# Special Coverage For Seasonal Dwelling – Outbuildings and Belongings, Rented Dwelling – Outbuildings and Belongings and Special Belongings

**Your** policy is made up of a Cover Page and this booklet. **Your** policy is a legal contract between **you** and **us**. This booklet explains **your** coverages and is written in a language to make it easier for **you** to understand **your** insurance protection. **Your** Cover Page shows the coverages **you** have chosen, what **we** agree to insure, the coverage **we** provide, and the **amount of protection**. It also shows the premium **you** have agreed to pay. All **amounts of protection** are shown and all losses are payable in Canadian dollars.

This policy booklet is in seven parts:

## **Part 1 – Dwelling, Outbuildings and Belongings**

- explains the type of property **you** own or use that **you** can protect, such as a seasonal dwelling, outbuildings, belongings, or a dwelling **you** rent to others.

## **Part 2 – Perils Insured**

- explains the perils **you** can protect **your** property against. There are three coverage options **you** can choose from. They are: Cover Code A, Cover Code B, or Cover Code C. It also explains Cover Code AE. **Your** Cover Page shows which Cover Code **you** have.

## **Part 3 – Added Features of Your Part 1 Coverage**

- explains the added features **you** have with **your dwelling** coverage.

## **Part 4 – Special Belongings**

- explains the coverage **you** can have to cover other items **you** own and use such as furs, jewelry, watercraft, and other property **you** need to insure on a separate basis.

## **Part 5 – Other Property**

- A) All-Terrain Vehicles (Applicable to Agro Pak Policies only)
  - explains the coverage **you** can have to cover all-terrain vehicles.
- B) Dwelling Under Construction
  - explains the coverage **you** can have to cover **dwellings** under construction.

## **Part 6 – Policy Conditions**

- explains how **we** settle a claim; property and causes of loss **we** do not cover, and general conditions that apply to Parts 1, 2, 3, 4, and 5.

## **Part 7 – Statutory Conditions**

- these are conditions **we** must tell **you** about by law.

All claims will be settled directly with the person(s) named on **your** Cover Page. Only the person(s) named on **your** Cover Page may make a claim against this policy and may take legal action against **us**.

Claims presented for loss or damage by any person(s) covered under this policy, shall be considered to be made by all named or unnamed insured person(s) jointly. Action(s) of any person either individually or jointly shall be considered action(s) by all for the purpose of investigation and settlement of losses.

**Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act*.**

The key to **your** policy is its Cover Page. It shows the type and amount of **your** coverage. It gives the location of property **you** are insuring and it describes certain types of property **you** are insuring. **Your** coverage starts at 12:01 A.M. standard time on the **Effective Date**. It ends at 12:01 A.M. standard time on the **Expiry Date**. **Your** Cover Page shows both of these dates. This is **your policy term**.

This policy contains various exclusions and limitations that eliminate or restrict coverage. Please read it carefully.

***Insurance cannot be a source of profit. It is designed to indemnify you against actual losses or expenses incurred by you or for which you are legally liable.***

- 1) **Fire or Lightning.**
- 2) **Explosion or Implosion.**
- 3) **Smoke.** By this **we** mean damage due to sudden and unusual failure of a heating or cooking unit in or on the **premises**. This could include things such as a furnace, stove or fireplace.

  - directly or indirectly caused by theft or attempted theft.
  - while **your dwelling** is under construction or **vacant**, regardless if permission for construction or vacancy was given elsewhere.
  - caused by **you** or anyone living in **your** household.
  - to property from that part of **your premises** rented by **you** to others, caused by any tenant, tenant's guests, tenant's employees, or members of their households, unless fire ensues and then **we** only cover the loss or damage caused by the ensuing fire.
- 8) **Water Escape and Rupture.** If **you**, or **your** tenant with **your** knowledge, are away from **your premises** for more than 10 consecutive days during the normal heating season, **you** or **your** tenant must do one of three things. **You** or **your** tenant must shut off the water supply and drain all pipes, attached fixtures, and appliances **or** arrange to have a reliable person come in daily to check the heating, **or** have **your dwelling** electronically monitored 24 hours per day by a company that monitors and responds to a low temperature signal. If **you** or **your** tenant does not, **we** will not cover loss or damage caused by freezing, or resulting water damage.

**We** do not cover loss or damage to **your dwelling** or belongings if **your dwelling** has been **vacant** for more than 30 consecutive days or while **your dwelling** is under construction.

**We** do not cover loss or damage that is caused by freezing to any part of a plumbing, heating, fire sprinkler or air conditioning system or household appliance that is not in a heated building, or any resulting water damage.

**We** do not cover loss or damage caused:

  - by rust, corrosion or deterioration.
  - by seepage, or continuous or repeated leakage.
  - by **sewer back up**.
- 9) **Windstorm or Hail.** The interior of a building and belongings inside are also covered, but only if the damage happens immediately after wind or hail first makes an opening in the building. This peril does not cover loss or damage caused by waves, flood, high water, ice, rain, snow or sleet, whether driven by wind or not.
- 10) **Electricity.** Means sudden and accidental loss or damage caused by artificially generated electrical current.

**There are other causes of loss we will not cover under this policy. These are shown under Property and Causes of Loss We Do Not Cover.**

## Perils Insured – Cover Code B

When Cover Code B is shown on **your** Cover Page, **we** cover for direct physical loss or damage caused by the perils as defined in Cover Code A plus peril 11 on seasonal and rental **dwelling**s and outbuildings or perils one to 13 on belongings:

- 11) **Glass Breakage.** **We** cover any cause of loss to glass or safety glazing material. These things must be part of a building, storm door, or window. **We** do not cover these things while **your dwelling** or outbuilding is under construction or **vacant**, even if we have given permission for construction or vacancy.
- 12) **Theft, Including damage caused by Attempted Theft.** **We** do not cover the following:
  - buildings, building materials **you** are going to use as part of **your dwelling**, permanently installed equipment, and structures, except as shown under Added Features of Your Part I Coverage.

  - loss or damage caused by **you** or anyone living in **your** household.
- 13) **Transportation.** **We** cover loss or damage to belongings and building fixtures and fittings while they are being transported if caused by an accident to the transporting vehicle.

**There are other causes of loss we will not cover under this policy. These are shown under Property and Causes of Loss We Do Not Cover.**

## Perils Insured – Cover Code C

When Cover Code C is shown on **your** Cover Page, **we** cover for direct physical loss or damage caused by comprehensive perils:

**Comprehensive Perils.** Shown below are some perils or causes of loss that **we** exclude. If these are the cause of loss or damage, **we** will not cover such loss or damage. If the peril that causes loss or damage is not one of the perils shown below, then **you** are covered.

