Motor Insurance Database and Fraud Registers

Insurers pass information to the Claims and Underwriting Exchange Register, run by Insurance Database Services Ltd (IDS Ltd) and the Motor Insurance Anti-Fraud and Theft Register, run by the Association of British Insurers (ABI). The aim is to help us to check information provided and also to prevent fraudulent claims. We may search these registers when we deal with your request for insurance. Under the conditions of your Policy, you must tell us about any incident (such as an accident or theft) which may or may not give rise to a claim. When you tell us about an incident we will pass information relating to it to the registers. Your Policy details will be added to the Motor Insurance Database (MID) which is run by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by the DVLA, DVANI, the Insurance Fraud Bureau and other bodies authorised by law for the purposes of, but not limited to, Electronic Vehicle Licensing, Continuous Insurance Enforcement, law enforcement for the purposes of prevention, detection, apprehension and/or prosecution of offenders and by government services and other services aimed at reducing the level and incidence of uninsured driving. If you are involved in a road traffic accident (in the UK, EEA or certain other territories), other insurers and/or the Motor Insurers' Bureau may search the MID to obtain relevant Policy information. Persons pursuing a claim (including his or her appointed representatives) in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID. It is vital that the MID holds your current registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the police. You can check that your correct registration number details are shown on the MID at www.askmid.com. You should show this notice to anyone insured to drive the vehicle covered under the Policy.

You will not have to pay the amounts shown above if the loss or damage is caused by fire or theft.

Recovery and re-delivery

Following any claim covered under the Loss of or damage to your vehicle section we will pay the reasonable cost of removing the vehicle from the place where the damage occurred to the premises of the nearest competent repairer and re-deliver to you in the United Kingdom after repair.

Do not attempt to move the vehicle yourself if this could increase the damage. If unnecessary damage is caused as a result of your attempts to move your vehicle we will not pay any extra cost arising from that damage.

Repairs

If your vehicle is damaged in any way covered by this insurance contact us immediately for advice and assistance about repairs.

If your vehicle cannot be driven safely you may authorise reasonable and necessary repairs without previously obtaining consent providing that you notify us immediately.

We may arrange for your vehicle to go to a repairer of our choice if we cannot reach an agreement with the repairers over costs.

Total loss (write-off)

If the cost of repairs to your vehicle is greater than the market value of the vehicle we will offer you an amount as compensation. The insurance for your vehicle will end when you accept that offer.

If requested you must send us the vehicle registration document (V5c), MOT certificate, vehicle purchase receipt, all keys and any other relevant documentation before we agree settlement.

Once payment has been issued the vehicle becomes our property for disposal.

If there is any outstanding loan on the vehicle we may pay the finance company first. If our estimate of market value is more than the amount you owe them we will pay you the balance. If our estimate of the market value is less than the amount you owe you may have to pay them the balance.

If your vehicle is leased or on contract hire, we may pay the leasing or contract hire company first. When calculating the value of the vehicle we may take into account any discount on the manufacturer's recommended retail price they obtained when purchasing the vehicle. If the amount we pay is more than the amount you owe the leasing or contract hire company, the amount we pay them will settle the claim. If the amount we pay is less than the amount you owe you may have to pay them the balance.

Once payment has been issued the vehicle becomes our property for disposal.

New vehicle replacement

This cover shall apply to any car or any commercial vehicle with a gross vehicle weight of 3.5 tonnes or less.

If within 12 months from the date of first registration as new in your name the cost of repairing any damage (that is covered by this document) is more than 50% of the manufacturer's recommended retail price plus taxes, or lost by theft and not recovered we will replace it with a new vehicle of the same make, model and specification, provided one is available. We will then own the vehicle that was the subject of claim.

Windscreen damage (comprehensive cover only)

You may claim for damage to your vehicle's windscreen or windows and for any bodywork scratched by broken glass from the window or windscreen.

You will only have to pay the first £75 of each claim (or amount shown on the schedule). There is no limit on the cost of the windscreen.

No excess will apply if the windscreen can be repaired instead of replaced.

This benefit does not apply to damaged sun roofs, roof panels, lights or reflectors whether glass or plastic.

The cover provided by this Policy extends to include damage to or loss of permanently fitted audio, visual, communication, guidance or tracking equipment that formed an integral part of the vehicle when it was originally manufactured.

Trailer Cover – (only applies to commercial vehicles)

If your vehicle is articulated or a rigid body vehicle, we will also insure any semi-trailer or draw bar trailer against loss or damage, while it is attached to the vehicle or temporarily detached during the course of a journey.

Motor Insurance Database (MID)

Uninsured drivers currently cost UK motorists over £400 million per year. This means every time you pay your insurance premium a portion of this amount goes to pay for these illegal road users. To tackle this problem the Motor Insurance Database (MID) was established.

The Police make approximately 2 million enquiries per month on the MID to check if vehicles have insurance and as a result of this seized nearly 140,000 uninsured vehicles a year.

From 2011 the DVLA have more power under the law to penalise the registered keepers of vehicles that are not insured. As part of this Continuous Insurance Enforcement (CIE) policy the DVLA will compare its records with details of all vehicles currently on cover that are held on the MID. It is therefore important that your vehicle details have been added to the MID.

What this means in Practice

There are two different approaches depending on the size of your fleet and these are explained below:

Fleets - less than 30 Vehicles (unless otherwise shown in the schedule)

We will supply the details of your Policy such as policyholder name, address, Policy number, inception and expiry date to the MID.

We will also supply the vehicle details at inception and any changes throughout the year and at renewal to the MID. You do however need to make sure you advise your insurance agent immediately when vehicle changes happen and the previous page also provides more detail regarding other relevant changes.

It is very important that your vehicle details are up to date on the MID or your vehicle may be seized by the Police.

Fleets - 30 Vehicles and above (unless otherwise shown in the schedule)

You will supply vehicle changes to us on a quarterly basis due to the size of the fleet for premium calculation purposes.

However the regulations place a direct obligation on you to load your vehicle details at inception and update the MID immediately for any vehicle acquisition or disposal. This applies to all changes including temporary additions.

Therefore you will need to submit the vehicle information direct to the MID, online at the MID website, www.midupdate.com. You will need a security code to access the website and load and update your vehicles and more information on how to obtain this can be found at www.arista-insurance.com.

It is important that your vehicle details are up to date on the MID or your vehicle may be seized by the Police. Please be aware that if you refuse or fail to maintain or supply the information you will be guilty of an offence and shall be liable on conviction of a fine up to £5,000.

Additional information can be obtained on the MID from the following websites, www.mib.org.uk or www.arista-insurance.com.
