

## INTRODUCTION

**We** have the pleasure of introducing this **wedding** insurance policy from The Equine and Livestock Insurance Company Limited. A lot of careful research went into devising the policy and **we** hope **you** will be pleased with the level of cover and service that **we** offer.

**We** offer two types of policy; **UK wedding** and overseas **wedding**. This is a master policy wording showing all sections of cover available for **our wedding** insurance. Some sections of cover offered may not apply to **your** insurance. Please check **your policy schedule** to see what sections of cover are applicable to **your** insurance cover. A policy **excess** applies to all sections of cover unless stated differently in the **policy schedule**.

### What you should do

Please carefully read all policy documents as soon as **you** receive them. If **you** do not keep to the policy conditions, **your** policy could become void or **we** may not be able to accept liability for a claim.

It is up to **you** to make sure that the cover offered meets **your** needs; **you** must tell **us** immediately if this is not the case.

## PARTICULAR POINTS ABOUT COVER

The proposal form **you** fill in is the basis of the contract. The **policy schedule** is also important, as it lists the cover **you** have chosen, it is proof of **your** insurance and may be needed if **you** have a claim. **We** provide insurance for the sections listed in the **policy schedule** or any endorsement. **We** are not liable for more than the limit of cover shown in the relevant part of the **policy schedule**. The policy depends on the warranties (promises), conditions and exclusions stated in it.

**We** as the insurer and **you**, as **the insured**, are entitled to choose the law that applies to this contract. **We** propose English law and in absence of any agreement to the contrary, English law will apply.

### Disclosing material facts

**You** are obliged to **inform us** of any **material fact** that affects the risks **we** insure. If **you** are in any doubt whether a fact is material, **you** should disclose it.

### Fraud Prevention and the sharing of information

If **we** are in possession of information which **we** believe to be untrue, misleading or potentially fraudulent, **we** will pass the information to the relevant legal/statutory bodies. **We** may also share information with other organisations in the prevention of fraudulent claims.