**We** do not cover loss or damage:

- a) caused by water below ground level including that which exerts pressure on or flows, seeps or leaks through any opening in a sidewalk, driveway, foundation, wall, window, door or floor. **We** will, however, cover if it was due to a sudden and unexpected escape of water from a swimming pool or its attached equipment, fire fighting activities, or a public **watermain**.
- b) caused by flood, **surface water**, waves, tidal waves, overflow of streams or other bodies of water, spray, ice, waterborne ice, shoreline ice build-up or waterborne objects, whether any of the former are driven by wind or not. But **we** will, however, cover loss or damage if it is due to a sudden and unexpected escape of water from a swimming pool or its attached equipment, fire fighting activities, or a public **watermain**. **We** will cover watercraft due to sudden and unexpected flood, **surface water** and waves.
- c) caused by wear and tear, rust, corrosion, or deterioration.
- d) caused by water entering **your dwelling** and/or outbuilding, unless the water entered through an opening which was created suddenly and accidentally by a **Listed Peril**. **We** will, however, provide coverage if the loss was due to water that entered through a roof due to the accumulation of ice or snow on the exterior of the roof or eavestrough.
- e) caused by freezing or resulting **water escape** from a plumbing, heating, fire sprinkler or air conditioning system, or household appliance during the normal heating season and **you** or **your** tenant with **your** knowledge are away from **your premises** for more than 10 consecutive days. In order to have this

coverage, **you** or **your** tenant must do one of three things. **You** or **your** tenant must shut off the water supply and drain all pipes, attached fixtures, and appliances, **or** arrange to have a reliable person come in daily to check the heating, **or** have **your dwelling** electronically monitored 24 hours per day by a company that monitors and responds to a low temperature signal. But, **we** will not cover loss or damage if **your dwelling** has been **vacant** for more than 30 consecutive days or while **your dwelling** is under construction, even if **we** have given permission for construction or vacancy.

- f) caused by dampness of atmosphere, extremes of temperature, condensation (includes ice and/or frost from condensation), wet or dry rot, mould, acid rain or contamination, inherent vice, unknown flaw and defect.
- g) caused by mechanical breakdown, except as covered under Optional Coverages – Home Systems Protection.
- h) caused by seepage or continuous or repeated leakage of water or steam from a plumbing, heating, fire sprinkler, or air conditioning system, household appliance, a swimming pool or hot tub or attached equipment, or a public **watermain**.
- i) caused by **rupture**, or freezing to an outdoor swimming pool or hot tub and the attached equipment of either, any part of a plumbing, heating, fire sprinkler or air conditioning system, or household appliance not in a heated building or a public **watermain**.
- j) due to theft or attempted theft, vandalism or malicious acts:
  - (i) to property from that part of **your premises** rented by **you** to others caused by any tenant, tenant's guests, tenant's employees, or members of their household, unless fire ensues and then **we** only cover the loss or damage caused by the ensuing fire.
  - (ii) caused by **you** or anyone living in **your** household.
  - (iii) while **your dwelling** is under construction or **vacant**, even if **we** have given permission for construction or vacancy.
- k) caused by escape of water or steam from a plumbing, heating, fire sprinkler or air conditioning system, household appliance, swimming pool or hot tub or their attached equipment, or public **watermain** occurring after **your dwelling** has been **vacant** for more than 30 consecutive days or while **your dwelling** is under construction, even if **we** have given permission for construction or vacancy.
- l) caused by vermin (such as skunks and raccoons), rodents (such as squirrels and mice), insects (such as moths and termites), moles, zebra mussels, bats, birds, or domesticated animals. **We** will cover resulting damage to building glass caused by birds if the peril of Glass Breakage is insured under **your** policy.
- m) caused by sudden and accidental bursting, tearing apart, cracking, burning, or bulging due to the pressure of or lack of water or steam in a plumbing, heating, fire sprinkler or air conditioning system, or an appliance for heating water occurring after **your dwelling** has been **vacant** for more than 30 consecutive days or while **your dwelling** is under construction, even if **we** have given permission for construction or vacancy.
- n) due to marring or scratching of any property or breakage of any fragile or brittle article unless caused by a **Listed Peril**, theft or attempted theft.
- o) to glass while **your dwelling** or outbuilding is under construction or **vacant** even if **we** have given permission for construction or vacancy.
- p) to retaining walls not constituting part of an insured building, unless caused by a **Listed Peril**.

- r) caused by smoke from agricultural or industrial operations.
- s) to sporting equipment due to the use of it.
- t) to contact lenses unless the loss or damage is caused by a **Listed Peril**, theft or attempted theft.

**We** do not cover the following three things if they happen at the same time as an excluded peril or cause of loss above or elsewhere in this policy or contribute with an excluded peril or cause of loss to produce a loss:

- weather conditions.
- acts or decisions of any person, civic authorities, or government authorities.
- faulty, inadequate, or defective planning, design, material, construction, or maintenance of public utilities or public structures.

**Listed Perils** referred to previously are fire, lightning, explosion or implosion, smoke, falling objects, impact by aircraft, spacecraft or land vehicles, riot, vandalism or malicious acts, **water escape, rupture**, windstorm or hail, electricity and transportation, all as defined under **Perils Insured**.

**There are other causes of loss we will not cover under this policy. These are shown under Property and Causes of Loss We Do Not Cover.**

## **Perils Insured – Cover Code AE**

When Cover Code AE is shown on **your** Cover Page **we** cover **your vacant** seasonal **dwelling** or **your vacant** rental **dwelling** for direct physical loss or damage caused by the listed perils as described under Cover Code A.

If **your dwelling** is **vacant** for more than 90 consecutive days, the most **we** will pay for loss or damage caused by fire or lightning is 2/3 of the actual amount of such loss or damage. (This does not apply unless shown on **your** Cover Page.)

Cover Code AE requires that the following conditions must be met:

- a. **you** must arrange to have a reliable person take care of **your dwelling**.
- b. all windows and doors must be closed and locked.
- c. all rubbish must be removed.

## Part 3 – Added Features of Your Part 1 Coverage

We provide **added features** along with **your** regular coverage at no extra cost. These could be special types of coverage available to **you**, or they may be special uses of **your** regular coverage. We have noted those features that **add to your total amount of protection**. Otherwise the coverages described are **part** of the **amount of protection** shown on **your** Cover Page.

### Additional Living Expenses

**You** may use up to 10% of the **amount of protection** shown on **your** Cover Page for **your dwelling** to pay for an increase for each of the following. The length of time **we** will continue to make payments is not restricted by the expiry of **your** policy. The amount **we** pay **adds to your total amount of protection**.

#### 1. Increased Living Expenses

If the loss or damage makes **your premises** unfit for occupancy, **we** will pay for **your** moving costs. The loss or damage must be due to a peril for which **your premises** are insured. **We** will pay for the reasonable increase in **your** cost of living required to maintain **your** normal standard of living. **We** will not pay expenses for things that are not needed to support **you** during the period **your premises** remain unfit for occupancy. **We** will continue to pay only until **you** repair or replace **your premises**, or **you** permanently relocate. **We** will not pay for any increased costs due to unnecessary delays on **your** part, to repair or replace **your premises**, relocate, or to settle **your** household.

#### 2. Lost Rental Income

**We** will pay for **your** actual loss of rental income for those parts of **your premises** that **you** were renting out when the loss took place. The loss or damage must be due to a peril for which **your premises** are insured. **We** will pay for the fair rental value of this property even if it was not rented out when the loss took place. **You** must show **us** that **you** were trying and able to rent it out at the time of loss. **We** will pay until **you** have had a reasonable length of time to repair or replace the part of **your premises** that **you** were renting out. **We** will deduct any savings in expenses, such as electric and water bills, which stop because of the loss.

