The StarStone Advantage

StarStone's Aerospace underwriters have extensive knowledge across a wide range of aerospace industries. All have decision making authority and utilise sophisticated pricing and modelling tools to deliver expert product solutions and high-level service.

Led by Richard Etridge, a recognised market leader, the team operates across Continental Europe as well as through Lloyd's and the London market.

GLOBAL LICENCING

StarStone provides Aerospace coverage for a global client base through:

StarStone Insurance SE

Liechtenstein-based European specialty insurer.

Aviation lines are also offered through

Syndicate 1301

Managed by StarStone Underwriting Limited, a Lloyd's managing agency authorised and regulated by the PRA and FCA. Through Lloyd's, Syndicate 1301 is licenced and authorised to trade in over 200 countries.

StarStone Specialty Insurance Company US excess and surplus lines insurer.

StarStone National Insurance Company

As at December 2014, we have filed rates in all 50 states.

SECURITY

All StarStone companies carry an A- (Excellent) rating by A.M. Best. For business written through Lloyd's, Lloyd's is rated A+ from Standard & Poor's and Fitch Ratings, and A (Excellent) by A.M. Best.

Aviation currently use SISE and Syndicate 1301 as carriers to underwrite its global portfolio.
