Fine Art and Specie

We provide risk solutions for a diverse range of specie business from local jewellery retailers and regional armoured car operators through to world-famous museums and the vaults of multi-national banks. We write business either through our Company or Lloyd's syndicate paper, from our London HQ and through our global distribution network of Liberty offices, working with domestic and international brokers. In an ever-changing industry and marketplace, we take great pride in making sure we continue to meet the expectations and needs of our clients in a timely and efficient manner.
