IMPORTANT NOTICE CONCERNING DISCLOSURE

Axiom Underwriting Agency Limited would like to remind you of the duty of policyholders and intermediaries to pass to the Underwriter(s), all material information relating to the risk under consideration. "Material" in this context refers to all information which a prudent Underwriter (not necessarily the Underwriter in question), would wish to take account of when considering whether or not to accept the risk, and if so, upon what terms and at what price.

In arranging this policy you must have provided us with a fair presentation of the risks to be insured. This means you must have clearly disclosed all material facts which you, your senior management and or persons responsible for arranging the Policy knew or ought to have known. If you have not made a fair presentation, this could mean that part or all of a claim may not be paid. Please be aware that in some circumstances, if you have not made a fair presentation of the risk, we may avoid the contract and the premium may not be returned. You must also make a fair presentation to us when the policy is to be renewed.

The duty of disclosure continues up until the Insurance has been concluded and "resurrects" in the event of any amendment to the risk during the policy period or any extension/renewal. It may also be that the terms of the policy include specific ongoing disclosure conditions or warranties which effectively extend the duty of disclosure post inception of the policy.

DECLARATION

It is declared that to the best of the knowledge and belief of the insured the statements and replies set out herein are true and that no material facts have been misstated or suppressed. The insured undertakes to inform insurers of alterations to any facts which are or become material before inception of the contract of insurance.
