waiving the legal rights of the Union and employees.

### **Joint System Subcommittee – JSSC**

13. To assist in addressing the current backlog of classification grievances, the Employer will agree to release two (2) employees in the bargaining unit for a period of twelve (12) months, with no loss of regular pay or credits, for the purpose of assisting in having the current backlog dealt with by the JSSC. The parties undertake to expedite the consideration of all outstanding classification grievances by the JSSC as soon as possible, and will cooperate to ensure that this is done.

To this end the committee will:

- a. first review and finalize a list of all grievances received by the Employer up to the date of ratification, and group similar grievances together;
  - b. ensure grievances reviewed by the committee are valid classification grievances; grievances requiring changes to class standards or the job evaluation system as a remedy will be referred to the Joint Working Group of the Job Evaluation project and as such will be considered closed;
  - c. establish within thirty (30) days of the first meeting, a schedule for the review of all classification grievances for the finalized list for the backlog; to be reviewed within twelve months of the first meeting.
14. The parties agree to the appointment of Gerry Lee as a mediator to assist in expediting consideration of the outstanding disputes and in resolving them.
  15. The parties agree to a moratorium on any new classification grievances or complaints during the term of the collective agreement.

Yours truly,

Elizabeth McKnight  
Director, OPSEU Negotiations  
Centre for Leadership and Human Resource Management

8. The parties agree to implement the terms found in Appendix A IT Source Resource Pool and I&IT Enterprise Recruitment.

## **Appendix A**

### **IT Source Resource Pool and I&IT Enterprise Recruitment**

The Employer will be engaging in a substantial amount of recruitment for I and IT professionals within the I&IT enterprise;

Therefore, the parties consider the following terms to be appropriate for the establishment and operation of IT Source and the recruitment of I and IT professionals within the I&IT enterprise, which includes the Office of the Chief Information and Information Technology Officer and the IT clusters reporting to it, but does not include the program areas of the Ministries:

For the purposes of the collective agreement, these positions will be deemed to be deployed on a province-wide basis.

- (b) It is agreed that these deployments are assignments of work made at the discretion of the Employer and do not constitute vacancies under Article 6; temporary assignments under Article 8; change in headquarters under Article 11; temporary positions or assignments pursuant to article 20.3 or 20.8; or a relocation of a position under Appendix 13.

- (c) Notwithstanding paragraph (b), if an assignment is of a sufficient duration, the Employer may determine if a change in headquarters is appropriate in the particular circumstances.

3. Managerial Direction

- (a) I and IT professionals employed in IT Source will report to a Manager within IT Source.

- (b) It is understood that the deployment to different projects and assignments may require the employee to receive direction regarding the project or assignment from a manager other than the employee's manager within IT Source and that such manager may provide input into any performance evaluation for the employee.

4. Travel

- (a) It is understood that it will be a condition of employment for all I and IT professionals employed

in IT Source that they may be deployed to projects or assignments throughout Ontario.

- (b) The parties agree that the Employer's *Travel, Meal and Hospitality Expenses Directive* will apply to any travel required as a result of the deployment of the employee.

5. Mandatory Enhanced Security Clearance

It is understood that an enhanced security clearance may be required as a condition of employment for I and IT professionals employed in IT Source.

6. Posting and Filling vacant positions

It is agreed that all vacancies for positions within the I&IT enterprise, including IT Source, will be posted and filled in accordance with the provisions of Article 6, subject to the following:

- (a) The Employer may use a mass centralized recruitment approach to fill vacancies for positions within the I&IT enterprise.

