Our policy is a product designed to surpass these expectations – it is a multi-class policy tailored to target key exposures for businesses in this sector, and is suitable for a wide range of agency sizes and models. Recognising the global nature of the sector, our policy includes worldwide jurisdiction as standard.

Coverage highlights

Vicarious liability

This cover is included as standard in order to cover the agency's legal liability arising out of any negligent act, error or omission committed by placed personnel.

Contractual liability

Clear, unambiguous cover for breach of a client contract. We will pay sums which you become legally obliged to pay as a result of a claim by a client made against you, including liability for claimants' costs and expenses.

Placed personnel cover

Placed personnel are covered in the employers' and public liability sections of the policy, should the agency be legally liable for bodily injury or illness of placed personnel or for damage or bodily injury caused by placed personnel.

Withheld fees & claims cover

Claims can quickly spiral out of control and incur a significant cost to the business or individual. That's why our policy includes reimbursement of costs incurred to help reduce or avoid a claim, as well as the payment of fees withheld by an aggrieved client if this mitigates a potentially larger claim.

Intellectual property infringement rights

Our policy covers costs associated with copyright and trademark infringement claims being brought against you, including legal costs, damages, settlements and counterclaims.

Comprehensive insurance package

This is a comprehensive multi-class policy which includes employers' liability, public liability, full civil liability, professional indemnity, drivers' negligence, placed personnel dishonesty (fidelity bonding), cyber & privacy liability, property cover and our innovative business interruption insurance

Business interruption cover

Our cover is designed to be comprehensive and flexible, so our innovative cover is offered on a "flexible first loss" basis, which means whatever type of business interruption loss is suffered, only one sum insured needs to be purchased.

Property in transit

We recognise that your property travels with you, so our cover includes worldwide laptop protection as standard, and can be extended to other property you value.
