

Active Assailant

The threat of a physical attack has become a real risk for many businesses and public service providers in recent years, with both terrorist and active assailant incidents on the rise. XL Catlin offers specialist insurance and crisis management services to help organisations prepare for these complex, ever-changing threats and recover quickly if an incident happens.

Coverage

- Business interruption, closure of premises, time element loss and denial of access
- Physical loss and/or damage to property
- Extra expenses involved in managing and recovering from an incident, including:
 - Public relations costs
 - Relocation expenses
 - Counselling costs and/or psychiatric care
 - Medical expenses
 - Job retraining
 - Additional security measures
 - Any other costs we agree are reasonable

Highlights

- Broader trigger extended to include Bodily Injury
- Broader coverage for non-terrorism related perils

Capacity

- We can cover up to \$35 million, €35 million or £25 million for any one risk.

Crisis response services

Our insurance is backed by expert advice from S-RM, a leading specialist risk and business intelligence consultancy. S-RM helps clients understand the security risks their business' face and find the most effective way to deal with them. Services include tailored risk assessments, security planning and active security management.

Target Industries:

We accept clients from a wide range of industries and business sizes, from SMEs to large multi-nationals. Typical organisations include:

- Academic institutions
- Hospitality businesses
- Municipalities
- Healthcare providers
- Retailers
- Media and telecoms businesses
