

NTI

Australia's No.1 Truck Insurer

NTI FLEET

Key Features

NTI's Fleet product is flexible and has been designed to meet the individual needs of transport operations across Australia. When combined with NTI's local experts and the only 5-star rated claims service in the segment, it provides the right cover to meet your client's needs.

Key Features of NTI Fleet:

- New Motor Vehicle Replacement within three years of original registration (specialist body type within one year) and new Mobile Plant replacement within the first two years.
- Finance Payout Protection - Total Losses: We may pay up to 25% above the lesser of Sum Insured or Market Value.
- Trailer in control (non-owned trailer) cover from \$100,000.
- Automatic cover for 45 days for additional vehicles up to \$500,000.
- Removal of Debris for non-dangerous goods up to \$500,000.
- Simplified Driver Acceptance Criteria for Prime-movers that has been developed in consultation with the Australian Trucking Association to support responsible driver progression.
- Available in various policy formats including Conventional, Burning Cost, CED and Aggregate Excess.

Benefits of insuring your clients with National Transport Insurance:

- Cover by Australia's leading transport insurance specialist that has been designed in consultation with the trucking industry.
- Dedicated local contacts for sales, underwriting and claims service with expert knowledge of the transport industry and civil and earthmoving sector.
- Access to award-winning claims service, including NTI Accident Assist and NTI Premium Repairers, to manage the accident scene and repair process.
- Policy coverage that is easy to transact and minimises gaps in cover.
- Available in various policy formats including Conventional, Burning Cost, CED and Aggregate Excess.
- Peace of mind - NTI has over 40 years' experience in the transport insurance industry and a deep understanding of the challenges faced by Australian transport operators and truck owners.
