The StarStone Advantage

Service

We spend considerable time building strong relationships with onshore energy companies and project developers worldwide. Our systematic and consistent approach to risk assessment and service delivery ensures high-level engagement with every client.

Innovation

A strong commitment to continuous improvement and innovation is vital to provide optimal loss prevention solutions. Our suite of structured and industry-specific risk quality assessment tools maximises analytical performance and provides an in-depth understanding of clients' risks.

Engineering

StarStone's in-house engineering department, with its technical capabilities is a major advantage for clients. StarStone utilises a team that support every phase of the insurance transaction.

GLOBAL LICENCING

StarStone provides Onshore Energy coverage for a global client base through:

Syndicate 1301

Managed by StarStone Underwriting Limited, a Lloyd's managing agency authorised and regulated by the PRA and FCA. Through Lloyd's, Syndicate 1301 is licenced and authorised to trade in over 200 countries.

SECURITY

All StarStone companies carry an A- (Excellent) rating by A.M. Best. For business written through Lloyd's, Lloyd's is rated A+ by Standard & Poor's and Fitch Ratings, and A (Excellent) by A.M. Best.

CAPACITY

- Up to USD 25 million.

CLAIMS

The StarStone Onshore Energy claims team works closely with clients, brokers and StarStone underwriters and engineers both pre and post loss. Paying covered claims quickly is important to StarStone and is an integral part of the StarStone brand.
