ECIC
Specialist Underwriters

Lift and escalator engineers

ECIC is a specialist provider of insurance solutions to the construction market.

Our policy is targeted at professional lift and escalator engineers. Engineers can undertake contracts to supply passenger and goods or service lifts, stairlifts, homelifts, lifting platforms, escalators, passenger conveyors and a range of component parts for such products. Engineers can also carry out maintenance of lifts and escalators.

Policy cover offers:

- Employers' Liability
- Public and Products Liability
- Efficacy
- Contractors' All Risks
- All Risks Property
- Business Interruption
- Money
- Goods in Transit
- Personal Accident

The following additional extensions are available: Financial Loss and Directors' & Officers' Liability.

Why choose ECIC

- Direct access to our team of underwriters with expertise across the lift and escalator industry
- Each risk is individually written
- Trade specific wording
- Highly rated in-house claims service*
- Interest free direct debit instalment facility

If you would like any further information please contact your regional Business Development Manager:

Mark Wright (Scotland and North): 0330 221 0259

John Flaherty (West, Midlands and South): 0330 221 0258

* In 2017, our client satisfaction rating was 4.71 out of 5. A rating of 4 relates to where our claims service is deemed 'better' than our competitors and 5 is 'much better' than our competitors.
