AND

UNITED STEELWORKERS, LOCAL 1-1937
(Hereinafter called the "Union")

Party of the second part

PREAMBLE:

The purpose of this Agreement is to maintain the harmonious relations so necessary between the Employees and the Board, and to recognize the mutual value of joint discussion and negotiations in all matters of mutual concern.

ARTICLE I - BARGAINING AGENCY

SECTION 1

- (a) The Board recognizes the Union as the sole bargaining agency on behalf of its employees and the Parties hereto have agreed to enter into this agreement as affecting and relating to the staff of the Board (but excluding employees certified by Canadian Union of Public Employees, Local 5101, Teachers and exempt employees).
- (b) It is agreed that when a dispute arises as to whether or not a person is an employee within the bargaining unit, it shall be subject to grievance and arbitration procedure as provided Article IV.
- (c) Shop Committee Recognition - There shall be established a Shop Committee consisting of not less than three (3) members and not more than seven (7) members with completed probationary periods. The Union will notify the Board, in writing, of the members on the Committee and of changes in the Committee, should any occur.

SECTION 2

- (a) All new employees shall, on completion of their probationary period, become members of the Union and maintain membership therein throughout the term of this agreement, as a condition of continued employment. The Union check-off form shall be completed and forwarded to the Union office on completion of the probationary period.
- (b) During orientation, the Board shall provide all new employees with a copy of the current Collective Agreement and materials supplied by the Union. An employee orientation session will also be made available for employees, with representatives of School District 79 and USW Local 1-1937, each year at the In-Service Day following achieving seniority.

SECTION 3

The Parties hereto agree that should any dispute arise as to the meaning and application of this agreement, there shall be no suspension of work on account of such dispute, but an earnest effort shall be made to settle the same in accordance with the grievance procedure as outlined in Article IV.

SECTION 4

The Board and the Union will meet at such time and place as may be mutually agreed upon for the purpose of discussing working conditions and adjusting any matters within the confines of this agreement, which come within the scope of collective bargaining between employer and employee.

ARTICLE II - MANAGEMENT'S RIGHTS

SECTION 1

The management of the workforce and of the methods of operation is vested exclusively in the Board, except as otherwise specifically provided in this agreement, and as may be subject to the grievance procedure.

SECTION 2

The Board shall have the right to select its employees and to discipline or discharge them for proper cause. However, any employee who feels unfairly treated may appeal through the grievance procedure as provided in Article IV.

ARTICLE III - DEFINITIONS

SECTION 1: REGULAR EMPLOYEE

An employee who has completed their probationary period and who may or may not have been appointed by the Board in accordance with the provisions of the School Act.

SECTION 2: PROBATIONARY EMPLOYEE

An employee who is serving a probationary period in a position to determine their suitability as a regular employee.

SECTION 3: CASUAL EMPLOYEE

An employee who does not hold a regular job assignment and who may or may not be entitled to benefits under this Agreement, either as a probationary or regular employee.

SECTION 4: RESIGNATIONS

All voluntary terminations of employment prior to reaching retirement are deemed to be resignations.

SECTION 5: RETIREMENT

Retirement is the termination of employment in conformity with the Superannuation Act.

SECTION 6: CALL-OUT

A call-out occurs only when an employee is brought back to work after having officially completed their duties for the day or the week and has left the job in the normal manner.

SECTION 7: LAY-OFF

A lay-off is a reduction in the workforce or a reduction in the regular hours of work.

SECTION 8: FISCAL YEAR

The fiscal year commences on the 1st day of July and ends on the last day of June the following year.

ARTICLE IV - GRIEVANCE AND ARBITRATION PROCEDURE

SECTION 1: SETTLING DISPUTES

Should a dispute arise between the Board and the Union regarding the interpretation, meaning, operation or application of this Agreement, including any question as to whether a matter is arbitrable, the parties will resolve the dispute according to this article without work stoppage.

An employee is entitled to have the shop steward present at all meetings with the Employer while resolving a dispute. Neither the grievor nor the representatives of the Union involved in resolving a dispute will suffer loss of pay because of attending grievance meetings, meetings with the Employer to resolve the dispute or arbitration proceedings. Such employees will first request permission from their supervisor to leave the job site and their supervisor will not unreasonably deny the request.

Time limits will be extended during a shut-down so that an Employee's right to grieve will not be affected.

