- Accident Claims Defensibility
- Business Continuity Planning Reviews and Business Impact Analysis

## Package+ Transport & Logistics

### Key Benefits:

#### Cyber Risk Cover

To respond to growing activity in this area, **Package+ Transport & Logistics** can provide first and third party cyber coverage, including: Cyber Loss or Damage, Business Interruption, Telephone Hacking, Cyber Extortion, Cyber Media Liability, Privacy Liability, Breach of Confidentiality Liability and Cyber Security Liability.

#### 24/7 Data Breach Response Services

We have arranged an integrated data breach response service to help our customers manage, investigate, resolve and recover from a data security breach.

#### Media Management Crisis Costs

Recognising the importance of reputation and brand, we provide a Crisis Management extension to respond to adverse publicity resulting from a claim arising under any insured section of the policy.

#### Key Personnel

People are key to the success of any business. **Package+ Transport & Logistics** covers costs incurred to prevent interruption to business following the death or permanent disablement of essential personnel.

#### Multinational Capability

We are able to provide consistent and compliant cover for global operations including overseas Terrorism coverage.

#### Risk Management Services

A suite of services to help reduce risk in the areas covered by the **Package+ Transport & Logistics** policy including transportation risk control services, business continuity planning reviews, business impact analyses, IOSH Managing Safely courses and cyber security reviews including reviews of third party data storage.

#### Pro-active Rehabilitation Services

We offer a Rehabilitation service that includes intervention before a claim has been made. We assist with employees' recovery immediately after an injury supporting early return to work.
