You may cancel this policy by giving written instructions to us at Covea Insurance plc, 50 Kings Hill Avenue, Kings Hill, West Malling, ME19 4JX. You may cancel this policy within 14 days from the date it begins or from the date you receive the policy document and schedule, whichever is the latter, returning the policy document and schedule to us at the above address.

You will receive a refund for the exact number of days left on the policy plus the prevailing rate of Insurance Premium Tax as stated on your policy schedule but if there has been an incident which has resulted or could have resulted in a claim, you must reimburse us for any amounts we have paid or may be required to pay, in respect of the incident.

In the event of cancellation by **you** after the 14 day period described above or cancellation by **us** at any time, **we** will refund a pro rata proportion of the premium paid in respect of the unexpired term of this policy unless a claim or an incident likely to give rise to a claim has occurred during the current **period of insurance**.

If you are paying by monthly instalments we:

- a) will stop applying for your monthly premium
- b) may exercise **our** right to collect the balance of any outstanding premium in the event of a claim.

If you have agreed to pay the premiums by instalments and any one instalment still remains unpaid 14 days after it was due we reserve the right to cancel your policy with effect from the date upon which the unpaid instalment was due. In that event we will send you written notice of cancellation by recorded delivery letter.

We, or any agent appointed by us, and acting with our authority have the right to cancel your policy, where there is a valid reason for doing so. We will give you fourteen days' notice of cancellation in writing, by recorded delivery, to the latest address we have for you and will set out our reason for cancellation in our letter.

Valid reasons may include but are not limited to:

- a) not
  - i. paying a premium when it is due
  - ii. co-operating with **us**, or sending **us** information or documentation that materially affects **our** ability to process the policy or **our** ability to defend **our** interests

#### Change in risk

You or your insurance broker must tell us immediately if during the period of insurance there is any alteration in risk or to the facts which you disclosed when you took out this policy, which materially affects the risk of damage, bodily injury or liability which would fall within the policy cover. This includes but is not limited to alterations to the business or the premises.

When **you** tell **us** about an alteration in risk, **we** may apply additional terms and conditions to this policy (including but not limited to premium) or, if the risk is unacceptable to **us**, **we** may cancel the policy in accordance with General Condition of Cancellation. This policy shall be avoided if:

- a) your interest ceases other than by death
- b) the **business** be wound up or carried on by a liquidator or receiver or permanently discontinued

at any time after the commencement of this insurance unless we have accepted the change.

Nothing contained in this policy shall give any right against us to any person other than you except to a transferee approved by us.

#### **Claims**

It is a condition precedent to our liability that in the event of a claim or possible claim you must

- advise the Police as soon as reasonably possible if there has been a theft, attempted theft, riot damage, vandalism or any malicious
  act or if any insured property has been lost outside the premises
- · advise us as soon as reasonably possible
- · not admit or repudiate liability without our written consent
- inform us immediately of any claim being made, or of any impending prosecution, inquest or fatal accident inquiry. All documentation relating to any accident, claim, prosecution or court proceedings must be sent to us immediately, unacknowledged
- provide **us**, if requested, with assistance, details and evidence **we** may reasonably require to substantiate **your** claim or enable **us** to pursue a recovery under the Subrogation Condition (see page GEN 16).
- · take all reasonable steps to mitigate the extent of any loss or damage.

#### **Contracts (Rights of Third Parties) Act 1999**

No person, persons, company or other party who is not named as the Insured in this policy shall have any right under the Contracts (Rights of Third Parties) Act 1999 to enforce any terms or conditions of this policy. This shall not affect any right or remedy of a third party that exists or is available apart from that Act.

#### **Data Storage**

It is a condition of this policy that

- 1) all computer and other electronic data carrying systems shall
  - a. have each days work backed up at the close of business
  - b. have the entire system backed up every four weeks
  - and such duplicate records shall be stored in accordance with any conditions that may have been agreed with us.
- 2) all transparencies, negatives, original and finished artwork shall be kept in fire proof storage cabinets approved by **us**, when not being worked upon.

