

ENERGY

Our skilled and experienced Energy team offers a variety of packaged policies, focusing on building strong, long-term client relationships while understanding individual insurance requirements.

APPETITE

We offer upstream energy coverage on worldwide operations to the full spectrum of firms in the industry, from independent SMEs to national oil companies.

We are always open to tailoring our coverage to client needs and provide coverage under energy package policies for the following:

- Physical Damage to Offshore Installations and Mobile Units
- Operator's Extra Expense
- Business Interruption – Loss of Production Income and Loss of Hire following Physical Damage
- Third Party Liability
- OPOL
- Total Loss Only

GEOGRAPHIC FOCUS

Neon can insure clients' worldwide operations. We are able to underwrite in any country where Lloyd's is licensed to trade, with a particular focus on:

- North Sea (all sectors)
- Canada
- West Africa
- Asia Pacific region

CLIENTS

- Small, medium and large independent oil and gas companies
- Large, integrated energy companies
- National oil companies
- Drilling contractors

LINE SIZE

- USD \$20,000,000

WHY CHOOSE NEON?

We understand that clients may occasionally require time critical amendments to their insurance policy. In such instances we can provide rapid turnaround time to ensure coverage is in place and operations may continue without disruption.
