- Rehabilitation Services
- Legal Helpline
- IOSH Training and Certification
- Accident Claims Defensibility
- Business Continuity Planning Reviews and Business Impact Analysis

Key Benefits:

Underwriting

We give you access to our decision makers, skilled and responsive underwriters that understand your clients' business.

Management Services

Our specialist surveyors help customers to identify, analyse and manage risks economically in order to protect lives, assets, profitability and reputation. All CNA Hardy Construction surveyors have CSCS cards to safely work on construction sites.

Claims

Dedicated claims handlers deal with claims from start to finish within strict service standards. A realistic approach to reserving and a pragmatic resolution of claims ensure a quick and fair service for our customers.

Helplines

Complimentary legal services including Legal Helpline, Employment Advice, Assistance with drafting Commercial Contracts, Assistance with Commercial Disputes and Debt Recovery.

Collateral Warranty

A free document review service that provides advice in an easy to understand format.

Rehabilitation

Support following any workplace injury, includes intervention before a claim has even been made to facilitate an early return to work and minimise the impact to your clients' business.

Defensibility Evaluations

Free 2 hour workshop concluding with informative and practical advice designed to support better claims outcomes.

Multinational Capability

We are able to provide consistent and compliant cover for global operations including overseas Terrorism coverage.

On-line Portal

Free access to a range of reference and case information to help achieve claims settlements promptly.

Client Workshops

Advice on construction law subjects, helping clients to develop practical skills and techniques to deal with legal issues and keep abreast of emerging trends.
