Conditions applicable to all Sections

Claims procedure and requirements

1. It is a condition precedent to **Our** liability that in the event of any accident, injury, loss or damage, **You** or **Your** legal representative must at **Your** own expense:
 - (a) give **Us** full details as soon as possible after any incident involving a vehicle covered by this policy by phoning the [Motor Trade Care Line on 0330 024 2244](#) which is available 24 hours a day, 365 days a year;
After **You** have reported the incident, **Our** claims team will send **You** a statement of facts containing the details **You** have provided and request any further information required to proceed with **Your** claim;

 - (c) take all reasonable precautions to prevent further injury, loss or damage;

accident enquiry or the intended issue of any writ summons or other legal process by **You** or on **Your** behalf;

- (g) supply all estimates, information and assistance as may be required by **Us** and **Our** appointed agents.
2. **We** shall be entitled to:
 - (a) take and keep possession of the **Insured Vehicle** and to deal with the salvage in a reasonable manner;
 - (b) negotiate, defend or settle in **Your** name or on **Your** behalf, any claim made against **You**;
 - (c) prosecute in **Your** name, for **Our** benefit, any claim against any other person in respect of any amount paid or payable.
 3. It is a condition precedent to **Our** liability that **You** must not:
 - (i) abandon any property to **Us**;
 - (ii) negotiate or repudiate any claim without **Our** written consent.

Reasonable precautions

You must take all reasonable precautions to avoid injury, loss or damage and maintain the **Insured Vehicle** in a safe and roadworthy condition.

Alteration in risk

You or **Your** broker must tell **Us** immediately if during the **Period of Insurance** there is any

Conditions applicable to all Sections

continued

alteration in risk or to the facts which **You** disclosed when **You** took out this policy, which materially affects the risk of injury, loss, damage or liability which would fall within the policy cover. This includes but is not limited to alterations to the **Business**, the **Business Premises**, any vehicle change, deletion or acquisition whether permanent or temporary and any change in the way the vehicle is used.

When **You** tell **Us** about an alteration in risk, **We** may apply additional terms and conditions to this policy (including but not limited to premium) or, if the risk is unacceptable to **Us**, **We** may cancel the policy in accordance with Conditions applicable to all Sections – Our Rights to Cancel the Policy.

If an alteration creates an additional premium, this will be subject to a minimum premium of **£10** plus insurance premium tax. If as a result of an alteration **You** are due a refund of premium, amounts of under **£10** plus the prevailing rate of Insurance Premium Tax as stated on **Your** policy **Schedule** will not be refunded, to cover administration costs.

If **You** fail to tell **Us** about an alteration in risk, **We** may:

- (b) proportionately reduce the amount payable in respect of a claim; and/or
- (c) treat the policy as if it contained such different terms (other than relating to the premium) that **We** would have applied to the policy had **You** told **Us** of the alteration in risk.

Any reduction in claims payments or application of different terms will take effect from the date on which the alteration in risk occurred.

Where **We** elect to proportionately reduce the amount payable in respect of a claim, **We** will pay a percentage of the claim, the percentage being calculated by comparing the premium which **You** actually paid with the premium which **We** would have charged had **You** told us about the alteration in risk. For example, if the premium which **You** actually paid is **70%** of the premium **We** would have charged, **We** will only pay **70%** of any claim.

Change of Risk or Interest

This policy shall be avoided if:

- (a) **Your** interest ceases other than by death
- (b) the **Business** be wound up or carried on by a liquidator or receiver or permanently discontinued at any time after the commencement of this insurance unless **We** have accepted the change.

Nothing contained in this policy shall give any right against **Us** to any person other than **You** except to a transferee approved by **Us**.

The Motor Insurance Database

It is a condition of the policy that **You** supply such details of the vehicles whose use is covered by the policy as required by the

Conditions applicable to all Sections

continued

relevant law applicable in Great Britain and Northern Ireland for entry to the Motor Insurance Database. **You** are also required to advise **Us** when **You** have sold or disposed of a vehicle previously included on the Motor Insurance Database.

Failure to declare vehicles owned by **You** will prejudice **Your** claim. **We** may at **Our** option reduce cover to Third Party Only, which means damage to the **Insured Vehicle** will not be covered.

Information relating to **Your** insurance policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers' Bureau ("MIB"). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVLANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- (i) electronic licensing;
- (ii) continuous insurance enforcement;
- (iii) law enforcement (prevention, detection, apprehension and or prosecution of offenders);
- (iv) the provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.

If **You** are involved in a road traffic accident (either in the UK, the EEA or certain other

territories), insurers and or the MIB may search the MID to obtain relevant information.

Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds **Your** correct registration number. If it is incorrectly shown on the MID **You** are at risk of having **Your** vehicle seized by the Police. **You** can check that **Your** correct registration number details are shown on the MID at www.askmid.com.

Fraudulent Claims

For the purposes of this Condition the definition of '**You / Your**' will also include any person who is entitled to benefit from the policy to the extent that a claim is made by or on their behalf.

If **You** or anyone acting on **Your** behalf makes a claim which is in any way fraudulent **We**:

- (a) will not pay the claim;
- (b) may recover from **You** any sums already paid by **Us** in respect of the claim; and
- (c) may notify **You** that **We** are treating this policy as having terminated with effect from the time of the fraudulent act.

If **We** do treat this policy as having terminated, **You** will have no cover under this policy from the date of termination and will not be entitled to any refund of premium.

Where a fraudulent claim is made by or on behalf of a person who is not the **Insured**, this condition applies only to that person's claim and references to 'this policy' should be read as if they were references to the cover for that person alone and not to the policy as a whole.

Fraudulent claims include but are not limited to:

- (a) making a claim which is fraudulent, fictitious or known to be false
- (b) intentionally exaggerating or inflating a claim
- (c) supporting a claim with false or forged documents, information or statements
- (d) wilfully causing loss, damage or injury

Driving Licences

It is a condition of the policy that **You** and any named driver must have held a full UK Driving Licence for a minimum of 2 years and that the licence must not have been revoked, have expired or been withdrawn by the DVLA.

Proof of Trading

It is a condition of the policy that the **Policyholder** is able to supply formal business records demonstrating the operation of the motor trade **Business** if requested by **Us** or one of **Our** agents.

Fair Presentation of the Risk

You must make a fair presentation of the risk when **You** first take out this policy and also

whenever **You** renew it or ask **Us** to change **Your** cover.

If **You** fail to make a fair presentation of the risk including failing to disclose or misrepresenting a material fact, or disclosing material facts to **Us** in a way which is not clear and accessible:

We may avoid this policy and refuse all claims where:

- (a) such failure was deliberate or reckless; or
- (b) **We** would not have entered into this policy on any terms had **You** made a fair presentation of the risk.

Should **We** avoid this policy **We**:

- (a) Shall treat the policy as if it had not existed from the start date, the renewal date, or the date when **You** asked **Us** to change **Your** cover, depending on when the failure to make a fair presentation of the risk occurred
- (b) shall return the premium paid for the period for which the policy is treated as not having existed unless the failure to make a fair presentation of the risk was deliberate or reckless
- (c) may deduct from any return of premium due to **You** any monies already paid in respect of claims falling within the period for which the policy is treated as not having existed or require **You** to repay such claims.

Conditions applicable to all Sections

continued

Provided that any failure to make a fair presentation of the risk is not deliberate or reckless, if **We** would have entered into or renewed this policy, or agreed to make changes to **Your** cover on different terms had **You** made a fair presentation of the risk, **We** may:

- (a) proportionately reduce the amount payable in respect of a claim; and/or
- (b) treat the policy as if it contained such different terms (other than relating to the premium) that **We** would have applied to the policy had **You** made a fair presentation of the risk.

Any reduction in claims payments or application of different terms will take effect from the date on which the policy started, was renewed or when changes were made to **Your** cover, depending on when **You** failed to make a fair presentation of the risk.

Where **We** elect to proportionately reduce the amount payable in respect of a claim, **We** will pay a percentage of the claim, the percentage being calculated by comparing the premium which **You** actually paid with the premium which **We** would have charged had **You** made a fair presentation of the risk. For example, if the premium which **You** actually paid is **70%** of the premium **We** would have charged, **We** will only pay **70%** of any claim.

Where this policy provides benefits to individuals who would, if they had taken out similar insurance in their own name, have done so for purposes wholly or mainly unconnected with their trade, business or profession, **We** will not rely on this condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to that particular individual, unless the individual (or **You** on their behalf) makes a careless misrepresentation, in which case **We** may rely on this condition as against that particular individual as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.

Terms Not Relevant to Actual Loss

If payment of a claim is conditional upon compliance with any term of this policy **We** will not pay for any claim where the term has not been complied with except where the term concerned:

- (a) is operative only in connection with particular premises or locations;
- (b) is operative only at particular times; or
- (c) is intended to reduce the risk of particular types of injury, loss, damage or liability

where **We** will pay for claims in respect of which **You** can prove that non-compliance with the term could not have increased the risk of the injury, loss, damage or liability which occurred.
