All postings shall be sent to the Union within two (2) working days from the date of posting.

Applicants will be required to apply in writing on or before the closing date indicated in the job posting for any position for which they wish to be considered.

11.05 **Selection**

The governing factors for appointment to positions within the bargaining unit are qualifications, relevant experience, and documented past performance in a previous and related appointment which is demonstrably relevant to the position being sought. Should several candidates meet the aforementioned requirements, then seniority will be the determining factor.

11.06 The Employer may directly fill positions in the following circumstances:

- (a) In the event a posted position does not attract sufficient qualified applicants; or
- (b) In the event of sudden departure of the incumbent that could adversely affect a work assignment outcome such as serious illness or resignation; or

 - ii) the same department, for non-course related positions; or
 - iii) **the same position is available within the same department/faculty and there has been less than a two (2) month gap from the time of the first position ending and the new position commencing. In which case, the position must first be offered to the person who has held the position within the last two (2) months. Should the incumbent not be available, the position shall be posted as per Article 11.01.**

11.07 Notification of Appointment

Successful applicants will receive a signed copy of their employment agreement, which shall include: job title, classification, course number and title (where applicable), estimated total hours of work (**and for Residence Assistants, the estimated number of duty shifts per month**), starting date, salary, hiring department, length of appointment, the Supervisor, **a copy of the vacancy posting**, and identification of PSAC as the bargaining agent. **Information pertaining to the online orientation session (including access instructions) will be provided at the time of hire.**

In the event that an existing job description is re-evaluated or amended by the Employer, the Employer shall notify the affected Employees and the Union as soon as possible, prior to the completion of the re-evaluation.

Article 12 – Hours of Work

- 12.01 All contracts will be for a fixed duration with no entitlements or expectations beyond the contract, unless mutually agreed to by the Employee and their Supervisor. **In the case of multi-year grant-funded projects, an Employee may be hired for the duration of the project. Should the duration of the project be unknown, the anticipated end date of the project (or project funding) will be used to establish the contract end date. The contract may be extended prior to the anticipated end date to avoid a break in employment should the project continue beyond said date.**
- 12.02 Maximum hours of work payable at straight time are eight (8) hours per day or forty (40) hours per week. Any and all hours worked in excess of eight (8) hours per day or forty (40) hours per week shall be paid at **two** times (**2x**) the Employee's normal hourly rate of pay. As Employees may hold more than one appointment, and in more than one bargaining unit, it is incumbent on the Employee to ensure that they track and monitor their hours and advise their Supervisor(s) when their assigned hours may exceed forty (40) hours in a week.
- 12.03 All hours to be worked shall be pre-authorized by the Supervisor. Employees shall be paid for all hours worked, as per their employment agreement, unless this agreement is amended as a result of a change agreed to by the Supervisor and Employee. Where an Employee is authorized to work in excess of the initial assigned hours, the Employee shall be paid for the excess work.
- 12.04 The parties agree that it is the exclusive function of the Employer to develop and distribute work assignments. However, the Supervisor, in consultation with the Employee, shall ensure that assigned duties are understood, and deadlines and responsibilities can reasonably be completed within the allocated time and in accordance with this Article. All duties of the Employee, including preparation time, if applicable, shall be included in the calculation of the hours allocated for the assignment.
- 12.05 The Supervisor shall be responsible for meeting with an Employee at the beginning of the appointment and at another point during their appointment, for the purpose of conducting a review of the Employee's assigned duties and ensuring the Employee's hours of work continue to be appropriate. **Meetings between the Employee and their Supervisor for the purposes of discussing work assignments shall be considered time worked, and paid the Employee's regular hourly rate.**

12.06 Where an Employee has reason to believe that they may be unable to perform the duties specified in the employment agreement within the hours specified therein, the Employee shall notify their Supervisor without delay from the point at which they ought to have reasonably known about the discrepancy. The Employee and the Supervisor shall then come to mutual agreement on how the remainder of the Employee's allocated hours shall be spent.

12.07 If a shift is cancelled by the Employer, every effort will be made to assign the Employee alternative work. However, if this is not possible, and less than forty-eight (48) hours' notice of the cancellation is given, the Employee shall be compensated for the number of hours they were scheduled to work.

12.08 Work Schedule for Student Ambassadors

The Employer shall send Employees the list of available shifts for the following week at a fixed time every week. Employees shall be given forty-eight (48) hours to reply, indicating the shifts they are available to work, and the Employer shall allocate any given shift to the most senior qualified Employee who is available.

The only exceptions to this process shall be as follows:

- (a) Specific qualifications/criteria are required for a particular tour (eg. Self-declared Indigenous student to give a group of prospective Indigenous students a tour, or a nursing student to give a tour to a prospective nursing student for a day); or
- (b) Tour bookings are made less than one (1) week in advance; or
- (c) An Employee provides less than one (1) week's notice that they are unable to work their scheduled shift.

