

Matrix Underwriting Management

Combined Liability Insurance Policy [Liab-0518]

Summary of Cover

This policy summary does not contain the full terms and conditions which can be found in the policy document, a copy of which is freely available at <http://www.matrixunderwriting.co.uk/insurance-policies.html> or on request from **Your** Broker or Matrix Underwriting Management Ltd

Confidentiality

You are promised complete confidentiality and security in all matters relating to **Your** insurance arrangements.

Introduction and Your Obligations

It is important that **You** read all **Your** documents carefully and let **Your Broker** know as soon as reasonably possible, and in any case within 3 (three) working days, if the insurance does not meet **Your** requirements or if any information is inaccurate or incomplete.

You are required to make a fair presentation of the risk to **Us**.

If **You** breach **Your** duty to provide a fair presentation and any such breach was deliberate or reckless, **We** may regard the **policy** as void and are not required to return any paid Premium to **You**.

If the breach was not deliberate or reckless, **Our** remedy shall depend upon what **We** would have done if **You** had complied with the duty of fair presentation:

1. **We** may regard the **policy** as void if **We** would not have entered into the **policy** on any terms in the absence of the breach. In this case, **We** must return the premium paid.
2. If **We** would have entered into the **policy**, but on different terms (other than terms relating to premium) the **policy** is to be treated as if those different terms applied from the outset, if **We** so require.
3. If **We** would have entered into the **policy** but would have charged a higher premium **We** may reduce proportionately the amount to be paid on a claim (and, if applicable, the amount already paid on prior claims).

Material Information

You must search for all material information and disclose it to **Us** without misrepresentation. Material information is anything which might reasonably influence **Our** decision to offer **You** insurance or the terms (including the premium) on which any offer is made. It includes facts, circumstances, allegations and events. Material information includes special or unusual facts concerning **You** or **Your Business**, any particular concerns **You** may have which have led **You** to seek or increase **Your** insurance cover and any other facts relevant to the risk taken by **Us**. **You** should assume that all information specifically sought by **Us** is material, whether in a **Statement of Fact**, **Proposal Form** or otherwise.

Survey

At presentation and/or renewal **We** may require a survey of some or all of the Risks Insured.

Your obligations in respect of survey requirements are set out more fully in General Condition 18 (Subjectivity) para b).

The Contract Wording

The Proposal, any Statement of Fact, the **policy**, the Schedule (including any *Schedule* issued in addition or substitution) and any Endorsements shall be considered as one legal document.

Your Obligations under the policy

The **policy** imposes certain obligations upon **You** which if not complied with may invalidate the insurance or a claim. Some of these obligations are expressed to be **conditions precedent**.

Conditions Precedent

Conditions precedent are extremely important. If **You** are in breach of any of these obligations at the time of a loss, **We** will have no obligation to indemnify **You** in relation to any claim for that loss. However if a **condition precedent** is intended to reduce the risk of loss of a particular kind, at a particular location or at a particular time, **We** will not rely on the breach of that **condition precedent** to exclude, limit or discharge **Our** liability if the breach could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

Subject to any other rights which **We** may have under and/or with respect to the validity of the **policy**, the **policy** will remain in existence.

Steps to be taken if You cannot comply

If **You** are unable to comply with any **condition precedent** **You** should contact **Us** as soon as reasonably possible, and in any case within 3 (three) working days, through **Your Broker**. **We** will decide whether **We** might be prepared to agree a variation of the **policy**. All conditions precedent remain effective unless **You** receive written confirmation of a variation from **Us** through **Your Broker**.