The Employer shall have identified on the original posting that it may be used to fill positions in the job family that may occur over the 18 month time period, following the closing of the posting. The posting period will be for at least ten days prior to the established closing date. This closing date may be extended should the employer determine that there is an insufficient number of potential qualified candidates.
- (c) If the Employer posts in accordance with paragraph (b), it will establish an eligibility list of qualified candidates for each classification level within each job family based on the results of a competitive process. The parties agree that the development of eligibility lists will be in accordance with Article 6.3.
- (d) The Employer shall advise candidates of their individual rank order upon the completion of the competitive process under paragraph (b).
- (e) The Employer will hire qualified candidates from the eligibility lists for each classification level within each job family developed under paragraph (b) in accordance with Article 6.1.2. - (f) The Employer shall obtain a valid surplus clearance number prior to filling a position under paragraph (e).
- (g) Where the Employer posts in accordance with paragraph (b) and if no qualified applicants accept a job offer for a specific position made pursuant to this process, then the Employer shall provide new or existing candidates internal to the OPS with the opportunity to participate in a restricted

competitive process. The process shall be held in accordance with Article 6 of the collective agreement, with the modification that the Employer shall post the vacancy for the position for a period of at least five (5) working days.

MODERN AND FLEXIBLE WORK ARRANGEMENTS

LETTER OF UNDERSTANDING

The Employer continues to support building a modern and flexible work environment that is more agile and engaged while ensuring productivity and service excellence. The Employer has been working to promote greater flexibility for employees in terms of where and when they work, provided modern and flexible work arrangements put in place are operationally feasible. These modern and flexible work arrangements refer to compressed work week, job sharing arrangements, flexible hours of work and remote work, or a combination of them, as appropriate.

Whereas the parties agree that modern and flexible work arrangements can be an effective method of assisting employees to balance work and personal responsibilities as well as achieving organizational objectives, the parties agree to the following:

- 1) Modern and flexible work arrangements shall be developed to best serve the convenience of the public and the achievement of operational needs.
- 2) The parties recognize that there may be instances where modern and flexible work arrangements may not be a viable method of arranging schedules or work locations to meet operational requirements. Further, the parties agree that it is critical to, at a minimum, adhere to common service standards.
- 3) The Local Employee Relations Committees (LERC) will, if requested by either party, enter into a review process on the feasibility of incorporating modern and flexible work arrangements in the workplace. Where there is no LERC this can be discussed with either the Local Union in conjunction with the Employer or the Ministry Employee Relations Committee.
- 4) When the employer cancels or amends a modern and flexible work arrangement, they shall provide notice to the affected employee(s) in writing at least one (1) month prior to the cancellation or amendment. An employee can cancel the agreement with at least one (1) month notice.
- 5) The parties recognize that the Employer has the right to deny, alter or require modern and flexible work arrangements. The Employer's exercise of discretion pursuant to this letter shall not be grievable.
- 6) Where the Employer requires remote work and an employee cannot reasonably perform the work remotely, the Employer will provide reasonable alternatives for a work location.
- 7) The Employer will maintain the model agreements on the intranet to be used as the basis of an agreement with the Employee.
- 8) Modern and flexible work arrangements will be guided by the following:
  - i. The arrangement is entered into voluntarily and is mutually agreed to by an employee and their manager.
  - ii. Operational feasibility is the primary factor that must be considered before any modern and

- flexible work arrangement can be established.
  - iii. Modern and flexible work arrangements must be cost-effective and not impose any additional costs to the Employer to implement. The Employer will determine what government equipment is required and shall be provided; said equipment will be used only as part of the Employee's official duties.
  - iv. Modern and flexible work arrangements must be in compliance with the Unified Collective Agreement provisions.
  - v. Modern and flexible work arrangements must be documented in writing. Templates will be available for managers and employees.
  - vi. Modern and flexible work arrangements are regularly evaluated, reviewed, and recalibrated to ensure they continue to be operationally feasible. Any such revision of the OPS Guidelines and/or model agreements will be shared with CERC for feedback, prior to its implementation.
  - vii. Employees are expected to continue to meet their required performance commitments. Managers are expected to provide feedback to employees through regular performance reviews.
  - viii. The agreement will be reviewed and signed by the Local Union if the template is modified.
- 9) All remote work arrangements automatically terminate on the release of a conciliation or "no board" report.
- 10) Either party can raise issues with respect to the Employer's enterprise guidelines and approach for modern and flexible work arrangements at CERC.

