

Surety

Overview

With business today moving so fast, bonding requirements are often time-sensitive and vital to a company's success. Our approach is to be innovative and flexible, focusing on providing outstanding service to our clients.

At Liberty Specialty Markets, we provide surety bonds and guarantees predominantly for large publicly traded/privately owned companies, offering an alternative to bank guarantees. We pride ourselves on our knowledge and understanding of a client's business and the strong long-term relationships we develop with them.

As a part of the Liberty Mutual Insurance Group we are one of the largest providers of surety globally, offering our clients significant capacity and superior service, both locally and through our global network.
