

PROPERTIES - PROPERTY OWNER'S INSURANCE SPECIFIED RISKS

Policy

Claim Notification

Conditions that apply to this policy and in the event of a claim are set out on pages 21 to 23 of this policy. It is important that you comply with all policy conditions and you should familiarise yourself with their requirements.

Directions for claim notification are included under claims conditions. Please be aware that events that may give rise to a claim under this insurance must be notified as soon as reasonably possible although there are some situations where immediate notice is required. Further guidance is contained in the policy.

Claims conditions require you to provide us with any reasonable assistance and evidence that we require concerning the cause and value of any claim. Ideally, as part of the initial notification, you will provide:

- Your name, address and contact phone number(s)
- Policy number
- The date of the incident
- The cause of the loss or damage
- Address where the loss took place together with an estimated claim value if available
- If the claim involves personal injury, the names and addresses of the parties involved including details of injuries and names and addresses of any witnesses (if known)

This information will enable us to make an initial evaluation on policy liability. We may, however, request additional information depending on circumstances and estimated claim value. Sometimes we or someone acting on our behalf, may wish to meet with you to discuss the circumstances of the claim, to inspect the damage or to undertake further investigations.

We take pride in the claims service we offer to our customers. Our philosophy is to repair or replace lost or damaged property, where we consider it appropriate, and we have developed a network of contractors, repairers and product suppliers dedicated to providing claim solutions.

Where we can offer repair or replacement through a preferred supplier but we agree to pay our customer a cash settlement, then payment will normally not exceed the amount we would have paid our preferred supplier.

Non Payment - Consumer Credit Termination Clause

We reserve the right to terminate the Policy in the event that there is a default in instalment payments due under any linked loan agreement.
