Yacht Hull and P&I

Designed to bring you peace of mind

When spending time on your yacht you want to relax and leave your worries behind. Our tailored Yacht cover, including P&I and Hull allows you to do so.

Yacht owners are faced with numerous insurance considerations. These may include crew, chartering, navigation limits and liability. Indeed, depending on your needs, a yacht policy has many details that can be customised to your specific circumstances.

Our specialist yacht team is considered one of the leading players in the international yacht market. With many years of experience, we are able to offer flexible and custom-made solutions specifically designed to suit yacht owners and their needs. Together with our excellent claims handling staff and our experienced team of surveyors, we are able to offer this exciting market the best service around.

Cover can be divided into the following main areas:

Hull

- **Hull** – From small craft to mega yachts, we offer cover against all risks of physical loss to your yacht, including hull, machinery, equipment, tenders, toys, fine art and personal effects belonging to you, your guests and your crew. Whether you are a private pleasure or a charter yacht, sailing the Mediterranean, the Caribbean or cruising the world, a tailor-made product is at your disposal.

- **War** – Damage resulting from the risk of war, strike and confiscation is covered. Even when you are sailing through a high risk area, we can offer protection against damage from political violence and terrorism, civil war and war.

- **Loss of hire** – Following physical damage to the vessel, we offer shipowner's protection for their income and cash flow.

- **Builders' Risk** – From first design to delivery to her new owner, we provide worldwide all risk cover during the building period, including delivery voyages and guarantee risks. We are familiar with all major yacht builders, from mega yachts to specially designed tenders.

P&I

- **Third-party liability** – This covers costs and expenses arising from your legal liabilities to third parties caused by your yacht, its tenders and/or toys, but also caused by crew members. This includes personal injury claims, collision or pollution.
- **Crew** – As a yacht owner, you are responsible for the care and safety of the crew you hire. Medical costs, sick pay, the costs of repatriating an injured crew member, hiring a replacement, as well as compensation costs arising from illness, permanent injury and death are all covered.
- **Guests** – As the owner of a yacht you are also responsible for the care and safety of guests you may have on board. This part covers medical costs as well as the costs of repatriating an injured guest. Compensation costs arising from illness, permanent injury and death are also covered.
- **Water sports** – Liabilities to a crew, guest or any other person caused by tenders, toys and diving equipment used in conjunction with your yacht are all covered. Cover can be extended to include submarines as well.
- **Airborne craft** – Claims caused by helicopters or other types of airborne craft while on board of your yacht are covered.

Peace of mind

Our Yacht cover has been designed to bring you peace of mind. We have therefore introduced a number of useful additions to the cover. A newly acquired yacht, for example, is automatically covered and so is the pre-delivery crew when they are at the yard or port prior to the hand-over or delivery of your new yacht. So there's no hassle getting your yacht and crew insured: insurance is already in force when your new yacht is being delivered. The only thing you need to do is to notify us within 60 days of purchase and we arrange the rest. The same peace of mind applies to newly acquired tenders or toys.

We offer:

- A truly tailored Yacht P&I and Hull insurance with worldwide cover
- 24/7 worldwide assistance
- Fixed P&I premium based on your actual level of risk rather than a 'one-size-fits-all' generic approach
- Limits up to USD/EURO 1 billion and Hull limits up to USD/EURO 50 million
- 'A'-rated security
- Automatic cover for Crew Liability for pre-delivery crew
