

Lifeline Plus - Group Personal Accident & Travel Insurance

Help at your fingertips, fast.

Access to assistance and advice, from anywhere at any time.

Lifeline Plus is more than an insurance policy; it's a complete support network for travelling employees. In addition to emergency travel, medical and security assistance, it includes a range of web and telephone based services which can be used at any time – not just when making a claim. What's more, we've made a number of improvements that allow you to access these services on mobile devices. If you are insured under your employer's Lifeline Plus policy, you have access to the following resources and services.

Assistance at your fingertips...

The AIG Business Travel Assistance App

Assistance

Our new mobile app puts a world of valuable information and assistance in the palm of your hand, 24/7. As an alternative to assistance cards, it features a quick-call Help button that connects you to emergency travel, medical and security assistance.

AIG's mobile assistance website can be used with all smartphones, including BlackBerry®