**TRANSITION EXIT INITIATIVE**

**MEMORANDUM OF AGREEMENT**

**Between**

**ONTARIO PUBLIC SERVICE EMPLOYEES UNION (OPSEU)  
("the Union")**

**and**

**THE CROWN IN RIGHT OF ONTARIO as represented by the  
TREASURY BOARD SECRETARIAT  
("the Employer")**

The parties have agreed to establish a Transition Exit Initiative (TEI) as follows:

1. All regular, regular part-time and flexible part-time employees will be eligible to apply to a Transition Exit Initiative (TEI).
2. An employee may request in writing voluntary exit from employment with the OPS under the TEI, which request may be approved by the Employer in its sole discretion. The Employee's request will be submitted to the Corporate Employer. The Employer's approval shall be based on the following considerations:
  - i. At the time that an employee TEI request is being considered, the Employer has plans to reduce positions in the OPSEU bargaining unit; and
  - ii. The Employer has determined in its discretion that the employee's exit from employment supports the transformation of the Ontario Public Service.
  - iii. The Employer will consider whether employees are on the TEI list when making surplus decisions.

The Employer shall provide written confirmation of receipt of the employee's request within 30 days with a copy to the Union. If the employee's request is approved, the Employer shall provide written notification to the employee with a copy to the Union, and such notification shall include the job title, classification, Ministry and workplace of the employee. An employee may withdraw their request by written notice to the Corporate Employer.

3. If there is more than one employee eligible to exit under the TEI within the same workplace, the determination of who will exit under the TEI shall be based on seniority.
4. An employee who has received notice of Employer approval to exit under the TEI shall be deemed to have accepted one of the options as outlined in Paragraph 5.

5. An employee who exits from employment under the TEI will only be entitled to the following:
  - i. A lump sum of six (6) months' pay, plus one (1) week pay per year of continuous service; or
  - ii. Continuance of salary plus benefits (except STSP and LTIP) for six (6) months commencing on the date set out in Paragraph 6, plus one (1) week pay per year of continuous service or its equivalent period of further salary continuance plus benefits (except STSP and LTIP). For clarity, during the salary continuance period, employee and Employer pension contributions and vacation and pension credits will continue to accrue.
  - iii. Where the employee does not choose a specific pay-in-lieu option, the employee shall be deemed to have chosen the lump sum option under 5(i).
6. In the event that an employee who exits the OPS under the TEI is reappointed to a position in the OPS within 24 months, the employee will repay to the Minister of Finance the six (6) month lump sum paid out under paragraph 5 above.
7. An employee who exits under the TEI and is re-appointed to any position in the OPS may elect to repay the TEI payment of one week per year of continuous service or its equivalent period of salary continuance, thereby restoring entitlement to termination payments under Article 53 or 78 (Termination Payments), as applicable, for the period of continuous service represented by the payment.
8. Where an employee is exiting under the TEI, their last day at work shall be five (5) working days after the notice of Employer approval to exit is received, or such other period as the employee and the Employer shall agree.
9. The payment under Paragraph 5 and any payout of unused vacation or compensating leave credits are payable as soon as possible, but not later than three (3) pay periods following the employee's exit under the TEI.
10. Employees exiting under the TEI shall have the entitlements in Paragraph 5 in lieu of the entitlements in Article 53 or 78 (Termination Payments) and paragraph 4 (b) of Appendix 9 (Employment Stability) of the Collective Agreement.
11. The parties agree that all employees exiting under the TEI are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly the Employer agrees to take all necessary steps to attempt to ensure that the Human Resources and Skills Development Canada recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered 'workforce reduction processes' under the *Employment Insurance Act*.
12. The parties agree that at no time will the number of employees exiting under the TEI exceed the number of positions identified by the Employer to be reduced in the bargaining unit.
13. The parties recognize that the approval of exits from the Ontario Public Service under TEI is the exclusive right of the employer.
14. This MOA forms part of the collective agreement.
15. This Memorandum expires upon the expiry of the Collective Agreement.

