The amount of the rent and other income received or receivable from the letting of and the services rendered at the Premises.

9. Standard Rent Receivable

The Rent Receivable during that period in the 12 months immediately before the date of the Incident which corresponds with the Indemnity Period.

- 2 For the purpose of these definitions any adjustment implemented in current cost accounting shall be disregarded.
- 3 Adjustments shall be made to the Standard Rent Receivable as may be necessary to provide for the trend of the Business and for variations in or other circumstances affecting the Business either before or after the Incident or which would have affected the Business had the Incident not occurred so that the adjusted figures shall represent as nearly as practicable the results which but for the Incident would have been obtained during the relative period after the Incident.

Clauses

4. Payments on Account

At the Insurer's discretion payments on account may be made to the Insured during the Indemnity Period but in no case shall any payment exceed the Insurer's liability in respect of loss of Rent Receivable under each item for the period in respect of which a payment is to be made.

5. Premium Adjustment

The premium is provisional and based upon the Estimated Rent Receivable.

Not later than six months after the expiry of each period of insurance the Insured shall supply to the Insurer a declaration confirmed by the Insured's professional accountants of the Rent Receivable earned during the financial year most nearly concurrent with the period of insurance.

If any Incident has occurred giving rise to a claim the declaration shall be increased by the Insurer for the purposes of premium adjustment by the amount by which the Rent Receivable was reduced during the financial year solely in consequence of the Incident.

If the declaration adjusted as provided for above and proportionately increased where the Maximum Indemnity Period exceeds 12 months:

We will at *our* discretion void this section (make it invalid) from its start date or from the date of claim or alleged claim or we will not pay the claim if:

- a) a claim the *insured person* has made to obtain benefit under this Section is fraudulent or intentionally exaggerated
- b) a false declaration or statement is made in support of a claim.

Where the above circumstances apply, as part of *our* fraud prevention measures we will, at *our* discretion, also share information with other parties such as the police, government bodies and anti-fraud organisations.

8. Keeping to the Policy terms

An *insured person* must:

- a) keep to the terms and conditions of this Section
- b) take reasonable steps to avoid and prevent claims
- c) take reasonable steps to avoid incurring unnecessary costs

d) send everything we ask for in writing, and

e) report to *us* full and factual details of any claim as soon as possible and give *us* any information we need.

9. Law that applies

This Section is governed by the law that applies in the part of the United Kingdom, Channel Islands or Isle of Man where the *business* is registered. Otherwise the law of England and Wales applies.

All Acts of Parliament mentioned in this section include equivalent laws in Scotland, Northern Ireland, the Isle of Man and the Channel Islands as appropriate.

10. Offers to settle a claim

a) An *insured person* must tell *us* if anyone offers to settle a claim and must not negotiate or agree to any settlement without *our* written consent.

b) If an *insured person* does not accept a reasonable offer to settle a claim we may refuse to pay further *costs and expenses*.

c) We may decide to pay an *insured person* the reasonable value of the claim that the *insured person* is claiming or is being claimed against them instead of starting or continuing legal action. In these circumstances an *insured person* must allow *us* to take over and pursue or settle a claim in their name. An *insured person* must allow *us* to pursue at *our* own expense and for their benefit any claim for compensation against any other person and an *insured person* must give *us* all the information and help we need to do so.

d) Where a settlement is made on a without-costs basis we will decide what proportion of that settlement will be regarded as *costs and expenses* and payable to *us*.

11. Other insurances

If any claim covered under this section is also covered by another Policy or would have been covered if this section did not exist we will only pay *our* share of the claim even if the other insurer refuses the claim.

12. Your representation

a) On receiving a claim if representation is necessary we will appoint a *preferred law firm* or *tax consultancy* or in-house lawyer as *your appointed representative* to deal with *your* claim. They will try to settle *your* claim by negotiation without having to go to court.

b) If the appointed *preferred law firm* or *tax consultancy* or *our* in-house lawyer cannot negotiate settlement of *your* claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest then *you* may choose a law firm or tax expert to act as the *appointed representative*. We will choose the *appointed representative* to represent *you* in any proceedings where we are liable to pay a compensation award.

c) If *you* choose a law firm as *your appointed representative* that is not a *preferred law firm* or *tax consultancy* we will give *your* choice of law firm the opportunity to act on the same terms as a *preferred law firm* or *tax consultancy*. However if they refuse to act on this basis the most we will pay is the amount we would have paid if they had agreed to the *DAS standard terms of appointment*.

