Why you should choose our Carriers Insurance wording

Specialist Underwriting and Claims Handling

AM&T is an Australian organisation that specialises in providing insurance products for Cargo, Commercial Hull and Marine Liabilities.

Flexibility

Cover options in a single wording to suit a variety of contract situations including carriers that:

- Operate without utilising a consignment note (as a common carrier);
- Utilise written terms and conditions of cartage on a consignment by consignment basis (private carrier);
- Perform work for regular clients where a consignment note is not issued for each shipment, but where all work performed for the customer is subject to a single agreement;
- Perform work for another carrier as a sub-contractor, either under a sub-contract agreement or not, and where the principal contractor may or may not utilise written terms and conditions of cartage and which may or may not offer legal protection to the sub-contractor;
- Sub-contract work out to another carrier, either under a sub-contract agreement or not, and where the principal contractor may or may not utilise written terms and conditions of cartage and which may or may not offer legal protection to the sub-contractor.

Cover options for a wide range of commodities including, general (dry) cargo, refrigerated, perishable or chilled goods, livestock, motor vehicles and many others.
