Please read the information below carefully and retain for your future reference. Please note that a policy booklet will be issued with the policy, however a specimen copy is available on request. You can also view the full policy wording online at [www.aviva.co.uk](http://www.aviva.co.uk).

## Important Information – Information and Changes we need to know about

You must take reasonable care to provide complete and accurate answers to the questions we ask when you take out, make changes to and renew your policy. Please tell us immediately if there are any changes to the information set out in the Information Provided By You, Demands and Needs Statement or on your schedule. You must also tell us immediately about the following changes:

- Any change to your health or the health of anyone else the trip depends on (e.g. a travelling companion, or a close relative even if they are not travelling with you). Please see the Medical Declaration section of your policy.
- You are travelling to a country that is not included in the area covered under your policy, other than refuelling stops that do not include an overnight stay.
- You are planning a trip that is over the trip duration as shown in your policy schedule.

If you are in any doubt, please call us on 0345 030 7389. When you inform us of a change, we will tell you if this affects your policy, for example whether we are able to accept the change and if so, whether the change will result in revised terms and/or premium being applied to your policy. If the information provided by you is not complete and accurate we may:-

- revise the premium and/or amend the medical underwriting decision(s) for any declared pre existing condition(s) which may result in an accepted condition being excluded, or
- cancel your policy and refuse to pay any claim, or
- not pay any claim in full.

Each renewal invitation is offered using information we have at the time it is issued. We may revise or withdraw it if, before the date your renewal takes effect, any event occurs that gives rise to a claim, even if we are notified after your renewal date. We recommend that you keep a record (including copies of letters) of all information supplied to us for future reference.

## Data Protection – Privacy Notice

### Personal Information

We collect and use personal information about you so that we can provide you with a policy that suits your insurance needs. This notice explains the most important aspects of how we use your information but you can get more information about the terms we use and view our full privacy policy at [www.aviva.co.uk/privacypolicy](http://www.aviva.co.uk/privacypolicy) or request a copy by writing to us at Aviva, Freepost, Mailing Exclusion Team, Unit 5, Wanlip Road Ind Est, Syston, Leicester LE7 1PD.

The data controller responsible for this personal information is Aviva Insurance Limited as the insurer of the product. Additional controllers include Aviva UK Digital Limited, who are responsible for the sale and distribution of the product and any applicable reinsurers.

### Personal information we collect and how we use it

We will use personal information collected from you and obtained from other sources:

- to provide you with insurance: we need this to decide if we can offer insurance to you and if so on what terms and also to administer your policy, handle any claims and manage any renewal,
- to support legitimate interests that we have as a business:
  - we need this to manage arrangements we have with reinsurers, for the detection and prevention of fraud,
  - we also use personal information about you to help us better understand our customers and improve our customer engagement. This includes profiling and customer analytics which allows us to make certain predictions and assumptions about your interests, make correlations about our customers to improve our products and to suggest other products which may be relevant or of interest to customers, which includes marketing products and services to you,
- to meet any applicable legal or regulatory obligations: we need this to meet compliance requirements with our regulators (e.g. Financial Conduct Authority), to comply with law enforcement and to manage legal claims, and
- to carry out other activities that are in the public interest: for example we may need to use personal information to carry out anti-money laundering checks.

As well as collecting personal information about you, we may also use personal information about other people, for example family members you wish to insure on a policy. If you are providing information about another person we expect you to ensure that they know you are doing so and are content with their information being provided to us. You might find it helpful to show them this privacy notice and if they have any concerns please contact us in one of the ways described below.

The personal information we collect and use will include name, address, date of birth and financial information. If a claim is made we will also collect personal information about the claim from you and any relevant third parties. We may also need to ask for details relating to the health or any unspent offences or criminal convictions of you or somebody else covered under your policy. We recognise that information about health and offences or criminal convictions is particularly sensitive information. Where appropriate, we will ask for consent to collect and use this information.

If we need consent to use personal information for a specific reason, we will make this clear to you when you complete an application or submit a claim. If you give us consent to using personal information, you are free to withdraw this at any time by contacting us – refer to the “Contacting us” details below. Please note that if consent to use this information is withdrawn we will not be able to continue to process the information you gave us for this/these purpose(s). This would not affect our use of the information where consent is not required.