- d) The *appointed representative* must co-operate with us at all times and must keep us up to date with the progress of the claim.

13. Your responsibilities

An *insured person* must:

- a) co-operate fully with us and the *appointed representative*
- b) give the *appointed representative* any instructions that we ask you to.

14. Withdrawing cover

If an *insured person* settles a claim or withdraws their claim without our agreement or does not give suitable instructions to the *appointed representative* we can withdraw cover and will be entitled to reclaim any *costs and expenses* we have paid.

Data protection

To comply with data protection regulations we are committed to processing the *insured person's* personal information fairly and transparently. This section is designed to provide a brief understanding of how we collect and use this information.

We may collect personal details, including the *insured person's* name, address and, on occasion their medical records. This is for the purpose of managing the *insured person's* products and services, and this may include underwriting, claims handling and providing legal advice.

Who we are

DAS is part of DAS UK Holdings Limited (DAS UK Group). The uses of the *insured person's* personal data by us and members of the DAS UK Group are covered by our individual company registrations with the Information Commissioner's Office.

How we will use your information

We may need to send the *insured person's* information to other parties, such as lawyers or other experts, the court, insurance intermediaries, insurance companies, appointed service providers, specialist agencies so they may contact the *insured person* to ask for their feedback or members of the DAS UK Group. If the *insured person's* policy includes legal advice we may have to send the information outside of the European Economic Area in order to give legal advice on non-European Union law.

We will not disclose the *insured person's* personal data to any other person or organisation unless we are required to by our legal and regulatory obligations. For example, we may use and share the *insured person's* data with other organisations and public bodies, including the police and anti-fraud organisations, for the prevention and detection of crime, including fraud and financial sanctions. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies to prevent fraud and money laundering. Further details explaining how the information held by fraud prevention agencies may be used can be obtained by writing to, or telephoning DAS. A copy is also accessible and can be downloaded via our website.

General Conditions applying to the whole Policy other than Section K – Legal Expenses

1. Fair Presentation of the Risk

- a) At inception and renewal of this Policy and also whenever changes are made to it at the Insured's request the Insured must:
- i) disclose to the Insurer all material facts in a clear and accessible manner; and
 - ii) not misrepresent any material facts.
- b) If the Insured does not comply with clause a) of this condition the Insurer may:
- i) avoid this Policy which means that the Insurer will treat it as if it had never existed and refuse all claims where any non-disclosure or misrepresentation by the Insured is proven by the Insurer to be deliberate or reckless in which case the Insurer will not return the premium paid by the Insured; and
 - ii) recover from the Insured any amount the Insurer has already paid for any claims including costs or expenses the Insurer has incurred.
- c) If the Insured does not comply with clause a) of this condition and the non-disclosure or misrepresentation is not deliberate or reckless this Policy may be affected in one or more of the following ways depending on what the Insurer would have done if the Insurer had known about the facts which the Insured failed to disclose or misrepresented:
- i) if the Insurer would not have provided the Insured with any cover the Insurer will have the option to:
 - 1) avoid the Policy which means that the Insurer will treat it as if it had never existed and repay the premium paid; and
 - 2) recover from the Insured any amount the Insurer has already paid for any claims including costs or expenses the Insurer has incurred
 - ii) if the Insurer would have applied different terms to the cover the Insurer will have the option to treat this Policy as if those different terms apply. The Insurer may recover any payments made by the Insurer on claims which have already been paid to the extent that such claims would not have been payable had such additional terms been applied
 - iii) if the Insurer would have charged the Insured a higher premium for providing the cover the Insurer will charge the Insured the additional premium which the Insured must pay in full.

- d) Where this Policy provides cover for any person other than the Insured and that person would if they had taken out such cover in their own name have done so for purposes wholly or mainly unconnected with their trade, business or profession the Insurer will not invoke the remedies which might otherwise have been available to the Insurer under this condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to a particular insured person other than the Insured.

Provided always that if the person concerned or the Insured acting on their behalf makes a careless misrepresentation of fact the Insurer may invoke the remedies available to the Insurer under this condition as against that particular person as if a separate insurance contract had been issued to them leaving the remainder of the Policy unaffected.