Other time limits in the grievance procedure may be extended by mutual agreement of the parties.

Step 1

Within two weeks of an incident giving rise to a dispute between the parties, the Employee may meet with their supervisor in an attempt to resolve the dispute.

Step 2

If there is no resolve to the dispute within one week, the Shop Steward may meet with the Employee's immediate supervisor in an attempt to resolve the dispute.

Step 3

If there is no resolve to the dispute within two weeks, the Union may file a written grievance with the Director of Operations who shall meet with the Union to attempt to resolve the dispute. The Director of Operations shall respond in writing to the Union within one week of this meeting.

Step 4

If the grievance is not resolved in Step 3 to the satisfaction of the parties, either party may, within two weeks of completing Step 3, request a meeting of the Union and the Employer in which the Employer is represented by the Secretary-Treasurer and at least one School Trustee and/or the Human Resources Committee who shall meet to attempt to resolve the dispute. The Secretary-Treasurer will respond in writing to the Union within one week of this meeting.

Step 5

If the grievance is not resolved in Step 4 to the satisfaction of the parties, either party may, within two weeks of completing Step 4, refer the dispute to an arbitrator.

SECTION 2: ARBITRATION

A dispute referred to arbitration will be heard by a mutually-agreed-to single arbitrator whose decision will be final and binding on the parties. Each party will share equally in the costs of the arbitrator.

SECTION 3: POLICY GRIEVANCE

Where there is a dispute between the parties involving a question of general application or interpretation, or where the grievance involves multiple grievors, the grievance will start at Step 3.

ARTICLE V - SENIORITY & SEVERANCESECTION 1

Seniority, retroactive to the initial date of employment, shall be established following forty (40) working days of service as a probationary employee, within the six (6) month period immediately following the date of entering employment. During the forty (40) working days of the probationary period an employee may be transferred, laid-off, or terminated without such action becoming a matter subject to the grievance procedure, except as provided under the provisions of the Provincial Labour Code.

SECTION 2

In the lay-off, demotion or promotion of regular employees, competency shall be the primary consideration. Where these are equal, seniority or years of continuous service with the Board shall be the determining factor.

- (a) All lateral transfers or reclassifications into a position previously held by a regular employee shall be made on the basis of the first ten (10) work days being a trial period. If at the end of the trial period the employee does not prove satisfactory in the position then they shall return to their last held position. An employee on their own volition may return to the last held position within ten (10) working days of commencement of the new assignment. Posting for the previously held position shall be delayed for the trial period (ten [10] work days). The previously held position will be filled for the trial period by a senior casual employee.
- (b) All promotions or reclassifications into a position not previously held by a regular employee shall be made on the basis of the first forty (40) work days being a probationary period. If at the end of the probationary period the employee does not prove satisfactory in the position then they shall return to their last held position. An employee on their own volition may return to the last held position within forty (40) working days of commencement of the new assignment. Posting for the last held position shall be delayed for the probationary period (forty [40] work days). The last held position will be filled for the probationary period by a regular employee holding an assignment of less hours than the

vacancy or by a senior casual employee. If filled by a regular employee then the subsequent vacancy will be filled by a senior casual employee.

SECTION 3

Bus Drivers' probations shall be served only between September 1st and June 30th. Any unfinished probationary periods as of June 30 will carry over to September 1st next. Should a bus driving vacancy occur after May 15th, postings will be deferred until September, with the position being filled by a casual employee wherever possible.

SECTION 4

Although the Board does not desire to reduce the workforce or hours of work, it is recognized that circumstances may require such action. In making such reductions, the Board and the Union will consult to ensure that such actions are orderly and taken so that seniority is applied.

Prior to any lay-offs, or reduction in hours of work, of regular employees, the Board will consult with the Union through the Shop Committee. Consultation may include examination of options other than lay-off or reduction in hours of work, upon which the Board and the Union may reach agreement.

In the event of a reduction of the working force, providing other qualifications are equal, the last person hired shall be the first released.

(a) It is agreed that seniority during lay-offs shall be retained on the following basis:

(i) Employees with less than one (1) year service shall retain their seniority for a period of six (6) months.

(ii) Employees with one or more years' service shall retain their seniority for one (1) year plus one additional month for each year's service up to an additional six (6) months.