MEMORANDUM OF AGREEMENT

Between

The Crown in Right of Ontario  
As represented by the Treasury Board Secretariat  
(The “Employer”)

and

The Ontario Public Service Employees Union/Syndicat des employés de la fonction publique de l’Ontario  
 (“OPSEU/SEFPO” or the “Union”)

WHEREAS the parties have a joint interest in maintaining critical, front-line services and minimizing the impacts to OPSEU/SEFPO-represented employees during organizational transformation in the Ontario Public Service;

AND WHEREAS it is in the interests of both parties for opportunities across the OPS to be created for the purposes of reskilling of employees since this leads to increased employment stability as well as expanded opportunities for reassignment with the OPS and job retention;

AND WHEREAS the parties recognize that, in the reskilling, retraining and reassignment of employees, employees who face job loss due to organizational transformation shall be given priority over employees who do not;

AND WHEREAS the parties have a mutual interest to work cooperatively to develop a process that supports reskilling and increased internal mobility within and across ministries without triggering job security provisions for OPSEU/SEFPO-represented employees;

AND WHEREAS this agreement is intended to complement existing provisions under the current Unified Collective Agreement;

NOW THEREFORE the parties agree to the following:

1. The parties agree to establish a Joint Transition & Reskilling Committee (“the Committee”) that shall operate as a sub-committee of the Central Employee Relations Committee (“CERC”). When an organizational transformation takes place that will impact OPSEU/SEFPO-represented employees, the Committee shall be responsible for reviewing the following information provided by the Employer:
  - a) A list of OPSEU/SEFPO-represented employees impacted by organizational transformation (“referred to as employees”);

- b) The OPSEU/SEFPO-represented positions throughout the OPS that are available and suitable for these employees to be considered for;
  - c) The current skills of the employees and requirements for further skill development; and
  - d) Any proposed training activity, if required, that will support the reskilling of employees who will be impacted.
2. Following this review, the Committee shall oversee reassignment and transition of employees to other OPSEU/SEFPO-represented positions throughout the organization without triggering job security provisions for those employees who elect such assignment. This includes assigning employees to meet the needs of short-term project-based initiatives and developmental opportunities.
  3. The parties recognize that OPSEU/SEFPO-represented employees have entitlements to job security provisions as set out in OPSEU/SEFPO Unified Collective Agreement but that the parties may mutually agree to vary these provisions where it meets the mutual interests of the parties.
  4. The Committee shall consist of four (4) representatives each of the Employer and of OPSEU/SEFPO. The Committee will consult with and engage subject-matter expertise as it sees fit, which may include representatives from the applicable Ministry Employee Relations Committee (MERC). Each party will notify the other, in advance, of the representatives that will attend the committee meetings.
  5. The parties agree that the process set out in Appendix A (OPSEU/SEFPO Reskilling and Transition) shall be in place until the expiry of the current collective agreement.
  6. Union representatives of the committee shall be entitled to be absent from work for the purposes of attending to the committee meetings, including reasonable preparation time without loss of regular pay, credits and benefits.
  7. This agreement will expire upon the expiry of the collective agreement or with six (6) months' notice by either party

For the Union:

Dear Len:

The Employer and OPSEU/SEFPO are committed to fostering a more inclusive, diverse, equitable, anti-racist, accessible, and respectful workplace free from discrimination and harassment.

Accordingly, the Parties previously agreed to establish a joint working group committee to conduct a focused review of the OPSEU/SEFPO Unified collective agreement from a diversity lens, with an aim to identify systemic barriers that may exist and are unduly impacting employees who are Indigenous, Black, other racialized, LGBTQ+ and persons with disabilities.

The Parties acknowledge the importance of this committee and the work that has been completed to date. As a result, the Parties agree to continue this joint working group committee during the term of the collective agreement with the purpose of reviewing potential proposed reforms to the collective agreement, promoting anti-racism and inclusion principles, and to implement such changes as required.