2. Reasonable Care

The Insured shall take all reasonable steps to:

- a) protect the Property Insured
- b) comply with statutory enactments Bye-Laws and any other obligations and Regulations imposed by any authority
- c) employ only competent employees
- d) prevent accidents
- e) maintain all Vessels in a sound condition and state of Seaworthy (as defined in Section G)
- f) maintain all ways, works machinery and plant in sound condition.

In the event of the discovery of any defect or danger the Insured shall forthwith cause such defect or danger to be made good or remedied and in the meantime shall cause such additional precautions to be taken as the circumstances may require.

3. Compulsory Insurance

The Insured must repay the Insurer any amounts which the Insurer is required by compulsory insurance legislation to pay out under this Policy to the extent that the Insurer would not otherwise have been liable to make such payments on account of a breach of any of the terms or conditions of this Policy.

4. Alteration

The Insured must notify the Insurer as soon as possible during the period of insurance if there is any change in circumstances or to the material facts previously disclosed by the Insured to the Insurer or stated as material facts by the Insurer to the Insured which increases the risk of accident, injury, loss, damage or liability.

Upon notification of any such change the Insurer will be entitled to vary the premium and terms for the rest of the period of insurance. If the changes make the risk unacceptable to the Insurer then the Insurer is under no obligation to agree to make them and may no longer be able to provide the Insured with cover.

If the Insured does not notify the Insurer of any such change the Insurer may exercise one or more of the options described in clauses c) i), ii) and iii) of General Condition 1 – Fair Presentation of the Risk but only with effect from the date of the change in circumstances or material facts.

5. Fraudulent Claims

If the Insured or anyone acting on the Insured's behalf:

- a) makes a fraudulent or exaggerated claim under this Policy; or
- b) uses fraudulent means or devices including the submission of false or forged documents in support of a claim whether or not the claim is itself genuine; or
- c) makes a false statement in support of a claim whether or not the claim is itself genuine; or
- d) submits a claim under this Policy for loss or damage which the Insured or anyone acting on the Insured's behalf or in connivance with the Insured deliberately caused; or
- e) realises after submitting what the Insured reasonably believed was a genuine claim under this Policy and then fails to tell the Insurer that the Insured has not suffered any loss or damage; or
- f) suppresses information which the Insured knows would otherwise enable the Insurer to refuse to pay a claim under this Policy

the Insurer will be entitled to refuse to pay the whole of the claim and recover any sums that the Insurer has already paid in respect of the claim.

The Insurer may also notify the Insured that the Insurer will be treating this Policy as having terminated with effect from the date of any of the acts or omissions set out in clauses a) to f) of this condition.

If the Insurer terminates this Policy under this condition the Insured will have no cover under this Policy from the date of termination and not be entitled to any refund of premium.

If any fraud is perpetrated by or on behalf of an insured person and not on behalf of the Insured this condition should be read as if it applies only to that insured person's claim and references to this Policy should be read as if they were references to the cover effected for that person alone and not to the Policy as a whole.

6. Cancellation

This insurance may be cancelled by the Insurer at any time subject to 30 days notice to the Insured or by mutual agreement, when a pro rata daily return of premium shall be made calculated on the annual premium charged. Subject always to a minimum retained premium of £50.

7. Arbitration

If the Insurer admits liability for a claim but there is a dispute as to the amount to be paid the dispute will be referred to an arbitrator. The arbitrator will be appointed jointly by the Insured and the Insurer in accordance with the law at the time. The Insured may not take any legal action against the Insurer over the dispute before the arbitrator has reached a decision.

8. Legal Representatives

In the event of the death of the Insured the Insurer will indemnify the Insured's legal personal representatives in respect of liability at law previously incurred by the Insured provided they observe, fulfil and be subject to the Terms, Conditions and Limitations of the Policy insofar as they can apply.

9. Premium Adjustment

If any part of the premium is calculated on estimates furnished by the Insured the Insured shall keep an accurate record containing all particulars relative thereto and shall at all times allow the Insurer to inspect such record. The Insured shall within one month from the expiry of each Period of Insurance furnish to the Insurer such particulars and information as the Insurer may require. The Premium for such period shall thereupon be adjusted and the difference paid by or allowed to the Insured as the case may be subject always to the minimum premium stipulated.