(iii) Notwithstanding the foregoing, during reduction of forces an employee may elect whether or not to apply their seniority to claim a position held by an employee with less seniority, providing the employee exercising the right is qualified to perform the work of the less senior employee, or accept lay-off until their regular position becomes available. During reduction of forces, an employee may not apply their seniority to claim a higher paid Journeyman – Certified position. When an employee uses their seniority to take a lower paid position, they will take the position held by the junior person in that category. However, if during the lay-off period the employee wishes to return to work and so notifies the Board, in writing, they shall be called back to work as their seniority entitles them to a job. Where the application of this section results in the displacement of a junior employee, a minimum notice of fifteen (15) working days will apply.

(b) Notice of Termination

When an employee is terminated, except for cause:

(i) two weeks' notice shall be given prior to the effective date of lay-off;

(ii) one additional week's notice shall be given for each subsequent completed year of employment up to a maximum of eight (8) weeks' notice;

- (iii) the period of notice shall not coincide with an employee's annual vacation;
- (iv) an employee who has been given notice of termination will be paid severance pay as follows:
 - employees with less than three (3) years of service - two (2) weeks' severance pay;
 - employees with three (3) or more years of service - one (1) additional week's severance pay for each completed year of service to a maximum of eight (8) weeks' severance pay;
- (v) severance pay will only be paid following expiration of seniority as outlined in Article V - Seniority & Severance, Section 4;
- (vi) an employee who has been given notice of termination may elect severance pay in lieu of the right to seniority and recall as outlined in Article V, section 4.
- (c) It shall be the Board's responsibility to maintain an address file on its employees and it shall be the employee's responsibility to notify the Board in writing of any change of address

ARTICLE VI - JOB POSTING

SECTION 1

- (a) If a vacancy occurs in a permanent position, or a new position is created which will come within the bargaining unit, such vacancy or job shall be posted for a minimum of five (5) working days. The posting places will be the Maintenance Shop, the Bus Garage, and all schools and sites, with two copies being given to the Union representative.

The posting of vacancies for Bus Drivers shall be done by route number and length of time to complete the job. This system will parallel the current postings procedures undertaken when posting custodial positions.

- (b) Where a vacancy of ten (10) consecutive days or more occurs which is caused by an employee's planned absence due to an illness, vacation or other authorized leave of absence, with appropriate notice of at least ten (10) working days, such job shall be posted as a temporary vacancy and shall be filled by the application of (a) above. Two subsequent vacancies that are a direct result of the original temporary vacancy, will be posted.
- (c) When a person is required to be hired to fill a vacancy created by unplanned illness or injury of a regular employee, or to fill a specific unforeseen or emergent situation for a period of time not to exceed a thirty-day tenure, or for leave of absence as defined in Article IX, excluding persons elected or appointed to full-time union office or elected to civic or government office, it shall not be required to post such vacancies, provided laid-off employees are called back in line with seniority before new employees are hired.
- (d) When a part-time position is increased by one hour or more, the job shall be re-posted.

SECTION 2: TEMPORARY JOB POSTING

- (a) The job posting notice will have the estimated duration of the job and will be clearly defined as "temporary".
- (b) All temporary postings shall be posted and comply with Article V - Seniority in the agreement.

- (c) The meaning of "temporary" will be no job longer than four (4) months in duration or return of incumbent, whichever occurs first. With the exception of position openings resulting from maternity, parental or adoption leaves.
- (d) Any job which has been estimated before the job has started to go longer than four (4) months, with the exceptions as in (c) above, may still be classified as "temporary" only by mutual agreement between the Board and the Union Committee.
- (e) Any job which has been estimated to go longer than four (4) months but is near completion after starting the temporary posting may continue only by mutual agreement between the Board and the Union Committee before the four (4) months have expired.
- (f) Any successful applicant of the temporary job posting will return to the former position at the end of the period stated with no loss of seniority or salary in such former position.
- (g) Persons applying for a temporary job posting agree to remain in that position for the posted duration of the vacancy, unless a regular position is posted involving equal or greater hours of work, or wage rate, than their regular position.
- (h) Casual on-call employees with seniority will be called for positions as required to cover the absence of regular employees. It is agreed that they will remain in the accepted position until the return of the regular employee, or they are successful in a permanent posting, or the position is claimed by an unassigned senior casual employee.

