ECIC
Specialist Underwriters

Electrical contractors

ECIC is a specialist provider of insurance solutions to the contracting market.

Our policy is targeted at professional electrical and building management services contractors. Contractors can undertake contracts across a range of areas from straightforward domestic light and power installations, to more complex industrial applications. Specialist activity such as fire alarms, computer cabling, mechanical services, security alarms and other related building services contracts can also be included.

Policy cover offers:

- Employers' Liability
- Public and Products Liability
- Efficacy
- Professional Indemnity
- Contractors' All Risks
- All Risks Property
- Business Interruption
- Money
- Goods in Transit
- Personal Accident

The following additional extensions are available: Professional Negligence, Financial Loss, Customers' Goods Removed, Defective Products Supplied and Directors' & Officers' Liability.
