WHAT IS COVERED BY THIS POLICY

This policy covers you for the flood claim excess amount you have to pay under your Holiday Home/Let insurance policy when you suffer damage or loss to your Holiday Home/Let property due to flood subject to the incident that gave rise to a claim under your Holiday Home/Let insurance policy occurring during the period of insurance.

If you are claiming under your Holiday Home/Let insurance policy for flood damage or loss to your Holiday Home/Let property then you will be able to claim under this policy once your Holiday Home/Let policy insurer has settled a flood claim under your Holiday Home/Let insurance policy and you have paid the flood claim excess that applied to that claim.

If your claim against the Holiday Home/Let insurance policy is unsuccessful we may still be able to consider your claim. Examples of this would include:

- the Holiday Home/Let policy insurer cancels their policy for a reason not related to the flood loss or damage; or
- You breach the terms of their insurance but not this policy; or
- there is a dispute between you and the Holiday Home/Let policy insurer over the amount of your claim for loss or damage

If the amount of the claim falls below the value of your flood excess we will assess a claim under this policy and provided you meet all the terms and conditions of your Holiday Home/Let insurance policy, we will cover the cost of the flood loss or damage to your property that is below the value of your Holiday Home/Let insurance policy excess.