#### 3. Prohibited Access

When a civil authority prohibits access to **your premises**:

**We** will pay the costs for Increased Living Expenses and Lost Rental Income for up to two weeks. The denial must be due to damage to **your** or neighbouring premises from a peril for which **your premises** are insured. If **you** have Cover Code C – Comprehensive Perils, it must be due to a **Listed Peril**.

### Arson Conviction Reward

**We** will pay \$1,000 for information which leads to a conviction for arson in connection with a fire loss to property insured by this policy. The amount **we** pay adds to **your total amount of protection**. The \$1,000 limit will not be increased regardless of the number of persons providing information.

This coverage is not subject to a deductible.

### Belongings of Guests and Residence Employees

**You** may use up to 10% of **your** belongings protection for belongings of **your** residence employees or non-paying guests. These belongings must be at **your** seasonal premises or in the care of residence employees carrying out duties of their employment away from **your premises**. The loss must be due to a peril for which **your** own belongings are insured. **Your** guests or residence employees must not have any other coverage on their belongings. All claims will be settled directly with **you**.

## Bylaw Coverage

If **your** seasonal **dwelling** or outbuildings must be rebuilt to meet current building codes and bylaws, this may involve extra expenses not covered by ordinary insurance. If **your** Cover Page shows that **you** have this coverage, **we** will pay up to the **amount of protection** shown for these extra expenses, only if the original construction, subsequent renovations or additions were compliant with building codes and bylaws at the time of construction or alteration. These expenses must be due to a peril for which **your** seasonal **dwelling** is insured and involve only that portion of the property directly damaged by an insured loss. Extra expenses due to a law preventing **you** from rebuilding on the same site are not covered.

## Collapse

**We** cover direct physical loss or damage due to the **collapse** of a foundation, wall, floor, or roof of **your dwelling** or outbuildings caused by any of these three things:

- a peril insured by this policy.
- the weight of contents, equipment, or people.
- the weight of rain, ice, snow, or sleet on the roof.

**We** do not cover loss or damage caused by **collapse** while **your dwelling** or outbuilding is under construction or **vacant** even if **we** have given permission for construction or vacancy.

## Debris Removal

**You** may have **us** pay to remove debris of insured property from **your premises**, if **your** insured property has been damaged or destroyed by an **insured peril**.

**We** will also pay for removal of property of others, excluding trees, shrubs and plants, blown on to **your premises** by windstorm, if **your** insured property is damaged or destroyed by an **insured peril**.

Debris removal expenses shall not be considered for the purpose of applying any co-insurance.

## Declaration of Emergency Endorsement (Extension of Termination or Expiry Date)

The effective date of termination of this policy by the Insurer or the expiry date of this policy is extended, subject to the conditions and definitions set out below, as follows when an **Emergency** is declared by a Canadian public authority designated by statute for the purpose of issuing such an order.

1. The **Emergency** must have a direct effect or impact on:
  - a) the **Insured**, the insured site or insured property located in the declared emergency area; or
  - b) the operations of the Insurer or its agent/broker located in the declared emergency area.
2. a) Any time limitation described in the Termination condition of this policy, with respect to termination of this policy by the Insurer, will not continue to run until the **Emergency** is terminated plus the lesser of:
  - (i) 30 days; or
  - (ii) the number of days equal to the total time the **Emergency** order was in effect.
- b) If this policy is due to expire during an **Emergency**, it will continue in force until the **Emergency** is terminated plus the lesser of:
  - (i) 30 days; or
  - (ii) the number of days equal to the total time the **Emergency** order was in effect.
3. In no event shall the total term of the extension exceed 120 consecutive days.

The **Insured** agrees to pay the *pro rata* premium earned for the additional time the Insurer remains on risk as a result of the above.

#### 4. Definitions:

**Emergency** is defined as the first statutory declaration of an emergency:

- a) with respect to a situation or an impending situation that constitutes a danger of major proportions that could result in serious harm to persons or substantial damage to property and that is caused by the forces of nature, a disease or other health risk, an accident or an act whether intentional or otherwise; or
- b) as provided for by the relevant governing legislation if different from a) but does not include any subsequent statutory declaration(s) that may be issued relating to the same event.

All other terms and conditions of the Policy to which this endorsement applies remain unchanged.

#### **Emergency Entry Property Damage**

Coverage is automatically provided to repair damage to **your dwelling** (permanent or temporary residence) if damaged as a result of forcible entry by police, ambulance, fire department, or other persons to save and preserve life. This coverage adds to **your total amount of protection**.

This coverage is not subject to a deductible.

#### **Emergency Seasonal Mobile Home Removal**

If **your seasonal dwelling** is a mobile home and must be moved to protect it from loss, **we** will pay to have it moved and returned. The loss or threat of loss must be due to a peril for which **your seasonal dwelling** is insured. **We** do not consider **your** mobile home to be **in transit** when it is moved for this emergency.

#### **Fraud Conviction Reward**

**We** will pay up to \$1,000 for information that leads to a conviction of fraud in connection with an insured loss to property insured by this policy. The amount **we** pay adds to **your total amount of protection**. The \$1,000 limit will not be increased regardless of the number of persons providing information.

This coverage is not subject to a deductible.

#### **Inflation Protection Factor**

To help protect **you** in the event you have a loss, **we** will increase the total **amount of protection** on **your dwelling**, outbuildings, and belongings by a portion of the Inflation Protection Factor (IPF) percentage (as shown on **your** Cover Page) as follows:

- 2 months after inception date – 25% of the IPF
- 5 months after inception date – 50% of the IPF
- 8 months after inception date – 75% of the IPF
- 11 months after inception date – 100% of the IPF

**Inception** means the effective date of the policy, or if the policy has been in force for more than one year, its last anniversary date. If **you** request a change in the amount of insurance during the policy term, the effective date of that change will be considered the **inception**, until the next policy anniversary date.

**Vacant** buildings do not have this added feature.

#### **Outdoor Trees, Shrubs, Plants and Lawns**

**You** may use up to 5% of the **amount of protection** on **your dwelling** to pay for loss or damage to outdoor trees, shrubs, plants and lawns. Loss must be due to one of these eight causes: 1) Fire. 2) Lightning. 3) Explosion or Implosion. 4) Riot. 5) Impact by Aircraft, Spacecraft or Land Vehicles. 6) Vandalism. 7) Malicious Acts. 8) Theft including damage caused by attempted theft.

**We** will pay up to \$1,000 for **your** lawn, single tree, plant or shrub including debris removal. This extension of coverage does not increase the amount of coverage available under **Property with Special Limits of Insurance** for cannabis plants. **We** do not insure any items grown for commercial purposes or sale.

## Property Protection Coverage

**We** will pay for property that is damaged or used trying to protect **your dwelling**, outbuildings, or belongings from a loss. For example, **we** will pay to recharge a neighbour's fire extinguisher if it was used to fight **your** fire. **We** will not pay for property owned by a fire department. The amount **we** pay adds to **your** total **amount of protection**.

## Tear Out

**We** will pay to remove and replace or repair parts of **your dwelling** or **premises** if that is necessary to repair **rupture** damage to plumbing, heating, fire sprinkler or air conditioning systems.