10. Claims Procedures

- a) On the happening of any event which could give rise to a claim the Insured must notify, the Insurer or the Insured's insurance intermediary, as soon as reasonably possible. Our claims department telephone number is **01273 863400**. The Insured will need to tell the Insurer:

- iii) take action to minimise the loss or damage and to avoid interruption or interference with the Business and to prevent further damage or injury
- iv) at their own expense and within:
 - a) seven days of loss or damage caused by riot, civil commotion, strikers, locked-out workers or persons taking part in labour disturbances or malicious persons
 - b) thirty days of expiry of the Indemnity Period in respect of Sections B1, B2 and B3
 - c) thirty days of any other loss or damage interruption or interference with the Business or injury or disease

- b) No settlement, admission of liability, payment or promise of payment shall be made to a third party without the consent of the Insurer.

11. Insurer's Rights

The Insurer shall:

- a) be entitled to take over the defence or settlement of any claim made upon the Insured by any other party and the Insured shall give all assistance as may be reasonably required by the Insurer
- b) have the right to enter the premises where the loss or damage has occurred and to keep possession of any of the Property Insured and to deal with the salvage in a reasonable manner but the Insured shall not be entitled to abandon any property to the Insurer
- c) be entitled to take benefit of any rights of the Insured against any other party before or after the Insured has received indemnification under this Policy and the Insured shall give all assistance as may be reasonably required by the Insurer
- d) at its option indemnify the Insured by payment, reinstatement, replacement or repair in respect of any property lost or damaged or part thereof. If the Insurer elects to reinstate or replace any property the Insurer shall not be bound to reinstate or replace exactly or completely but only as circumstances permit and in reasonably sufficient manner and shall not in any case be bound to expend in respect of any one of the Items insured more than the Sum Insured thereon.

12. Contribution

If in the event of a loss, damage or liability under this Policy there shall be in force any other insurance providing cover against such claim:

- a) the liability of the Insurer shall be limited to its rateable proportion of such claim
- b) but which is subject to any provision excluding it from ranking concurrently with this Policy either in whole or in part or from contributing rateably to the claim then the liability of the Insurer shall be limited to such proportion of the claim as the sum insured bears to the value of the property.

13. Sanctions

Notwithstanding any other terms of this Policy the Insurer will be deemed not to provide cover nor will the Insurer make any payment or provide any service or benefit to the Insured or any other party to the extent that such cover, payment, service, benefit and/or any business or activity of the Insured would violate any applicable trade or economic sanctions law or regulation.

14. Licence

This Policy will immediately cease if the Insured does not hold the appropriate licence to operate, crew and maintain the Vessel, whether for Maritime Coastguard agency (MCA) or otherwise.

15. Authorised Persons

We are committed to providing a high level of customer service. If you feel we have not delivered this, we would welcome the opportunity to put things right for you.

Who to contact in the first instance

Many concerns can be resolved straight away. Therefore in the first instance, please get in touch with your usual contact at Zurich or your broker or insurance intermediary, as they will generally be able to provide you with a prompt response to your satisfaction.

Contact details will be provided on correspondence that we or our representatives have sent you.

Many complaints can be resolved within a few days of receipt

If we can resolve your complaint to your satisfaction within the first few days of receipt, we will do so. Otherwise, we will keep you updated with progress and will provide you with our decision as quickly as possible.

Next steps if you are still unhappy

If you are not happy with the outcome of your complaint, you may be able to ask the Financial Ombudsman Service to review your case.

We will let you know if we believe the ombudsman service can consider your complaint when we provide you with our decision. The service they provide is free and impartial, but you would need to contact them within 6 months of the date of our decision.

More information about the ombudsman and the type of complaints they can review is available via their website www.financial-ombudsman.org.uk.

You can also contact them as follows:

Post: Financial Ombudsman Service,
Exchange Tower, London, E14 9SR

Telephone: 08000 234567
(free on mobile phones and landlines)

Email: complaint.info@financial-ombudsman.org.uk

If the Financial Ombudsman Service is unable to consider your complaint, you may wish to obtain advice from the Citizens Advice Bureau or seek legal advice.

The Financial Services Compensation Scheme (FSCS)

We are covered by the Financial Services Compensation Scheme (FSCS) which means that you may be entitled to compensation if we are unable to meet our obligations to you. Further information is available on www.fscs.org.uk or by contacting the FSCS directly on 0800 678 1100.