#### **Death of the Insured**

In the event of **your** death **we** will in respect of liability or loss incurred by **you** indemnify **your** personal representatives in the terms of and subject to the limitations of this policy, provided that such personal representatives shall as though they were **you** observe, fulfil and be subject to the terms and conditions of the policy as far as they can apply.

#### **Excess clause**

Where stated in the **schedule you** will be responsible for paying an **excess** in relation to each and every claim made by **you** under this policy. If a claim is made for **damage** under more than one section resulting from the same cause and at the same time, **you** will only pay one **excess** and if different **excesses** apply, **you** will pay the higher amount.

#### Fair Presentation of the Risk

You must make a fair presentation of the risk when you first take out this policy and also whenever you renew it or ask us to change your

If you fail to make a fair presentation of the risk including failing to disclose or misrepresenting a material fact or disclosing material facts to us in a way which is not clear and accessible we may avoid this policy and refuse all claims where:

- a) such failure was deliberate or reckless; or
- b) we would not have entered into this policy on any terms had you made a fair presentation of the risk.

Should we avoid this policy we:

- a) shall treat the policy as if it had not existed from the start date, the renewal date, or the date when **you** asked **us** to change **your** cover, depending on when the failure to make a fair presentation of the risk occurred
- b) shall return the premium paid for the period for which the policy is treated as not having existed unless the failure to make a fair presentation of the risk was deliberate or reckless
- c) may deduct from any return of premium due to **you** any monies already paid in respect of claims falling within the period for which the policy is treated as not having existed or require **you** to repay such claims.

Provided that any failure to make a fair presentation of the risk is not deliberate or reckless, if **we** would have entered into or renewed this policy, or agreed to make changes to **your** cover on different terms had **you** made a fair presentation of the risk, **we** may:

- i. proportionately reduce the amount payable in respect of a claim; and/or
- ii. treat the policy as if it contained such different terms (other than relating to the premium) that **we** would have applied to the policy had **you** made a fair presentation of the risk.

Any reduction in claims payments or application of different terms will take effect from the date on which the policy started, was renewed or when changes were made to **your** cover, depending on when **you** failed to make a fair presentation of the risk.

Where **we** elect to proportionately reduce the amount payable in respect of a claim **we** will pay a percentage of the claim, the percentage being calculated by comparing the premium which **you** actually paid with the premium which **we** would have charged had **you** made a fair presentation of the risk. For example, if the premium which **you** actually paid is 70% of the premium **we** would have charged, **we** will only pay 70% of any claim.

Where this policy provides benefits to individuals who would, if they had taken out similar insurance in their own name, have done so for purposes wholly or mainly unconnected with their trade, business or profession, we will not rely on this condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to that particular individual, unless the individual (or you on their behalf) makes a careless misrepresentation, in which case we may rely on this condition as against that particular individual as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.

#### **Fraud**

For the purposes of this Condition the definition of 'you / your' will also include any person who is entitled to benefit from the policy to the extent that a claim is made by or on their behalf.

If you or anyone acting on your behalf makes a claim which is in any way fraudulent we:

- a) will not pay the claim;
- b) may recover from you any sums already paid by us in respect of the claim; and
- c) may notify you that we are treating this policy as having terminated with effect from the time of the fraudulent act.

If **we** do treat this policy as having been terminated, **you** will have no cover under this policy from the date of termination and will not be entitled to any refund of premium.

Where a fraudulent claim is made by or on behalf of a person who is not named as the Insured in the **schedule**, this condition applies only to that person's claim and references to 'this policy' should be read as if they were references to the cover for that person alone and not to the policy as a whole.

Fraudulent claims include but are not limited to:

- a) making a claim which is fraudulent, fictitious or known to be false
- b) intentionally exaggerating or inflating a claim
- c) supporting a claim with false or forged documents, information or statements
- d) wilfully causing damage or injury

- a) is operative only in connection with particular premises or locations;
- b) is operative only at particular times; or
- c) is intended to reduce the risk of particular types of **damage**, **bodily injury** or liability and where **you** can prove that non-compliance with the term could not have increased the risk of the **damage**, **bodily injury** or liability which occurred.