Of course, you don't have to provide us with any personal information, but if you don't provide the information we need we may not be able to proceed with your application or any claim you make.

Some of the information we use as part of this application may be provided to us by a third party. This may include information already held about you within the Aviva group, including details from previous quotes and claims, information we obtain from publicly available records, our trusted third parties and from industry databases, including fraud prevention agencies and databases.

## Credit Searches

To ensure we have the necessary facts to assess your insurance risk, verify your identity, help prevent fraud and provide you with our best premium and payment options, we may need to obtain information relating to you at quotation, renewal and in certain circumstances where policy amendments are requested. We or our agents may:

- undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossession(s)). Similar checks may be made when assessing claims,
- carry out a quotation search from a credit reference agency (CRA) which will appear on your credit report and be visible to other credit providers. It will be clear that this is a quotation search rather than a credit application.

The identity of our CRA and the ways in which they use and share personal information, are explained in more detail at [www.callcredit.co.uk/crain](http://www.callcredit.co.uk/crain).

## Automated decision making

We carry out automated decision making to decide whether we can provide insurance to you and on what terms. In particular, we use an automated underwriting engine to process the personal information you provide as part of this application process. This will include information such as, address, age and any medical conditions of the policyholder and any other travellers. The automated engine may validate the information you provide against other records we hold about you in our systems and third party databases, including public databases. We do this to calculate the insurance risk and how much the cover will cost you. Without this information we are unable to provide a price that is relevant to your individual circumstances and needs. We regularly check the way our underwriting engine works to ensure we are being fair to our customers. After the automatic decision has been made, you have the right to speak to someone from Aviva who may review the decision and provide a more detailed explanation. If you wish to invoke this right please contact us at [dataprt@aviva.com](mailto:dataprt@aviva.com) or call us on 0345 030 8715.

## On-line information

When you visit one of our websites, we may record information about your computer or mobile device, including hardware and software used, general location, when and how you interact with our websites. This information is used to note your interest in our websites, improve customer journeys, determine pricing and/or offer you available discounts.

## How we share your personal information with others

We may share your personal information:

- with the Aviva group, our agents and third parties who provide services to us, and other insurers (either directly or via those acting for the insurer such as loss adjusters or investigators) to help us administer our products and services,
- with regulatory bodies and law enforcement bodies, including the police, e.g. if we are required to do so to comply with a relevant legal or regulatory obligation,
- with other organisations including insurers, public bodies and the police (either directly or using shared databases) for fraud prevention and detection purposes,
- with reinsurers who provide reinsurance services to Aviva and for each other. Reinsurers will use your data to decide whether to provide reinsurance cover, assess and deal with reinsurance claims and to meet legal obligations. They will keep your data for the period necessary for these purposes and may need to disclose it to other companies within their group, their agents and third party service providers, law enforcement and regulatory bodies.

Some of the organisations we share information with may be located outside of the European Economic Area ("EEA"). We'll always take steps to ensure that any transfer of information outside of Europe is carefully managed to protect your privacy rights. For more information on this please see our Privacy Policy or contact us.

## Marketing

We also use personal information we hold about you across the Aviva Group to help us identify and tailor products and services that may be of interest to you. We will only communicate with you in accordance with any marketing preferences you have provided to us. We will continue to do this after your policy has ended.

If you wish to amend your marketing preferences, change how you would like us to communicate with you or tell us to stop marketing to you, you can do so in the following ways:

- Update in MyAviva
- Contact us by:
  - phone: 01603 622200 or +44 1603 604999 (from abroad)
  - email: [helpdesk@aviva.co.uk](mailto:helpdesk@aviva.co.uk)
  - Post: Aviva, Freepost, Mailing Exclusion Team, Unit 5, Wanlip Road Ind Est, Syston, Leicester, LE7 1PD

## How long we keep your personal information for

We maintain a retention policy to ensure we only keep personal information for as long as we reasonably need it for the purposes explained in this notice. We need to keep information for the period necessary to administer your insurance and deal with claims and queries on your policy. We may also need to keep information after our relationship with you has ended, for example to ensure we have an accurate record in the event of any complaints or challenges, carry out relevant fraud checks, or where we are required to do so for legal, regulatory or tax purposes. We will also use this information for marketing purposes.

