

International Professional Lines

Management Liability Solutions

About AXIS Capital

AXIS Capital is a leading global provider of specialty lines insurance and reinsurance with locations in Bermuda, the United States, Canada, Europe, Singapore, Australia and Latin America. The AXIS insurance and reinsurance companies are rated "A+" (Strong) by Standard & Poor's and "A+" (Superior) XV by A.M. Best.

PROVEN LEADERSHIP IN PROFESSIONAL LINES

AXIS Insurance's Professional Lines Division specialises in underwriting management liability coverage and other corporate and executive protection insurance products for clients throughout the world. Our Professional Lines operation in London was established in 2004 and is an undisputed market leader in this sector with a wealth of experience that distinguishes us in the industry. We provide customised coverage solutions for a diverse array of publicly traded and privately held companies. Our distribution partners and policyholders value our in-depth underwriting expertise and excellent claims service.

World-Class Claims Service

AXIS Insurance understands that the true test of any policy comes when a claim arises. That's why we have highly experienced Professional Lines claims specialists on staff who understand the intricacies of today's rapidly changing legal and regulatory environment. Our deep commitment to our policyholders is evident in the skilled and responsive way we handle claims and how we work with expert legal resources to achieve results. We also have an integrated approach to underwriting and claims, which helps facilitate efficient and effective claims management.