**We** will not pay the cost of tearing out and replacing or repairing property for damage related to swimming pools, hot tubs, or similar installations, public **watermains**, or sewers.

This coverage is not subject to a deductible.

## Temperature Change

If there is a failure of any system in **your dwelling** or outbuildings that maintains an artificial temperature, such as **your** furnace or freezer, including mechanical breakdown, accidental unplugging or off **premises** power interruption, **we** will pay for the loss or damage to **your** belongings that is caused by the resulting change in temperature. The belongings must be inside a building.

## Theft and Theft-Related Damage

If not covered elsewhere in this policy, **you** may use up to \$1,000 to pay for theft related damage to **your dwelling** or outbuildings, but **your** belongings must be insured for the peril of theft. The damage must be caused by theft or attempted theft of **your** belongings.

## Optional Coverages

**Your Cover Page will show which of the following optional coverages apply to your policy.**

### Guaranteed Replacement Cost – Seasonal Dwelling

If **your** Cover Page shows that **you** have this coverage, **we** will pay to repair or replace **your** seasonal dwelling at today's prices with material of similar kind and quality. **We** will do this even if the cost is more than the **amount of protection** shown on **your** Cover Page. But, **we** will not pay for increased costs due to any law or bylaw dealing with building or repair, except as mentioned under **Part 3 – Added Features of Your Part 1 Coverage – Bylaw Coverage**.

Guaranteed Replacement Cost does not apply:

- if **your** seasonal **dwelling** is **vacant** when a loss happens.
- when the loss or damage is caused by the sudden and accidental bursting or overflowing of **your** domestic fixed fuel oil tank, apparatus or pipe.

After a loss, **you** must do three things to get this coverage:

- **you** must rebuild **your** seasonal **dwelling** on a permanent foundation at the same site.
- **you** must rebuild **your** seasonal **dwelling** within a reasonable time.
- **you** must re-occupy that location as a seasonal **dwelling**.

**We** will not pay for any increased cost due to unnecessary delays on **your** part.

**You must tell us if you are making changes to your seasonal dwelling that will increase its total Replacement Cost by \$25,000 or more and you must tell us within 90 days of the date when work started.** For example, when **you** add an addition to or renovate **your** seasonal **dwelling**. **You** must pay an additional premium for this increase in value. If **you** do not tell **us** of such changes in replacement values as required, **we** will not pay no more than the **amount of protection** shown

on **your** Cover Page. The basis of settlement will be on a Replacement Cost basis as defined previously in this booklet. Guaranteed Replacement Cost will not apply. **We** will increase the **amount of protection** shown on **your** Cover Page only by the amount allowed under the **Added Features of Your Part 1 Coverage – Inflation Protection Factor**.

## Home Systems Protection

If **your** Cover Page shows **you** have this coverage, **we** will pay up to the **amount of protection** shown for Home Systems Protection for loss, damage or expense arising from any **one home system breakdown**. Coverage applies only at the location shown on **your** Cover Page but coverage does not apply while **your premises** is under construction or **vacant**.

This coverage does not increase any limit of liability provided under Part 1 of this policy.

### 1. Definitions

**Equipment Breakdown** means a sudden and accidental:

- a) mechanical breakdown;
- b) electrical breakdown; or
- c) bursting, cracking or splitting

of **covered home equipment** that results in direct physical damage and requires repair or replacement of all or part of the damaged **covered home equipment**.

None of the following is an **equipment breakdown**:

- a) rust, corrosion (including pinhole leaks), erosion, deterioration or gradual loss of efficiency or functionality of **covered home equipment**;
- b) leakage or seepage at or from any connection, valve, fitting, shaft or seal;
- c) complete or partial interruption of electrical power, fuel or water supply, whether deliberate or accidental;
- d) any condition which can be corrected by resetting, recalibrating or by the performance of maintenance; or
- e) cosmetic or other damage that does not impair functionality.

**Home System Breakdown** means an **equipment breakdown** or **electronic circuitry impairment**.

None of the following is a **home system breakdown**:

- a) Any programming error, programming limitation, loss of data, loss of access, loss of use, loss of functionality or other condition within or involving data or media of any kind; or
- b) A **cyber event**.

However, an ensuing **equipment breakdown** or **electronic circuitry impairment** will be considered a **home system breakdown**.

**One Home System Breakdown** means if an initial **home system breakdown** causes other **home system breakdowns**, all will be considered **one home systems breakdown**. All **home system breakdowns** that are the result of the same event will be considered **one home system breakdown**.

## 2. Property Coverages

The following coverages are added, subject to the applicable Home Systems Protection Limit of Liability, unless otherwise specified below:

- a) **Damage to Covered Home Equipment**  
**We** will pay for physical loss or damage to **covered home equipment** that is the direct result of a **home system breakdown** that occurs on or off the **premises**. **We** will consider **electronic circuitry impairment** to be physical damage to **covered home equipment**.
- b) **Spoilage**  
With respect to **your** food while contained in a refrigerator or freezer on the **premises** **we** will pay:
  - (i) for physical damage due to spoilage that is the result of a **home system breakdown**; and
  - (ii) any necessary and reasonable expenses **you** incur to save and preserve the food from spoilage and reduce the amount of loss under this coverage to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.

**Our** payment will be determined based on the replacement cost of the food in a refrigerator or freezer at the time of the **home system breakdown**. **We** will pay up to \$500 or the limit shown in **your** Policy for the Temperature Change coverage, whichever is greater. However, in no event **we** will pay more than \$5,000 under this Spoilage coverage for any **one home system breakdown**, regardless of the number of appliances which stop working at the same time.

### **Limit of Liability**

The Limit of Liability under this Home Systems Protection coverage for loss, damage or expense during the policy period, arising from any **one home system breakdown** to **covered home equipment**, is \$50,000.

Individual coverages are subject to limits. The most **we** will pay under any such coverage for loss, damage or expense arising from any **one home system breakdown** is the amount indicated as the limit for that coverage in the Property Coverages. These limits are a part of, and not in addition to, the Home Systems Protection Limit of Liability.

## 3. Exclusions

In addition to all other exclusions indicated in **your** Policy, the following exclusions are added to this Service Line Coverage:

### Earth Movement

We will not pay for loss, damage or expense caused directly or indirectly by **earth movement**, except for **earth movement** that results from the ground thawing after a freeze.

However, **we** will not pay to increase the size or capacity of the materials and **we** will not pay more than one hundred and fifty (150) percent of what the cost would have been to replace with similar kind and quality. This condition does not increase the Limit of Liability that applies to this Service Line Coverage.

- d) the necessary amount actually spent to repair or replace the damaged **covered service line**.

Except as described in Environmental, Safety and Efficiency Improvements above, **you** are responsible for the extra cost of replacing damaged **covered service line** with materials of a better kind, quality or of a different size or capacity.

**You** are responsible for the extra cost to alter or relocate **covered service line**, unless such alteration or relocation is required by law or ordinance.

**You** are responsible for any extra cost incurred to remove, replace or repair any structure when such cost is incurred to access the **covered service line**.

