

CONTRACTING BUSINESS

Cover is available for smaller contractors on a per capita basis or for larger firms on a traditional wages and turnover basis.

Per Capita Liability

Designed for firms with 1 – 10 employees with turnover up to a £1 million.

- We have a wide trade appetite, including facilities to accommodate high risk construction trades
- Contractors All Risks can be covered on a separate contract

Quotes and cover facilities for our Per Capita Liability product are available at www.mi-binder.com

Contractors

Package with Contractors All Risks, Public Liability and Employers' Liability, suitable for building and allied trades.

- Contractors All Risks and Liability covers can be written in isolation
- We accept risks with high BFSC proportion of turnover and wageroll
- Non-negligent Liability cover is available in isolation
- Public Liability excess of loss limits are available to £50 million
- We will consider providing cover for existing structures
- Long term contracts
- Single project cover available.

WHY CHOOSE R&Q?

- We support the independent intermediary
- R&Q is independently owned – we are not a potential competitor for our partner brokers
