

# PLANT AND MACHINERY INSURANCE BROKER INFORMATION

ATC's specialist underwriters have experience in writing insurance for all types of mobile plant and machinery. We offer a broad range of cover types and policy extensions to address the damage and liability risks that arise across diverse industries.

We work with you to develop a deep understanding of your clients' needs and our knowledge and technical expertise deliver enhanced risk solutions. ATC's experience and responsive service enable you to meet your clients' plant and machinery insurance needs with confidence.

## POLICY COVER

ATC's standard policy wording covers the following types of mobile plant and machinery and others:

- excavators
- earthmoving machinery
- trenching machinery
- civil machinery and plant
- scissor lifts
- forklifts
- drilling rigs
- mining machinery
- trailers
- trucks & tippers

## POLICY TYPES

Backed by the security of Lloyd's, our cover options include:

- material damage – owned and hired in plant
- consequential loss
- road risks including third party property damage
- broadform liability

## WHY CHOOSE ATC?

- We are always available to help with your queries and underwriting needs. ATC's sector experience is coupled with the world renowned expertise of Lloyd's.
- We offer a broad scope of risk and responsive service. We will work with you to achieve the right cover for your clients at a competitive price.
- Our dedicated claims team works closely with our underwriters to ensure seamless and stress-free settlement of your clients' claims.

At ATC, we invest in our broker business partnerships. We are committed to adding value to your business by ensuring we continually deliver the right insurance solutions for your clients, at the right price.
