About Advantage Underwriting

Advantage Underwriting Limited is an MGA based in Jersey, Channel Islands, originally established in 2006. We provide a range of insurance policy covers to an established network of regional insurance brokers throughout the UK. These include:

- Commercial combined
- Combined liability
- Property owners
- Mid - HNW household insurance
- Professional indemnity
- Contractors all risks
- Excess of loss

Our aim is to provide our UK brokers with a personal underwriting service through dedicated individual underwriter contacts, efficient service standards, through a bespoke and broad range of products.

We are also a coverholder at Lloyd's and are able to underwrite and bind risks on behalf of Lloyd's syndicates, as well as placing bespoke programs and arranging schemes.

If you would like to take advantage of the benefits that Advantage Underwriting can bring to your brokerage then please contact us for a discussion.
