## Tech Pro Why Chubb?

### CHUBB

#### **Benefits for clients**

- Broad cover for your business at a competitive price.
- An easy to understand policy.
- Dedicated wording tailored to the activities of each insured.
- Holistic solutions for your business: cover can be provided as part of a wider liability programme at Chubb, combining professional liability, general liability, product and environmental liability.
- Chubb is able to cover subsidiaries worldwide including those based in the US and Canada.
- Local expertise: claims and legal specialists in your market with a strong track record in handling professional indemnity claims.
- No business is too small: our minimum premium is just €400 (plus taxes and fees).
- A consistent approach to underwriting, resulting in reliable coverage and terms and conditions over time: our decisions are not driven by market conditions but technical risk selection.
- A commitment to long-term partnership with flexible and tailored cover as your business grows.

#### Additional benefits for brokers

- Flexible solutions to suit your clients' needs, from our easy-to-use online Chubb Easy Solutions platform giving smaller businesses the cover they need at a competitive price, through to bespoke multinational solutions.
- Quick quote: brokers can get a quote by phone for smaller clients from their local Chubb Easy Solutions team.
- Direct access to local underwriters and other decision makers.
- The reassurance of a dedicated policy wording from a reputable insurer with extensive PI experience.
- Access to Chubb's global expertise across all liability lines, including specialist casualty and environmental liability solutions.
- Confidence that your clients are covered by one of the world's largest insurers with financial strength ratings of AA (Very Strong) from Standard & Poor's and A++ (Superior) from A.M. Best.