The reassignment of casual employees will be reviewed on a weekly basis, i.e., the commencement of the regular work week.

ARTICLE VII - STATUTORY HOLIDAYS

SECTION 1

No deduction in pay shall be made for any regular employee for any day on which one of the eleven statutory holidays occur, providing the employee reports for work on their scheduled work day before and after the holiday, or the employee is absent on approved leave of absence:

- | | |

The decision as to the plan to be followed shall be made by the Board.

SECTION 3

- (a) In the event that July 1st (Canada Day) holiday falls on a Tuesday, Wednesday or Thursday, and where the Board and the Shop Committee mutually agree, the said holiday may be observed on the preceding Monday or following Friday respectively.
- (b) If an agreement pursuant to (a) above has been reached, any employee working on July 1st will be paid at straight-time rates.

ARTICLE IX - LEAVES OF ABSENCE

SECTION 1: UNION, CIVIC DUTY AND GOVERNMENT LEAVE

Leave of absence with pay will be granted to not more than four elected representatives of the Union if it becomes necessary to transact business other than negotiations with the Board during working hours. This leave of absence must be obtained from the Director of Operations or designate. Leave of absence without pay will be granted to employees who are appointed or elected to union office for a period up to and including one (1) year. Further absence may be granted by mutual consent. This applies to continuous periods exceeding one (1) calendar month. Intermittent or casual absences shall not exceed thirty (30) working days per employee in any year. Employees elected to federal, provincial or civic office shall be granted as much leave as is necessary during the term of such office, without pay.

In order for the Board to replace the employee with a competent substitute, it is agreed that before the employee receives their leave of absence as set forth above, the Board will be given due notice in writing; in the case of periods of and exceeding one (1) calendar month, twenty (20) calendar days' notice, and in the case of casual absences, five (5) calendar days' notice.

SECTION 2: BEREAVEMENT LEAVE

Regular employees may be granted up to three (3) days leave of absence with pay in the event of a death in their immediate family. Immediate family is defined as spouse, children, parents of the employee, parents of spouse, brothers, sisters, brothers-in-law, sisters-in-law, natural grandparents, step-parents, step-children and grandchildren. Upon application and review of the circumstances, the Board may approve, with or without pay, additional time off as required.

SECTION 3: JURY DUTY

Any employee who is subpoenaed for jury duty or called upon to act as a Crown or Coroner's Witness or on a Coroner's Jury shall continue to receive full pay while so engaged, providing the employee turns over to the Board the pay considered to be wages exclusive of expenses for the Jury or Witness duty on the days they would normally be working.

SECTION 4: SICK LEAVE AND WORKERS' COMPENSATION

- (a) After completion of three (3) months continuous employment all employees shall be entitled to sick leave accumulative at the rate of the employee's scheduled daily hours worked multiplied by .6923 for each pay period worked. One day's sick leave shall be equal to an employee's regular rate.
- (b) Sick leave with pay will only be granted because of sickness or health reasons. An employee may be required to provide proof of sickness or other appointment necessitating sick leave. Employees absent on sick leave in excess of ten (10) working days shall provide an acceptable medical certificate upon return to work that the employee is fit and able to return to work.

Work stoppage as a result of a labour dispute shall not in any way be considered as sick leave. Employees will notify the Board as soon as possible if they are to be absent from duty for sickness or health reasons, and are expected to give the Board reasonable notice of their anticipated return to work.

- (c) In cases of unexpected illness or injury to an employee's immediate family, time off without loss of pay will be allowed to attend to family welfare. Leave granted to persons under this section shall be limited to one (1) day for each situation which will be a deduction to the employee's accumulated sick leave. The Board reserves the right to request a medical report or certificate regarding the family member's situation which necessitated the employee's leave of absence. Immediate family is defined as spouse, son, daughter, mother, father, mother-in-law, father-in-law and step-children.
- (d) Information regarding the number of sick leave credits accrued will be provided on the employee's pay stub.
- (e) In the event of the death of an employee before retirement, all accrued sick leave shall be paid to the estate.
- (f) All sick leave credits are cancelled upon termination of employment by employee resignation or for reasons of misconduct.

