

Designed for a broad spectrum of businesses who own or operate Maritime Equipment of every shape and size. Maritime Equipment Solutions from RSA encompasses our specialist underwriting, claims and risk management expertise. We provide an unrivalled service for your client's specialist equipment on a worldwide basis.

INNOVATIVE PRODUCT PACKAGE

As a market-leading and award-winning insurer, we are constantly reviewing our delivery and products to make it easier for you to do business with us. Maritime Equipment Solutions is tailored to meet the specific demands of this unique sector, providing uninterrupted coverage whether subsea, topside, in transit, in store and including whilst in operation.

COVER

Standard cover includes:

- Physical loss, damage or destruction to Maritime Equipment owned or hired, loaned, leased to your client or for which they are responsible
- Loss of revenue
- Collision liability, including legal costs
- Removal of wreck and debris removal
- Liability for continuing hire charges
- Automatic inclusion of additional equipment acquired
- Damage caused by Latent Defect
- New replacement value on equipment up to 5 years old
- Airfreight replacement
- Damage caused by Customs inspection and fumigation
- Exhibitions and loss of exhibition expenses.

Cover can also be extended to include goods being sold by the client under the specific cargo section of the policy.

BENEFITS

Our Maritime Equipment Solutions product:

- Provides cover for Insured Equipment on a worldwide basis
- Is written in plain English with clear and concise extensions, conditions and exclusions
- Is flexible and can be tailored to suit the individual requirements of your client
- Is supported by specialist underwriting and claims teams.

STRENGTHS AND APPETITE

With UK and global underwriting experience, RSA is capable of writing most types of Maritime Equipment including activities centred around:

- Oil field support
- Remotely Operated Vehicles (ROV)
- Autonomous Underwater Vehicles (AUV)
- Oceanographic survey equipment
- Trenchers
- Ploughs
- Dive Bells
- On vessel fixed equipment not covered by a Hull insurance policy.

Specialist risks, simple solutions

Maritime Equipment Solutions provides extensive cover and a simple solution to specialist risks.

Part of a bigger picture

RSA Marine has specialist and dedicated underwriting and claims teams with a wealth of experience across the globe. RSA Marine provides you with decision-makers, something that is key to keeping your customers moving in the event of any problems.

Our local Marine Development Managers provide you with ongoing support and training as required, and our award-winning risk management team is on hand to identify, analyse and mitigate risks.

WHY RSA?

We have a proud heritage of over 300 years and our Marine proposition is far more extensive than just these products. We have global capability to provide solutions for all your customers' Marine needs and requirements.

Financial Stability	We're a financially stable company. We provide insurance and risk management to a significant number of FTSE 100 companies, across a well-balanced portfolio.
Plain English	As a market-leading and award-winning insurer, we at RSA are constantly refreshing our delivery and products to make it easier for you to do business with us – outlining all we do in plain English.
Fair Claims Paid Promptly	RSA advocates the prompt settlement of every claim and we aim to make timely payments to ensure your clients can keep moving.
