SEVERAL LIABILITY NOTICE

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract.

You or Your representative can obtain further details of the syndicate numbers and the proportions of this them from Axis. Although reference is made at various points in this clause circumstances so require this should be read as a reference to contracts in the plural.

Your Responsibilities

It is up to You to choose the cover You need. Because We and Our representatives do not advise You on whether the Policy is specifically appropriate for Your objectives, financial situation or needs, You should carefully read this document before deciding. When entering into the Policy or on renewal, variation, extension or reinstatement You must meet Your duty to take reasonable care not to make a misrepresentation obligations.

Not Meeting Your Responsibilities

If You do not meet Your responsibilities, then to the extent permitted by law We may do either or both of the following:

- reduce or refuse Your claim to the extent We are prejudiced by Your failure; and
- cancel Your Policy.

If fraud is involved We can treat Your Policy as if it never existed.

The above rights are subject to any relevant law obligations.

Your duty to take reasonable care not to make a misrepresentation

You must take reasonable care not to make a misrepresentation to Us. This responsibility applies until We insure You with a Policy for the first time or agree to renew, extend, vary/change, or reinstate Your Policy. You must answer Our additional questions honestly, accurately and to the best of Your knowledge.

A misrepresentation includes a statement that is false, partially false, or which does not fairly reflect the truth. It is not a misrepresentation if You do not answer a question or Your answer is obviously not complete or is irrelevant to the question asked. The responsibility to take reasonable care not to make a misrepresentation applies to everyone who will be insured under the Policy. If You are answering questions on behalf of anyone, We will treat Your answers or representations as theirs. Whether or not You have taken reasonable care not to make a misrepresentation is to be determined having regard to all relevant circumstances, including the type of insurance, who it is intended to be sold to, whether You are represented by a broker, Your particular characteristics and circumstances We are aware of.

If You do not meet the above duty, We may reject or not fully pay Your claim and/or cancel Your Policy. If the misrepresentation was deliberate or reckless, this is an act of fraud, and We may treat Your policy as if it never existed.

Covers for Profits, Accidental Damage, Burglary, Glass, Money, Engineering, Electronics, Employee Theft, Portable Items and In Transit insure You up to a set limit of liability which is shown on the Schedule.

You need to make sure You are happy with all of the relevant sum(s) insured and limits. If You do not adequately insure Yourself, You may have to bear the uninsured proportion of any loss Yourself.

For example, if You don't have a sufficient sum insured to replace Your Insured Property at new cost You will bear the shortfall.

You should factor in the possibility of all possible expenses such as the cost of demolition and removal of debris from the site, the cost of employing an architect or surveyor, the replacement of other structures such as driveways, roadways, kerbing, above and below ground services should all be included in the sum insured. If You are unsure whether Your Insured Property is insured for the correct amount, You should seek professional advice.

If any or all of the Underwriters have reinsured this Insurance with the Australian Reinsurance Pool Corporation, then any such Underwriters will not be liable for any amounts for which they are not responsible under the terms of ATACIA due to the application of a "reduction percentage" as defined in ATACIA which results in a cap on the Underwriter's liability for payment for "eligible terrorism losses".
