Beazley has been insuring general cargoes since 2003. We offer protection for goods while in transit (by land, sea or air) and in store during the ordinary course of transit or long term storage. Particular areas of expertise include the movement of difficult project cargo, oil (both crude and products) and general commodities.

Key aspects of cover

- Worldwide imports/exports, UK inland transits and stock throughputs
- Institute and market clauses plus additional clauses offering cover for exposures faced when trading goods internationally or within the UK.

Extensions available

- Exhibitions and demonstrations
- Sales representative samples and engineers' tools
- Film production and media equipment
- Tradesman's vehicles
- Motorsport.

Limits available

- GBP 20,000,000 – Higher limits may be available on request.

Target business

- UK risks with exposures both within the UK and internationally, e.g. importers, exporters, manufacturers, retailers, wholesalers, suppliers, sporting associations/teams, media & entertainment industries.