## Your rights

You have various rights in relation to your personal information, including the right to request access to your personal information, correct any mistakes on our records, erase or restrict records where they are no longer required, object to use of personal information based on legitimate business interests including profiling and marketing, ask not to be subject to automated decision making if the decision produces legal or other significant effects on you, and data portability. For more details in relation to your rights, including how to exercise them, please see our full privacy policy or contact us – refer to the "Contacting us" details below.

## Contacting us

If you have any questions about how we use personal information, or if you want to exercise your rights stated above, please contact our Data Protection team by either emailing them at [dataprt@aviva.com](mailto:dataprt@aviva.com) or writing to the Data Protection Officer, Level 4, Pitheavlis, Perth PH2 0NH.

If you have a complaint or concern about how we use your personal information, please contact us in the first instance and we will attempt to resolve the issue as soon as possible. You also have the right to lodge a complaint with the Information Commissioners Office at any time.

## Fraud Prevention and Detection

In order to prevent and detect fraud we may, at any time, share information about you with other organisations and public bodies including the Police. You should show these notices to anyone who has an interest in the insurance under the policy.

## If You Have a Complaint

We hope that you will be very happy with the service that we provide. However, if for any reason you are unhappy with it, we would like to hear from you. In the first instance.

We are covered by the Financial Ombudsman Service. If you have complained to us and we have been unable to resolve your complaint, you may refer it to this independent body. Following the complaints procedure does not affect your right to take legal action.

If you have taken a product out with us online or by telephone, you can also use the European Commission's Online Dispute Resolution (<http://ec.europa.eu/odr>) service to make a complaint. The purpose of this platform is to identify a suitable Alternative Dispute Resolution (ADR) provider and we expect that this will be the Financial Ombudsman Service. Please be aware that the Financial Ombudsman Service will only be able to consider your complaint after we have had the opportunity to consider and resolve it.

## Renewing your insurance

We will contact you in writing at least 21 days before your renewal date and will either:

1. give you an opportunity to renew your insurance for a further year and tell you:
  - about any changes we are making to the terms and conditions of your policy;
  - to review your circumstances and consider whether this insurance continues to meet your needs;
  - to check that the information you have provided us with is still correct, and tell us if anything has changed; and
  - the price for the next year.

If you wish to make any changes at renewal, please call us on 0345 030 7389.

Or

2. let you know that we are unable to renew your insurance. Reasons why this may happen include but are not limited to the following:
  - when the product is no longer available; or
  - when we are no longer prepared to offer you insurance for reasons such as:
    - we reasonably suspect fraud;
    - your claims history;
    - we have changed our acceptance criteria; and/or
    - you are no longer eligible for cover.

A cooling off period (14 days from renewal of the contract or the day on which you receive your renewal documentation, whichever is the later) applies at the renewal of your insurance. Please read 'Your cancellation rights' in your policy booklet which explains how this works.

## Automatic renewal of your policy

Where we have offered you renewal terms and you select or have selected a continuous premium payment method, you will be notified in writing at least 21 days before your renewal date that the policy will automatically be renewed and the renewal premium will again be collected from your specified bank account or credit/debit card.

We will not automatically renew your policy if:

- you have contacted us to cancel your continuous payment authority since you purchased the policy or your last renewal;
- or
- we no longer offer you the continuous payment method if, for example, you have a poor payment history or an adverse credit history.

If either of the above happens we will advise you of this in your renewal letter and you will need to contact us to make payment before we can renew your policy.

## Our Regulatory Status

We are authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. We are registered as Aviva Insurance Limited and our firm's reference number is 202153. - you and we agree otherwise; or
- at the date of the contract you are a resident of (or, in the case of a business, the registered office or principal place of business is situated in) Scotland, Northern Ireland, the Channel Islands or the Isle of Man, in which case (in the absence of agreement to the contrary) the law of that country will apply.