### **Sewer Back Up Coverage**

If this coverage is shown on **your** Cover Page, **we** will pay up to the policy limit for loss or damage caused by **sewer back up**. If a sub-limit for this coverage is displayed on **your** Cover Page, the most **we** will pay for this coverage is the **amount of protection** that is shown. This does not add to the total **amount of protection** stated on **your** Cover Page for **your dwelling**, outbuildings or belongings.

**We** do not cover loss or damage caused by:

- a) back up, discharge or escape or overflow of water or sewage from public sewers or drains outside **your dwelling**.

**We** do not cover **sewer back up** to **your dwelling** or belongings while **your dwelling** is **vacant**, even if **we** have given permission for vacancy.

### **Voluntary Fire Fighting Coverage**

If **your** Cover Page shows that **you** have this coverage, **we** will pay up to the **amount of protection** shown to a fire department for its services. They must deal with a fire loss for which **your dwelling**, outbuildings, or belongings are covered or they must be needed to protect **your** property, or property of others adjacent to **your premises**, from such a loss.

This coverage will apply to all property and locations shown on **your** Cover Page.

**We** will not pay for loss or damage to property owned or used by a fire department.

This coverage is not subject to a deductible.

## Part 4 – Special Belongings Coverage

**Your** Cover Page will show if **you** have special belongings coverage and the specific type and description of special belongings that are covered. It will indicate the perils insured by showing the Cover Code that applies. Special belongings are subject to the perils insured in Part 2 and all the exclusions and conditions of Part 6. Special belongings are covered only while at **your premises** or while temporarily away from **your premises**.

### Conditions for Certain Special Belongings

#### **Watercraft, their Equipment, Accessories, Outboard Motors and Jet Propulsion Personal Watercraft, including Unlicensed Boat Trailers**

Coverage is limited to Canada and the continental U.S.A.

**We** will not pay for loss or damage when:

- they are rented to others or used to carry passengers for a fee.
- they collide with ice while in the water.
- they are used in any race or speed test.
- they are not being operated in accordance with the *Canada Shipping Act* regulations governing age and horsepower restrictions and operator competency requirements.

**We** will not pay for loss or damage caused by freezing.

#### **Added Features:**

**Automatic Acquisitions:** If **you** insure a boat, motor or a **jet propulsion personal watercraft** **we** will pay up to \$2,500 for damage to a new unit acquired by **you** as owner, if it does not replace insured property. Should the new unit replace an item **we** already insure, then **we** will pay up to the **amount of protection** shown on **your** Cover Page for the replaced property, if it is more than \$2,500.

**We** will not pay for damage to new or replacement property when **you** have not told **us** of **your** ownership within 30 days after its delivery.

**Loss of Use:** If **you** insure a boat, motor or a **jet propulsion personal watercraft** **we** will pay up to 15% of the **amount of protection** shown on **your** Cover Page for that unit up to a maximum of \$1,000 for rental of a similar replacement if the boat, motor or **jet propulsion personal watercraft** is damaged or destroyed by an **insured peril** and becomes inoperable.

The loss or damage must be due to a cause of loss for which **your** boat, motor or **jet propulsion personal watercraft** is covered.

Payment starts after **you** tell **us** about the loss or damage and **we** confirm coverage. It ends when one of these three things takes place:

- 1) **your** watercraft is repaired.
- 2) **your** watercraft is replaced.
- 3) **we** offer to pay for the loss or damage.

## Home Computers

**You** have coverage for **your** computer equipment, component parts, and active **data** processing media which are owned, leased, or rented by **you**. **We** do not cover those things if they are used professionally or for any **business**, including farming, unless this use is shown on **your** Cover Page.

**Active data processing media** means all forms of converted **data**, program vehicles, and instruction vehicles that **you** use.

**We** will not cover loss or damage:

- to accounts, bills, evidence of debt, valuable papers, records, abstracts, deeds, manuscripts, or other documents, except as they may be converted to a **data** processing media form and then only in that form.
- to any active **data** processing media which cannot be replaced with other of similar kind and quality.
- to **data** processing media caused by failure, breakdown or malfunction of the system on which it is being run unless loss or damage is caused by ensuing fire or explosion and then only for such ensuing loss or damage.
- caused by dryness or dampness of atmosphere, extremes of temperature, corrosion, or rust, unless directly resulting from physical damage to the **data** processing system's air conditioning facilities, caused by an **insured peril**.
- caused by electronic or magnetic injury, disturbance, or erasure of electronic recordings, except that caused by lightning or electricity.

**Special Limit of Liability.** Our liability for loss or damage to active **data** processing media shall not exceed the actual reproduction costs of the property or, if it is not replaced or reproduced, the value of the blank media.

## Automatic Acquisitions

**(Not applicable to watercraft, their equipment, accessories, outboard motors and jet propulsion personal watercraft, including unlicensed boat trailers)**

**Automatic Acquisition:** Where an **amount of protection** is shown on **your** Cover Page for special belongings, additional articles of the same type and nature acquired by **you** as owner during the policy period will be covered automatically provided **you** report and insure such new article(s) within 30 days of the date of acquisition.

Under this clause, **we** will pay only up to 25% of the **amount of protection** shown on **your** Cover Page for the same type and nature of special belongings or \$5,000, whichever is the lesser amount.

**Added Feature:** If **you** insure an all-terrain vehicle, **we** will pay up to \$2,000 for damage to a new unit acquired by **you** as owner, if it does not replace insured property. Should the new unit replace an item **we** already insure, then **we** will use the **amount of protection** shown on **your** Cover Page for the replaced property, if it is more than \$2,000.

**We** will not pay for damage to new or replacement property when **you** have not told **us** of **your** ownership within 30 days after its delivery.

### Perils Insured Cover Code H

When the **dwelling** under construction is covered, as shown on **your** Cover Page, **we** insure it against direct physical loss or damage caused by comprehensive perils. Comprehensive perils means that if the cause of loss or damage or the peril that causes loss or damage is not shown below, then **you** are covered.

### Property and Causes of Loss We Do Not Cover

- a) Loss or damage caused by water below ground level including that which exerts pressure on or flows, seeps or leaks through any opening in a sidewalk, driveway, foundation, wall, window, door or floor. **We** will cover the loss or damage if it was due to a sudden and unexpected escape of water from a swimming pool or its attached equipment, fire fighting activities, or a public **watermain**.

### Deductible Clause

The deductible is shown on **your** Cover Page.

A deductible means that **you** will have to bear the first part of **your** loss yourself. **We** will subtract this amount from the total of **your** loss. Then **we** will pay for the rest of **your** loss. **We** will pay up to **your** total **amount of protection**. **We** will use a separate deductible amount for each **dwelling** insured, even if more than one **dwelling** is damaged at the same time, as a result of the same cause of loss. **We** will not pay if **your** loss is less than the deductible.

