

Public & Products Liability Proposal Form – Water Industry

IMPORTANT NOTICES

Your Duty Of Disclosure

This Policy is subject to the Insurance Contracts Act 1984. Under that Act you have a duty of disclosure.

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms. You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- Reduces the risk we insure you for; or
- Is common knowledge; or
- We know or should know as an insurer; or
- We waive your duty to tell us about.

If you do not tell us something: If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

If you are not sure whether something is relevant, it's advisable that you inform us anyway.

Don't Prevent Our Right of Recovery

This policy contains a provision which states that if you surrender your right to seek recovery from another party for a loss covered by the policy, we have a right to reject any claim from you in relation to that loss.

We Are An Agent

IMPORTANT NOTICES (Cont'd)

Claims Made Notice for Professional Indemnity, Errors & Omissions, Statutory Liability and Contractors Environmental Liability Extensions

The Professional Indemnity, Errors & Omissions, Statutory Liability and Contractors Environmental Liability extensions are 'claims made' covers. This means that these extensions cover you for claims first made against you during the period of insurance and notified to the underwriter during such period of insurance.

These extensions do not provide cover in relation to:

- Events which occurred prior to the period of insurance or such earlier retroactive date as may be stipulated in the schedule;
- Claims made against you after the expiry of the period of insurance even though the event giving rise to the claim may have occurred during the period of insurance;
- Claims where the possibility of the claim was intimated in any way prior to the commencement of the period of insurance;
- Claims arising from or attributable to any facts, circumstances or occurrences noted on the proposal for the current period of insurance or on any previous proposal or of which notice had been given under any previous policy;
- Claims arising from or attributable to any facts, circumstances or occurrences of which you were aware and knew (or ought reasonably to have realised) prior to the commencement of the period of insurance may give rise to a claim. .

As explained above, these extensions, by their terms, do not provide cover for claims made after the expiry of the period of insurance provided by the extensions.

Section 40(3) of the Insurance Contracts Act 1984 however provides that an underwriter is not relieved from liability under a contract of insurance in respect of a claim by reason only that the claim was made after the expiry of the period of insurance cover provided by the contract where the insured has given notice in writing to the underwriter:

- of the facts that might give rise to a claim against the insured;
- as soon as was reasonably practicable after the insured became aware of those facts, and
- before the expiry of the period of insurance.

It is therefore important that you advise us of any circumstances that could result in a claim during the period of insurance to protect your position in case the circumstances develop into a claim after the expiry of the period of insurance
