Coverage Profile for
Allied Healthcare Facilities

CNA

We can show you more.®

Allied healthcare facilities represent a diverse segment that will continue to grow as healthcare services are increasingly delivered outside of a hospital or doctor's office. Whether your clients are a walk-in clinic, cancer treatment centre, or hospice, they need an insurance carrier that can help them manage a wide range of exposures in an increasingly litigious environment..

Products that meet your clients' needs

Our insurance products for the allied healthcare facilities market are structured to provide comprehensive protection for various aspects of your clients' business operations.

Primary Coverages

• Professional Liability

• General Liability

• Excess/Umbrella Coverage