Article 14 – Seniority

14.01 “Seniority”, as referred to in this agreement, shall mean length of continuous employment with Brandon University. Seniority shall accumulate based on the total number of hours worked from the first date of hire with the University. **In cases where seniority may apply, seniority at the posted classification shall take precedence.**

14.02 The Employer will maintain **seniority information** for all employees in the bargaining unit. **Seniority lists** shall show the name, hours of seniority and department/unit of each employee. Seniority Lists will be updated every six (6) months and issued August 31 (June 30 cut-off) and February 28 (December 31 cut-off). Seniority lists shall be posted on the Human Resources webpage. An electronic copy of the list shall be given to the Local Union Representative.

14.03 An Employee shall have thirty (30) calendar days from the posting of each seniority list containing their name to advise the Employer, in writing, of any errors with respect to their respective seniority date. Thereafter, the Employee shall be deemed to have accepted the seniority date posted.

However, in the event that seniority is applied to determine hiring, the Employer shall inform each candidate of their respective seniority at the posted classification. In the event that a candidate feels there is an error in their seniority at that time, they may grieve the hiring decision, as per Article 17.

14.04 Where two (2) or more Employees have the same seniority date, they shall be placed on the seniority list in an order determined by lottery. The lottery will be conducted by the Employer with a Local Union Representative present.

Article 15 – Discipline and Dismissal

15.01 No Employee shall be disciplined or dismissed except for just and sufficient cause.

15.02 Disciplinary action shall be in accordance with the principles of progressive discipline and be reasonable and commensurate with the seriousness of the violation. The Disciplinary Actions that may be taken by the University include, but are not limited to, verbal warnings, letter(s) of warning or reprimand, suspension without pay, and dismissal.

15.03 Prior to the imposition of discipline, the Employee shall have the opportunity to meet with the Employer. The Employer will advise them of their right to

Union representation. The Employee shall be provided with at least three (3) working days' **written** advance notice of the meeting and be provided with reasonable time to secure Union representation. **A copy of the written advance notice shall also be sent to the Union.**

- 15.04 The Employee shall be notified in writing of the nature of the disciplinary action(s) taken and the reasons for such action(s) within five (5) working days and a copy of the letter shall be placed in the Employee's personnel file and forwarded to the Union at that time. **The Employee shall be given the opportunity to sign the notice of discipline and append their comments. The Employee's signature and comments shall not constitute agreement with the contents of the disciplinary action.**
- 15.05 Any disciplinary action against an Employee in regard to an allegation of sexual harassment, discrimination or personal harassment shall be in accordance with the University-wide Discrimination and Harassment Prevention Policy and Procedures.

Article 16 – Personnel Files

- 16.01 Employees shall have the right to review their employment file by submitting such request in writing to Human Resources. An appointment to review the file will be arranged, normally within two (2) working days of receipt of such request. The Employee may be accompanied by a Union Representative if they so wish.
- 16.02 Upon request, a representative of the Union shall have the right to examine the personnel file of an Employee in the latter's absence, if such representative has the necessary form from Human Resources with an original signature of the Employee.

17.05 The grievor shall be entitled to Union representation.

17.06 The parties agree that it is preferable to resolve problems through discussions among those persons directly concerned before submitting a grievance. To this effort, the Employee is normally required to discuss any differences(s) with **their** Supervisor as soon as possible after the Employee becomes aware of the incident giving rise to the difference(s). Upon request, the **E**mployee may have a Union representative present at such meetings and the Union representative shall not act as spokesperson during the meeting.

17.07 The Grievance procedure shall be as follows:

Step 1

A grievance shall be submitted to the Administrative Head within twenty (20) working days of the date on which the Employee knew or ought reasonably to have known of the occurrence of the matter giving rise to the grievance. The Administrator shall provide a written decision within ten (10) working days of receipt of the grievance.

Step 3

For the next arbitration thereafter, the person who appears on the list immediately after the arbitrator last selected shall be next in sequence of selection. By mutual agreement, the Parties may select an arbitrator not on the list.

- 19.04 The Union will continue to make every effort to obtain the cooperation of each Employee within the bargaining unit in the observation of all reasonable safety rules, practices and procedures.
- 19.05 Every Employee shall take all reasonable precautions and follow all reasonable safety rules, practices and procedures in order to protect their safety and health and the safety and health of any other persons who may be affected by their acts or omissions at work.
- 19.06 Where a supervisor knows that any condition exists at a workplace that is unusually dangerous to the safety or health of an employee, they shall not require or permit an Employee to engage in, carry on or continue to work in

19.07 Nothing in this Article prevents the doing of any work or thing that may be necessary in order to remedy the dangerous condition described herein.

19.08 Disciplinary action shall not be taken against an Employee solely for the reason that:

- (a) they made a report under this Article; and/or
