PHARMACY PI AND LIABILITY

Medisure's Pharmacy Professional Indemnity and Liability policy is competitively positioned and builds on more than a decade of PI and Liability insurance experience. The policy offers essential protection for pharmacy entities and their pharmacists at risk of breaching their professional duty of care, including cover for privacy breaches, libel or slander, intellectual property, contractual liability or breaches of consumer protection legislation

This policy also includes Public and Products Liability cover.

PHARMACY PROPERTY COVER

This policy provides cover for:

- Property (Building/Contents/Stock)
- Prescription Data
- Business Interruption
- Theft and Money
- Glass
- Machinery Breakdown
- General Property
- Deterioration of Stock
- Tax Probe

To complete the Pharmacy Insurance program, Medisure also provides options for Management Liability and Cyber Crime.

CASE STUDY

A pharmacist arrive to work on Monday morning to find significant damage to his front door, as a result of an attempted break-in. The client was able to claim under their business policy for the cost of a new door, however the pharmacy was unable to trade for four hours while the door was being replaced.

An assessment of the income for the four hours of trade on the same day for the past six weeks averaged at \$11,000 - the client was able to claim the full \$11,000 loss of income back under the business interruption section of their business policy.