SECTION 5: GENERAL LEAVE

- (b) By mutual consent, extended leave of absence may be granted, without pay, to employees for compassionate, educational or training purposes or for reasons that normal vacation periods cannot adequately cover.
- (c) Periods of leaves of absence and/or sick leave without pay to an accumulative total in excess of twenty (20) working days in any one fiscal year shall not count in the accumulation of benefits (e.g., sick leave, vacations, superannuation).
- (d) The Board shall be required to notify the Shop Committee in respect of any leave approved in excess of ten (10) days under this section.
- (e) All applications for leave under the provisions of this section must contain disclosure of reasons for the leave.
- (f) When an extended leave has been granted in excess of four (4) months, after the elapse of four (4) months no further seniority credit will accrue until the employee has returned to work. This provision will not apply to employees on absence for reasons of sickness or injury.
- (g) An employee returning to work from an extended leave (unpaid sick leave or leave without pay) shall have the option, in accordance with their seniority, of either:
 - (i) returning to the position held at the commencement of the leave; or
 - (ii) returning to the junior regular position of agreed comparable hours and shift.

SECTION 6: PUBLIC OFFICE

RE: CURRICULAR AND EXTRACURRICULAR HOURS-DRIVING WORK IN EXCESS OF POSTED TIME FOR REGULAR BUS DRIVERS

1. At all times school bus drivers will be subject to government safety regulations regarding hours of work.
2. No school or group booking a curricular or extracurricular trip will incur extra cost in order to satisfy seniority.
3. In accordance with paragraph 2 above, where a regular bus driver's posted route fits best operationally with the curricular or extracurricular driving work required by the Board, the Board will endeavour to provide that driver with such curricular or extracurricular driving work.
4. Where the curricular or extracurricular work required by the Board fits equally well from an operational standpoint with the posted routes of more than one regular bus driver, the Board will endeavour to assign such driving work to the most senior of such regular bus drivers.
 - a. If a senior driver's posting does not fit a trip as per #2, they may forego the time between the end or beginning of their posted run and start or finish of the trip to acquire the trip.
 - b. Anytime there is less than 60 minutes between assigned trips where #2 does not apply the drivers will charge through.
 - c. Seniority for curricular or extracurricular trips will be dispatched on a depot seniority basis. The areas for each 3 depots will be set by the Transportation Supervisor and the Union and will be reviewed every August. Seniority for curricular and extracurricular trips on Sundays will be dispatched on a department seniority basis.
 - d. Regular employees holding a posted bus route will have priority for a curricular and extracurricular trips.
5. The provision of curricular or extracurricular driving work under this Letter of Understanding is based on providing such work to regular bus drivers up to an 8 hour day or 40 hour work week. In this respect, the Board is not required to put a driver into overtime.

6. Only those hours over 8 per day or 40 hours per week may be banked for future use and are subject to the Collective Agreement, Article XII, Section 4, Banking of Overtime. Regular bus drivers may use banked time on non-busing days, provided such use is in compliance with Article XII Section 4 of the Collective Agreement.
7. A driver's regular posted route shall take precedence over the performance of curricular or extracurricular and field trips. The Board shall only release the senior driver from their regular posted route to perform curricular, extracurricular or field trips if the extra work exceeds the senior driver's posted hours. The vacancy created shall be filled by a senior casual. Inversely if releasing the senior driver puts a hardship on that driver the driver may refuse the extra work.
8. A regular driver will not be obligated to relinquish his or her posted route to facilitate a senior driver in acquiring extra work, unless in an **emergency situation** where that driver's run is the only run that fits the trip and they are unwilling or unable to do the trip without loss of pay.
9. Where a senior driver has a portion of time at the end of their posted route to drive any students in a Learning Assistance Program or Middle School Alternate Program, such portion of that time shall be reassigned to the most senior driver so that the senior driver can obtain curricular, extracurricular and field trips.
10. This Letter of Understanding supersedes any applicable provision of the Collective Agreement between the Parties and in particular Article XII Section 1 (e).

an emergency situation is a situation that poses an immediate risk to health, life or property

5. Safety in the Workplace

The Parties agree that, in accordance with WorkSafe BC regulations, safety in the workplace is an employee right and is paramount. The Parties commit to providing a healthy and safe working environment which includes procedures to eliminate or minimize the risk of workplace violence. The Parties will work collaboratively to support local districts and unions to comply with all WorkSafe BC requirements.

