INSURANCE FOR OIL AND GAS PROFESSIONALS

APPLICATION FORM

INTRODUCTION

The purpose of this application form is for us to find out who you are and to obtain information relevant to the cover provided by the O&G policy. Completion of this application form does not oblige either party to enter into a contract of insurance. Insurance is a contract of utmost good faith. This means that the information you provide in this application form must be complete, accurate and not misleading. It also means that you must tell us about all facts and matters which may be relevant to our consideration of your application for insurance. Any failure by you in this regard may entitle us to treat this insurance as if it never existed. If a contract of insurance is agreed between you and us this application form will form the basis of the contract.

Important: Insuring Clauses I and 2 provide cover on a claims made and reported basis. Under this Insuring Clause a claim must be first made against the Insured and notified to us during the period of the policy to be covered. This Insuring Clause does not cover any claim arising out of any actual or alleged incident occurring prior to the retro date.
