

UK / Crisis Management & Special Risks

Sport & Leisure

In sport, leisure or entertainment, you've got to be prepared for the unexpected. At AXA XL, we're there to help our clients anticipate and manage any crisis. Our specialist underwriters have the right insurance solution for all types of organisations, ranging from a sports club participating in league fixtures, to an event organiser looking for cancellation cover.

What we cover

Our experience and technical know-how allow us to design bespoke flexible cover for each risk. We can offer any of the following individual insurance covers, or bundle them to suit whatever our clients need:

- Liability – including Public Liability, Products Liability, Employer's Liability, along with Directors & Officers and Professional Indemnity
- Property – including material damage, theft, money and assault, interruption, loss of license and fidelity
- Personal Accident – including permanent and temporary disability, accidental death, loss of earnings and medical expenses
- Contingency – including cancellation and abandonment, non-appearance, prize indemnity, contractual bonus, death and disgrace, film production

Future focused

We have a distinct advantage when it comes to creating solutions for emerging risks through innovation; something which is not readily available in the marketplace. In addition, our significant experience in the design, build, and ongoing delivery of effective e-trade solutions, demonstrates that we are well placed to continue developing our distribution model, in conjunction with our trading partners, as technology evolves.

Our expert crisis response service explained – Response AXA XL

The first hours and days are critical in protecting visitors and minimising damage to your reputation. Our expert crisis response partners will be on hand immediately to assess the situation and guide you, whether you're facing a full-scale incident or a security threat.

Our expert consultants will also be available to you 24/7 and can advise what to do to minimise the risk of harm and damage

to your visitors, employees and your business reputation. In addition, they will also assess your existing emergency procedures and advise on measures you can take to help prevent risks in the future.