### Special Conditions and Limitations

#### (a) Basis of Settlement Clause:

Any loss under this policy shall be adjusted with the named Insured or his/her authorized representative and any settlement shall be based on the cost of repairing, replacing or reinstating (whichever is lesser) with material of similar kind and quality and for like occupancy, without deduction for depreciation. The repair, replacement or reinstatement must take place on the same site and shall be subject to the following provisions:

- 1) **Our** payment shall in no event exceed the actual cost for repair, replacement or reinstatement.
- 2) If repairs, replacement or reinstatement with materials of similar kind and quality is restricted or prohibited by any bylaw, regulation, ordinance or law, any increase in costs shall not be covered by this policy.
- 3) The maximum amount that **we** will pay shall in no event exceed the **amount of protection** shown on **your** Cover Page.
- 4) **Our** liability shall be limited to that proportion of the cost of repair, replacement or reinstatement which the **amount of protection**, applicable to such **dwelling(s)** at the time of loss or damage, bears to 80% of the actual **Replacement Cost** of the **completed value** of the entire **dwelling(s)**. The term **completed value** shall mean the total value of the **dwelling(s)** after all construction has been completed. The value of the **dwelling(s)** shall include the cost of all material and labor.

- 5) To determine if the **amount of protection** applicable to such **dwelling(s)** is the 80% or more of the actual **Replacement Cost** of such **dwelling(s)**, **we** shall disregard the cost of excavations, underground flues and pipes, underground wiring and drains, brick, stone and concrete foundations, piers and other supports that are below the surface of the lowest basement floor. In the event that there is no basement, then those items that are below the surface of the ground inside the foundation walls, shall be disregarded.
- 6) If the policy covers two or more **dwellings**, this Basis of Settlement Clause shall apply separately to each **dwelling**.

**(b) Occupancy Clause:**

It is a condition of this insurance that the **dwelling(s)** shall not be occupied unless **you** tell **us** and **we** show this on **your** Cover Page.

**(c) Arson Conviction Reward:**

**We** will pay \$1,000 for information which leads to a conviction for arson in connection with a fire loss to property insured by this policy. The amount **we** pay adds to **your** total **amount of protection**. The \$1,000 limit will not be increased regardless of the number of persons providing information.

This coverage is not subject to a deductible.

**(d) Fraud Conviction Reward:**

**We** will pay \$1,000 for information that leads to a conviction of fraud in connection with an insured loss to property insured by this policy. The amount **we** pay adds to **your** total **amount of protection**. The \$1,000 limit will not be increased regardless of the number of persons providing information.

This coverage is not subject to a deductible.

**(e) Property Protection Coverage:**

**We** will pay for property that is damaged or used trying to protect **your dwelling**, outbuildings, or belongings from a loss. For example, **we** will pay to recharge a neighbour's fire extinguisher if it was used to fight **your** fire. **We** will not pay for property owned by a fire department. The amount **we** pay adds to **your** total **amount of protection**.

**(f) Debris Removal:**

**You** may have **us** pay to remove debris of insured property from **your premises**, if **your** insured property has been damaged or destroyed by an **insured peril**.

**We** will also pay for removal of property of others, excluding trees, shrubs and plants blown on to **your premises** by windstorm, if **your** insured property is damaged or destroyed by an **insured peril**.

Debris removal expenses shall not be considered for the purpose of applying any co-insurance.

**Conditions**

Parts 2, 3 – Added Features of Your Part 1 Coverage, 4 and 6 (A), (B) and (C) of this booklet do not apply to **dwellings** under construction.

# Part 6 – Policy Conditions

## A. Settling a Claim

Your Cover Page will show the **amount of protection** on property insured in Part 1, 4 and 5. These amounts, along with the features we have said add to **your amount of protection**, are the most we will pay for your loss.

We will pay for insured loss or damage up to the amount of your financial interest in the insured property, but not exceeding the applicable amount(s) of protection for any loss or damage arising out of one occurrence.

Any payments for loss or damage shall not reduce the amounts of insurance provided by this policy.

We will not pay for any increased costs due to unnecessary delays on your part.

Our payment will also depend on your share of the loss and other rules used to settle claims. These are explained below.

### Deductible

A deductible is used for losses to property covered in Parts 1, 4 and 5.

A deductible means that you will have to bear the first part of your loss yourself. We will subtract this amount from the total of your loss. Then we will pay for the rest of your loss. We will pay up to your total amount of protection. We will not pay if your loss is less than the deductible. The deductible is shown on your Cover Page.

### Single Highest Deductible

You may have different deductibles, depending on the type of property and the type of loss that we cover. In the event of a loss where more than one of your SGI CANADA policies are involved or where multiple deductibles apply under one loss, only the single highest deductible will be applied.

### Replacement Cost and Actual Cash Value

— as defined in the Definitions section.

We will use one of these methods to find the amount of your loss.

If a Seasonal Mobile Home or its outbuildings are over 10 years of age, according to the manufacturer's date of construction the basis of settlement will be **Actual Cash Value**.

### Obsolescence – Dwelling, Outbuildings and Belongings

We will not pay for increased costs that result when you cannot repair or replace your property because materials or parts are unavailable, obsolete, or outmoded. We will only pay the cost that would have been incurred if materials or parts were available. We will pay the last known cost of materials or parts.

### Dwelling and Outbuildings

If you repair or replace the damaged or destroyed building on the same site with material of similar kind and quality within a reasonable time after the damage, you may choose as the basis of loss settlement either (A) **Replacement Cost** or (B) **Actual Cash Value**. We will only pay up to the total amount of protection shown on your Cover Page.

(A) The actual cost of repairs or replacement (whichever is less) without deduction for depreciation. In this case, if the loss is over \$10,000 we will pay in the proportion that the applicable amount of protection bears to 80% of the **Replacement Cost** of the damaged building at the date of loss. This means that if the amount of protection you have chosen is less than 80% of the **Replacement Cost** of your building, you will have to pay part of the loss.

Settlement will be as in (B) **Actual Cash Value** below if any of the following happens:

- **you** do not repair or replace **your dwelling** or outbuilding on a permanent foundation on the same site.
- **you** do not repair or replace **your dwelling** or outbuilding within a reasonable time after the loss.
- at the time of loss or damage **your dwelling** was **vacant**.
- **you** do not re-occupy **your dwelling** on the same basis as the time of loss.
- if the cause of loss is windstorm or hail and the age of the roof and roof coverings exceed 25 years.

(B) The **Actual Cash Value** of the property at the date of loss.

**We** will not pay for increased costs due to any law or bylaw dealing with building or repair except as mentioned under **Part 3 – Added Features of Your Part 1 Coverage – Bylaw Coverage**. **We** will not pay for any increased costs due to unnecessary delays on **your** part.

### Special Belongings

Watercraft, their equipment and accessories, outboard motors, **jet propulsion personal watercraft** and unlicensed boat trailers, are covered for **Replacement Cost** coverage if they are not more than 10 years of age from date they were originally purchased as new.

The **amount of protection** for each scheduled item of special belongings must be maintained to 80% of its value. If **you** fail to do so **you** shall become a co-insurer and bear that proportion of the loss to bring the total **amount of protection** up to 80% of its value. **We** will pay in the proportion that the applicable **amount of protection** bears to 80% of the value of the lost or damaged property. When **we** say **value we** mean, **Replacement Cost** or **Actual Cash Value**, whichever applies, as explained above.

