Fine Art & Specie

XL CATLIN

Jewellery

Precious stones, exquisite gems and precision timepieces ... Jewellery in its many forms has special appeal. For some it's a business, for others a passion. And whether you're dealing in the raw and/or refined, when it comes to risk, priceless pieces need great answers. Manufacturers and dealers around the world trust XL Group as their partner. We have the knowledge, experience, global capabilities and financial strength, putting us among a handful of insurers who understand this highly specialised area. We help to keep these businesses moving forward.

Coverage

Broad, flexible cover based on an indepth understanding of our clients' needs. This includes all risks of physical loss or damage associated with the mining of raw materials to the retailing of the finished product.

Capacity

We offer large capacities as sole insurer, leading insurer or in co-insurance.

Experience

Our underwriters have the skills and knowhow in many areas. Including the diverse needs of:

- Miners
- Manufacturers
- Wholesalers
- Retailers
- Personal jewellery collections

Geographic focus

Local access and global capabilities for clients around the world. Through our global network, we can issue locally admitted policies in over 140 countries. On a standalone basis or as part of our Global Program product.

Policies can be written internationally through Lloyd's of London (Syndicate #2003) as well as locally throughout Asia, Europe, Latin America and USA/Canada.

Participation

Our quotations are tailored to each risk and can be written on Primary, Excess, or Quota share basis.

Typical information we need from you

To accurately evaluate your risk, we require the following:

- Completed proposal form
- Full security details

Keep your business moving forward
