WHAT IS NEEDED FOR A QUOTATION?

To enable us to provide you with our best quotation, risk details from you and your customer should include but are not limited to:

- Vehicle schedule with full vehicle details
- Updated and confirmed claims experience
- Details of significant claims
- Details of existing terms, conditions and restrictions
- Company background and website address
- Business activities and plans
- Risk management initiatives
- Details of all drivers under 25 years old
- Details of unusual features or concerns.

NB. Our acceptance of risk is based on the information presented being a fair presentation of the risk