### Belongings and Special Belongings

**We** will pay the cost of repair or the cost of new belongings or special belongings (whichever is less) of similar kind, quality, and usefulness up to **your** total **amount of protection** for **your** belongings or to the **amount of protection** shown for special belongings. If **you** replace a belonging or special belonging with one of lesser quality, **we** will only pay the amount **you** paid for the replacement. **You** must give **us** written proof of replacement or repair in order to get **Replacement Cost** coverage. **You** may choose payment on an **Actual Cash Value** basis initially. **You** may make a subsequent claim on a **Replacement Cost** basis but not later than 180 days after payment of an **Actual Cash Value** settlement to **you**. **We** will not pay for increased costs due to unnecessary delays on **your** part. **We** will keep any salvage or proceeds from salvage.

### Property Subject to Actual Cash Value Settlements

**We** will only pay for the **Actual Cash Value** for loss or damage to these nine types of property or special belongings:

- 1) a belonging that is not in good, useable condition at the time of loss.
- 2) a belonging not in current use by **you** at the time of loss that **you** stored away and for which **you** had no specific future use.
- 3) a belonging of an age or condition that makes it out of date or no longer useable for its original purpose.
- 4) art works, antiques, rare objects, and other items that cannot be replaced.
- 5) a belonging that has not been repaired or replaced after a loss.
- 6) spare automobile, all terrain vehicle and dirt bike parts and accessories.
- 7) watercraft, their equipment and accessories, outboard motors, **jet propulsion personal watercraft**, and unlicensed boat trailers, that are more than 10 years of age from the date they were originally purchased as new.

- 8) seasonal mobile home belongings unless otherwise stated on **your** Cover Page.
- 9) buildings and structures where the wall or roof construction consists of tensioned fabric, poly, canvas or similar covering.

### **Pairs and Sets**

#### **(Applies to Belongings and Special Belongings)**

**Pair:** If there is a loss to half of a pair, **we** will pay for the complete pair. The undamaged piece becomes **our** property.

**Set:** For items that are part of a set of two or more pieces, **we** will only pay for those parts that had the loss. For example, if **your** chair is destroyed, **we** would pay for that damage. **We** would not pay for the matching sofa, unless it was damaged as well.

### **Dent Exclusion Clause for Seasonal Mobile Homes**

When the cause of loss is windstorm or hail **we** will not pay for dent damage to metal roofs or siding of seasonal mobile homes covered by this policy unless actually punctured.

## **B. Property with Special Limits of Insurance – Belongings**

### **(Not Applicable to Special Belongings)**

For certain types of property the amount **we** will pay is explained below. If that item is scheduled as a Special Belonging or specifically insured elsewhere, the basic limitation within the policy no longer applies to that item. The deductible on **your** Cover Page applies.

- (1) **Unless otherwise specified, for losses due to any insured peril we** will pay up to these amounts:
  - a) \$5,000 in all for books, tools, instruments and computer hardware pertaining to a **business**, profession, trade, or occupation. They are covered only at **your premises**. **We** do not cover other **business** or farm property, such as samples, supplies, or goods held for sale.

- x) books of account, evidence of debt or title, and documents or other evidence to establish ownership or the right or claim to a benefit or thing.
- y) wind turbine systems including all related equipment and structures manufactured for a rated power generation exceeding 1kW.
- z) loss or damage caused directly or indirectly, in whole or in part, by **terrorism** or by any activity or decision of a government agency or other entity to prevent, respond to or terminate **terrorism** regardless of any other cause or event that contributes concurrently or in any sequence to the loss or damage, but **you** are still insured for ensuing loss or damage which results directly from fire or explosion.
- aa) loss or damage caused by a nuclear incident as defined in the *Nuclear Liability Act*. Nor do **we** cover nuclear explosion or contamination by radioactive material.
- bb) loss or damage caused by war, invasion, act of a foreign enemy, declared or undeclared hostilities, civil war, rebellion, revolution, insurrection, or military power.
- cc) loss or damage caused by cracking of ceiling or walls.
- dd) loss or damage caused by dirt blown onto the **premises**.

## D. General Conditions

### The following general conditions apply to this policy:

- 1) **We** will not cover people who were holding, storing, or transporting **your** property for a fee at the time of loss.
- 2) After **we** pay for **your** claim, **we** may find that someone else is legally responsible for **your** loss. **We** have the right to recover **our** payment from that person. If **we** ask, **you** must co-operate with **us** in any legal action **we** take at **our** expense and through **our** lawyers. **You** may release another person from their legal responsibility to **you** for loss or damage to **your** property, but **you** must tell **us** if **you** do. The agreement must be in writing, and **you** must make the agreement before any loss or damage takes place.

**You** must not release another person from their legal responsibility for loss or damage after a loss has occurred. **You** will need **our** consent in writing to do so.

- 3) Any payment for a loss will not lower the total **amount of protection** for the rest of the policy term.
- 4) The Statutory Conditions apply to all parts of this policy.
- 5) When **you** have other insurance on property covered by Part 1, 4, and 5 of this policy, **we** will pay only **our** share of the loss. **We** will do this even if **your** other insurance covers different perils than this policy. **Our** share will be in the same proportion that the amount of **our** protection bears to the total of all **your** fire protection.
- 6) **You** must tell **us** when **your dwelling** becomes **vacant** as defined by this policy.

**You** must tell **us** when no one has been living in **your dwelling** for a full year even if **you** intend to return to it. **We** feel these **dwellings** are **vacant** too – even if belongings are still in place.

If **you** do not tell **us** within 30 days of **your dwelling** becoming **vacant**, **we** will not cover any loss or damage that happens after 30 consecutive days of vacancy. **You** are covered after 30 days only if **you** tell us **your dwelling** is **vacant** and Cover Code AE is shown on **your** Cover Page.

A secondary **dwelling** insured under an Agro Pak policy is considered **vacant** when it is occupied overnight less than 90 nights per year. A secondary **dwelling** is defined as a **dwelling you** own and occupy overnight for a period less than six months, but not less than 90 nights per year.

Any permission for vacancy that **we** allow in this condition does not change or invalidate any coverage restriction, due to vacancy, stated in other parts of this policy.

- 7) If **your** loss is due to a crime, **you** must report the loss to the police or other policing authorities at once. This includes such crimes as theft, burglary, and vandalism or malicious acts.
- 8) **You** must take all reasonable steps to protect **your** property.
- 9) If Cover Code C applies to a loss and it is more restrictive than Cover Code A or Cover Code B shown in this booklet, **we** will adjust **your** claim using the Cover Code most beneficial to **you**.
- 10) If **we** adopt any revision which would broaden coverage under **your** policy during the policy term and **we** do not charge additional premium, the broadened coverage will immediately apply to **your** policy.
- 11) The **Insured** agrees:
  - a) that repair or replacement must be executed with due diligence and dispatch and as soon as practicable and in any event completed before the two year anniversary of the date when damage to the insured property occurred.
  - b) any loss or damage directly or indirectly, proximately or remotely, resulting from or contributed to by any delay to repair or delay to replace is not covered by this policy. This includes but is not limited to the increased cost of repair or reconstruction by reason of any ordinance or law regulating construction or repair.

# Part 7 – Statutory Conditions

The Statutory Conditions apply with respect to all perils insured by this policy. In the following **you**, the name shown on **your** Cover Page, are called the **Insured**. **We** are called the **Insurer**.

## 1. Misrepresentation

If a person applying for insurance falsely describes the property to the prejudice of the Insurer, or misrepresents or fraudulently omits to communicate any circumstance that is material to be made known to the Insurer in order to enable it to judge the risk to be undertaken, the contract is void as to any property in relation to which the misrepresentation or omission is material.