Information relating to refusing unsafe work, and workers' rights and responsibilities, and employer responsibilities, as provided by WorkSafeBC is attached to this PFA for information purposes.

The Parties will establish a Joint Health and Safety Taskforce of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. Each Party will consider the appointment of subject matter experts in occupational health and safety, and special education.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

The work of this joint taskforce will be completed by January 1, 2020 and will include:

- Developing a joint communication to school districts and local unions on the obligation to report and investigate incidents including incidents of workplace violence.
- Reviewing and developing a Joint Health and Safety Evaluation Tool for the K-12 sector to ensure compliance with WorkSafe BC regulations.

- Identifying and developing appropriate training. This may include use of the evaluation tool, non-violent crisis intervention, ABA, incident reporting and investigations, and employee rights and responsibilities under WorkSafe BC regulations including the right to refuse unsafe work. Training implementation will fall under the mandate of the SSEC.

Utilizing the developed Health and Safety Evaluation Tool for K-12 sector, a joint evaluation shall be performed by a union member appointed by the local union and a representative appointed by the employer. This evaluation shall be on paid time (up to a maximum of three and a half (3.5) hours) and to be completed by March 31, 2021. The union agrees to cover any other costs incurred for the union member.

Copies of completed evaluations shall be provided to local presidents and employers as outlined on the evaluation tool.

The parties agree to commence the work of this taskforce upon approval of the Provincial Framework Agreement by both parties prior to the commencement of this PFA. Costs associated with this committee will be provided from existing SSEAC funds. These funds will be reimbursed with the funds provided under Section 9 Committee Funding.

6. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a. Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b. Developing and delivering education opportunities to enhance service delivery to students;
- c. Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d. Skills enhancement for support staff
- e. EA curriculum module development and delivery
- f. These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations

Terms of Reference:

The SSEC shall develop, not later than December 31, 2019, terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Parties.

Funding:

There will be a total of \$1 million of annual funding allocated for the purposes set out above commencing July 1, 2019, for the term of this agreement.

7. Job Evaluation (JE) Committee

The Parties will continue and conclude the work of the provincial job evaluation steering committee (the JE Committee) during the term of this Framework Agreement. The objectives of the JE Committee for phase two are as follows:

- Review the results of the phase one pilot and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Expand the pilot to an additional ten (10) districts including at least two (2) non-CUPE locals to confirm the validity of the tool and the benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

It is recognized that the work of the committee is potentially lengthy and onerous. To accomplish the objectives expeditiously the Parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) on a full-time basis if necessary to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined below is appropriate.

The committee, together with consultant(s) if required, will develop a method to convert points into pay bands. The confirmed method must be supported by current compensation best practices.

The disbursement of available JE funds shall commence by January 2, 2020, or as mutually agreed.

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time has been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the Parties at key milestones during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be discussed and resolved by the Parties at that time.

The parties confirm that the \$900,000 of ongoing annual funds established under the 2014-2019 Provincial Framework Agreement will be used to implement the Job Evaluation Plan. An additional \$3 million of ongoing annual funds will commence on July 1, 2021.

8. Provincial Labour Management Committee (PLMC)

The Parties agree to establish a PLMC to discuss and problem solve issues of mutual provincial interest. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work related skills and to promote workplace productivity.

The PLMC shall not discuss specific grievances or have the power to bind either Party to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either Party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the agreement and agree to include Workplace Health and Safety as a standing agenda item.

9. Committee Funding

There will be a total of \$100,000 of annual funding allocated for the purposes of the Support Staff Education Committee and the Provincial Labour Management Committee. There will be a one-time \$50,000 allocation for the purposes of the Joint Health and Safety Taskforce.

10. Support Staff Initiative for Recruitment & Retention Enhancement (SSIRRE)

The Parties commit to a Support Staff Initiative for Recruitment & Retention Enhancement (SSIRRE) with the following objectives:

- a. Gathering data of existing support staff recruitment and retention challenges and projected demand in the sector
- b. Gathering data of existing offerings for applicable post-secondary programs, vocational programs and identify potential gaps in program offerings to meet projected demands
- c. Partnering with post-secondary schools and vocational training providers to promote support staff positions in school districts
- d. Marketing the support staff opportunities within the sector (eg. Make a Future)
- e. Targeted support for hard to fill positions

The representatives of the PLMC will mutually select a consultant to perform the work of the initiative. The consultant will report to the PLMC on key milestones and as otherwise requested. During the term of the agreement, \$300,000 will be allocated for the purposes set out above.