Ontario Public Service Employees Union/Syndicat des employés de la fonction publique de l'Ontario  
(OPSEU/SEFPO)  
100 Lesmill Road

M3B 3P8

Dear Len:

The Employer agrees to establish a Health Care Spending Account (HCSA) in the amount of \$300 annually for each eligible regular and seasonal employee in the OPSEU/SEFPO Unified Bargaining Unit enrolled in the Supplementary Health and Hospital (SH&H) and/or Dental plans, effective April 26, 2022. For clarity, the HCSA is not an insured benefit and is not part of the SH&H plan and/or Dental plan. This amount is not taxable to employees. New employees are eligible for HCSA credit effective the first day of the month following the month in which the employee has completed two (2) months of continuous service.

The HCSA must be utilized for eligible medical expenses as defined in the *Income Tax Act*. Any remaining annual balance in the account shall carry over for a maximum of one calendar year. If the carry over balance is not used at the end of the carry over year, it is forfeited.

Coverage under the HCSA is applicable to the eligible employee and eligible dependents. This includes any dependent that the employee could claim as an eligible dependent under Canada Revenue Agency ("CRA") guidelines. For clarity, the amount of \$300 annually is the total maximum amount available to the employee including dependents. Therefore, eligible medical expenses, incurred by the employee and/or the employee's eligible dependents, if any, can be claimed through the employee's account. All coverage under the HCSA will be cancelled effective as of the last day of the month in which employment terminates.

ADMINISTRATIVE CHANGES**

(OPSEU/SEFPO)

Dear Len:

This letter will confirm the Parties' agreement to implement the following administrative changes under the Insurance Carrier's insured benefits plan for OPSEU/SEFPO Unified Bargaining Unit-represented employees. Notwithstanding Articles 39 and 67 (Supplementary Health and Hospital Insurance) of the OPSEU/SEFPO Unified Bargaining Unit Collective Agreement, the parties agree to implement the following changes concerning the administration of insured benefits, effective April 26, 2022:

- i. Implementation of a standard Prior Authorization program, which will be actively managed and updated by the Insurance Carrier, for specified eligible prescribed drugs covered under the drug plan. The program supports management of drug cost while continuing to provide access to medically necessary drug therapy that is appropriate for a patient's medical condition. Employees currently taking drugs on the prior authorization list will be "grand-parented" and the drugs they are currently receiving will not be affected by the expanded program.
- ii. Implementation of an Enhanced (Mandatory) Generic Substitution prescribed drug program. Reimbursement will be based on the lowest cost eligible generic drug product price, even if no substitution is prescribed by a physician. If a patient cannot tolerate the generic drug, or it is therapeutically ineffective, medical evidence can be submitted to support why the brand-drug is being prescribed.
- iii. Establishment of a Dispensing Fee Cap for prescription drugs of \$11.99 per prescription.
- iv. Implementation of an Annual Dispensing Fee Frequency Cap of five (5) times a calendar year in relation to eligible prescribed maintenance drugs that can be reasonably dispensed over a longer term.
- v. Implementation of Manulife's DrugWatch program to closely monitor and analyze the effectiveness and value of certain new drugs in comparison to existing drugs that target similar conditions or newly approved uses for existing drugs. Before a targeted drug can be approved for coverage under the Insurance Carrier's drug plans, it must undergo this review process.
- vi. Implementation of a Specialty Drug Care program on a mandatory basis which provides the support of a nurse case manager for individuals taking medications to treat complex, chronic or life-threatening

conditions. In partnership with the Insurance Carrier's provider, the program also enables access to preferred pricing for specialty drugs.

- vii. Application of reasonable and customary prescription drug adjudication practice to claims for injectable Vitamin B6/B12 expenses. Coverage will be limited to injectable Vitamin B6/B12 expenses incurred in relation to treatment considered reasonable and customary for a patient's medical condition.

**SCHEDULE A  
AVERAGING HOURS OF WORK**

**Schedule A  
Averaging of Hours of Work**

The number of hours of work per week prescribed shall be computed as a weekly average over one (1) year, where the duties of a regular employee require:

- a) that the employee work more than the number of hours per week prescribed at regularly recurring times of the year, or
- b) that the number of hours per week be normally irregular.

**Averaging Period:**

The averaging period for each class and/or position:

- a) will conform to the twelve (12) month calendar period which reflects the work cycle of that class and/or position, and
- b) will be reported to the bargaining agent.

