RALLYeXtra

The Cruising Sailor's Choice Insurance for ARC participants

Admiral insure well found cruising yachts and have been a strong supporter of World Cruising Club rallies for many years.

RALLYeXtra is tailored to meet the needs of rally participants and includes benefits not available from other insurance companies.

"We at Admiral are well placed to serve the needs of the ARC participant. Since founding Admiral in 1991, I have personally attended every ARC in Las Palmas. Having cruised and raced in the Caribbean for many years, I have visited most of the repair and haul out facilities in the region and have kept my boat there for several hurricane seasons."

Robert Holbrook, MD Admiral Marine

The Admiral policy is backed by Lloyd's and is one of the most comprehensive yacht policies available.

The RALLYeXtra benefits are exclusive to ARC participants.

As specialists, Admiral channel their knowledge, experience and energy towards serving the needs of cruising sailors.