11. Early Care and Learning Plan

In support of the Province's Early Care and Learning (ECL) Plan, the parties will pursue collaborative opportunities for the K-12 sector to support effective transitions for care and learning from the early years to kindergarten e.g. before and after school care.

12. Unpaid Work

In accordance with the Employment Standards Act, no employee shall be required or permitted to perform unpaid hours of work.

13. Employee Family Assistance Program (EFAP) services and the PEBT

The Parties request that the PEBT Board undertake a review to assess the administering of all support staff Employee Family Assistance Program (EFAP) plans.

14. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

This payment shall be made each April 1 of the calendar year to provide LTD and JEIS benefits in accordance with the Settlers Statement On Accepted and Policy Practices of the PEBT.

17. Adoption of Provincial Framework Agreement (PFA)

The rights and obligations of the local parties under this Provincial Framework Agreement (PFA) are of no force or effect unless the collective agreement has been ratified by both parties no later than November 30, 2019.

RE: EMPLOYEE SUPPORT GRANT (ESG) AFTER JUNE 30, 2019

This Employee Support Grant (ESG) establishes a process under which employees covered by collective agreements between Boards of Education and the Unions shall be entitled to recover wages lost as a result of legal strike activity by the BC Teachers' Federation ("BCTF") or lockout by BCPSEA after June 30, 2019.

1. The ESG will be available provided that:
 - a. A board and local union have a collective agreement which has been ratified by both parties no later than November 30, 2019, and,
 - b. There has been no successful strike vote by the BCTF or local support staff union prior to local union ratification.
2. Employees are expected to attend their worksite if there is no lawful BCTF picket line.
3. Employees who have lost wages as a result of not crossing lawful picket lines during full days of a BCTF strike/BCPSEA lockout shall be compensated. This compensation shall be in accordance with the following:
 - a. In the event that employees are prevented from attending work due to a lawful picket line, employees will be paid for all scheduled hours that the employee would have otherwise worked but for the labour dispute. Their pay will be 75% of their base wage rate.
 - b. The residual 25% of the employees' base wage rate will be placed in a district fund to provide professional development to support staff employees. Funds will be dispersed by the district following agreement between the district and the local union.
4. Within forty-five (45) days of the conclusion of the labour dispute between BCPSEA and the BCTF, boards will reimburse each employee for all scheduled hours for which the employee has not otherwise been paid as a result of strike or lockout.
5. If the employee disputes a payment received from the board, the union may submit the dispute with particulars on the employee's behalf to a committee comprised of an equal number of representatives appointed by BCPSEA and the Unions.

6. If the joint committee is unable to resolve the employee's claim it will submit the dispute to a mutually agreed upon arbitrator who must resolve the dispute within ten (10) days of hearing the differences between the board and the union.

RE: PUBLIC SECTOR GENERAL WAGE INCREASES

1. If a public sector employer as defined in s. 1 of the Public Sector Employers Act enters into a collective agreement with an effective date after December 31, 2018, and the first three years of the collective agreement includes a cumulative nominal (not compounded) general wage increase of more than 6%, the general wage increase in the 2019-2022 Provincial Framework Agreement will be adjusted on the third anniversary of the 2019-2022 Provincial Framework Agreement so the cumulative nominal (not compounded) general wage increases are equivalent. This Letter of Agreement is not triggered by any general wage increase awarded as a result of binding interest arbitration.
2. A general wage increase and its magnitude in any agreement is as defined by the PSEC Secretariat and reported by the Secretariat to the Minister of Finance.
3. For certainty, a general wage increase is one that applies to all members of a bargaining unit and does not include wage comparability adjustments, targeted lower wage redress adjustments, labour market adjustments, service improvement allocations, and is net of the value of any changes agreed to by a bargaining agent for public sector employees to obtain a compensation adjustment.
4. This Letter of Agreement will be effective during the term of the 2019-2022 Provincial Framework Agreement.

This agreement is without prejudice to either party's position on any matters not expressly addressed by this agreement.