**Prorating:**

Periods of employment of less than twelve (12) months in an averaging period (e.g., due to appointment, transfer, separation, etc.) will be prorated.

**Hours per Averaging Period:**

The hours of work required shall correspond to a thirty-six and one quarter (36 ¼) hour week or a forty (40) hour week averaged over the twelve (12) month calendar period.

**Changes to Hours per Averaging Period:**

If at any time, a ministry requires a different hours base for a class or for a position within a class (e.g., equivalent of forty (40) hours per week instead of thirty-six and one-quarter (36¼) hours per week), the ministry must:

- a) alter the affected employees' salaries proportionately, and
- b) notify the Corporate Labour Relations/Negotiations Secretariat, Ministry of Government Services, and the Union of any such changes.

### **Record of Hours Worked:**

A record will be maintained for each employee affected showing a running total of hours worked:

- a) on their regular working days, and
- b) during the averaging period.

### **Excessive Buildup of Hours Worked:**

When an employee's buildup of hours worked is becoming excessive, the employee:

- a) may be required to take time off on an hour-for-hour basis, in order to bring their hours accumulation into line with the hours requirement for the averaging period, and
- b) will be given reasonable notice, where circumstances permit, of any such time off.

### **Calculation of Hourly Rate:**

In all cases, the basic hourly rate of pay for employees on averaging is to be determined by dividing the weekly rate of the class by thirty-six and one-quarter ( $36\frac{1}{4}$ ) or forty (40) as applicable, unless the basic hourly rate of pay already exists.

### **Hours Worked Over Annual Requirement:**

At the end of the averaging period, any excess hours standing to the employee's credit over and above the annual hour's requirement will be considered as overtime.

Normally, the employee shall be paid for their overtime credits. Such payment shall be based on the basic hourly rate the employee was receiving on the last day of the averaging period. Compensating time off may be substituted for payment of overtime credits as follows:

- (a) Where there is insufficient work for an employee to the extent that their presence is not required for a period of time, in which case:
  - a ministry has the authority to direct that the employee take time off rather than receive pay for the overtime credits, and
  - such time off must be taken commencing during the first month of the next averaging period;or
- (b) In circumstances other than the above and where the employee and their supervisor mutually agree to compensating leave, in which case the time off will commence:
  - within the first month of the next averaging period, or
  - at an otherwise mutually satisfactory time.

**Hours Worked on Holidays or Other Than Regular Workdays:**

- a) All hours worked on a holiday included under Article 47 (Holidays) of the Collective Agreement shall be paid at the rate of two (2) times the basic hourly rate that the employee was receiving when the holiday was worked.

All hours worked on a day that is not a regular working day for the employee will be treated as overtime and based on the rate the employee was receiving when the overtime was worked.

ARTICLE 10.1 COLLECTIVE AGREEMENT  
Revised May 5, 2002**

**Letter of Agreement  
Regarding  
Compressed Work Week Agreements**

- 1) The parties agree that Compressed Work Week Agreements (CWWA) can be a viable method of arranging work schedules.
- 2) On the above basis, each affected ministry is prepared to enter into a local work site consultation process with OPSEU regarding existing CWWA, with a view to establishing efficient schedules that meet operational, financial and service delivery needs of the work site.
- 3) The Employer will consider proposed schedules provided by the Union, in the development of any CWWA schedule; it is understood that the Employer retains the right to determine the final CWWA schedule.
- 4) The parties also agree to maintain existing CWWA for a period not to exceed six (6) months from the date of the signing of this Collective Agreement, at those work sites where they currently exist, unless the parties mutually agree otherwise.
- 5) Should the local work site consultation process fail to produce an acceptable CWWA within six (6) months of the date of the signing of this Collective Agreement, either party reserves the right to terminate existing CWWA, unless the local parties agree to extend the six (6) month period.

Signed this 30th day of August, 1996, in Toronto, Ontario.

- c) Authorized overtime work which is required as a result of an emergency situation shall be immediately submitted for payment at time and one-half (1½) the regular hourly rates.