## 2. Property of others

The Insurer is not liable for loss or damage to property owned by a person other than the **Insured** unless

- (a) otherwise specifically stated in the contract, or
- (b) the interest of the **Insured** in that property is stated in the contract.

## 3. Change of interest

The Insurer is liable for loss or damage occurring after an authorized assignment under the *Bankruptcy and Insolvency Act (Canada)* or a change of title by succession, by operation of law or by death.

## 4. Material change in risk

- (1) The **Insured** must promptly give notice in writing to the Insurer or its agent of a change that is
  - (a) material to the risk, and
  - (b) within the control and knowledge of the **Insured**.
- (2) If an Insurer or its agent is not promptly notified of a change under subparagraph (1) of this condition, the contract is void as to the part affected by the change.
- (3) If an Insurer or its agent is notified of a change under subparagraph (1) of this condition, the insurer may
  - (a) terminate the contract in accordance with Statutory Condition 5, or
  - (b) notify the **Insured** in writing that, if the **Insured** desires the contract to continue in force, the **Insured** must, within 15 days after receipt of the notice, pay to the Insurer an additional premium specified in the notice.
- (4) If the **Insured** fails to pay an additional premium when required to do so under subparagraph (3)(b) of this condition, the contract is terminated at that time, and Statutory Condition 5(2)(a) applies in respect of the unearned portion of the premium.

## 5. Termination of contract

- (1) The contract may be terminated,
  - (a) by the Insurer giving to the **Insured** 15 days notice of termination by registered mail or five days written notice of termination personally delivered, or
  - (b) by the **Insured** at any time on request.
- (2) If the contract is terminated by the Insurer
  - (a) the Insurer must refund the excess of premium actually paid by the **Insured** over the prorated premium for the expired time, but in no event may the prorated premium for the expired time be less than any minimum retained premium specified in the contract, and
  - (b) the refund must accompany the notice unless the premium is subject to adjustment or determination as to amount, in which case the refund must be made as soon as practicable.

- (3) If the contract is terminated by the **Insured**, the Insurer must refund as soon as practicable the excess of premium actually paid by the **Insured** over the short rate premium for the expired time specified in the contract, but in no event may the short rate premium for the expired time be less than any minimum retained premium specified in the contract.
- (4) The 15-day period referred to in subparagraph (1)(a) of this condition starts to run on the day the registered letter or notification of it is delivered to the **Insured's** postal address.

## 6. Requirements after loss

- (1) On the happening of any loss or damage to insured property, the **Insured** must, if the loss or damage is covered by the contract, in addition to observing the requirements of Statutory Condition 9,
  - (a) immediately give notice in writing to the Insurer;
  - (b) deliver as soon as practicable to the Insurer a proof of loss in respect of the loss or damage to the insured property verified by statutory declaration
    - (i) giving a complete inventory of that property and showing in detail quantities and costs of that property and particulars of the amount of loss claimed,
    - (ii) stating when and how the loss occurred, and if caused by fire or explosion due to ignition, how the fire or explosion originated, so far as the **Insured** knows or believes,
    - (iii) stating that the loss did not occur through any wilful act or neglect or the procurement, means or connivance of the **Insured**,
    - (iv) stating the amount of other insurances and the names of other Insurers,
    - (v) stating the interest of the **Insured** and of all others in that property with particulars of all liens, encumbrances and other charges on that property,
    - (vi) stating any changes in title, use, occupation, location, possession or exposure of the property since the contract was issued, and
    - (vii) stating the place where the insured property was at the time of loss,
  - (c) if required by the Insurer, give a complete inventory of undamaged property showing in detail quantities and cost of that property, and
  - (d) if required by the Insurer and if practicable,
    - (i) produce books of account and inventory lists,
    - (ii) furnish invoices and other vouchers verified by statutory declaration, and
    - (iii) furnish a copy of the written portion of any other relevant contract.
- (2) The evidence given, produced or furnished under subparagraph (1)(c) and (d) of this condition must not be considered proofs of loss within the meaning of Statutory Conditions 12 and 13.

## 7. Fraud

Any fraud or wilfully false statement in a statutory declaration in relation to the particulars, required under Statutory Condition 6 invalidates the claim of the person who made the declaration.

## 8. Who may give notice and proof

Notice of loss under Statutory Condition 6(1)(a) may be given and the proof of loss under of Statutory Condition 6(1)(b) may be made

- (a) by the agent of the **Insured** if
  - (i) the **Insured** is absent or unable to give the notice or make the proof, and
  - (ii) the absence or inability is satisfactorily accounted for, or

- (b) by a person to whom any part of the insurance money is payable, if the **Insured** refuses to do so, or in the circumstances described in clause (a) of this condition.

## 9. Salvage

- (1) In the event of loss or damage to insured property, the **Insured** must take all reasonable steps to prevent further loss or damage to that property and to prevent loss or damage to other property insured under the contract, including, if necessary, removing the property to prevent loss or damage or further loss or damage to the property.
- (2) The Insurer must contribute on a prorated basis towards any reasonable and proper expenses in connection with steps taken by the **Insured** under subparagraph (1) of this condition.

## 10. Entry, control abandonment

After loss or damage to insured property, the Insurer has

- (a) an immediate right of access and entry by accredited representatives sufficient to enable them to survey and examine the property, and to make an estimate of the loss or damage, and
- (b) after the **Insured** has secured the property, a further right of access and entry by accredited representatives sufficient to enable them to appraise or estimate the loss or damage, but
  - (i) without the **Insured's** consent, the Insurer is not entitled to the control or possession of the insured property, and
  - (ii) without the Insurer's consent, there can be no abandonment to it of the insured property.

## 11. In case of disagreement

- (1) In the event of disagreement as to the value of the insured property, the value of the property saved, the nature and extent of the repairs or replacements required or, if made, their adequacy, or the amount of the loss or damage, those questions must be determined using the applicable dispute resolution process set out in the *Insurance Act* whether or not the **Insured's** right to recover under the contract is disputed, and independently of all other questions.
- (2) There is no right to a dispute resolution process under this condition until
  - (a) a specific demand is made for it in writing, and
  - (b) the proof of loss has been delivered to the Insurer.

## 12. When loss payable

Unless the contract provides for a shorter period, the loss is payable within 60 days after the proof of loss is completed in accordance with Statutory Condition 6 and delivered to the Insurer.

## 13. Replacement

- (1) Unless a dispute resolution process has been initiated, the Insurer, instead of making payment, may repair, rebuild or replace the insured property lost or damaged, on giving written notice of its intention to do so within 30 days after receiving the proof of loss.
- (2) If the Insurer gives notice under subparagraph (1) of this condition, the Insurer must begin to repair, rebuild or replace the property within 45 days after receiving the proof of loss and must proceed with all due diligence to complete the work within a reasonable time.

## 14. Notice

- (1) Written notice to the Insurer may be delivered at, or sent by registered mail to, the chief agency or head office of the Insurer in the province.
- (2) Written notice to the **Insured** may be personally delivered at, or sent by registered mail addressed to the **Insured's** last known address as provided to the Insurer by the **Insured**.