REFUSING UNSAFE WORK

Workers have the right to refuse unsafe work. If you have reasonable cause to believe that performing a job or task puts you or someone else at risk, you must not perform the job or task. You must immediately notify your supervisor or employer, who will then take the appropriate steps to determine if the work is unsafe and remedy the situation.

As an employer, workers are your eyes and ears on the front line of workplace health and safety. When workers refuse work because they believe it's unsafe, consider it an opportunity to investigate and correct a situation that could have caused harm.

If a worker refuses work because it's unsafe, workplace procedures will allow the issue to be properly understood and corrected. As a worker, you have the right to refuse to perform a specific job or task you believe is unsafe without being disciplined by your employer. Your employer or supervisor may temporarily assign a new task to you, at no loss in pay.

Steps to follow when work might be unsafe:

1. Report the unsafe condition or procedure

As a worker, you must immediately report the unsafe condition to a supervisor or employer. As a supervisor or employer, you must investigate the matter and fix it if possible. If you decide the worker's concern is not valid, report back to the worker.

2. If a worker still views work as unsafe after a supervisor or employer has said it is safe to perform a job or task

As a supervisor or employer, you must investigate the problem and ensure any unsafe condition is fixed. This investigation must take place in the presence of the worker and a worker representative of the joint health and safety committee or a worker chosen by the worker's trade union. If there is no safety committee or representing trade union at the workplace, the worker who first reported the unsafe condition can choose to have another worker present at the investigation.

3. If a worker still views work as unsafe, notify WorkSafeBC

If the matter is not resolved, the worker and the supervisor or employer must contact WorkSafeBC. A prevention officer will then investigate and take steps to find a workable solution.

Note: WorkSafeBC establishes a range of employer and employee rights and responsibilities. Please visit www.worksafebc.com for current information.

Worker Rights and Responsibilities:

On a worksite, everyone has varying levels of responsibility for workplace health and safety. You should know and understand your responsibilities — and those of others. If you're a worker, you also have three key rights. Your rights.

- The right to know about hazards in the workplace
- The right to participate in health and safety activities in the workplace
- The right to refuse unsafe work without getting punished or fired

Your responsibilities

- As a worker, you play an important role in making sure you — and your fellow workers — stay healthy and safe on the job. As a worker, you must:
- Be alert to hazards. Report them immediately to your supervisor or employer. □ Follow safe work procedures and act safely in the workplace at all times.
- Use the protective clothing, devices, and equipment provided. Be sure to wear them properly.
- Co-operate with joint occupational health and safety committees, worker health and safety representatives, WorkSafeBC prevention officers, and anybody with health and safety duties.
- Get treatment quickly should an injury happen on the job and tell the health care provider that the injury is work-related. Follow the treatment advice of health care providers.
- Return to work safely after an injury by modifying your duties and not immediately starting with your full, regular responsibilities.
- Never work under the influence of alcohol, drugs or any other substance, or if you're overly tired.

Employer Responsibilities:

Whether a business is large or small, the law requires that it be a safe and healthy place to work. If you are an employer, it is your responsibility to ensure a healthy and safe workplace.

Your responsibilities

- Establish a valid occupational health and safety program.
-  Train your employees to do their work safely and provide proper supervision.
- Provide supervisors with the necessary support and training to carry out health and safety responsibilities.
- Ensure adequate first aid equipment, supplies, and trained attendants are on site to handle injuries.
- Regularly inspect your workplace to make sure everything is working properly.
- Fix problems reported by workers.
- Transport injured workers to the nearest location for medical treatment.
-  Report all injuries to WorkSafeBC that required medical attention.
- Investigate incidents where workers are injured or equipment is damaged.
-  Submit the necessary forms to WorkSafeBC.

Supervisor Responsibilities:

Supervisors play a key role with very specific health and safety responsibilities that need to be understood.

A supervisor is a person who instructs, directs, and controls workers in the performance of their duties. A supervisor can be any worker — management or staff — who meets this definition, whether or not he or she has the supervisor title. If someone in the workplace has a supervisor's responsibilities, that person is responsible for worker health and safety.

Your responsibilities

- Ensure the health and safety of all workers under your direct supervision.
- Know the WorkSafeBC requirements that apply to the work under your supervision and make sure those requirements are met.
- Ensure workers under your supervision are aware of all known hazards.
-  Ensure workers under your supervision have the appropriate personal protective equipment, which is being used properly, regularly inspected, and maintained.
